MAXIMUM PUSH-UP TEST

This push up test measures the muscular strength and endurance of the upper body. Place your hands on the ground so they are in a vertical line with your shoulders. Your feet may be together or up to 12 inches apart. Your body should be in a straight line from the shoulders to the ankles, and must remain that way throughout the exercise. Lower your body by bending your elbows until your upper arms are parallel to the ground where you touch and slightly compress the 4-inch foam block under your chest. Your examiner will tell you when you have gone low enough. Return to the starting position by completely straightening your arms. You may only rest in the up position. If you fail to: keep your body in a straight line; touch your chest to the foam block; or lock your arms in the up position, you will receive a warning. After one warning, incorrect repetitions will not count. There is a one minute time limit. Your rating is based on 50% of the cooper standard.

Male	24	19	13
Female	11	9	7

Stage 2 ONE-MINUTE SIT – UP TEST (**Pass / Fail**)

The one-minute sit-up test measures muscular strength and endurance of the abdominal muscles. Lie on your back with your knees bent at 90 degrees or tighter with your feet flat on the ground. Your feet may be together or apart, but your heels must stay on the ground. The examiner will hold your feet and count the number of repetitions. During the exercise your hands must stay behind your head. Lift your body by bending at the waist. Touch your elbows to your knees, and return to the starting position. You may rest only in the up position. Do not arch your back or lift your buttocks off the ground. If you fail to: keep your hands behind your head; touch your elbows to your knees; or lift your buttocks off the ground you will receive one warning. After one warning, incorrect repetitions will not count. You will have one minute to do as many sit-ups as possible. Your score is the total number of correct sit-ups. Your rating is based on 50 % of the cooper standard.
