Give him a break!

PLEASE CLEAR THE WIRES FOR HIS CALLS BETWEEN 7 AND 10 P.M.

He's busy all day, training to smash the Axis. Rarely except during the evening has he time to call home. And that's when long distance lines are most crowded. You can help . . . by making your long distance calls, if at all possible, before 7 or after 10 p.m. . . . *Thanks. He'll appreciate it.*

TELEPHONE SERVICE CALLS

Long Distance Calls Call "Long Distance"

Numbers Not in Directory Call "Information"

When a Telephone Is Out of Order Call "Repair Service"

To Report Difficulty

With Local or Long Distance Service Call "Chief Operator"

Telephone Business Matters (*when you wish to order a telephone, have your telephone moved, or discuss your bill*) Call "Business Office"

TO ADD VALUE TO YOUR TELEPHONE SERVICE

ANSWER PROMPTLY ...

When your telephone rings, answer promptly. A delay may cause you to miss an important call.

IDENTIFY YOURSELF ...

When you answer, identify yourself immediately with some such phrase as "132" or "Smith Department Store." Answering in this manner eliminates needless questioning ... saves time.

ALLOW TIME TO ANSWER ...

When you place a call, give the called party time to get to his telephone from another part of the house, or even from the yard. Wait at least a minute.

SPEAK DISTINCTLY ...

Talk directly into the telephone. Your lips should be about half an inch from the mouthpiece. Use a natural, pleasant voice. Don't whisper. Don't shout.

FACTS ABOUT LONG DISTANCE SERVICE

To assist you in choosing the service to use

STATION-TO-STATION CALLS

The rates are lower on these

On the lower-priced station-to-station call, you talk to anyone who answers at the number called. To make a station-to-station call:

Call "Long Distance." Give the Operator the name of the town to which you want to talk, and the telephone number, if you know it. For example, say "Galveston, Texas, 4568" or "Galveston, Texas, Mr. John Smith's residence at 1500 Broadway."

Be sure **not** to specify any particular person, or the number or location of any Private Branch Exchange station (such as Room 711, Hotel Excelsior, or Shipping Department). Such calls take the higher person-to-person rate.

Facts About Station-to-Station Calls:

1. Rates are lower than on person-to-person calls. See rate table on inside front cover of this directory.
2. They are usually more quickly completed than person-to-person calls.
3. If you call a town to which the rate is 25 cents or less, you are permitted a five-minute conversation without additional charge. On calls over 25 cents, the initial period is three minutes.
4. The call is timed from the moment the called telephone is answered.

PERSON-TO-PERSON CALLS

You talk to a particular person

On person-to-person calls, you talk only to a particular person or a particular extension, such as "Mr. John Jones, Grand Hotel" or "Room 711, Grand Hotel." This service assures your getting to talk to the person you want. To make a person-to-person call:

Call "Long Distance." Give the Operator the town, the telephone number or address, and the name of the person or department you want. For example, say "Galveston, Texas, 4568, Mr. John Smith" or "Galveston, Texas, 4568, Extension 711."

Facts About Person-to-Person Calls:

1. Charges do not begin until you start talking with the **person** or extension telephone with whom you wish to speak.
2. All initial periods are for three minutes. The rate for person-to-person calls is somewhat higher than for station-to-station calls.
3. We will make repeated attempts on the same or a later day to reach the person with whom you want to talk, at different telephones or even in different towns. No additional charge is made for this service. However, on calls within the state if your party cannot be reached for reasons beyond the control of the Telephone Company, or your call is cancelled, a "report" charge is made.

COLLECT CALLS...

You may "reverse" charges; that is, have them billed to the called telephone. Simply tell the operator you want to call "collect." If the called party agrees to pay the charges, they will be billed to his telephone.

FOR FASTER SERVICE...CALL BY NUMBER...

If you know the number of the distant telephone, give it to "Long Distance." It will speed your calls.

ON VOICE HIGHWAYS, TOO... WAR NEEDS THE RIGHT OF WAY

If war calls are to go through promptly, each of us must use his telephone wisely.

We aren't suggesting that you don't use the telephone, but only that you limit your use to necessary calls. And on these necessary calls, please be brief.

SOUTHWESTERN BELL TELEPHONE COMPANY

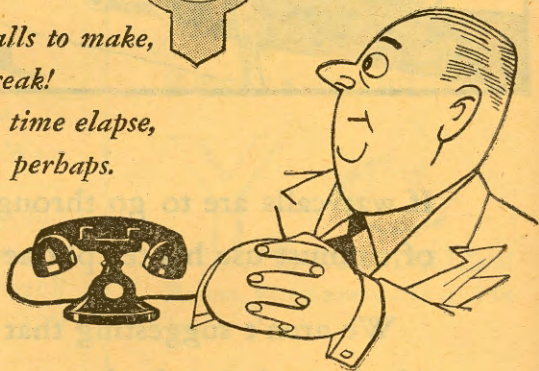

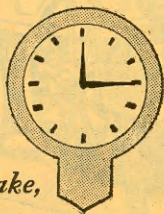

If a party line you share, read these tips on playing fair

- 1. Ere you call, please lend an ear;
Making sure the line is clear.**

2.

*When you've several calls to make,
Give the other guy a break!
Between calls, let some time elapse,
Permitting him to call, perhaps.*

- 3. Most important, though, of all,
Please be brief each time you call.**

SOME TIPS FROM SCORES OF SHOPPING SAGES WHO ALWAYS USE THE YELLOW PAGES

*In times like these
We point with pride
To...you know what...
The Buyers' Guide.*

*For service and
Repair jobs too,
The classified
Makes one call do.*

*Busy folks in
War's endeavor
Use Yellow Pages
More than ever.*

*They tell you how,
Though stocks are shy,
To find the place
Where you can buy;*

*For certain brands
You liked of yore,
Or if you seek
The nearest store,*

*Help fill your needs,
Not all perhaps,
But just enough
To plug the gaps.*

*Just join the ranks
Of shopping sages
Who always use
The Yellow Pages.*
