

WELCOME

Taylor Streets Project
Improvements for West 3rd Street
Meet the Contractor Virtual Open House
July 15th, 2020

MEET THE TEAM

City of Taylor

- Mitchell Drummond, Council Member District 2
- Jim Gray, Director of Public Works
- Stacey Osborne, Communications Office

HDR, INC.

- Jacob Walker, City Engineer
- Raphael Campos, Construction Manager
- Clayton Craig, Construction Inspector

HOW TO PARTICIPATE

Watch the presentation

City staff and the Construction inspector will give an overview of the project and talk about what to expect during construction.

Ask Questions

After the presentation, we will hold a question and answer session. Raise your hand or chat your question to the Project Team.

PROJECT OVERVIEW

The Taylor Streets Project uses funds from the 2019 Infrastructure Bond to improve roads, address drainage issues, replace water and wastewater lines, and repave driveways within the City's right-of-way.

Five streets will be reconstructed as part of the project.

- W. Lake Drive
- W. Third Street
- N. Lynn Street
- N. Robinson Street
- Edmond Street

PROJECT BENEFITS

Improve Mobility

New pavement
Other mobility
