Emergency Calls on Party Lines

WARNING

State law requires you to hang up the receiver of a party line immediately when told the line is needed for an emergency call to a fire department or police department or for medical aid or ambulance service. It is also unlawful to take over a party line by stating falsely that the line is needed for an emergency. The law defines an "emergency" as a situation in which property or human life is in jeopardy and the prompt summoning of aid is essential. The penalty which may be imposed by the state for either offense shall be a fine of not more than \$500 or imprisonment for a term not exceeding one month, or both.

Llamadas de Emergencia en líneas compartidas

ADVERTENCIA

La ley del Estado de Texas establece que cuelgue el auricular inmediatamente, de una línea compartida, cuando se le avise que dicha línea se necesita para hacer una llamada de emergencia al Departamento de Bomberos, al Departamento de Policía, o para solicitar ayuda médica o el servicio de ambulancias. También se considera ilegal el conseguir una línea compartida diciendo falsamente que es necesaria para hacer un llamado de emergencia. La ley define como "emergencia", una situación en la cual un ser humano o alguna propiedad corren peligro y el auxilio rápido es esencial. El castigo al que el infractor se hará acreedor, por parte del estado, al cometer cualquiera de estas dos violaciones será: una multa no mayor de \$500 (US.cy) o ir a prisión por un periodo no mayor a un mes; o ambos.

ON THE COVER:

Morning Mist, by Dallas artist Nathan Jones, captures a quiet moment in Texas. The dense marsh habitat is a seasonal haven for the mallard and other native species. The tall stem-like trees and heavy morning mist provide an excellent camouflage for ducks in flight. The Jones watercolor is from the artist's private collection. Jones has been honored as one of America's outstanding contemporary artists for his works, including watercolors, oils, and pencil paintings.

Applying for New Service or Moving Service

Bell PhoneCenter

At the Bell PhoneCenter, residence customers can select their telephones, take them home and save part of the installation cost.

Business one-party single line (non-key) customers can also select and pick up telephones at the Bell PhoneCenter and save on installation costs.

Bell PhoneCenter

Taylor

500 Talbot

9:00-4:00 p.m., M-F

Every effort has been made to list current information concerning hours of operation and location of the Bell PhoneCenter. However, location and hours of operation are subject to change. The Company makes no warranty, implied or otherwise, to maintain hours of operation and/or location as listed herein.

Contact the business office for additional information concerning hours of operation and location.

Business office

Service representatives in your business office can help with orders for service and equipment, billing matters, rates and inquiries or complaints (other than repair). Our representatives and their supervisors are there to see that you are completely satisfied.

Information needed for your order

1. Complete street address (apartment number if applicable).
2. The type of home telephone service you want.
3. How you would like your directory listing to appear.
4. Information about previous telephone service. Tell the service representative about any premium items (for example, Touch-Tone® Service or long cords) for which you've previously paid. You may be credited for these at the new location.
5. Other credit information, including employment.
6. Locations of phone plug-in jacks in your home.
7. Any special needs you may have, such as service for a disabled member of the household or cost considerations.

A deposit may be required

Each residential and business customer applying for service with Southwestern Bell must satisfactorily establish credit. Credit may be established as explained on the following page. Or, if requested, by payment of a deposit not exceeding an amount equivalent to one-sixth of your estimated annual billing, or a letter of guarantee. To maintain satisfactory credit, a customer must make prompt payment on all telephone bills.

Residential service credit

Applicants for residential service may establish credit through prior telephone service, by age, or by other satisfactory means. Credit history shall be applied equally for a reasonable period of time to a spouse, or former spouse who shared the prior service.

(1) Credit through prior residential telephone service. If an applicant has been a residential customer of any U.S. telephone company during the two years immediately preceding the local service request, Southwestern Bell will check with that telephone company or location concerning credit information. Satisfactory credit will be established if the credit check establishes:

- (a) The applicant was served by that company; and
- (b) Applicant is not currently delinquent in payment to that company; and
- (c) During the last 12 months of service with that company, the applicant did not have more than one delinquent monthly bill; and
- (d) Telephone service with that company was never disconnected for nonpayment.

The applicant must provide adequate information to Southwestern Bell to allow a check of previous service. That information should include the former telephone number and/or name under which service was billed; the date service was disconnected; and how long the applicant had service.

(2) Credit as the result of age. An applicant for permanent residential service who is 65 years of age or older will be considered as having established credit if the applicant does not have an unpaid account with any telephone company during the past two years. The applicant may be required to furnish proof of age.

(3) Credit if the residential applicant furnishes in writing a satisfactory guarantee to secure payment of bills for the service requested.

(4) Credit if the residential applicant demonstrates a satisfactory credit rating by appropriate means, including, but not limited to, the production of generally acceptable credit cards, letters of credit reference, the names of credit references which may be quickly and inexpensively contacted by the utility, or ownership of substantial equity.

Business service credit

If the credit of an applicant for business service has not been established satisfactorily to Southwestern Bell, the applicant may be required to make a deposit or provide a satisfactory letter of guarantee.

Deposits earn 6% interest

A deposit, with six percent simple interest per year, is refunded after one year to a residential customer and after two years to a business customer if the customer is not delinquent in the payment of the current bill and has not been delinquent in the payment of a bill on more than two occasions. If telephone service is disconnected, the deposit with interest is applied to the final bill.

Prompt payment means good credit

Your credit standing is determined by your promptness in paying your telephone bill. Payments should be received at the telephone company by the payment date on your bill. No telephone credit information is given out to other businesses.

Types of Service

Local (exchange) telephone service is offered, depending on customer location and available equipment and facilities, in the following types:

- Suburban Four-Party — available in outlying areas; customers generally share a single telephone line with up to three other customers; the least expensive service offered.
- Measured Business Service — not widely available; customers are charged a monthly flat rate plus a charge for each outgoing call over 100.
- Two-Party Residence Service — available to residential customers in certain rate groups; customers share a single line with another customer; higher rates than for Suburban Service.
- One-Party, or individual line, Service — available in certain locations; only one customer to a line; rates are higher than for Two-Party Service.

Basic local (exchange) telephone monthly rates are for the access line only and vary, depending on the total number of access lines in the local calling area. In some suburban and rural areas, mileage charges may also apply. Telephones are available at additional monthly charges. Touch-Tone® Service (where available) and a number of other styles of telephones (Princess®, Trimline®, etc.) are also available at additional monthly charge and a one-time charge. There is no additional one-time charge for standard color telephones.

Service Connection Charges

Standard charges for installing and rearranging telephone service are in effect in all Southwestern Bell locations in Texas. The one-time service charges are based on a multi-element plan under which the customer pays for the elements

associated with the work performed in connecting or rearranging service. Additional information concerning service connection charges is available through the local business office.

We'll pre-wire a new home or addition

If you are building a new home or remodeling your home, we can install telephone wires before the wall is put up. Often this means your telephones can be installed more neatly. Call your service representative for this service.

Convenient repair of defective equipment

In many cases you can return defective phones to a Bell PhoneCenter and they will immediately be replaced. To qualify, your phones must be "modular": they must plug and unplug as pictured on Customer Guide page 12. Also the problem must be a defect in the equipment itself, such as a cracked handset, broken dial, burned out light (on Princess® or Trimline® phones) or cut cord. If in doubt, call repair service.

When the problem is the light or cord, you have another option. If you prefer, we will mail you a new bulb or cord which you can easily install yourself. Call repair service.

No charge to disconnect service

There is no charge to disconnect service. Call your service representative to disconnect your phone.

You may be eligible for a credit on your final bill if you return your telephones to a Bell PhoneCenter. Ask your service representative.

Optional Services at Additional Charge

Current rates and charges are available from your service representative. Call your local business office or visit a Bell PhoneCenter.

Touch-Tone[®] Service (where available)
Push-button calling.

Non-published number

Your number is not in the directory and is not available through Directory Assistance.

Additional listings

A separate and distinct additional listing in the telephone directory.

Special Services for Disabled People

If you are disabled or if you know someone who has a physical problem in using a telephone, we want to help. The solution may be provided by special services we already have available. (Some are listed in the next column.) If not we will do our best to help design an effective solution. Call our business office. There is no charge for the consultation to help solve your specific problem.

In addition, Southwestern Bell provides operator assistance to its customers who use Telecommunications Devices for the Deaf (TDD/TTY). Any TDD/TTY user making telephone Calling Card (credit card), collect, directory assistance or other operator-assisted calls should call 1 + 800 + 855-1155.

People with teletypewriters can conduct business with the company by calling toll-free
1 + 800 + 292-7222.

For people with impaired hearing or speech:

Portable teletypewriter
Volume control handsets
Tone ringer
Bells in many frequencies
Artificial larynx
Signalman
Telephone adapter

For people with motion impairments:

Touch-Tone[®] Service (where available)
Touch-a-matic[®] telephone
Speakerphone

Our "Services for Special Needs" brochure gives more detailed information about these and other products. Call our business office to request a copy.

Safety Alert

Southwestern Bell is trying to locate and replace, free of charge, all telephone light transformers of a type which could burst and cause a fire. The transformers were manufactured by AULT, Inc.

KS-20426 L3 TRNSF
MADE BY AULT INC.
FOR WESTERN ELECTRIC
105 - 129V 60Hz
SEC: 5.78 - 7.3V
5.5VA CLASS 2

Please check to see if you have one or more of the small box-shaped transformers pictured above. If you do find an AULT, or if you can't read the markings, call repair service listed on Customer Guide page 1. **DO NOT TRY TO REMOVE THE TRANSFORMER YOURSELF.**

Be sure to make a thorough inspection in your home. Check all electrical outlets including any you may have in basement, attic, garage, closets or behind your washer, dryer, refrigerator or bed.

Telephone safety

The telephone is one of the safest appliances in your home or office. There are, however, a few situations where a telephone user needs to be cautious.

Use of the telephone near water

The telephone should not be used while you are in a bathtub, shower or pool. Immersion of the telephone or handset in water could cause an electrical shock.

Consumer Rights

How to complain

Your service representative is available to answer your questions and resolve your problems. If you're not satisfied, feel free to ask for a supervisor. If your problem can't be solved by the supervisor, ask for the manager or higher levels of management. If you prefer, you may write to:

Southwestern Bell Telephone Company
P.O. Box 90
San Antonio, Texas 78287

If you are still not satisfied, you have the right to file a formal or informal complaint with the Texas Public Utility Commission, which regulates Southwestern Bell in Texas. The address is:

Texas Public Utility Commission
7800 Shoal Creek Blvd.
Suite 400N
Austin, Texas 78757

Tariff Review

The Company's tariffs are available for inspection at Company business offices during office hours. Copies may be obtained for a reasonable reproduction charge.

Tariff Provisions

Communication services furnished by Southwestern Bell Telephone Company are public utility services which are offered by the Company subject to the rules, regulations and charges set forth in its tariffs, which tariffs shall at all times control the provision of such communication services. Every effort is made in the Customer Guide section of this directory to accurately portray information showing certain terms, conditions, and charges by which communication services are furnished. In the event of a conflict between such tariffs and the information contained in this Customer Guide, the tariffs shall prevail. The Company's tariffs are subject to change and are available for inspection at Company business offices during office hours.

Consumer Responsibilities

Providing your own equipment

Under the Federal Communications Commission's registration program, you may supply your own telephone or other terminal equipment and connect it directly to the nationwide telephone network. The equipment must be approved by the FCC and you are responsible for its proper connection, maintenance and repair. FCC rules also require that you notify the telephone company before connecting your equipment.

Private equipment may not be connected to coin phone service and party lines.

Discontinuance of service

A customer's telephone service may be disconnected if the bill has not been paid or a deferred payment agreement entered into within 22 days from the date of issuance.

Service also may be disconnected if a customer tampers with telephone equipment or misuses services in a manner which interferes with the service of others. Southwestern Bell will provide the customer seven days written notice prior to disconnecting service for nonpayment. In case of tampering or misuse, the company normally will provide reasonable notice before disconnecting service. If tampering or misuse continues after notification, the service may be disconnected.

Also, if a dangerous condition should arise as a result of customer tampering or misuse, the company may disconnect service without notice and leave the service disconnected until the dangerous condition is corrected.

For Your Protection

Our employees carry company identification cards

For your safety every Southwestern Bell employee is required to carry an

identification card showing his or her name, and a photograph. If you have any doubt whether people are from the phone company, please ask to see their card.

How to handle obscene or harassing calls

If you receive obscene, harassing or threatening calls, follow these suggestions:

1. **Hang up** at the first obscene word or if the caller doesn't say anything the second time you say hello.
2. **Give no information** such as your name and address until the caller has been identified.
3. **Advise your children** to give no information to strangers. If you're not home, they should say "Mother/Father can't come to the phone right now."
4. **If calls persist** call your Southwestern Bell business office or your police department.

It is a crime under both Texas and federal laws for anyone to make obscene or harassing phone calls. These laws impose penalties of fines and/or imprisonment.

How to handle unwanted sales calls

If you do not want to talk with a person selling a product or service by telephone, just say "No thank you," and hang up.

Fraudulent callers are subject to prosecution

It is illegal for another person to charge long distance calls to your number or Calling Card (credit card) without your permission. Persons placing such calls are subject to prosecution and if convicted are subject to imprisonment and/or fine.

Leave phones on the hook

At times you may not want to be disturbed by a ringing phone. However, leaving a phone off the hook prevents emergency calls from getting through and ties up equipment needed to complete other customers' calls.

Recorded calls require a beep tone

If your conversation is being recorded for business or other reasons you will hear a beep tone every 15 seconds. Use of a recorder without a recorder-connector containing a beep tone warning device is not permitted, except on emergency reporting systems, including police and fire department lines. Under certain restrictions, an exemption to this tariff applies to federally-licensed commercial broadcast stations.

Automatic Dialing-Announcing Devices

The Texas Public Utility Commission has specific rules governing the use of Auto-

matic Dialing-Announcing Devices. Those rules require: (1) the device may not be used unless there is prior written agreement between the called and calling parties, or (2) the device must disconnect the called party's line within 15 seconds after the called party hangs up and create a disconnect signal which allows the called party's line to be released; the recorded message must begin or be preceded by a statement announcing the name, address, and telephone number of the calling party, the purpose of the message and the fact that the message is a recording; such calls are not to be made to emergency telephone numbers; such calls may not be made before 9 a.m. or after 9 p.m.; and the device may not create substantial impairment of telephone service, as determined by Southwestern Bell.

These rules do not apply to any automatic device for security, emergency, health, environmental or other monitoring purposes. Violation of these rules can result in interruption of service by Southwestern Bell until the noncompliance is remedied. The company may terminate service if the noncompliance continues.

More detailed information on these rules is available through the business office or the Texas Public Utility Commission at 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757.

Unlawful wiretapping is subject to prosecution

It is a crime under federal law for any person, including a telephone subscriber, to unlawfully wiretap or otherwise intercept a telephone call. Properly authorized law enforcement officers can engage in interceptions when proceeding under court orders issued pursuant to applicable provisions of federal law. Under federal law, the penalty for illegal wiretapping can be imprisonment for five (5) years, a \$10,000 fine, or both.

QUESTIONS ABOUT YOUR BILL

How am I billed?

Charges for your local service and equipment are billed from the current billing date to the next bill date. Message units, long distance and telegrams are billed from the last bill date through the day prior to the current bill date; charges for installing or changing equipment are billed the same way.

What is the due-by date?

This is the date by which Southwestern Bell should have your payment. It appears on your bill.

What happens if I can't pay my bill on time?

If you can't pay by the due-by date, please call your business office. We may be able to make payment arrangements in case of circumstances beyond your control.

Southwestern Bell does not apply an extra charge for bills paid after the due date, but repeated late payments may damage your credit record with us. Late payments may also result in your phone service being disconnected.

How can I get service restored if it has been disconnected for nonpayment?

All delinquent charges billed for service must be paid before your service can be reconnected. You must also pay a charge to have the service restored.

You may also have to reestablish your credit. As a result, a deposit may be required.

What should I do about questions or mistakes on my bill?

Call the business office. Your service representative there can answer questions, investigate possible errors and provide information about bills.

In the event of a dispute between you and the company concerning a billing charge, you shall not be required to pay the amount of the charges in dispute until the company's investigation is completed.

WHERE TO PAY YOUR BILL

A return envelope is included with each monthly bill. Please return the payment sheet with your payment or note your telephone number on your check. If the return envelope is not available, address payments to:

Southwestern Bell Telephone Company
P.O. Box 90
San Antonio, Texas 78287

You may also pay your bill at:

Fuentes Food Store
100 W. Walnut

How to connect 12 or disconnect your phones

These drawings show you how to install or disconnect your telephones.

Drawings one through four show standard wall sockets, or jacks, for modular telephone cords. To install your phone, match the plug at the end of the cord with the jack, and insert. To disconnect your phone, squeeze the clip on the plug and pull it out of the jack.

Drawings five and six show different kinds of jacks, called non-standard jacks. A special converter can be provided to permanently change the non-standard jacks into modular outlets to use with your modular cord. Plug the converter into the jacks, then plug the cord into the converter.

A jack for a wall mounted telephone is shown in drawing seven. To connect your wall phone, match the holes in the back of the phone with the rivets on the wall mounting. Push the phone lightly against the mounting and slide it down into place. To disconnect, slide the phone up to lift it off the rivets, then pull it away from the wall.

If your house or apartment has "hard-wired" telephone outlets, you may be able to save time and money on installation by changing them to modular "plug-in" outlets yourself with a modular jack converter, drawing eight. Modular outlets let you plug in or move your own telephones. For more information, call your service representative or visit a Bell PhoneCenter.

Directory Assistance

13

How to Call Directory Assistance

For local numbers dial:

1 + 411*

For numbers within the 512 area dial:

1 + 555-1212*

For numbers outside the 512 area dial:

**1 + Area Code
+ 555-1212**

For the telephone numbers of businesses and people who have "800" numbers dial:

1 + 800 + 555-1212

Customers who use Telecommunications Devices for the Deaf (TDD/TTY) can reach an operator for assistance in making long distance calls by dialing:

1 + 800 + 855-1155

*Calls to Directory Assistance for numbers within the same Area Code may be subject to charge. See next column for additional information.

Errors in Directory Listings

If your listing is incorrect or omitted from this directory, please contact your Southwestern Bell business office.

Every effort is made to make the directory as accurate as possible. In case of error or omission the liability of the Company, if any, is limited to the amount of actual impairment of the customer's service and may not, in any event, exceed the amount paid for the service during the period covered by the directory in which the error or omission occurred.

Charges for Directory Assistance*

Under a plan designed to require the frequent users of Directory Assistance to pay for the costs of providing that service, single line residential and business customers pay 25 cents for each direct-dialed call to Directory Assistance after the first 10 direct-dialed calls each month. In addition to the 10-call allowance, one direct-dialed call to Directory Assistance in the home area code is allowed at no charge for each home area sent paid toll call completed. For all other types of service, different rules apply as set forth in the Company's tariffs. There is no charge for Directory Assistance calls outside the 512 Area Code.

Exceptions

Calls from hospital patients' bedside services and coin telephones are exempt from the charge. Customers whose physical or visual handicaps prevent them from using the telephone directory also are exempt. They may apply for an exemption certificate by contacting their local business office.

LONG DISTANCE CALLING

How to dial long distance calls

14

Dialing Direct (One-Plus) Costs Less

By dialing your own long distance calls, you will pay the lowest rate and pay for only the minutes you talk (one-minute minimum).

To place a direct-dialed call:

within the 512 area dial

**1 + the telephone
number**

outside the 512 area dial

**1 + the Area Code
+ the telephone
number**

Operator-Assisted (Zero-Plus) Calls Cost More

Long distance calls requiring an operator are more expensive. The minimum charge for an operator-assisted call is one minute. Calls placed from hotels and public coin telephones and the types of calls listed in the next column are all operator-assisted calls.

To place an operator-assisted call:

within the 512 area dial

**0 + the telephone
number**

outside the 512 area dial

**0 + the Area Code
+ the telephone
number**

Customers who use Telecommunications Devices for the Deaf (TDD/TTY) can reach an operator by dialing:

1 + 800 + 855-1155

Types of Operator-Assisted Calls (Zero-Plus)

Collect calls

You may call collect if the person or firm you are calling agrees to pay the charges. Dial the call and when the operator comes on the line, say you're placing a collect call and give your name. The operator will leave the line when the person you've called accepts the charges.

Telephone Calling Card (credit card) calls

If you have a telephone Calling Card (credit card) you can have long distance calls charged to your regular monthly telephone bill. Dial the call and when the operator comes on the line, say you are placing a telephone Calling Card call and give your Calling Card number. Telephone Calling Cards may be obtained from your business office at no charge.

Third-number calls

You may have long distance charges billed to an authorized third telephone number. Dial the call and when the operator comes on the line say you'd like to charge your call to a third number. Give the operator that number, including the Area Code.

Person-to-person calls

This is the most expensive type of long distance call. Call person-to-person when you wish to reach a particular person or extension number. Dial the call and when the operator comes on the line, say you are making a person-to-person call and give the name of the person you want to talk to. The operator will leave the line when the person you're calling has answered the telephone.

Time and charges

When placing a long distance call, you may ask the operator to tell you the length of time you talked and how much it cost. Dial the call and when the operator comes on the line say that you will want time and charges when the call is completed.

Calls to mobile phones

You can make local and long distance calls to automobiles, trucks, aircraft, boats and ships which have phones. Calls can be completed in some cases by dialing direct or calling the operator. For information on other communication companies, look in the Yellow Pages.

Conference calls

You can talk with several people in different places at the same time by dialing the operator and saying you wish to make a conference call. Give the operator the names and telephone numbers of the people you want to talk to. You may want to arrange a calling time in advance.

"800 Service" telephone numbers

Long distance calls can be made without charge when calling those businesses and people who have "800 Service" numbers. They offer this service to customers calling from specific locations. Before making a long distance call to a business in another town, check in your local directory to see if there is an "800" number listed.

To call an "800" number dial:

**1 + 800 + the
telephone number**

If you don't see a number listed in your directory, you can get the telephone numbers of those businesses and people who have "800" numbers by dialing:

1 + 800 + 555-1212

Texas Area Codes

Each area has a three-digit Area Code. The Area Code for this directory is indicated on the front cover and on your telephone.

The Area Code of the telephone you are calling should be dialed, or given to the operator, if it is different from the Area Code of the telephone you are using. It should not be used if both Area Codes are the same.

When you give someone your telephone number, include your Area Code — it might be needed to place a call to you.

Consult Area Code map on following page or Area Code list on page 22 for specific cities not indicated on these maps.

If you want the Area Code for a place not listed, dial the operator.

Lowest Rates— Dial-Direct One-Minute Rates

Dial-direct calls are those completed from a residence or business phone without operator assistance.

Dial-direct rates also apply on calls placed with an operator from a residence or business phone where dial-direct facilities are not available.

On dial-direct calls, the initial rate period is **one minute** any time of day or night.

**Additional savings apply
evenings, nights and weekends.**

Holiday rates

On New Year's Day, July 4th, Labor Day, Thanksgiving and Christmas Day, the evening rate applies all day on dial-direct calls unless a lower rate would normally apply (night & weekend).

*The rates and charges on these pages are regulated by the Texas Public Utility Commission.

Examples shown do not include taxes. Additional minute rates illustrated are approximations due to rounding. Charges are based on rates in effect at the time of connection at the point where the call originates. This also includes calls beginning in one rate period and ending in another.

Higher Rates— Calling Card (Credit Card) and Operator-Assisted One-Minute Rates

Calling Card (credit card) calls cost more than dial-direct, but less than operator-assisted calls. Operator-assisted calls are those requiring the assistance of an operator to complete the call, such as person-to-person.

The initial period for all Calling Card and operator-assisted calls is **one minute**. The initial period is charged at dial-direct rates, including discounts applicable to the time period when you call, plus a service charge (see chart below).

Additional minutes are charged at dial-direct rates and include the same discount applicable to the time period when you call. Discounts do not apply to service charges.

To determine the cost of some sample Calling Card or operator-assisted calls, first figure the dial-direct rate for a specific call from the chart on the preceding page. Then add the amounts from the chart below to that rate.

For example:

An operator-assisted station-to-station call at the weekday rate from Taylor to El Paso would cost .39 + 1.10 service charge, or 1.49 for the first minute. Additional minutes are .39 each.

Tariff Provisions

Communication services furnished by Southwestern Bell Telephone Company are public utility services which are offered by the Company subject to the rules, regulations and charges set forth in its tariffs, which tariffs shall at all times control the provision of such communication services. Every effort is made in the Customer Guide section of this directory to accurately portray information

showing certain terms, conditions, and charges by which communication services are furnished. In the event of a conflict between such tariffs and the information contained in this Customer Guide, the tariffs shall prevail. The Company's tariffs are subject to change and are available for inspection at Company business offices during office hours.

Lowest Rates— Dial-Direct One-Minute Rates

Dial-direct calls are those interstate calls (excluding some Alaska locations) completed from a residence or business phone without operator assistance.

Dial-direct rates also apply on calls placed with an operator from a residence or business phone where dial-direct facilities are not available.

On dial-direct calls, the initial rate period is **one minute** any time of day or night.

**Additional savings apply
evenings, nights and weekends.**

Holiday rates

On New Year's Day, July 4th, Labor Day, Thanksgiving and Christmas Day, the evening rate applies all day on dial-direct calls unless a lower rate would normally apply (night & weekend).

*The rates and charges on these pages are regulated by the Federal Communications Commission.

Calls to Alaska and Hawaii

The operator can give you rates for calls to these locations. Discounts of 30% (evening) and 55% (night & weekend) apply.

*Federal Excise Tax is not included in rates shown on these pages. Discount rates illustrated are rounded. Charges are based on rates in effect at the point where the call originates. When a call is established in one rate period and ends in another, the rate in effect in each rate period applies to the portion of the call occurring within that rate period.

Higher Rates— Calling Card (Credit Card) and Operator-Assisted One-Minute Rates

Calling Card (credit card) calls cost more than dial-direct, but less than operator-assisted calls. Operator-assisted calls are those requiring the assistance of an operator to complete the call, such as person-to-person.

The initial period for all Calling Card and operator-assisted calls is **one minute**. The initial period is charged at dial-direct

rates, including discounts applicable to the time period when you call, plus a service charge (see chart below).

Additional minutes are charged at dial-direct rates and include the same discount applicable to the time period when you call. Discounts do not apply to service charges.

To determine the cost of some sample Calling Card or operator-assisted calls, first figure the dial-direct rate for a specific call from the chart on the preceding page. Then add the following amounts to that rate:

Service Charges

Dial-direct rate plus▶	Calling Card (credit card)	Operator-assisted Station-to-station	Person-to-person
	.60 1-10 miles	.75 1-10 miles	3.00 all mileages
	.80 11-22 miles	1.10 11-22 miles	
	1.05 23 miles and beyond	1.55 23 miles and beyond	

For example: An operator-assisted station-to-station call at the weekday rate from Taylor to Atlanta, GA, would cost $.62 + 1.55$ service charge (based on mileage), or 2.17 for the first minute. Additional minutes are .43 each.

Tariff Provisions

INTERNATIONAL CALLING

How to dial most international calls

23

Dialing Instructions

You can dial many international calls directly if your phone number begins with: 352

Station-to-station calls

To dial international calls, dial in sequence:

1. The International Access Code — 011.
2. The Country Code — a two- or three-digit number.
3. The City Routing Code — a one- to four-digit number.
4. The local telephone number.
5. The “#” button — if the telephone is equipped with Touch-Tone® dialing.

For example:

To place a call to Frankfurt, Germany, to telephone number 123456, you would dial:

International Access Code	Country Code	City Code			
011	+	49	+	611	
+	123456	+	#		
Local number			button if Touch-Tone® dialing*		

*You can place international calls on either dial or Touch-Tone® phones. If you use a Touch-Tone® phone, your call will go through several seconds faster if you push the “#” button.

Operator-assisted calls

To dial person-to-person, collect, telephone Calling Card (credit card) and billed to a third number international calls, follow the instructions given above but use “01” for the International Access Code. After the call is dialed, the operator will come on the line to ask for information such as the name of the person you are calling or your telephone Calling Card number.

After dialing any international call, allow at least 45 seconds for the ring to start.

Additional assistance or information

Dial “0” (operator) if you need assistance:

1. To obtain a telephone number you don't know.
2. To obtain City Routing Codes not listed in this section.
3. For help in completing a call.
4. For credit on a call on which you had difficulty, e.g., reached a wrong number.

To call Mexico

Most locations in Mexico can be reached by using the international dialing (011+) instructions.

If you cannot use international dialing from your telephone, some Mexican cities can be dialed using special access codes with city codes. (See list on following page for some city codes.)

Mexico City: Dial **1+90+5** (the city code) + seven-digit local number

Northwest Mexico: Dial **1+70** + city code (two or three digits beginning with “6”) + local number

To call other locations in Mexico, dial the operator. (Mexico directory assistance

operators include the city code when giving a local number. The city code should not be dialed twice.)

To call the Bahamas, Bermuda, Canada, Puerto Rico and the Virgin Islands

Calls to these points can be dialed in the same way as long distance calls within the United States. Simply dial "1" plus the appropriate Area Code and the local number.

Reduced night and weekend rates apply on calls to some, but not all, countries. For rates on calls to international points and information on lower night and weekend rates, please call the operator. A brochure on international calling is also available from your business office.

Codes for Some Countries and Cities

Numbers beside countries are "Country Codes." Numbers beside cities are "Routing Codes." For all other international points not listed in this section, dial "0" and tell the operator the country you are calling.

Tips to save you money, time and worry

25

Dial direct and save

It costs less when you dial long distance calls yourself, the One-Plus way.

Collect, telephone Calling Card (credit card) and coin phone calls require the services of an operator; so do requests for time and charges and calls billed to another number. Calling person-to-person always costs the most.

Call during bargain times*

Rates on some direct dial long distance calls are lower during evening, night and weekend hours. Also, take advantage of holiday rates on New Year's Day, July 4th, Labor Day, Thanksgiving and Christmas Day. See the rates in the long distance calling section, Customer Guide pages 18 and 20.

Take and save when moving

If you are moving, ask your service representative about our Take and Save Plan. You may save money by returning your phone to us. Ask your service representative for details.

Bill inserts

Many of the pamphlets which come with your telephone bill contain money-saving ideas. Others let you know about important changes in your telephone service, such as new rate information, new dialing instructions and new bill payment locations.

Look in the book

You can avoid Directory Assistance charges by looking up your own numbers in the directory. Underline or circle them so they will be easy to find again. Jot down frequently-called numbers and keep them

next to your telephone. We will give you a free booklet for listing numbers you call often. Just call your service representative.

List your number

There is a monthly charge for non-published residence numbers. You can save money by having your number listed. And you don't have to wait until the next directory is printed. Call your service representative.

Play it safe

If a stranger appears at your door and asks to use your telephone, there's a way you can be a Good Samaritan without taking risks with your personal safety. Ask him to please wait outside while you go to place the call yourself.

Spread payments without penalty

On many telephone services and items of equipment, you can spread payments at no extra charge. Ask your service representative.

Ask for credit for wrong numbers

When you dial long distance and reach a wrong number, hang up and dial "0" (operator) right away. Explain what happened so the operator can arrange for the proper credit. The faster the problem is reported, the easier it will be to give you credit.

If you are billed for a long distance call that you did not make, call your business office.

Busy signals

There are two kinds of busy signals. The slow kind means the telephone you're calling is in use. A faster signal indicates that all circuits are busy. This situation will usually be corrected by the time you hang up and try again.

*Check the International Calling section, Customer Guide pages 23 and 24, for information concerning international calling. Rates and discounts, if any, vary. For information concerning rates, call the operator.

Questions about calling?

Check the Customer Guide!

The Customer Guide section in front of this telephone directory has the answer to almost any question you might have about calling. It gives you information on area codes, emergency numbers and repair service. When you want to know, the Customer Guide's the place to go.

Kick the number-fumbler habit!

If misplaced telephone numbers give you problems, here are suggestions that can help you.

- 1 ☐ Underline those special numbers in your directory.
- 2 ☐ Keep the directory near the phone.
- 3 ☐ Have a pencil and paper handy when you talk so you can jot down numbers you may need again.
- 4 ☐ Maintain your own personal directory of frequently called numbers.

These suggestions can save time and make calling easier.

HUTTO, TEXAS

TELEPHONE DIRECTORY

AREA CODE 512

Emergency Numbers

To Report a Fire—Day 846-2555 or 846-2299
Night 846-3600 or 846-2208

(Moves, New Service, Bills Etc.)..... (8:30 A.M.-5:00 P.M. Monday - Friday)
Buried Cable Information 'Call Killeen Collect'..... 817 699-7170

WARNING! EMERGENCY CALLS ON PARTY LINES

It is unlawful to refuse the use of a party line to another person for the purpose of permitting such persons to report a fire or summon police, medical aid or ambulance service in an emergency situation where property or human life is in danger. It is also unlawful for anyone to falsely claim an emergency to gain access to a party line.

The maximum penalty, upon conviction, is imprisonment for 30 days or a fine of \$500 or both.

DIALING INSTRUCTIONS

FOR PARTY LINE USERS

Always listen to make sure the line is not in use before you attempt to dial.

HOW TO CALL ANOTHER PARTY ON YOUR LINE

Dial '77' then dial the last digit of your number, and the last digit of the number you are calling. Replace your handset. Your telephone will ring along with the telephone of the party being called. When your telephone stops ringing, pick up your handset and answer.

HOW TO PLACE LONG DISTANCE CALLS

Please refer to Call Guide pages on How to Place Your Long Distance Calls

PARTY LINE COURTESY PAYS

When several persons are sharing the use of a telephone line, consideration and courtesy are important to all. Everyone will receive better service if each subscriber on the line will observe these simple rules of courtesy. Be as brief as possible...space your calls so that the other party can place his calls...and give up the line to the neighbor who needs it for an emergency use.

DIALING INSTRUCTIONS FOR EXTENDED AREA SERVICE

HUTTO CUSTOMERS MAY CALL CUSTOMERS IN THE TAYLOR EXCHANGE
BY DIALING THE 7 DIGIT TAYLOR NUMBER.

International Symbol of Access for the Handicapped

This universal symbol tells handicapped persons — especially those using wheelchairs — that a building or facility is accessible and can be entered without fear of architectural barriers.

Wherever the symbol is displayed, the handicapped can be assured that they will not be barred by thoughtless obstacles or prohibited from participating in the mainstream of society.

Source: President's Committee on Employment of the Handicapped and the National Easter Seal Society for Crippled Children and Adults.

Loud or low. There's a control on
the bottom of most telephones that
enables you to vary the volume of
the ring. If your phone is in a noisy
location or you have a hearing
problem, simply make the bell
louder. Or when you want peace
and quiet, the bell can be made
softer.

the Yellow Pages.

Cut off during a Long Distance
conversation or have a poor
connection? Both parties should
hang up and the party placing the
call should notify the operator. The
operator will re-establish the call for
you, if you wish, and adjust the
charge so you aren't billed for the
interrupted time.

Loud or low. There's a control on the bottom of most telephones that enables you to vary the volume of the ring. If your phone is in a noisy location or you have a hearing problem, simply make the bell louder. Or when you want peace and quiet, the bell can be made softer.

Keeping up with the Jones'? Why not?
Whether your competitor's name is
Jones or Smith or whatever—don't let
him have the unnecessary advantage of
a larger Yellow Pages ad. Compete with
him on the street and in the Book...take
out a larger ad and tell more about you!

Cut off during a Long Distance
conversation or have a poor
connection? Both parties should
hang up and the party placing the
call should notify the operator. The
operator will re-establish the call for
you, if you wish, and adjust the
charge so you aren't billed for the
interrupted time.

One-Plus Dialing is a "super-highway" when it comes to Long Distance calling. One-Plus is the fastest, easiest way to call. It's non-stop service at its best. Just dial one, plus the Area Code (if different from your own) plus the number. One-Plus. You can't beat it.

The cheapest way to get around town

Ring...
Ring...

Does your telephone always seem
to ring where you aren't?
You probably need an extension phone...
or two. For pennies a day,
you get dollars of value.
Call your telephone business office now.

Southwestern Bell

An Open Letter to Customers
Who Buy Advertising by Telephone:

- Most advertising in this directory has been sold by written agreement. Some of the listings and advertisements appearing in this directory, however, have been sold by telephone. The following terms and conditions define the rights and obligations of Company and Customer when advertising has been sold without written agreement.
- The advertising ordered by the Customer shall continue from issue to issue of this directory until cancelled by the Customer. Rates are subject to change without notice. The Company shall be limited, however, to an annual rate increase of no more than 25% of the rate presently being agreed to by the Customer.
- The advertising ordered by the Customer shall continue from issue to issue of this directory until cancelled by the Customer. Rates are subject to change without notice. The Company shall be limited, however, to an annual rate increase of no more than 25% of the rate presently being paid by the Customer.
- While the Company makes every effort to prevent errors or omissions in its directories, it cannot promise they will not be made. Those Customers who have bought listings or advertising in this directory by telephone agree that the Company's liability, if any, for errors in or omissions of such listing or advertising, shall not exceed an amount equal to the charge for the listing, or the proportionate charge for the item of advertising omitted or in which errors occur, for the issue life of this directory.
- The Company assumes no obligation to notify its directory subscribers of any error or omission.
- The Customer shall pay for advertising charges when due. If the Customer does not pay his monthly bill when due, the entire annual charge for the advertising shall be due and payable.
- While the Company anticipates that the issue life of this directory shall be approximately 12 months, it may extend or shorten the issue life by up to six months. If the issue life is extended, the Customer agrees to continue to pay the monthly charge through the extended period.
- The Customer shall remain liable for all advertising ordered so long as the Customer has at least one working number remaining in service during the issue life of this directory.
- If all telephone service to the Customer is discontinued during the issue life of this directory, the Customer shall not be liable for any payment thereafter. If any service is reconnected, however, the Customer shall resume paying the full charges as of the reconnection date.
- The Company is not obliged to submit proof copy to the Customer before publication; and Customer's obligation to make payment for advertising shall not be contingent upon receipt of proof copy for approval.
- If the Customer belongs to a recognized profession, he acknowledges that the advertising ordered complies with all standards governing his profession.

Manager — Telephone Advertising
