Emergency Calls on Party Lines

WARNING

State law requires you to hang up the receiver of a party line immediately when told the line is needed for an emergency call to a fire department or police department or for medical aid or ambulance service. It is also unlawful to take over a party line by stating falsely that the line is needed for an emergency. The law defines an "emergency" as a situation in which property or human life is in jeopardy and the prompt summoning of aid is essential. The penalty which may be imposed by the state for either offense shall be a fine of not more than \$500 or imprisonment for a term not exceeding one month, or both.

Llamadas de Emergencia en líneas compartidas

ADVERTENCIA

La ley del Estado de Texas establece que cuelgue el auricular inmediatamente, de una línea compartida, cuando se le avise que dicha línea se necesita para hacer una llamada de emergencia al Departamento de Bomberos, al Departamento de Policía, o para solicitar ayuda médica o el servicio de ambulancias. También se considera ilegal el conseguir una línea compartida diciendo falsamente que es necesaria para hacer una llamada de emergencia. La ley define como "emergencia", una situación en la cual un ser humano o alguna propiedad corren peligro y el auxilio rápido es esencial. El castigo al que el infractor se hará acreedor, por parte del estado, al cometer cualquiera de estas dos violaciones será: una multa no mayor de \$500 (US.cy) o ir a prisión por un periodo no mayor a un mes; o ambos.

CUSTOMER GUIDE

Open letter to Southwestern Bell Telephone customers

**Southwestern Bell
Telephone**

Court rulings and new federal regulations have dramatically changed the operations of Southwestern Bell Telephone and the way we do business with you.

As a result, on or about January 1, 1984, the Bell System — AT&T, Western Electric, Bell Laboratories, Long Lines, and the 19 Bell Operating Telephone Companies (including Southwestern Bell Telephone) — was restructured into new entities, with new functions and responsibilities.

As part of these changes, the 19 Bell Operating Telephone Companies have been divested by AT&T and regrouped into seven independent regional organizations. Southwestern Bell Telephone remained intact and became a subsidiary of Southwestern Bell Corporation.

As an operating telephone company, Southwestern Bell Telephone remains a regulated entity, subject to tariffs approved by the Public Utility Commission of Texas.

We at Southwestern Bell Telephone understand that these changes could be confusing to many of our customers, especially this first year. That's why we have made an extra effort to explain many of these new policies and practices in the updated Customer Guide section of this directory. For your convenience, new information is indicated by a ☆.

While we are making every effort to keep the information contained in this directory current and accurate, much of the information in the Customer Guide was compiled in April, 1984, for publication in the directory in July, 1984. It is possible that changes in our rates, rules, regulations, policies and/or tariffs may have occurred during this period of time. If such changes did occur, our latest rates, rules, regulations, policies and/or tariffs will apply.

Please take a few moments to read through the Guide and become familiar with the types of information that it contains. Then, when you have a request for our services, or if you want more information, you will know how to reach us quickly.

Southwestern Bell Telephone has been providing local telephone service for more than 100 years. We are proud of our history and its traditions, and we are dedicated to continuing to provide our customers with the best possible service — high technical standards, quality performance, and courteous and professional employees to assist you.

We approach the future with renewed commitment to excellence and an enthusiasm about the new environment in which we will serve you.

☆ **Repair Service**

Southwestern Bell Telephone is responsible for providing access (dial tone and transmission facilities) from your home or business to the local network. If you are having local network problems, call Repair Service at
1 + 954-4102 (toll-free)

If the problem is caused by the telephone set or other type of telephone equipment, follow the instructions on the warranty or contact the equipment supplier. This applies to residence and business customers.

For customers with equipment that was leased from Southwestern Bell Telephone through December 31, 1983, please call the following AT&T numbers for repair of that equipment.

Residence accounts

toll-free 1 + 800 + 555-8111

Business accounts

- Single-line telephones
toll-free 1 + 800 + 247-7000
- PBX and data equipment
toll-free 1 + 800 + 242-2121
- Multi-line and key equipment
toll-free 1 + 800 + 526-2000

Is the trouble with your telephone set or the local network?

Modular telephones are easy to check. If you have more than one modular telephone, unplug the one from which you noticed the problem. Then plug another phone into the same outlet to see if the problem still exists. (If your other phones are not modular, use another phone to see if the problem still exists.) If it does not, the problem is probably with the first phone. To get service, follow the instructions on the warranty or contact the supplier of that telephone set. If the problem does not appear to be in the telephone set, call Repair Service at
1 + 954-4102 (toll-free)

A maintenance of service charge will apply

If we make a Repair Service visit because of reported trouble, and if we determine that the problem is caused by the telephone equipment in your home or business and not by Southwestern Bell Telephone facilities, a maintenance of service charge of \$30 will apply.

Repair centers answer calls 24 hours a day but repair visits are generally scheduled during normal working hours.

Directory accuracy

Every effort is made to make the directory as accurate as possible. In case of error or omission the liability of the company, if any, is limited to the amount of actual impairment of the customer's service and may not, in any event, exceed the amount paid for the service during the period covered by the directory in which the error or omission occurred. If your listing is incorrect or omitted from this directory, please contact your Southwestern Bell Telephone business office.

WARNING

Yield a party line in an emergency

State law requires you to yield a party line immediately when told the line is needed for an emergency. It is also unlawful to take over a party line by stating falsely that the line is needed for an emergency. The penalty which may be imposed by the state for either offense shall be a fine of not more than \$500 or imprisonment for a term not exceeding one month, or both. For definition of "emergency," see inside front cover.

Establishing Southwestern Bell Telephone Service

Call your service representative

Your service representative will help you with orders for monthly calling services (Touch-Tone and Custom Calling if they are available in your area), home wiring services, Southwestern Bell Telephone Calling Cards, directories, and directory listings. They will also answer other questions you have about the services we provide.

Southwestern Bell Telephone provides access to the telephone network

We offer a variety of monthly calling plans to provide you with access to the telephone network. Types of home telephone services and optional services available at additional charges are described on page 5.

Information needed for your order

- Complete address-street and number-plus city or town (apartment number if applicable).
- The registration numbers of the telephone equipment you will be using.
- A description of the types of modular outlets, if any, at your new address (see page 6).
- The type of monthly service you want.
- How you would like your directory listing to appear. Two people with the same last name can have their first names listed at no charge.
- Information about your previous telephone service such as the telephone number and location.
- Other credit information, including employment. (No telephone credit information is given out to other businesses.)

Order a Calling Card at no charge

When you are away from your home or business phone, a Calling Card from Southwestern Bell Telephone can be the least expensive and most convenient type of operator-handled call, and the charges are itemized on your regular monthly bill. There is no charge to order a Calling Card (even additional copies), and no monthly service charges. Call your service representative and ask for one.

☆Telephone sets for customers with multi-party service

Special conditions apply to equipment used for multi-party service. Call your service representative for details.

Business customers' needs

Business problems can often be solved by the effective use of telecommunications services. Our Southwestern Bell Telephone Account Executives will work with you on your business plans and problems. Call your service representative for more information.

Tariff Review

The company's tariffs are available for inspection at company business offices during office hours. Copies may be obtained for a reasonable reproduction charge.

Tariff Provisions

Communication services furnished by Southwestern Bell Telephone Company are public utility services which are offered by the company subject to the rules, regulations and charges set forth in its tariffs, which tariffs shall at all times control the provision of such communication services. Every effort is made in the Customer Guide section of this directory to accurately portray information showing certain terms, conditions, and charges by which communication services are furnished. In the event of a conflict between such tariffs and the information contained in this Customer Guide, the tariffs shall prevail. The company's tariffs are subject to change and are available for inspection at company business offices during office hours.

Deposits

A deposit may be required

Each residential and business customer applying for service with Southwestern Bell Telephone must satisfactorily establish credit. Credit may be established as explained by your service representative. Or, if requested, by payment of a deposit not exceeding an amount equivalent to one-sixth (1/6) of your estimated annual billing, or a letter of guarantee. To maintain satisfactory credit, a customer must make prompt payment on all telephone bills.

If the residential customer's actual charges are at least twice the amount of the estimated billings, after two billing periods, an additional deposit may be required. If the additional deposit is not made within seven (7) days, Southwestern Bell Telephone may disconnect the service after proper notification.

Deposits earn 6% interest

A deposit, with six percent simple interest per year, is refunded after one year to a residential customer and after two years to a business customer if the customer is not delinquent in the payment of the current bill and has not been delinquent in the payment of a bill on more than two occasions. If telephone service is disconnected, the deposit with interest is applied to the final bill.

Types of Service

Local (exchange) telephone service is offered, depending on customer location and available facilities, in the following types:

- **Suburban Four-Party** — available only in outlying areas; customers generally share a single telephone line with up to three other customers; the least expensive service offered.
- **Measured Business Service** — not widely available; customers are charged a monthly flat rate plus a charge for each outgoing call over 100.
- **Measured Residence Service** — available to residence customers served by ESS Central Offices. (Check your business office for availability.) Customers are charged a monthly flat rate plus a charge for each outgoing local call in excess of 25 outgoing local calls per month.
- **Two-Party Residence Service** — available to residential customers in all rate groups; customers share a single line with another customer; higher rates than for Suburban Service.
- **One-Party, or individual line, Service** — available in most locations; only one customer to a line; rates are higher than for Two-Party Service.

Basic local (exchange) telephone monthly rates are for the access line only and vary, depending on the total number of access lines in the local calling area. In some suburban and rural areas, mileage charges may also apply.

Optional Services at Additional Charge

Current rates and charges are available from your service representative. Call your local business office.

Touch-Tone Service (where available)
Push-button calling.

Non-listed number

Your number is not in the directory but is available through Directory Assistance.

Non-published number

Your number is not in the directory and is not available through Directory Assistance.

Additional listings

A separate and distinct additional listing in the telephone directory.

Home Wiring Options

We'll pre-wire a new home or addition

If you are building a new home or remodeling your home, we can install telephone wires before the wall is put up. Often this means your telephones can be installed more neatly. Call your service representative for this service.

You can hire a contractor

If you prefer, you can hire a private contractor to come into your home and do the work for you. Any charges will be based on your agreements with the contractor.

Disconnecting Your Service

No charge to disconnect service

There is no charge to disconnect service. Call your service representative to make the necessary arrangements.

How to connect or disconnect your phones 6

These drawings show you how to install or disconnect your telephones.

Drawings one through four show standard wall sockets, or jacks, for modular telephone cords. To install your phone, match the plug at the end of the cord with the jack, and insert. To disconnect your phone, squeeze the clip on the plug and pull it out of the jack.

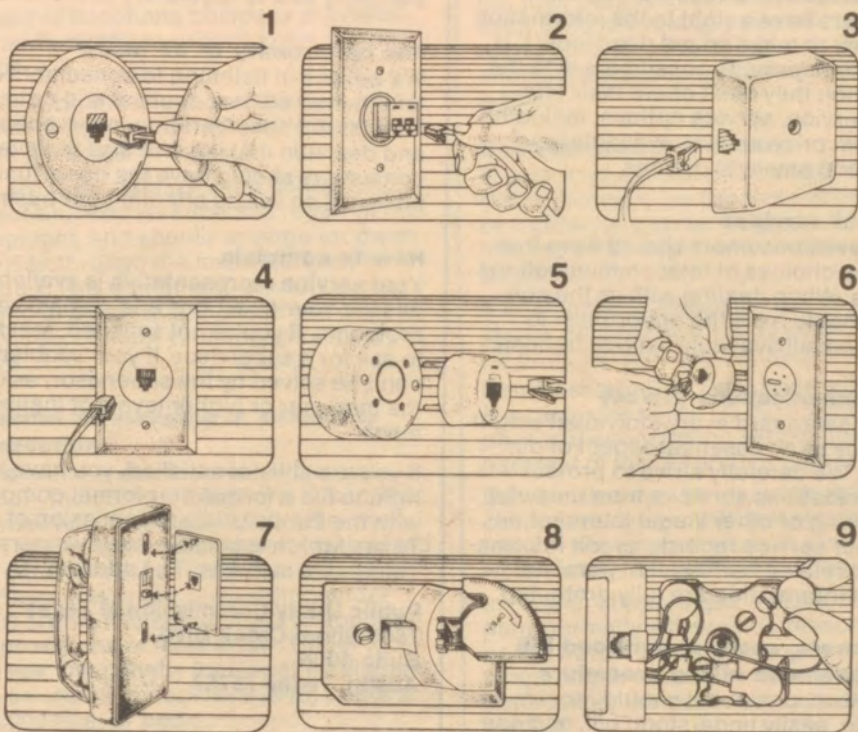

Drawings five and six show different kinds of jacks, called non-standard jacks. A special converter can be provided to permanently change the non-standard jacks into modular outlets to use with your modular cord. Plug the converter into the jacks, then plug the cord into the converter.

Drawing seven shows a jack for a wall mounted telephone. To connect your wall phone, match the holes in the back of the

phone with the rivets on the wall mounting. Push the phone lightly against the mounting and slide it down into place. To disconnect, slide the phone up to lift it off the rivets, then pull it away from the wall.

Drawing eight is a special outlet primarily used in high-humidity areas. To use it, push the cover in the direction of the arrow and plug the cord in as described above. Then release the cover. It will spring back and fit snugly around the cord.

If your house or apartment has "hard-wired" telephone outlets, you may be able to save time and money on installation by changing them to modular "plug-in" outlets yourself with a modular jack converter, drawing nine. Modular outlets let you plug in or move your own telephones. For more information, call your service representative.

Consumer Rights and Responsibilities

Consumer Rights

Southwestern Bell Telephone is committed to these consumer rights:

Dependable, high quality services at reasonable prices

Southwestern Bell Telephone strives to provide quality telecommunications services for all consumers at fair and reasonable prices.

Courteous, helpful assistance

Consumers deserve courteous, helpful assistance in all their transactions with Southwestern Bell Telephone employees.

Full information about our services

Consumers have a right to the information necessary to make sound decisions. It is our policy to provide consumers with the information they need about their telephone service, service options, including the lowest price service available, and pricing and payment options.

Choice of services

We believe consumers should have free and open choices of telecommunications services. When dealing with us the consumer should have the opportunity to select from all available service options.

Telecommunications privacy

We fully safeguard every individual's right to privacy as an essential aspect of our service. We carefully strive to protect communications services from unlawful wiretapping or other illegal interception. Customer service records, credit information and related confidential personal account information are fully protected.

An accurate, easily understood bill and reasonable billing procedure

We believe consumers should receive an accurate, easily understood bill, and one that makes clear when payment is due.

Consumers are entitled to reasonable billing procedures and clear explanations about deposits, late payment of bills, collections, suspension, or disconnection of service for nonpayment. In case of bonafide emergencies, we try to avoid disconnection of service for nonpayment.

Fair resolution of complaints

It is our policy that consumers, wherever located, have access to a readily available process to provide them with fair resolution of their complaints and grievances concerning services, billing, and other practices and procedures. Accordingly, we provide consumers with helpful information about where and how to express their concerns and complaints to the company and to regulatory authorities.

The opportunity to be heard

We believe in listening to consumers and taking their advice, counsel and criticism into careful consideration in our policy and decision making. We also believe consumers should have the opportunity to be heard on issues affecting our business.

How to complain

Your service representative is available to answer your questions and resolve your problems. If you're not satisfied, feel free to ask for a supervisor. If your problem can't be solved by the supervisor, ask for the manager or higher levels of management.

If you are still not satisfied, you have the right to file a formal or informal complaint with the Public Utility Commission of Texas, which regulates Southwestern Bell Telephone in Texas. The address is:

Public Utility Commission of Texas
7800 Shoal Creek Blvd.
Suite 400N
Austin, Texas 78757

Consumer Responsibilities

Customer provided equipment

Under the Federal Communications Commission's (FCC) Registration Program you may supply your own telephone equipment and connect it directly to the local network. Before connecting your telephone equipment you are responsible for:

- Notifying the telephone company of the particular line(s) to which such connection is to be made.
- Providing to the telephone company the FCC Registration Number and Ringer Equivalence of the registered device. This information is stamped on the registered device.
- Type of telephone company provided standard jack required for the connection.
- Notifying the telephone company upon final disconnection of such device from the particular line(s).

You are responsible for the connection, operation, maintenance and repair of this equipment, and should arrange for these services through the manufacturer, if needed. This equipment cannot be connected to a coin telephone. If you have a party line, contact your service representative.

Unlawful wiretapping is subject to prosecution

It is a crime under federal law for any person, including a telephone subscriber, to unlawfully wiretap or otherwise intercept a telephone call. Properly authorized law enforcement officers can engage in interceptions when proceeding under court orders issued pursuant to applicable provisions of federal law. Under federal law, the penalty for illegal wiretapping can be imprisonment for five (5) years, a \$10,000 fine, or both.

Customers' payments

Customers are responsible for making their payments in full and on time each month, or calling their service representative to find out about special arrangements. Otherwise, their telephone service may be temporarily disconnected.

Harassment by telephone

It is a crime under both state and federal laws for anyone to make obscene or harassing telephone calls. These laws have penalties of imprisonment and/or a fine.

Fraudulent billing can lead to prosecution

It is illegal for a person to charge any calls to another's number or Calling Card without their permission. Persons placing such calls to avoid payment for service are subject to prosecution and if convicted are subject to imprisonment and/or a fine.

Discontinuance of service

A customer's telephone service may be disconnected if the bill has not been paid or a deferred payment agreement entered into within 22 days from the date of issuance.

If a customer is asked to make an additional deposit and does not do so within seven (7) days, service may be disconnected.

Southwestern Bell Telephone will provide the customer seven (7) days written notice prior to disconnecting service for non-payment of the bill and/or deposit.

Service also may be disconnected if a customer tampers with telephone equipment or misuses services in a manner which interferes with the service of others.

In case of tampering or misuse, the company normally will provide reasonable notice before disconnecting service. If tampering or misuse continues after notification, the service may be disconnected.

Automatic Dialing-Announcing Devices

The Public Utility Commission of Texas has specific rules governing the use of Automatic Dialing-Announcing Devices. Those rules require: (1) the device may not be used unless there is prior written agreement between the called and calling parties, or (2) the device must disconnect the called party's line within 15 seconds after the called party hangs up and create a disconnect signal which allows the called party's line to be released; the device must terminate all calls and create a disconnect signal when the call is not completed within 30 seconds; the recorded message must begin or be preceded by a statement announcing the name, address, and telephone number of the calling party, the purpose of the message and the fact that the message is a recording; such calls are not to be made to emergency telephone numbers; such calls may not be made before 9 a.m. or after 9 p.m.; and the device may not create substantial impairment of telephone service, as determined by Southwestern Bell Telephone.

These rules do not apply to any automatic device for security, emergency, health, environmental or other monitoring purposes. Violation of these rules can result in interruption of service by Southwestern Bell Telephone until the noncompliance is remedied. The company may terminate service if the noncompliance continues.

More detailed information on these rules is available through the business office or the Public Utility Commission of Texas at 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757.

Recorded calls require a beep tone

If your conversation is being recorded for business or other reasons you will hear a beep tone every 15 seconds. Use of a recorder without a recorder-connector containing a beep tone warning device is not permitted, except on emergency reporting systems, including police and fire department lines. Under certain restrictions, an exemption to this tariff applies to federally-licensed commercial broadcast stations.

Consumer Information

Our employees carry company identification cards

Every Southwestern Bell Telephone employee is required to carry an identification card with that employee's name and photograph. If you have any doubt that the person contacting you is an employee of our company, ask to see that person's identification card.

Telephone safety

The telephone is one of the safest appliances in your home or office, but there are a few situations where a telephone user should be cautious.

- Do not use the telephone while you are in the bathtub, shower, or swimming pool. Putting the telephone in water could cause a shock.
- Avoid using the telephone during electrical storms in your immediate area. Urgent calls should be brief. Southwestern Bell Telephone uses protective measures to limit electrical surges from entering your home, but absolute protection from lightning is impossible.
- If you suspect a gas leak, report it immediately, but use a telephone away from the area in question. The telephone's electrical contacts could create a tiny spark when you dial. While unlikely, it is possible that this spark could ignite heavy concentrations of gas.

How to handle obscene, abusive, threatening or harassing calls

1. Hang up at the first obscene word. Hang up if the caller remains silent the second time you say hello. Remember, YOU CONTROL YOUR TELEPHONE, not the person calling.
2. Do not give any information, such as your name or address, until the caller has been properly identified.
3. Advise your children and guests not to give out any information. If you are not at home, those answering your telephone should be instructed to say, "They're busy right now, may I take a message?"
4. If calls persist call your service representative.

Billing & Payment

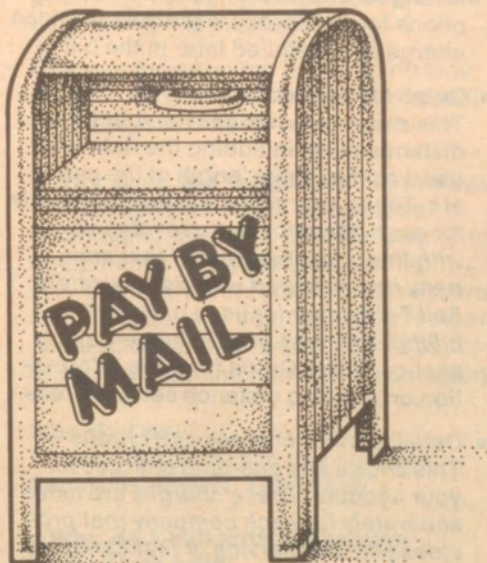

10

Paying By Mail

We appreciate your payment by mail

You may be able to save time and money by using the return envelope and pre-addressed return page to mail in your payment. Please mail payments to:

Southwestern Bell Telephone Company
Post Office Box 90
San Antonio, Texas 78287

Paying In Person

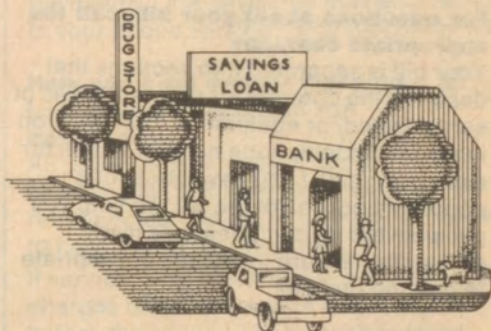

When payment is made in person, please present the complete bill

You may pay at the following authorized payment agency during their normal business hours.

Taylor

Western Auto
421 Talbot

Every effort has been made to list current information concerning payment agency locations. These locations are subject to change, and the company makes no warranty, implied or otherwise, to maintain payment agencies as listed herein.

☆ Features About Your Bill

Your bill from Southwestern Bell Telephone may include charges from other companies

Other companies that provide telephone equipment and/or long distance calling services may arrange with Southwestern Bell Telephone to do their billing for them. If you subscribe to one or more of these companies, their charges will appear on your monthly telephone bill.

Send your payment for the total amount to Southwestern Bell Telephone

For your convenience, continue to make your payments to Southwestern Bell Telephone in the same way you always have. Even though your bill includes charges from one or more other companies, you make one payment for the total amount to Southwestern Bell Telephone.

For questions about your bill, call the appropriate company

Your bill is separated into sections that describe the charges for different types of services and/or equipment. Each section includes the telephone number to call for each company if you have questions about that portion of the bill. To help you get answers to your questions most efficiently, be sure to call the appropriate telephone number.

Here are some brief descriptions

For your convenience, items that are new about your bill are printed in *italics* below.

• Payment return page —

This is the top page of your bill and should be returned with your payment.

It also shows the total amount due, and includes the mailing address of the location to send your payment.

• Total amount of previous bill —

Your bill will continue to show your previous month's balance, payments made, and any outstanding balance due.

• Detail of current charges —

Your bill will show the charges from Southwestern Bell Telephone for your local telephone service, a summary of other charges and credits and itemized calls that are detailed later in the bill.

This includes the telephone numbers to call to reach Southwestern Bell Telephone for any questions about your bill, or requests for new service or changes to your service.

If appropriate, it also includes a summary of the charges for equipment or long distance calling services from other companies, if the companies have arranged with Southwestern Bell Telephone for us to prepare the billing. These charges are detailed later in the bill.

• Detail of itemized calls —

This shows the charges for your long distance calls, including the date the call was made, the length of the call, etc. *These charges are listed separately for each company that provides you with this type of service, if that company has arranged with Southwestern Bell Telephone for us to prepare the billing. See the Long Distance Calling section of this Guide for more information on the long distance service areas.*

• Detail of other charges and credits —

This shows any one-time charges to your account. *These charges are listed separately for each company that provides you with service, if that company has contracted with Southwestern Bell Telephone for us to prepare the billing.*

Southwestern Bell Telephone will continue to send your bill each month at the regularly scheduled time for your account.

Your payments will also be due at the regularly scheduled intervals.

Questions About Your Bill

How am I billed?

Charges for your local monthly service are billed one month in advance.

Charges for Measured Local Usage (if applicable), Long Distance calls, and telegrams are based on actual use up to the date your bill is prepared.

Charges for installing or changing your monthly service usually appear on the first bill after your order is completed.

☆ Why does the telephone bill include charges from other companies?

Other companies that provide telephone equipment or long distance calling services may contract with Southwestern Bell Telephone to do their billing for them. These charges appear in separate sections of your bill with the name of the company.

Who do I pay?

You pay all charges to one company, Southwestern Bell Telephone.

☆ Who do I call with a question about my bill?

Your telephone bill includes separate sections for each of the companies whose charges appear on your bill. Both the name of the company and instructions about the number to call for billing inquiries are presented in each section.

What is the due-by date?

This is the date by which Southwestern Bell Telephone should have your payment. It appears on your bill.

What happens if I pay my bill with a check that my bank will not honor?

Southwestern Bell Telephone will charge an administrative fee of \$10 each time a check or draft presented for payment for service is not accepted by the institution on which it is written. The fee(s) will be billed to you automatically the following month.

What happens if I can't pay my bill on time?

If you can't pay by the due-by date please call your service representative. We may be able to make payment arrangements in case of circumstances beyond your control.

Southwestern Bell Telephone does not apply an extra charge for bills paid after the due date, but repeated late payments may damage your credit record with us. You may be requested to pay a deposit or an additional deposit as a result of late payments. Late payments may also result in your phone service being disconnected.

How can I get service restored if it has been disconnected for nonpayment?

All delinquent charges billed for service must be paid before your service can be reconnected. You must also pay a charge to have the service restored.

If service is completely disconnected, all charges billed for service must be paid before the service can be reconnected. You will also have to reestablish your credit. As a result an advance payment or deposit may be required.

What should I do about questions or mistakes on my bill?

Call your service representative who can answer questions, investigate possible errors and provide information about bills.

In the event of a dispute between you and the company concerning a billing charge, you shall not be required to pay the amount of the charges in dispute until the company's investigation is completed.

Services for Disabled Customers

Services for All Disabled Customers

Services for persons with disabilities

Southwestern Bell Telephone provides telecommunications services for customers with certain types of motion, vision, speech and hearing disabilities. If you or someone you know could benefit from these special services, call your service representative.

For more information about doing business with us, payment information, local calling areas, local and long distance dialing, etc., look in the appropriate section elsewhere in this Guide.

Exemptions from Operator Services charges

If a physical impairment prevents you from placing phone calls for yourself, we don't want you to pay the added costs of having the operator place calls for you. Contact your service representative to see if you qualify for exemption from the usual charges for operator-assisted calls. This exemption applies only to your home phone service.

Exemptions for Directory Assistance charges

Also, if an impairment makes it impossible for you to look up numbers in the phone book, call your service representative to see if you qualify for exemption from charges for calls to the local Directory Assistance Operator. This exemption applies only to your home phone service.

Services for TDD Customers Only

What is TDD service?

TDD's (telecommunications devices for the deaf) are typewriter-like devices that permit hearing- or speech-impaired persons to communicate via the telephone with other TDD-users. The phone receiver fits into an acoustic coupler on the typewriter-like devices and permits the users to type messages back and forth.

Changes or questions about TDD service

Contact the Customer Assistance Bureau:

- To establish or change your TDD service
- For billing and other questions about your TDD account

During regular business hours, dial toll-free

(TDD only) 1 + 800 + 292-7222

Repair Service

(TDD only) 1 + 800 + 292-7222

*Used with permission of the National Association of the Deaf.

Operator assistance for TDD-users

If you use TDD and need help placing local, long distance, collect, Calling Card, third number or other operator-assisted calls, or if you get cut off on a call, you can reach TDD/TTY Operator Services any time by dialing the toll-free number: **(TDD only) 1 + 800 + 855-1155**

Directory listings for TDD-users

A TDD-user can have a listing in the phone book to indicate a TDD, and can have the phone number appear with or without a street address.

Examples:

Smith, J J TDD Only — 555-8888

Smith, J J TDD & Voice — 555-8888

or

Smith, J J
123 Allen Rd. TDD Only — 555-8888

Smith, J J
123 Allen Rd. TDD & Voice — 555-8888

The phrase "TDD Only" preceding a telephone listing indicates the telephone is answered using a Telecommunications Device for the Deaf, and communication can take place over the line only via another TDD. If a listing includes "TDD & Voice," both TDD-users and speaking/hearing people can communicate over the line.

Special rates for long distance calls within your Southwestern Bell Telephone long distance service area

If you or someone in your household is hearing or speech impaired and uses a TDD, your home phone service may be eligible for special rates on long distance calls that you dial yourself to telephone numbers within your Southwestern Bell Telephone long distance service area. Calls placed during the day are billed at the evening rate, and calls placed in the evening are billed at the night rate.

To qualify for these rates, a physician, audiologist, speech pathologist, or a representative of an appropriate state agency must sign a form that you need the TDD to communicate over the phone line. Forms are available from the bureau. Call toll-free **1 + 800 + 292-7222 (TDD only)**. You will be notified by TDD of receipt of your form.

How to Call Directory Assistance

For local numbers dial:

1 + 411

For numbers within the 512 area dial:

1 + 555-1212

For numbers outside the 512 area dial:

**1 + Area Code
+ 555-1212**

Tariff Provisions

Communication services furnished by Southwestern Bell Telephone Company are public utility services which are offered by the company subject to the rules, regulations and charges set forth in its tariffs, which tariffs shall at all times control the provision of such communication services. Every effort is made in the Customer Guide section of this directory to accurately portray information showing certain terms, conditions, and charges by which communication services are furnished. In the event of a conflict between such tariffs and the information contained in this Customer Guide, the tariffs shall prevail. The company's tariffs are subject to change and are available for inspection at company business offices during office hours.

Charges for Directory Assistance*

Under a plan designed to require the frequent users of Directory Assistance to pay for the costs of providing that service, single line residential and business customers pay 30 cents for each direct-dialed call to Directory Assistance after the first 5 direct-dialed calls each month. In addition to the 5-call allowance, one direct-dialed call to Directory Assistance in the home area code is allowed at no charge for each home area sent paid toll call completed. For all other types of service, different rules apply as set forth in the company's tariffs. There is no charge for Directory Assistance calls outside the 512 Area Code.

Exceptions

Calls from hospital patients' bedside services and coin telephones are exempt from the charge. Customers whose physical or visual handicaps prevent them from using the telephone directory also are exempt. They may apply for an exemption certificate by contacting their local business office.

How to obtain additional directories

Additional directories or directories for other areas may be obtained by calling your business office. A charge may apply for additional or out-of-town directories.

*The rates and charges on this page are regulated by the Public Utility Commission of Texas and were correct as of the date this directory was compiled. These rates and charges are subject to change by order of the commission. Current rates and charges are always available from your business office.

LONG DISTANCE CALLING

☆Southwestern Bell Telephone Long Distance Service Areas

Southwestern Bell Telephone offers long distance service within specific geographic areas. In Texas, there are 15 Southwestern Bell Telephone long distance service areas. Other companies may also offer long distance services within some of these areas.

Southwestern Bell Telephone provides long distance service within each of these long distance service areas. However, we do not provide long distance service from one service area to another, even when both areas are served individually by Southwestern Bell Telephone.

To call between long distance service areas, customers must use another long

distance network. Southwestern Bell Telephone offers access to other long distance networks as well as access to our local and long distance networks.

For billing purposes, the network equipment recognizes which long distance company you are using, based on the digits you dial at the beginning of each call. Area Codes and local numbers will not vary among the companies providing long distance calling services.

If You Need Assistance

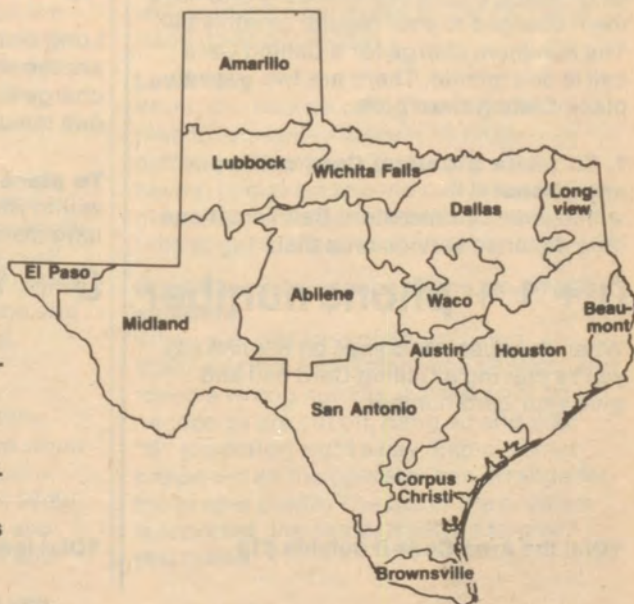

Trouble dialing using Southwestern Bell Telephone service?

If you have trouble dialing directly using Southwestern Bell Telephone service, call the operator and explain the difficulty. The call will be placed for you, and you will be charged at the dial-direct rate.

This map shows the boundaries of the long distance service areas in Texas.

Special Notice

In the future, changes will be made to make it possible for customers to choose which long distance network they will use between long distance service areas by dialing a minimum number of digits. Southwestern Bell Telephone will inform customers when these services become available.

★ Dialing instructions for calls within your Southwestern Bell Telephone long distance service area **17**

Dialing Direct Costs the Least

By dialing your own long distance calls you will pay the lowest rate and pay for only the minutes you talk (one-minute minimum).

To place a direct-dialed call:
within your Southwestern Bell Telephone long distance service area dial

1 + † + phone number

"800" Service

There is no charge to you when you call "800" telephone numbers.

To call an "800" number dial

1 + 800 + phone number

Calling Card Calls

If you have a Calling Card, you can place long distance calls economically and have them charged to your regular monthly bill. The minimum charge for a Calling Card call is one minute. There are two ways to place Calling Card calls.

1. To place a Calling Card call from any phone:
within your Southwestern Bell Telephone long distance service area dial

0 + † + phone number

When the operator comes on the line say you're placing a Calling Card call and give your card number.

†Dial the Area Code if outside 512

2. To place a Calling Card call from Touch-Tone phones only:
within your Southwestern Bell Telephone long distance service area dial

**0 + † + phone number
(wait for tone)
+ Calling Card number**

After you have dialed the number, you will hear a special tone. Immediately key in your Calling Card number.

Sequence calling saves time

If you are making more than one Calling Card call from a Touch-Tone phone with Touch-Tone Service, you don't have to hang up between calls. Just depress the "*" sign and dial another telephone number (including the Area Code if needed). After the first call, each call in the sequence will be billed to your Calling Card number.

Operator-Assisted Calls

Long distance calls requiring an operator are the most expensive. The minimum charge for an operator-assisted call is one minute.

To place an operator-assisted call:
within your Southwestern Bell Telephone long distance service area dial

0 + † + phone number

†Dial the Area Code if outside 512

Examples of Operator-Assisted Calls

Collect calls

You may call collect if the person or firm you are calling agrees to pay the charges. Dial the call and when the operator comes on the line, say you're placing a collect call and give your name. The operator will leave the line when the person you've called accepts the charges.

Third-number calls

You can make a long distance call from another telephone and bill it to your own telephone number or another number if that party agrees to pay for the call. Dial the call and when the operator comes on the line say you'd like to charge your call to a third number and give that number, including the Area Code. The operator may verify the third number charge before advancing your call.

When making a third-number call from a public (coin or coinless) telephone, the operator must verify the third number charge by calling the third number and confirming that the charges will be accepted. If there is no confirmation the operator cannot complete the call unless you make other billing arrangements: you can pay the coin rate, use your Calling Card or make the call collect.

Time and charges

When placing a long distance call you may ask the operator to tell you the length of time you talked and how much it cost. Dial the call and when the operator comes on the line say that you will want time and charges when the call is completed.

Person-to-person calls

This is the most expensive type of long distance call. Call person-to-person when you wish to reach a particular person or extension number. Dial the call and when the operator comes on the line, say you are making a person-to-person call and

give the name of the person you want to talk to. The operator will leave the line when the person you're calling has answered the telephone.

Calls to mobile phones

You can make local and long distance calls to automobiles, trucks, aircraft, boats and ships which have phones. Calls can be completed in some cases by dialing direct or calling the operator. For information on other communication companies look in the Yellow Pages.

Conference calls

You can talk with several people in different places at the same time by dialing the operator and saying you wish to make a conference call. Give the operator the names and telephone numbers of the people you want to talk to. You may want to arrange a calling time in advance.

Busy signals

There are two kinds of busy signals. The slow kind means the telephone you're calling is in use. A faster signal indicates that all circuits are busy. This situation will usually be corrected by the time you hang up and try again.

Let it ring

When you make a call, give your party time to answer — at least 10 rings — before you hang up. This could save you having to make a second call later. It also gives the person you're calling plenty of time to get to the phone.

Credit for poor connections or wrong numbers

When you dial long distance using Southwestern Bell Telephone service, and reach a wrong number, have a poor connection or are cut off, hang up and dial "0" (operator) right away. Explain what happened so the operator can arrange for the proper credit. The faster the problem is reported, the easier it will be to give you credit.

Lowest Rates — Dial-Direct One-Minute Rates

Dial-direct calls are those completed from a residence or business phone without operator assistance.

Dial-direct rates also apply on calls placed with an operator from a residence or business phone where dial-direct facilities are not available.

On dial-direct calls, **you pay only for the minutes you talk.** The initial rate period is **one minute** any time of day or night.

Additional savings apply evenings, nights and weekends.

.22	.21
.13	.11
.22	.21

Sample rates shown are from the central zone of **Taylor** to the central zone of each city listed.

Holiday rates

New Year's Day/July 4th/Labor Day/Thanksgiving/Christmas Day — on these legal holidays, the evening rate applies all day on dial-direct calls unless a lower rate would normally apply (nights & weekends). A federal tax applies to all charges.

*The rates and charges on these pages are regulated by the Public Utility Commission of Texas and were correct as of the date this directory was compiled. These rates and charges are subject to change by order of the Public Utility Commission of Texas. Current rates and charges are always available from your business office.

Examples shown do not include taxes. Additional minute rates illustrated are approximations due to rounding. Charges are based on rates in effect at the time of connection at the point where the call originates. This also includes calls beginning in one rate period and ending in another.

Calling Card and Operator-Assisted One-Minute Rates

Calling Card calls cost more than dial-direct, but less than operator-assisted calls. Operator-assisted calls are those requiring the assistance of an operator to complete the call.

The initial period for all Calling Card and operator-assisted calls is **one minute**. The initial period is charged at dial-direct rates, including discounts applicable to the time period when you call, plus a service charge (see chart below).

Additional minutes are charged at dial-

direct rates, and include the same discount applicable to the time period when you call. Discounts do not apply to service charges.

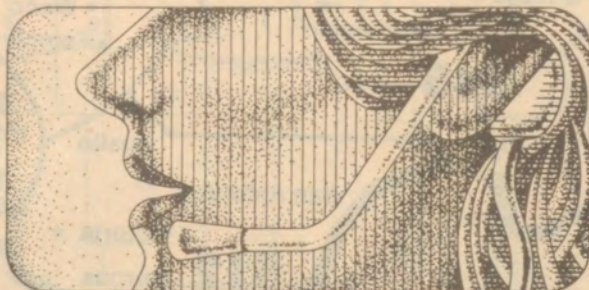

To determine the cost of some sample Calling Card or operator-assisted calls, first figure the dial-direct rate for a specific call from the chart on the preceding page. Then add the amounts from the chart below to that rate.

For example:

An operator-assisted station-to-station call at the weekday rate from **Taylor** to **Austin** would cost $.25 + 1.10$ service charge, or 1.35 for the first minute. Additional minutes are .24 each.

Service Charges

Dial-direct rate plus▶	Calling Card	Operator-assisted Station-to- station	Person-to- person
	.35	1.10	2.65

☆Rates to other long distance service areas

The rates on the preceding page are for long distance services provided by Southwestern Bell Telephone. Long distance service to telephone numbers outside your Southwestern Bell Telephone long distance service area must be provided by other companies. (See map on page 16 for your Southwestern Bell Telephone

long distance service area.) Rates for calls outside your long distance service area are determined by the companies that provide this service. Long distance calling services from one area to another are competitive services. We cannot recommend any particular company to you. For more information look in the Southwestern Bell Yellow Pages under "Telephone" headings.

Texas Area Codes

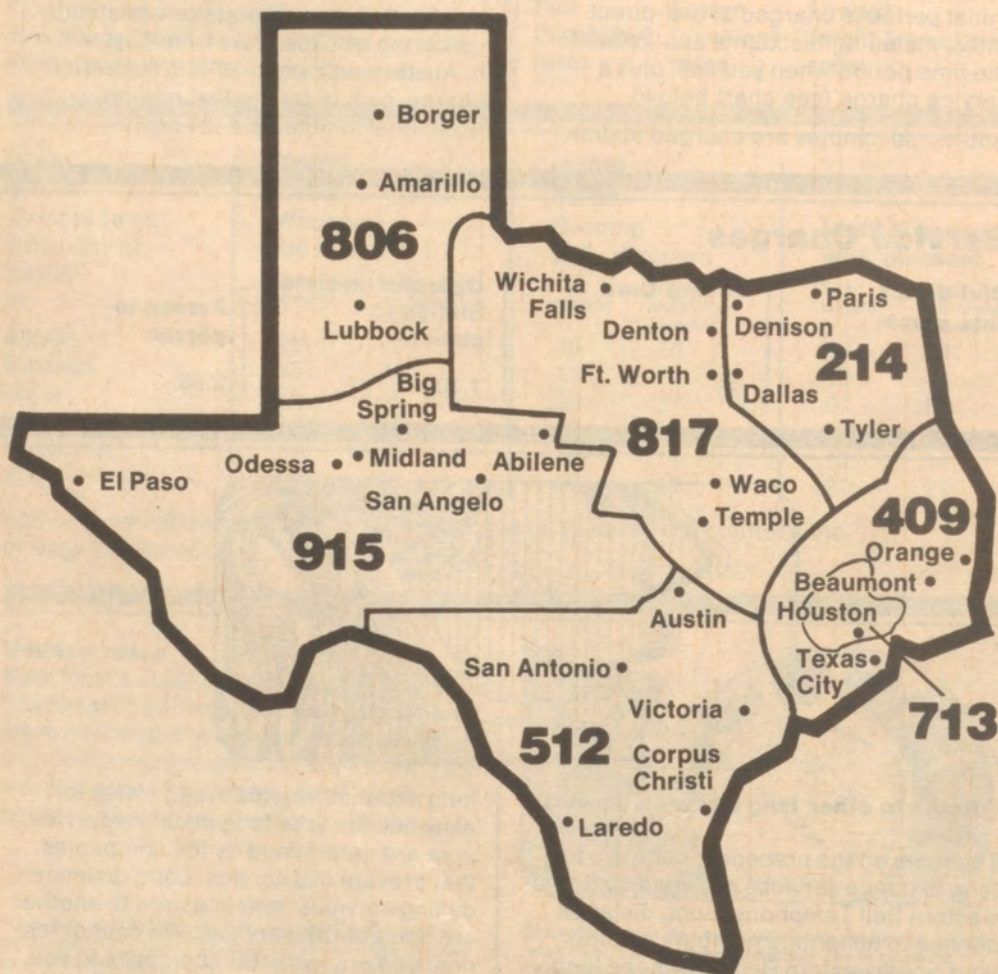

Each area has a three-digit Area Code. The Area Code for this directory is indicated on the front cover and on your telephone.

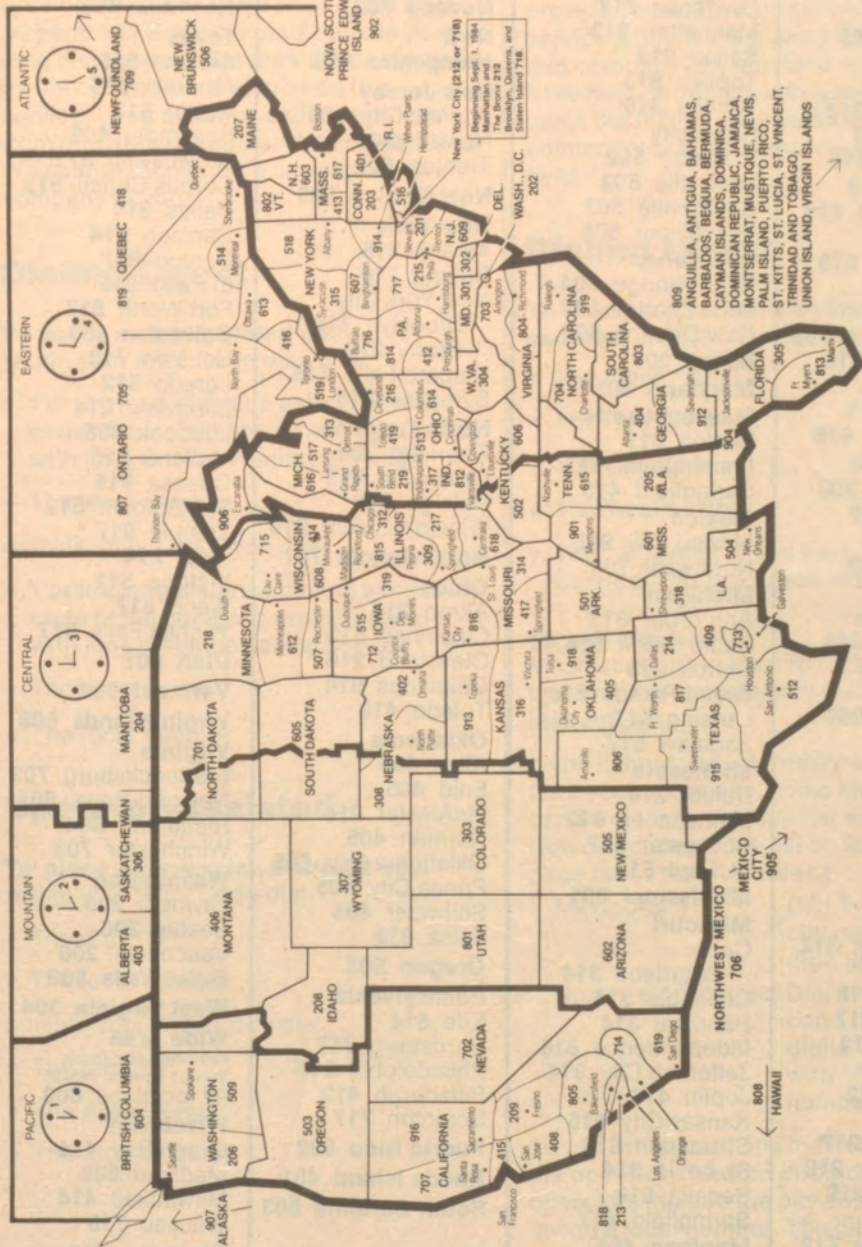

The Area Code of the telephone you are calling should be dialed, or given to the operator, if it is different from the Area Code of the telephone you are using. It should not be used if both Area Codes are the same.

When you give someone your telephone number, include your Area Code — it might be needed to place a call to you.

Consult Area Code map on following page or Area Code list on page 23 for specific cities not indicated on these maps.

If you want the Area Code for a city not listed, dial the Directory Assistance Operator.

Time Zone boundaries are approximations.
Local time may vary depending upon state
adoption of Daylight Saving Time.

Long distance service to telephone numbers outside your Southwestern Bell Telephone long distance service area must be provided by other companies. (See map on page 16.) Rates for calls outside your long distance service area are determined by the companies that provide this service. Long distance calling services from one area to another are competitive. We cannot recommend any particular company to you.

Dialing Direct

To place a direct-dialed call:
within your Area Code dial

- 1 or the long distance calling access code of the company providing you with long distance calling service
- The local number

outside your Area Code dial

- 1 or the long distance calling access code of the company providing you with long distance calling service
- The Area Code
- The local number

Operator-Assisted

To place an operator-assisted call:
within your Area Code dial

- The digit "0"
- The local number

outside your Area Code dial

- The digit "0"
- The Area Code
- The local number

☆International Calls:

If you have contracted with a company to provide you with international calling services, follow the dialing instructions that company has provided you. If you have not contracted with a specific company, the instructions listed below are commonly used to complete international calls.

Dialing Direct

To place a direct-dialed international call dial:

- The digits "011"
- The Country Code
- The City Code
- The local number
- The "#" button if you have Touch-Tone Service. This will speed your call along.

To call Mexico

Most locations in Mexico can be reached by using the international dialing (011 +) instructions.

If you cannot use international dialing from your telephone, some Mexican cities can be dialed using special access codes with city codes. (See list on following page for some city codes.)

Mexico City: Dial 1+90+5 (the city code)+seven-digit local number

Northwest Mexico: Dial 1+70+city code (two or three digits beginning with "6")+local number

To call other locations in Mexico, dial the operator. (Mexico directory assistance operators include the city code when giving a local number. The city code should not be dialed twice.)

Operator-Assisted

To place an operator-assisted international call dial:

- The digits "01"
- The Country Code
- The City Code
- The local number
- The "*" button if you have Touch-Tone Service. This will speed your call along.

Additional assistance

Dial "0" (operator) if you need assistance

1. To call countries that cannot be dialed direct.
2. To get overseas telephone numbers.
3. To get City Codes that are not listed.

Numbers beside countries are "Country Codes." Numbers beside cities are "City Codes." For all other international points not listed in this section, dial "0" and tell the operator the country you are calling.

Money Saving Tips

Tips to save you money, time and worry 26

Make changes all at once

Every time you have your telephone service changed, certain one-time charges may apply. Save money by requesting changes at the same time.

Letter of guarantee instead of deposit

You have the option of providing Southwestern Bell Telephone with a letter from a person with established telephone credit willing to guarantee payment of your bills. This can be used instead of a deposit.

How to get credit for loss of service

If you have reported that you have no dial tone and are unable to make or receive calls for 24 hours or more, you are entitled to a credit on your next bill for part of the local service charges. If the adjustment doesn't appear on your next bill, call your service representative.

Use a Southwestern Bell Telephone Calling Card when you are away from home

Next to dialing direct a Calling Card is the most economical way to make a long distance call within your Southwestern Bell Telephone long distance service area. You can get a Calling Card at no charge by calling your service representative.

Ask for coin phone refund

If one of our coin phones collects your money but you don't talk to anyone, report it by dialing "0" (operator) from another phone. We'll see that the phone gets fixed and mail you a refund.

Call during bargain times

Southwestern Bell Telephone rates on direct-dialed long distance calls within your Southwestern Bell Telephone long distance service area are lower during evening, night and weekend hours. Also, take advantage of holiday rates on New Year's Day, July 4th, Labor Day, Thanksgiving and Christmas Day. See the rates on page 19.

Dial direct and save

It costs less when you dial long distance calls yourself to telephone numbers within your Southwestern Bell Telephone long distance service area. Collect, Calling Card and public (coin) phone calls may require the services of an operator; so may requests for time and charges and calls billed to another number. Calling person-to-person always costs the most.

Ask for credit on poor connections

If you have a poor connection or are cut off on a long distance call within your service area using Southwestern Bell Telephone service, both parties should hang up. If you made the call, tell the operator and ask to be reconnected. You will also get an adjustment.

Ask for credit for wrong numbers

When you dial long distance within your service area using Southwestern Bell Telephone service and reach a wrong number, hang up and dial "0" (operator) right away. Explain what happened so the operator can arrange for the proper credit. The faster the problem is reported, the easier it will be to give you credit.

Busy signals

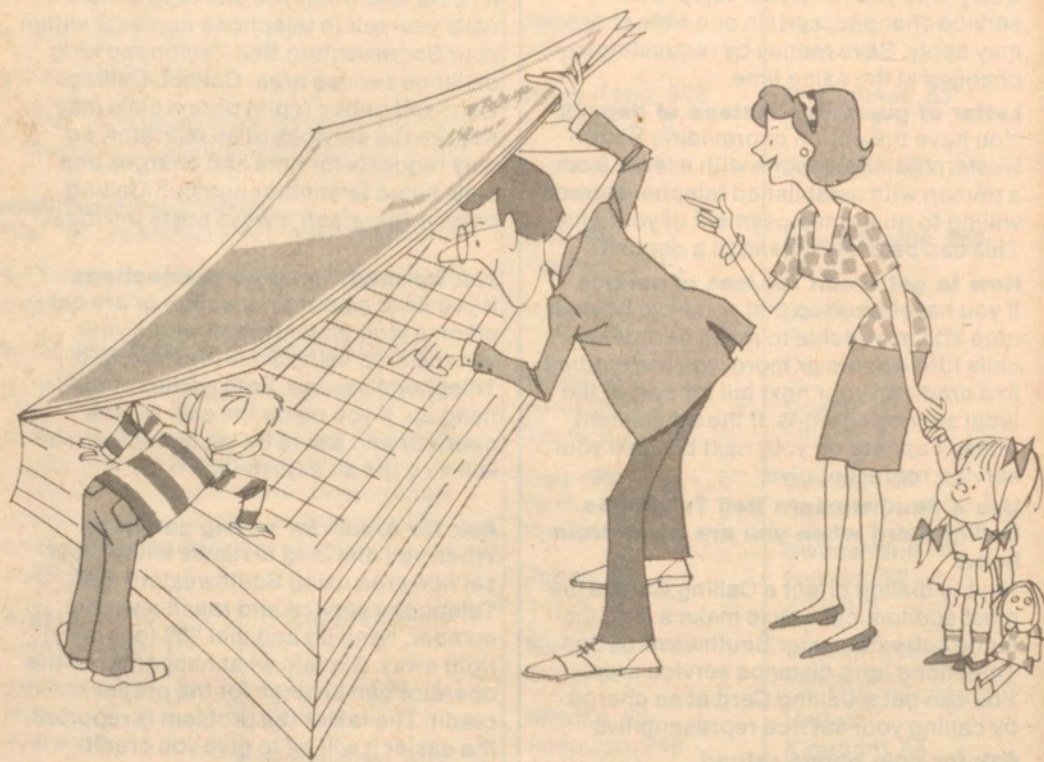

There are two kinds of busy signals. The slow kind means the telephone you're calling is in use. A faster signal indicates that all circuits are busy. This situation will usually be corrected by the time you hang up and try again.

Let it ring

When you make a call, give your party time to answer — at least 10 rings — before you hang up. This could save you having to make a second call later. It also gives the person you're calling plenty of time to get to the phone.

Questions about calling?

Check the Customer Guide!

The Customer Guide section in front of this telephone directory has the answer to almost any question you might have about calling. It gives you information on area codes, emergency numbers and repair service. When you want to know, the Customer Guide's the place to go.

International Symbol of Access for the Handicapped

This universal symbol tells handicapped persons — especially those using wheelchairs — that a building or facility is accessible and can be entered without fear of architectural barriers.

Wherever the symbol is displayed, the handicapped can be assured that they will not be barred by thoughtless obstacles or prohibited from participating in the mainstream of society.

Source: President's Committee on Employment of the Handicapped and the National Easter Seal Society for Crippled Children and Adults.

Kick the number-fumbler habit!

If misplaced telephone numbers give you problems, here are suggestions that can help you.

- 1 ☐ Underline those special numbers in your directory.
- 2 ☐ Keep the directory near the phone.
- 3 ☐ Have a pencil and paper handy when you talk so you can jot down numbers you may need again.
- 4 ☐ Maintain your own personal directory of frequently called numbers.

These suggestions can save time and make calling easier.

Business Customers (Call Collect) 0 + 817 628-4400

Buried Cable Information "Call Killeen Collect" 0 + 817 628-4999

WARNING

EMERGENCY CALLS ON PARTY LINES

It is unlawful to refuse the use of a party line to another person for the purpose of permitting such person to report a fire or summon police, medical aid or ambulance service in an emergency situation where property or human life is in danger. It is also unlawful for anyone to falsely claim an emergency to gain access to a party line. The maximum penalty, upon conviction, is imprisonment for 30 days or a fine of \$500 or both.

DIALING INSTRUCTIONS

FOR PARTY LINE USERS

Always listen to make sure the line is not in use before you attempt to dial.

HOW TO CALL ANOTHER PARTY ON YOUR LINE

Dial "77" then dial the last digit of your number, and the last digit of the number you are calling. Replace your handset. Your telephone will ring along with the telephone of the party being called. When your telephone stops ringing, pick up your handset and answer.

HOW TO PLACE LONG DISTANCE CALLS

Please refer to Customer Guide pages on How to Place Your Long Distance Calls.

PARTY LINE COURTESY PAYS

When several persons are sharing the use of a telephone line, consideration and courtesy are important to all. Everyone will receive better service if each subscriber on the line will observe these simple rules of courtesy. Be as brief as possible . . . space your calls so that the other party can place his calls . . . and give up the line to the neighbor who needs it for an emergency use.

DIALING INSTRUCTIONS FOR EXTENDED AREA SERVICE

HUTTO CUSTOMERS MAY CALL CUSTOMERS IN THE TAYLOR EXCHANGE
BY DIALING THE 7 DIGIT TAYLOR NUMBER.

The Yellow Pages
Helps You Save Three Ways:

TIME

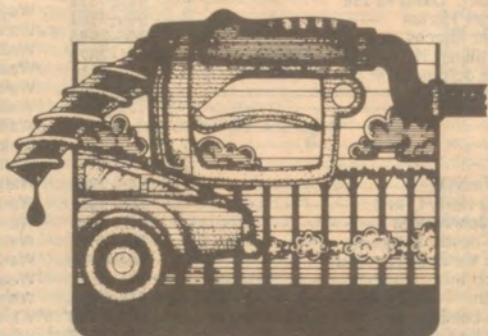

MONEY

Instead of wasting time and costly fuel driving around town looking for a particular item or service, look in the Southwestern Bell Yellow Pages. It contains information about the businesses you need that can make shopping faster and more efficient. If you want to know more, a quick call can give you the answer. The Yellow Pages is today's smart and economical way to shop.

Understanding the Metric System:

BUILDING

METRIC WORDS

Learning the metric system is really not that difficult. To use the metric system to make everyday measurements, you need to learn less than ten new words.

The metric system reduces the basic methods of measuring to three basic units:

- Meter—measures distance
- Liter—measures volume
- Gram—measures weight

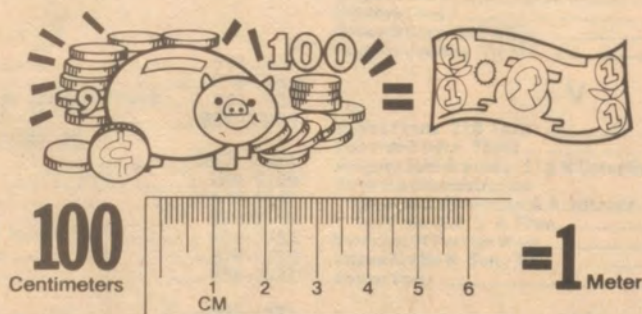

With the metric system you don't need to learn a whole dictionary of new words to convert these three basic units into smaller or larger units. Unlike our customary system of measurement, which uses different names for each larger or smaller unit (yards, feet and inches; or gallons, quarts and pints) the metric system uses a standard set of prefixes. The

same prefixes are used to convert meters, liters and grams to larger or smaller units.

Here are the three most commonly used prefixes:

- **milli**—means divided by 1000, or $1/1000$. There are 1000 **milli**liters in one liter.
- **centi**—means divided by 100, or $1/100$. There are 100 **centi**meters in one meter.
- **kilo**—means multiplied by 1000. A **kilo**gram equals 1000 grams.

The metric system is a decimal system (based on units of ten), just like our money system. Converting from larger or smaller units is simply a matter of dividing or multiplying by 10, 100, 1000, and so on.

The metric system is a decimal system (based on units of ten) much like our system of money. Just as 100 pennies equal one dollar, 100 centimeters equal one meter.

Understanding the Metric System:

CONVERSION TABLE

Length

When You Know:	Multiply by:	To Find:
millimeters	0.04	inches
centimeters	0.4	inches
meters	3.3	feet
kilometers	0.6	miles
inches	2.54	centimeters
feet	30	centimeters
yards	0.9	meters
miles	1.6	kilometers

Weight

When You Know:	Multiply by:	To Find:
grams	0.035	ounces
kilograms	2.2	pounds
ounces	28	grams
pounds	0.45	kilograms

Volume

When You Know:	Multiply by:	To Find:
milliliters	0.2	teaspoons
milliliters	0.07	tablespoons
milliliters	0.03	fluid ounces
liters	4.23	cups
liters	2.1	pints
liters	1.06	quarts
liters	0.26	gallons
teaspoons	5	milliliters
tablespoons	15	milliliters
fluid ounces	30	milliliters
cups	0.24	liters
pints	0.47	liters
quarts	0.95	liters
gallons	3.8	liters

Temperature

When You Know:	Multiply by:	To Find:
degrees Celsius	$9/5$, and add 32	degrees Fahrenheit
degrees Fahrenheit	$5/9$ (after subtracting 32)	degrees Celsius

Understanding the Metric System:

DEGREES CELSIUS

You may have noticed that many weather reports give the outdoor temperature in both degrees Fahrenheit and Celsius. Degrees Celsius (pronounced SELL-see-us) is the metric way of measuring temperature.

On the Celsius thermometer water freezes at 0 (zero) degrees, and boils at 100 degrees. This system of measuring temperature, invented by scientist Anders Celsius, is also called the Centigrade system.

To think in Celsius degrees, imagine a scale from zero to 100.

- 10 degrees Celsius is a warm winter day.
- 20 degrees Celsius is a mild spring day or room temperature.
- 37 degrees Celsius is a normal body temperature.
- 40 degrees Celsius is a heat wave.
- 180 degrees Celsius is a moderate oven temperature.

To convert degrees Celsius to degrees Fahrenheit, or vice versa, use these formulas:

When You Know:

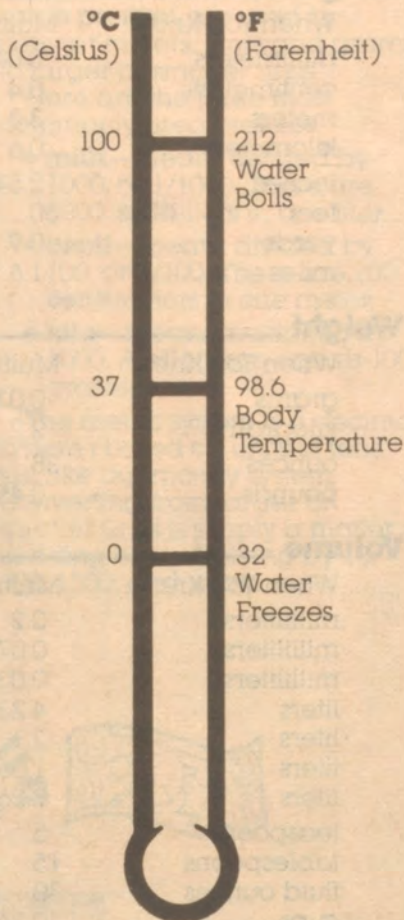

degrees Celsius
degrees Fahrenheit

Multiply by:

$\frac{9}{5}$, and add 32
 $\frac{5}{9}$ (after subtracting 32)

To Find:

degrees Fahrenheit
degrees Celsius

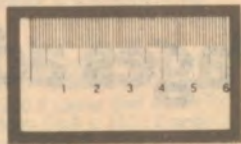

Understanding the Metric System:

METER, LITER AND GRAM

Although the metric system may seem strange and complex, it is actually simpler than our present way of measuring. Instead of a hodgepodge of different measurements, such as ton, ounce, feet, cup, gallon, pound, peck and teaspoon, the metric system uses just three basic units of measure—the meter, liter and gram. Here is an introduction to these units of metric measure.

Meter

A meter is used to measure distance. It is used in place of inch, foot, yard and mile. One meter is a bit longer than a yard—it equals just over 39 inches. Just as the foot is divided into inches and fractions of an inch, a meter is divided into centimeters (100th of a meter) and millimeters (1000th of a meter). Centimeters and millimeters are tiny—the diameter of a nickel is about two

centimeters long and the thickness of a dime is about one millimeter. For long distances, kilometers (1000 meters) are used. A kilometer is a little longer than a half mile. These distances may help you think in meters:

- A 50 mile car trip is 80 kilometers long.
- The height of most ceilings (8 feet) is about $2\frac{1}{2}$ meters.
- A man's 16 inch shirt collar measures 40 centimeters.

Liter

Liters are used to measure volume such as liquids. They replace the

customary measurements of ounce, cup, pint, quart and gallon.

A liter is slightly more than a quart—it equals 1.06 quarts. Liters are divided into smaller units called milliliters (1000th of a liter). Milliliters are used in cooking. Five milliliters make one teaspoon. Here are some other ways liters are used:

- A full measuring cup holds about 250 milliliters of liquid.
- Four liters of liquid is just over a gallon.
- A 12 ounce can of soft drink is 355 milliliters.

Gram

The gram is the metric unit of weight. It's used to weigh what we usually measure in ounces,

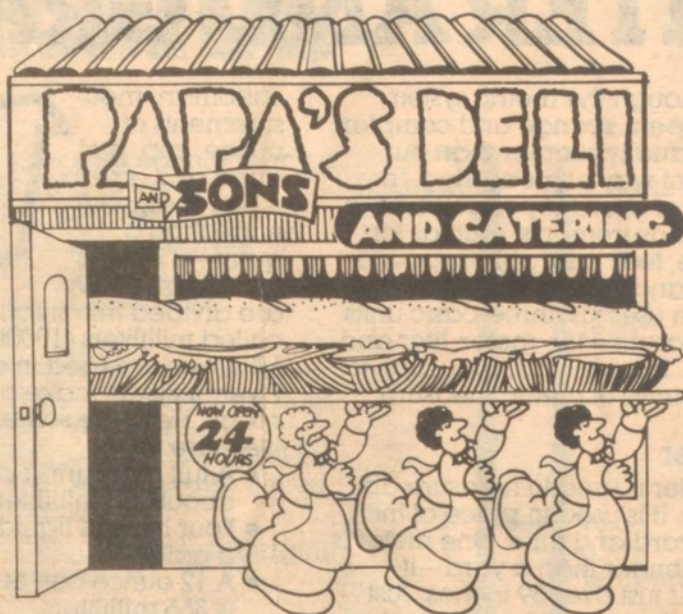

pounds and tons. It is a fairly small measure. Two regular paper clips weigh about

one gram. Since a gram weighs so little, people find it easier to use kilograms (1000 grams). A kilogram weighs a bit more than two pounds—2.2 pounds to be exact. Here are some examples to help you think in grams:

- A nickel weighs about 5 grams.
- A handful of candy (about 9 ounces) weighs about 250 grams.
- An average sized man (176 pounds) weighs about 80 kilograms.
- A sack of potatoes (5 pounds) weighs just over 2 kilograms.

Your business has changed

...has your Yellow Pages ad?

Your ad in the Yellow Pages says a lot about your business to a lot of people. **4 out of 5** people turn to the Yellow Pages when they're ready to buy. Updating your ad with more information helps you stand out where people start out...in the Yellow Pages.

You're looking at the recognized buyers guide in your city. That's right, the Southwestern Bell Yellow Pages. Where else can you find every business in town, complete with all the information consumers need to make smart shopping decisions? Names, addresses, hours, services, telephone numbers and more--it's all here in one package.

PUT CO-OP ADVERTISING DOLLARS TO WORK FOR YOU

Many brand name manufacturers have CO-OP funds available to help local dealers and distributors pay for Yellow Pages advertising. Ask your Southwestern Bell Yellow Pages representative for details.

People are shopping the Yellow Pages before they buy. So it makes sense to take out a larger ad. A larger ad can tell people more things about the services your business offers.

You're looking at the recognized buyers
guide in your city. That's right, the
Southwestern Bell Yellow Pages. Where
else can you find every business in town,
complete with all the information
consumers need to make smart shopping
decisions? Names, addresses, hours,
services, telephone numbers and more--
it's all here in one package.

A clean office isn't enough. ServiceMaster keeps your total environment clean and sanitary.

- All regular cleaning services, plus carpets,
walls, furniture
- Nightly, weekly, monthly contracts
- Trained, supervised staffs
- We care for over 100 million square feet of floor daily

Does your business do business by giving estimates or bids? Your ad in the Yellow Pages tells people you're big enough and ready to do the job. Tell them you give estimates - you'll get more calls and that will mean more sales.

Creative advertising such as that done in newspapers, radio and television makes people want to buy. Directional advertising in the Yellow Pages provides the who and where when customers are ready to buy. It's the final link between seller and buyer.

Keeping up with the Jones'?

Why not? Whether your competitor's
name is Jones or Smith or whatever -

don't let him have the

unnecessary advantage of a

larger Yellow Pages ad. Compete

with him on the street and in the

Book...take out a larger ad and tell
more about you!**A
CONSUMER
TIP**A careful comparison
of warranties should be an
important step in
making any
buying decision.

Does your business do business by giving
estimates or bids? Your ad in the Yellow
Pages tells people you're big enough and
ready to do the job. Tell them you give
estimates - you'll get more calls and that
will mean more sales.

A clean office
isn't enough.

ServiceMaster keeps your
total environment clean and sanitary.

- All regular cleaning services, plus
carpets, walls, furniture.
- Nightly, weekly, monthly contracts
- Trained, supervised staffs

SERVICEMASTER

Does your business do business

by giving estimates or bids?

Your ad in the Yellow Pages

tells people you're big enough

and ready to do the job.

Tell them you give

estimates - you'll get

more calls and that

will mean more sales.

YOUR EYES DESERVE THE BEST

*Wherever you are, it's easy to cast
your eyes upon the best. Century
Optical is not just a store that sells
glasses. It's the office of a Doctor
of Optometry providing you and
your family the professional vision care
services your eyes deserve.*

Compare your advertising
in the Yellow Pages
to your competitor's.

What is your
competitor offering?

Do you offer more?

Tell your customers all

they need to know in

your Yellow Pages ad.

A CONSUMER TIP

On all major purchases or
repair work, get estimates
from more than one
company. But
don't let price be
your only guide.

You're looking at the recognized buyers guide in your city. That's right, the Southwestern Bell Yellow Pages. Where else can you find every business in town, complete with all the information consumers need to make smart shopping decisions? Names, addresses, hours, services, telephone numbers and more—it's all here in one package.

Want to reach everyone in town with your advertising message? Then consider the Southwestern Bell Yellow Pages. Our directories are delivered to every home, business, hotel and motel in our operating area. That's a distribution system that is hard to beat. And they're available to your customers 365 days a year, 24 hours a day.

Is your business unique from others? Do
you offer something special? Then tell
your customers about it in the place they
look when they're ready to buy. The
Southwestern Bell Yellow Pages. A
directory representative can help you
design an effective ad that tells people
everything they should know about your
business.

YELLOW PAGES-ADVERTISING-See Advertising-Directory & Guide

Does your business do business
by giving estimates or bids?
Your ad in the Yellow Pages
tells people you're big enough
and ready to do the job.

Tell them you give
estimates - you'll get
more calls and that
will mean more sales.

YELLOW PAGES LIBRARIES-See Libraries-Public

An Open Letter to Customers Who Buy Advertising by Telephone:

- Most advertising in this directory has been sold by written agreement. Some of the listings and advertisements appearing in this directory, however, have been sold by telephone. The following terms and conditions define the rights and obligations of Company and Customer when advertising has been sold without written agreement.
- The advertising ordered by the Customer, if in compliance with the Company's publishing standards, is accepted by the Company only under the terms and conditions of this notice, and not otherwise.
- The advertising ordered by the Customer shall continue from issue to issue of this directory until cancelled or changed by the Customer. Rates are subject to change without notice. The Company shall be limited, however, to an aggregate annual rate increase of no more than 10% of the rate presently being agreed to by the Customer.
- While the Company makes every effort to prevent errors or omissions in its directories, it cannot promise they will not be made. Those Customers who have bought listings or advertising in this directory by telephone agree that the Company's liability, if any, for errors in or omissions of such listing or advertising, shall not exceed an amount equal to the charge for the listing, or the proportionate charge for the item of advertising omitted or in which errors occur, for the issue life of this directory.
- The Company assures no obligation to notify its directory subscribers of any error or omission.
- The Customer warrants that he is the owner of, or entitled to use, any trademarks, service marks and trade names ordered in the advertising.
- The customer has contracted for the purchase of the ordered advertising in one sum for the issue life of the directory, the payment of which shall be made in equal monthly installments. If the monthly installments are not paid when due, the entire annual charge for the advertising shall be due and payable. Full payment in advance may be demanded by the Company.
- While the Company anticipates that the issue life of this directory shall be approximately 12 months, it may extend or shorten the issue life by up to six months. The customer agrees to pay the monthly installment for the issue life of the directory, whether extended or reduced.
- The Customer remains liable for the payment of the ordered advertising through the issue life of each directory regardless of whether the Customer disconnects or rearranges telephone service within that period.
- The Company is not obliged to submit proof copy to the Customer before publication; and Customer's obligation to make payment for advertising shall not be contingent upon receipt of proof copy for approval.
- The Customer acknowledges that the advertising ordered complies with all laws and standards governing his trade or profession.
