THE MALLARD

DUCKLAND, U.S.A.

TAYLOR HIGH SCHOOL
TAYLOR, TEXAS

Dedication

You're typical THS students--making fun out of work--sharing interests--never worrying--much--enjoying school but hating to admit it--studying some--enough to get by.

You're all typical Ducks--going out for sports 100%--football and basketball crazy--yelling your lungs out, win or lose--that winning spirit's just a part of you--you think your school's got the best of everything.

You're typical Taylor teens--catching on to each new fad--liking denims, suedes, taps, cat blouses--but changing to glamor when it fits the occasion--going steady--needing friends--real friends to confide in.

And so, since you have all these qualities, be they good, bad, or otherwise, we dedicate this 1954 MALLARD to you, THE STUDENTS OF TAYLOR HIGH SCHOOL.

Principal's Message

Dear Mallard Staff,

Our experiences, like a steadily flowing river, fill the lake of our life until the waters are smooth and placid. Some of these experiences have been graphically recorded in this book so each of us may remember our most delightful times.

To you, the staff, and the sponsor, the creating of this book has been a memorable experience. You, more than anyone, should have a sense of pride. There is no need to congratulate you, as this book is a testimony to your endeavors.

We, who have a greater or lesser role in this creation, feel a wholesome goodness when we see our accomplishments or failures spread before an unbiased eye. Time may exclude many things, but our school experiences remain undimmed through the MALLARD.

Very truly yours,

E.G. Osborn

CLASS

DOROTHY BACHMAYER
"Ring on her hand, man on her mind." Quiet Dot has invited us all to taste her cooking soon as she's married.

JOANN BARRETT
Joann's serene and friendly smile, and her kindness toward all, have given us a chance to know and like her.

BETTY JEAN BARTZ
She's slow motion personified, our not-so-dumb blonde who spends all her extra time doing nothing.

JACQULYN BINGHAM
Soft voiced Jackie is outstanding in all she attempts--from short-hand to spiking a mean volley-ball.

HELEN BOWER
Sincere, dignified, and most beautiful--and even more than that, a friend to treasure.

JAMES BREZIK
Senior Thespian, most decorated band member, "Breezy" will some day take Mr. Lewis' place.

PAUL CARRIZALES
If curly-haired Paul isn't at the TIMES, look for him out riding around in his Plymouth.

OF '54

MARY ANN CARSWELL

Taylor High's nightingale with the laughing brown eyes; she's great at the "88."

PERRY COX

Suede belts--smittys on his car--basketball ace--first class baritone --that's our TCU-bound Uncle Mose.

BARBARA CZIMSKEY

Pert, blonde, assistant editor of the Cotton Boll, Babs has got courage plus and is really on the ball.

FRANKLYN DAHLBERG

Most musically inclined--sings, plays the piano and cornet--side-hobbies--photography and Betty.

KENNETH DAVIS

Charging in his '39 Dodge, conducting class meetings, or playing a hot sax--that's Senior Prexy Kenneth.

YVONNE DAVIS

Von, a real bopster with model build, and soft warm eyes, has that true Aggie spirit.

RUBEN FECHNER

Big feet, a bigger smile, and a still bigger heart--none other but food fiend, hotshot drum major "Rub."

CLASS

ALBERT FRITCHER

Cool, calm, and collected, capable Student Council Prexy, Al deserves much of the credit for THS' first successful homecoming.

LEONARD GILLELAND

A friendly wolf in sheep's clothing, "Junior" is a whiz on the courts (basketball and tennis).

SHIRLEY GREEN

Her lovely soprano voice should help her reach her goal in life--to have her name in lights.

NORMA GUENZEL

A future WAF, "Pee Wee" never tires of barbecue, boys, pretty clothes, or Oldsmobiles.

ELAINE HAMMACK

Forgetful, witty, laughter-loving, Joni James' fan, talented organist and artist--that's versatile Elaine.

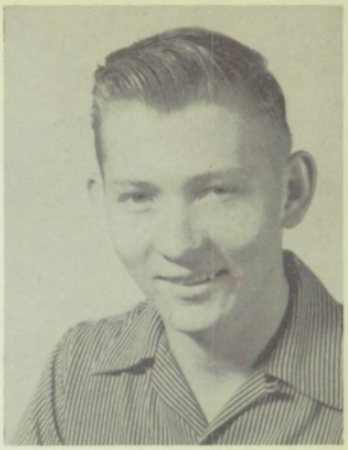
DELORES HODON

That diamond from Leroy on "Dode Hode's" left hand means homemaking will be her lifetime job.

ROBERT HOLT

"Hey, let's have a game!" Besides being a domino shark, Holt is a mathematical genius--100 problems in 10 minutes!

OF '54



RANDOLPH HUBER

Big and blonde, with muscles galore! That's Randy. Beware girls--he's going steady.

NAOMI HUNKA

Beauty, brains, beaus, and a helpful finger in every pie--that's our Valedictorian of '54.

LINDA JONES

Proof of Lind's dependability is the fact that she's served as secretary of almost every club in school.

DOROTHY KASPAR

For lessons on how to be happy, we recommend Dorothy. She seems to radiate sunshine and warmth.

PAT KELLY

An Irishman--minus the fiery temper --good-natured Pat seldom argues--except in Geometry class.

WAYNE KROPP

At ease wherever he is, Vejnn, a handsome teasing lad, ranks foremost among the Seniors.

MAURICE KUBAN

School'd sure be a dull place without this wise-cracking, practical joker nicknamed "Moose."

CLASS

GLADYS LENZ
In the grandstand yelling for Bobby, or out on the volleyball court herself, she's a bundle of energy.

LESLIE LOESSIN
Cheerful, well-behaved "Kerosene," who plans to be a mechanic, is always ready to lend a helping hand.

HOMER LUMPKIN
Usually seen buzzing about in his Hudson and offering rides, Homer's also a whiz at the piano.

RAMONNA MARTINKA
Who could ask for more than an up-swept hair-do, attractive clothes, and lady-like ways?

BETTY MATTECK
With her winning ways and scholastic standing, she'll probably end up president of TSCW.

RAYMOND MIKULENCAK
A real cool cat, "Mick" has got the best collection of bop records in town--besides having a great line!

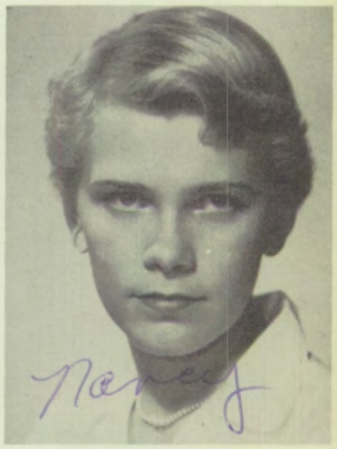
JESSIE NAVARRO
Fun-loving Jessie does have his serious side--he is an industrious DE student with a big heart.

OF '54

MARY NAVARRO
With her genuine love for people and that big grin, Mary's certain to be a wonderful nurse.

JACK NOWLIN
Our Senior super shoe salesman with the dancing feet loves music and is a trombone specialist.

CHERRILL PETERS
Beauty, brains, and a determination to win--"Annabelle," a twirler de-luxe, is just crazy about farming.



NANCY PFLUGER
The bouncy blonde with the bubbling ways, Pef's known for her "ducks" and her love for chocolate malts.

CORRINE POLDRACK
"Wissie," the pride of the commercial classes, is going to make some lucky man an excellent stenographer.

SYLVIA PONTON
Her keen sense of humor we couldn't do without--San Marcos bound, Sylvia can really take the teasing.

RAYMOND RAEZ
A born practical joker, he keeps the bookkeeping class busy laughing--he's also the proud owner of a new Ford.

CLASS

SHIRLEY RAESZ
That gleam in her eye has something to do with a Fort Hood fellow--could it be serious?

PATRICIA REMMERT
A terrific all-year tan, short blond hair, first class tennis player--that could only be "Onion."

LARRY RYDELL
Renown for his Jerry Lewis imitation, long, lanky Larry, hot-shot of the court, is a real favorite among his classmates.

DORIS SANDER
Her ambition will assure her future happiness: to do whatever she attempts wholeheartedly and gladly.

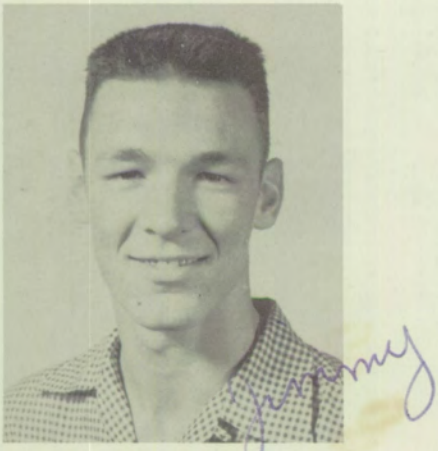
INEZ SCHILLER
With all her friends, how can her nickname still be "Lonesome?"

SHIRLEY SCHIRPIK
Nixon-Clay Business College and marriage are next on Shirley's life agenda.

JOYCE SCHOENER
Naturally curly black hair, pleasing disposition, smart as a whip--that's Joyce.

OF '54

LILLIAN SCHROEDER
Snobbish people give her a pain, but give her some fried chicken, hillbilly music to dance to, and she's happy.



JIMMY SCHULTZ
Two loves has this 6'4" easy-going Frank Sinatra of KTAE--basketball and a certain special Sophomore.

JAY SCHULTZ
Broad smiles, Texas drawl, happy walk--that's Jay, THS Hillbilly artist. Eddy Arnold, move out! Jay's on his way!

REGINALD SHAPER
Flat-top, taps on his shoes, blue denims, Reggie will make a precious Aggie--or so the girls think!

DOLORES SILVA
Journalistically inclined, Dolores can crack the hardest math problem or put out the Cotton Boll with equal ease.

BOBBY TOWNSEND
Athlete supreme Bobby got a bigger kick out of being selected FHA sweetheart than anything else.

MICHAEL WOODS
What has been left unsaid about world-traveler Mike? He has our highest praise and admiration.

MICHAEL GRADY WOODS -- an impressive name for an impressive young man. The measure of any man lies in his accomplishments, and, at seventeen, Mike, our Ambassador to Pakistan, has been enabled, through his talent for writing, to travel and see and learn more of this great world and human nature than his classmates ever expect to in the future. Whatever he's done, he's done well--from being Senior cheerleader, Student Council vice president, and a superior student, to depicting Dad Gilbreth in the class play. Witty, sincere, and dependable--remember that name in years to come--MICHAEL GRADY WOODS.
