

Press Release

May 13, 2016

From: The Taylor Economic Development Corporation; Taylor, Texas

The Taylor Economic Development Corporation "TEDC" is pleased to announce that Noren Products, a 40 year old family owned and operated, California based technology company has selected Taylor, Texas to locate its new headquarters, R&D and manufacturing facility. Mark Thomas, President/CEO of TEDC says "Noren selected Taylor based on the availability of engineering talent in the area, easy access to the Austin International Airport and close proximity to SH 130." The new 30,000 sq. ft. facility will have a capital investment in excess of \$2,000,000. 40 new jobs will be created in Taylor with wages averaging \$45,000 per year. The jobs at the new facility will include senior staff, administration, engineering, production, and manufacturing. Noren is targeting May 2017 to be in operation
