

# LIBERTY GARDEN ORDER FORM

Keep Taylor Beautiful is pleased to announce the completion of the first stage of the Liberty Garden that honors military and rescue heroes. You are invited to help honor your favorite American hero and participate in the next stage of the Liberty Garden. The Taylor Liberty Garden, at the entrance of Murphy Park, honors those who have served or who are currently serving in the armed forces, fire department, police department or emergency response services. It also serves as a memorial for loved ones who were lost in the tragedy of September 11, 2001. The garden provides a quiet place to remember and reflect on the sacrifices these individuals have made to preserve our freedom and protect us in our daily lives. While the benches, lampposts and flags are completed, paver stones may still be purchased by individuals or groups. There is limited space for additional pavers. Orders will be taken for these by KTB and whenever 50 orders have been received, paver stones will be inscribed and installed in the Garden.

4 "X 8" paver stones at a cost of \$60.00 each. These may be inscribed with the name of the person you wish to honor and may include the branch of service, years of service, or other service information except for rank. (Since the intention is to equally honor all of those who serve or who have served, in whatever capacity, inscriptions should not include rank). For example: Joseph Johnson U. S. Army Vietnam

Due to quantity limitations, reservations will be taken on a first-come, first-paid basis. Inscriptions for paver stones should be completed on the form below. All funds raised will go toward the building of this lasting tribute. Any donation amount is welcome and will be acknowledged. Complete and return the order form below.

You will receive confirmation via mail or e-mail within three weeks of placing your order for a paver stone. Messages will automatically be centered on the paver stone. Be sure to count blank spaces and punctuation as characters (16 character spaces maximum/line). All inscriptions are in upper case. Please review your personalized message carefully. If you do not receive confirmation of your order, or if you need to make a correction or receive more information, please call Miles Baska at 512.470.1645.
