Emergency Calls on Party Lines

WARNING

State law requires you to hang up the receiver of a party line immediately when told the line is needed for an emergency call to a fire department or police department or for medical aid or ambulance service. It is also unlawful to take over a party line by stating falsely that the line is needed for an emergency. The law defines an "emergency" as a situation in which property or human life is in jeopardy and the prompt summoning of aid is essential. The penalty which may be imposed by the state for either offense shall be a fine of not more than \$500 or imprisonment for a term not exceeding one month, or both.

Llamadas de Emergencia en líneas compartidas

ADVERTENCIA

La ley del Estado de Texas establece que cuelgue el auricular inmediatamente, de una línea compartida, cuando se le avise que dicha línea se necesita para hacer una llamada de emergencia al Departamento de Bomberos, al Departamento de Policía, o para solicitar ayuda médica o el servicio de ambulancias. También se considera ilegal el conseguir una línea compartida diciendo falsamente que es necesaria para hacer una llamada de emergencia. La ley define como "emergencia", una situación en la cual un ser humano o alguna propiedad corren peligro y el auxilio rápido es esencial. El castigo al que el infractor se hará acreedor, por parte del estado, al cometer cualquiera de estas dos violaciones será: una multa no mayor de \$500 (U.S.) o ir a prisión por un periodo no mayor a un mes; o ambos.

On the Cover

It's the Information Age, a time when moving information has become vital to virtually everyone who lives and works in Texas. Texas artist Ross Edwards has created **Telecommunications Possibilities**, an abstract rendition with Texas as the center of a telecommunications universe that includes knowledge, technology, and research and development. It depicts the far-reaching implications of SWBT's network, which, by its very nature and volume of traffic, is the state's handiest tool for revitalization and stimulation of the economy. On a daily basis, Southwestern Bell Telephone handles 80 million calls, \$15 million in goods and services sold by phone, and 90,000 financial transactions. More than \$12 billion dollars have been invested in the network over the last 10 years, paving the way for the quality basic service enjoyed by five million Texas customers. But telecommunications isn't the state's only emerging technology. Firms such as Austin's Microelectronics and Computer Technology Corporation (MCC), a consortium of high-tech companies, are generating ideas that will make a contribution to the economy of the state and the nation.

Home Wiring Options

Where we once did all installation and repair of wiring inside our customers' homes, you now have three options:

1. hire Southwestern Bell Telephone to do it,
2. hire another contractor, or
3. save money by doing the work yourself. (Materials are available from numerous retail stores.)

If you choose Southwestern Bell Telephone to do the work, you will be billed for Premises Work Charges in 15-minute increments, according to the time required to do the job. The

charges include the necessary materials and differ for installation and repair. These charges are in addition to the service order charge and any other applicable charges.

When we complete the work, you get a 30-day warranty against defects and malfunctions.

You may also purchase an inside wiring maintenance service, **InLine** or **InLine Plus**. Call your service representative for details.

Inside wiring is all the wiring inside your home and includes your telephone outlets or jacks.

Hutto Customers

Hutto customers should refer to their listing section for emergency numbers, service calls and dialing instructions.

Ordering Booklets

Do you have questions about your phone service?

Tele-Help, Southwestern Bell Telephone's new information program, can be your guide to understanding the changes and choices in the telephone industry. Tele-Help consists of many useful booklets including these most commonly asked-for subjects:

Set I

- Your Phone Service
- Your Phone Bill
- Home Phone Repair
- Telephone Equipment
- Long Distance Service
- Saving Money on Phone Service

Set II

- Easy Access Dialing
- Home Security
- Establishing New Telephone Service
- Home Telephone Wiring
- Local Service Options
- Handling Annoying Phone Calls

Set III

- Long Distance/Operator Services
- Telephone Etiquette
- Phone Use For Children
- Services For Disabled People
- Services For Older Adults

These booklets are also available in a Spanish version called "Tele-Ayuda."

For business customers, "The Tele-Help Guide for Small Business Customers" provides information on topics such as repair, customer contacts and telephone security.

To order these free booklets, call our toll-free number, **1 + 800 + 325-2686**, extension **87**. TDD/TTY customers call **1 + 800 + 423-4565**. These numbers are only for ordering booklets. If you have a specific question about your telephone service please call your local telephone office (numbers are listed on page 2).

Determine the Source of the Problem

Southwestern Bell Telephone still is responsible for the maintenance and repair of the telephone lines to your home or business. It is important to try to make sure the problem is not in your telephone set. Southwestern Bell Telephone is not allowed to repair telephone sets. If we make a customer requested service call and determine the problem is caused by your telephone set or sets and not by our facilities, you will be billed \$30.00* to cover the cost of the service call. If the problem is **not** in your telephone set, please call toll-free **1 + 954-4102**.

- Look for symptoms like cracked plastic housing, broken or frayed cords or lights that don't work.

- If you have more than one phone, make sure each phone's receiver is on the hook. If none of them are off the hook, unplug every phone. Then start plugging them back into the wall jacks one at a time, checking each phone for a dial tone as you go. The telephone set that causes the line to go dead is the broken one.
- If you have just one phone, unplug it and borrow someone else's. If the borrowed phone works, then the problem is in your telephone set.
- If the phones appear to be in good working order, call our Repair Bureau. Many times we can run a test to help isolate the problem while you are on the line.

These rates and/or charges are subject to change by order of the Public Utility Commission of Texas. Current rates and/or charges are always available from your business office.

If It's Your Phone...

Leave the broken telephone unplugged and contact the company you purchased or lease it from for the repair. We're sorry, but Southwestern Bell Telephone is no longer allowed to sell or repair telephone sets.

Southwestern Bell Telephone still is responsible for the maintenance and repair of the telephone lines to your home or business (see page 3 for wiring options). It is important to try to make sure the problem is

not in your telephone set, **because if we come out and find the problem is in your set, we will have to charge you \$30.00* for each repair visit.** If the problem is not in your telephone set, call toll-free **1 + 954-4102.**

If It's Southwestern Bell Telephone's Line...

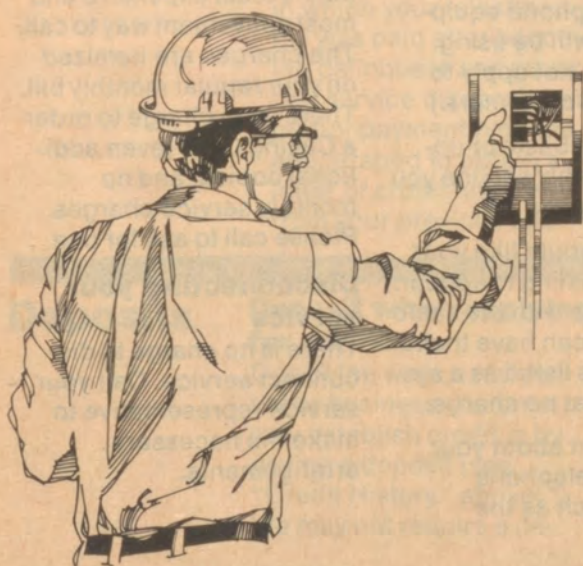

Again, if you've determined that the trouble is not in your telephone set but in the telephone line, please call Southwestern Bell Telephone for repair service.

If you have reported that you are unable to make or receive calls and your line

is out of order for 24 hours or more from the time of the report, you are entitled to a credit on your next bill for part of the local service charges. If the adjustment doesn't appear on your next bill, call your business office.

Establishing or Changing Service

Establishing Service

Your service representative will help you with orders for monthly calling services, optional services (including Touch-tone and Custom Calling Services if they are available in your area), home wiring services, Southwestern Bell Telephone Calling Cards, directories and directory listings. They will also answer other questions you have about the services we provide.

Information needed for your order

- Complete address — street and number — plus city or town and zip code (apartment number if applicable).
- The registration numbers of the telephone equipment you will be using. (This does not apply to single line customers.)
- The type of basic or optional monthly service you want (see page 10).
- How you would like your directory listing to appear. Two people with the same last name can have their first names listed as a single listing at no charge.
- Information about your previous telephone service such as the

telephone number and location.

- Other credit information, including employment. (No telephone credit information is given out to other businesses.)

Telephone sets for customers with multi-party service

Special conditions apply to equipment used for multi-party service. Please call your service representative for details.

Calling Card

When you are away from your home or business phone, a Calling Card/SelectCardSM from Southwestern Bell Telephone can be the least expensive and most convenient way to call. The charges are itemized on your regular monthly bill. There is no charge to order a Calling Card (even additional copies) and no monthly service charges. Please call to ask for one.

Disconnecting your service

There is no charge to disconnect service. Call your service representative to make the necessary arrangements.

Credit History

It is our policy to apply a customer's credit history equally for a reasonable period of time to a spouse or former spouse who shared the service. Credit history maintained by a customer will be applied equally to the spouse or former spouse without modification and without additional qualifications not required of the customer.

A person applying for residential service with Southwestern Bell Telephone must satisfactorily establish credit. Credit may be established in several ways:

- Demonstrate that you have been a residential customer of a telephone company within the last two years, that you are not delinquent in payment of your account with them and that during the last 12 consecutive months of service you did not have more than one occasion in which your telephone bill was paid after becoming delinquent and never had service disconnected for nonpayment (you are encouraged to obtain a letter of credit history from your previous tele-

phone company before moving).

- Demonstrate a satisfactory credit rating by appropriate means, including, but not limited to, the production of generally acceptable credit cards, letters of credit reference, the names of credit references which may be quickly and inexpensively contacted by us or ownership of substantial equity.
- Pay a deposit. See Deposit information below.
- Furnish in writing a satisfactory guarantee to secure payment of bills for your telephone service.
- Demonstrate that you are 65 years of age or older and that you do not have an outstanding account balance with any telephone company for residential service which accrued within the last two years.

Your service representative can give you more information on any of these methods of establishing credit. To maintain satisfactory credit, a customer must make prompt payment on all telephone bills.

Deposits

Deposit when applying for service

One of the ways a residential or business customer may establish credit is by paying a deposit (see "Credit History" above). We may not require a de-

posit in excess of one-sixth of your estimated annual billing.

Additional deposits

During the first 12 months of service, if your actual usage is three times your estimated usage (or three times

Deposits (cont.)

the average usage of your most recent three bills) and your current usage exceeds \$150 and 150 percent of the security we hold, a new deposit requirement may be calculated and we may require you to pay an additional deposit within 10 days after issuance of written notice of termination and requested additional deposit. In lieu of paying this additional deposit, you may elect to pay for your current usage within 10 days after issuance of written notice of termination and requested additional deposit.

After two billing periods (residence accounts only), if your actual billings are at least twice the amount of your estimated billings and a suspension notice has been issued on a bill within the previous 12-month period, you may be required to pay a new deposit within 15 days after issuance of written notice of termination and requested additional deposit. In lieu of paying this additional deposit, you may elect to pay your current bill by the due date of the bill, provided you have not exercised this option in the previous 12 months.

If your service is not connected or after your service is disconnected, we shall promptly and automatically refund your deposit plus accrued interest or the balance, if any, of your deposit in excess of the unpaid bills for service furnished.

When you have paid bills for service for 12 consecutive billings (24 consecutive billings for business service) without having service disconnected for nonpayment of a bill and without having more than two occasions on which a bill was delinquent, and when you are not delinquent in the payment of your current bill, we shall promptly and automatically refund your deposit plus accrued interest in the form of cash or credit to your bill, or void the guarantee.

Where to pay your deposit

Deposits may be paid at authorized payment agencies (see page 20) during their normal business hours.

Deposits earn interest

If we retain your deposit more than 30 days, we will pay simple interest retroactive to the date of deposit. The interest will be at a rate set annually by the Public Utility Commission of Texas, to be effective on January 1 each year. We will pay the interest to you annually if requested by you, or otherwise at the time the deposit is returned or credited to your account. The deposit shall cease to draw interest on the date it is returned or credited to your account.

Local Service Options 10

Types of Service

Local (exchange) telephone service is offered, depending on customer location and available facilities, in the following types:

- **Suburban Four-Party** — available only in outlying areas; customers generally share a single telephone line with up to three other customers; the least expensive service offered.
- **Measured Business Service** — not widely available; customers are charged a monthly flat rate plus a charge for each outgoing call over 100.
- **Economy Service** — available to residence customers served by certain ESS Central Offices. (Check your business office for availability.) Customers are charged a monthly

flat rate plus a charge for each outgoing local call in excess of 25 outgoing local calls per month.

- **Two-Party Residence Service** — available to residential customers in all rate groups; customers share a single line with another customer; higher rates than for Suburban Service.
- **One-Party, or individual line, Service** — available in most locations; only one customer to a line; rates are higher than for Two-Party Service.

Basic local (exchange) telephone monthly rates are for the access line only and vary, depending on the total number of access lines in the local calling area. In some suburban and rural areas, mileage charges may also apply.

Optional Services

Touch-tone Service

Combined with a push-button phone, this service provides faster dialing and access to the growing number of computer-generated services available over your phone.

Your Rights As a Customer

Consumer Rights

Southwestern Bell Telephone is committed to these consumer rights:

Dependable, high quality services at reasonable prices

Southwestern Bell Telephone strives to provide quality telecommunications services for all consumers at fair and reasonable prices.

Full information about our services

Consumers have a right to the information necessary to make sound decisions. It is our policy to provide consumers with the information they need about their telephone service, service options, including the lowest price service available, and pricing and payment options.

Choice of services

We believe consumers should have free and open choices of telecommunications services. When dealing with us the consumer should have the opportunity to select from all available service options.

These services are provided to consumers without discrimination as to race, nationality, color, sex, religion or marital status.

Telecommunications privacy

We fully safeguard every individual's right to privacy as an essential aspect of our service. We carefully strive to protect communications services from unlawful wiretapping or other illegal interception. Customer service records, credit information and related confidential personal account information are fully protected.

An accurate, easily understood bill and reasonable billing procedure

We believe consumers should receive an accurate, easily understood bill and one that makes clear when payment is due. Consumers are entitled to reasonable billing procedures and clear explanations about deposits (see pages 8 and 9), late payment of bills, collections, suspension or disconnection of service for nonpayment. In case of bonafide emergencies, we try to avoid disconnection of service for nonpayment. For further information on your bill, see pages 18 and 19.

Deposit, credit information

See pages 8 and 9.

Consumer Rights (cont.)

Resolution of complaints

It is our policy that consumers, wherever located, have access to a readily available process to provide them with fair resolution of their complaints and grievances concerning services, billing and other practices and procedures. Accordingly, we provide consumers with helpful information about where and how to express their concerns and complaints to the company and to regulatory authorities.

The opportunity to be heard

We believe in listening to consumers and taking their advice, counsel and criticism into careful consideration in our policy and decision making. We also believe consumers should have the opportunity to be heard on issues affecting our business.

How to get credit for loss of service

If you have reported that you have no dial tone and are unable to make or receive calls for 8 normal working hours or more and your service interruption is a result of network problems, you are entitled to a credit on your next bill for part of the local service charges. If the adjustment doesn't appear on your next bill, call your service representative.

How to complain

Your service representative is available to answer your questions and resolve your problems. If you're not satisfied, feel free to ask for a supervisor. If your problem can't be solved by the supervisor, ask for the manager or higher levels of management, or you may write to:

**Southwestern Bell
Telephone
Texas Headquarters-
Customer Appeals
One Bell Plaza-35th Floor
P.O. Box 655521
Dallas, Texas 75265-5521**

If you are still not satisfied, you have the right to file a formal or informal complaint with the Public Utility Commission of Texas, which regulates Southwestern Bell Telephone in Texas. The address is:

**Public Utility Commission
of Texas
7800 Shoal Creek Blvd.,
Suite 400N
Austin, Texas 78757
512 + 458-0223 or
512 + 458-0227
512 + 458-0221 (TDD only)**

Directory accuracy

Every effort is made to make the directory as accurate as possible. In case of error or omission the liability of the company, if any, shall not exceed twice the amount paid for the service during the period covered by the directory in which the error or omission occurred. If your listing is incorrect or omitted from

Consumer Rights (cont.)

this directory, please contact your Southwestern Bell Telephone business office.

Tariff review

The company's tariffs are available for inspection at certain company locations. Copies may be obtained for a reasonable reproduction charge.

Tariff provisions

Communication services furnished by Southwestern Bell Telephone are public utility services which are offered by the company subject to the rules, regulations and charges set forth in its tariffs, which tariffs shall at all times control the provision of such communi-

cation services. Every effort is made in the Tele-Help Guide section of this directory to accurately portray information showing certain terms, conditions and charges by which communication services are furnished. In the event of a conflict between such tariffs and the information contained in this Tele-Help Guide, the tariffs shall prevail. The company's tariffs are subject to change and are available for inspection at certain company locations.

Services for disabled customers

See page 3.

Consumer Responsibilities

Fraudulent billing can lead to prosecution

It is illegal for a person to charge any calls to another's number or Calling Card without their permission. Persons placing such calls to avoid payment for service are subject to prosecution, and, if convicted, are subject to imprisonment and/or fine.

Harassment by telephone

It is a crime under state and federal laws for anyone to make obscene or harassing telephone calls. These laws have penalties of imprisonment and/or fine.

Unlawful wiretapping is subject to prosecution

It is a crime under federal and state law for any per-

son, including a telephone subscriber, to unlawfully wiretap or otherwise intercept a telephone call. Properly authorized law enforcement officers can engage in interceptions when proceeding under court orders issued pursuant to applicable provisions of federal law. Under federal law, the penalty for illegal wiretapping can be imprisonment for 2-20 years, a \$10,000 fine or both.

Customer provided equipment

Under the Federal Communications Commission's (FCC) Registration Program you supply your own telephone equipment and connect it directly to the local network. Before connecting your telephone equipment you are responsible for:

Consumer Responsibilities (cont.)

- Informing Southwestern Bell Telephone of your intention to use this equipment.
- Providing to the telephone company the FCC Registration Number and Ringer Equivalence of the registered device. This information is stamped on the registered device.

You are responsible for the connection, operation, maintenance and repair of this equipment, and should arrange for these services through the manufacturer, if needed. This equipment cannot be connected to a coin telephone. If you have a party line, contact your service representative.

Recording of two-way telephone conversations

If your telephone conversation is being recorded, one of the following conditions must exist: (1) all parties being recorded must hear a beep tone approximately every fifteen seconds, or (2) all parties to the telephone conversation must give their prior consent to the recording of the conversation. The prior consent must be obtained in writing or be part of, and obtained at the start of the recording. Under certain restrictions, exemptions to these provisions exist for commercial broadcast licensees, emergency reporting systems and law enforcement authorities.

Leave phones on the hook

At times you may not want to be disturbed by a ringing phone. However, leaving a phone off the hook prevents emergency calls from getting through and ties up equipment needed to complete other customers' calls.

Alternative payment plans — business and residence customers

You are responsible for making your payments in full and on time each month. If you can't pay by the due-by date, please call your service representative. We may be able to make payment arrangements in case of circumstances beyond your control.

Residence customers

If you are unable to pay all of your bill, you may enter into a deferred payment plan if we have not issued more than two termination notices on your account in the preceding 12 months.

Under the terms of a deferred payment plan, your service will not be terminated if you pay current bills and a reasonable amount of the outstanding bill and the balance in reasonable installments until the bill is paid. You will not be required to pay more than $\frac{1}{3}$ of the total deferred amount when entering into a deferred payment plan. If you do not meet the terms of a deferred payment plan, your service may be termi-

Consumer Responsibilities (cont.)

nated after proper written notice.

Southwestern Bell Telephone is not required to enter into a deferred payment plan with any customer who has had telephone service for 3 months or less if that customer is lacking sufficient credit or a satisfactory history of payment for previous service.

Please call your service representative for more information on this plan. If the representative does not offer such a plan to you, you have the right to request these alternative payment plans.

Automatic Dial Announcing Devices

The Public Utility Commission of Texas has specific rules governing the use of Automatic Dial Announcing Devices. Those rules require the following:

(1) the user has obtained a permit from the commission and has given a copy of such permit, as written notice specifying the type of device to be connected, to each telecommunications utility over whose system the device is to be used;

(2) the device is not used for random number dialing or to dial numbers by successively increasing or decreasing numbers;

(3) the message conveyed by the device, or a message delivered by a human, states the nature of the call and the name, address and callback telephone number

of the person, company or organization making the call;

(4) the device disconnects from the called person's line not later than 10 seconds after the called person hangs up;

(5) no calls shall be made to emergency telephone numbers of hospitals, fire departments, law enforcement offices or other entities providing emergency service;

(6) for calls terminating in the State of Texas, the device is not to be used to make a call:

(A) on a Sunday before 1:30 p.m. or after 9 p.m., or before 9 a.m. or after 9 p.m. on a weekday or a Saturday, when the device is used for solicitation; or

(B) at any hour that collection calls would be prohibited under the Federal Fair Debt Collection Practices Act, 15 United States Code, Section 801 et seq., when the device is used for collection purposes; and

(7) a violation of any portion of these rules shall subject the user to prosecution for a Class C misdemeanor as set forth in section 87B(f) of the Public Utility Regulatory Act.

Southwestern Bell Telephone may disconnect the service of the ADAD user after determination by the commission or court that the user is violating these

Consumer Responsibilities (cont.)

rules and after proper notice has been served.

Southwestern Bell Telephone may disconnect or refuse to connect service to a person using or intending to use an automatic dial announcing device if we determine that the device is not capable of disconnecting from a called party's line or that the device would cause or is causing network harm.

These rules do not apply to the use of an automatic dial announcing device to call a person who has given to the person making the call written permission to be called by an automatic dial announcing device, except that Southwestern Bell Telephone may disconnect service to a person using the device if the device is causing network harm.

An application for a permit to use one or more automatic dial announcing devices shall be on a form as prescribed by the commission, and shall be accompanied by the payment of a fee of \$500 for each permit issued.

More detailed information on these rules is available through the business office or the Public Utility Commission of Texas at 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757.

Discontinuance of service

Your telephone bill is due upon receipt and is considered past due if the bill has not been paid or a de-

ferred payment agreement entered into within 16 days after the bill issuance (postmark) date of the bill. If your bill becomes delinquent, the telephone company must provide a 10-day written notice before discontinuing your service.

If you are asked to make an additional deposit based on your actual usage and you do not pay the deposit or usage within 10 days, service may be disconnected. If you are asked to make an additional deposit based on your actual billings and you do not pay the deposit or bill within 15 days, service may be disconnected. You can elect to pay the bill in lieu of paying an additional deposit once in a twelve month period.

After proper notice and a reasonable opportunity to remedy the situation, telephone service may also be disconnected if you violate our rules pertaining to the use of service in a manner which interferes with the service of others or to the operation of nonstandard equipment.

Telephone service may be disconnected *without notice* where a known dangerous condition exists for as long as the condition exists or where service is connected without authority by a person who has not made application for service or who has reconnected service without authority following termination of service for nonpayment. Where reasonable, given the nature of the haz-

Consumer Responsibilities (cont.)

ardous condition, a written statement providing notice of disconnection and the reason therefor shall be posted at the place of common entry or upon the front door of each affected resi-

dential unit as soon as possible after service has been disconnected.

Reconnection of service

See page 19.

Consumer Information

Our employees carry company identification cards

Every Southwestern Bell Telephone employee is required to carry an identification card with that employee's name and photograph. If you have any doubt that the person contacting you is an employee of our company, ask to see that person's identification card.

Telephone safety

The telephone is one of the safest appliances in your home or office, but there are a few situations where a telephone user should be cautious.

- Do not use the telephone while you are in the bathtub, shower or swimming pool. Putting the telephone in water could cause a shock.
- Avoid using the telephone during electrical storms in your immediate area. Urgent calls should be brief. Southwestern Bell Telephone uses protective measures to limit electrical surges from entering your home, but absolute protection from lightning is impossible.
- If you suspect a gas leak, report it immediately, but use a telephone away

from the area in question. The telephone's electrical contacts could create a tiny spark when you dial. While unlikely, it is possible that this spark could ignite heavy concentrations of gas.

Annoying calls

If you ever receive obscene, abusive, harassing or threatening calls, follow these suggestions:

1. Hang up at the first obscene word. Hang up if the caller remains silent the second time you say hello. Remember, **YOU CONTROL YOUR TELEPHONE**, not the person calling.
2. Do not give any information, such as your name or address, until the caller has been properly identified.
3. Advise your children and guests not to give out any information. If you are not at home, those answering your telephone should be instructed to say, "They're busy right now, may I take a message?"
4. If calls persist, call your service representative.

Billing and Payment

18

Features About Your Bill

Your bill from Southwestern Bell Telephone may include charges from other companies

Other companies that provide long distance calling services may arrange with Southwestern Bell Telephone to do their billing for them. If you subscribe to one or more of these companies, their charges may appear in your monthly telephone bill.

For your convenience, continue to make your payments to Southwestern Bell Telephone in the same way you always have. Even though your bill may include charges from one or more other companies, you make one payment for the total amount to Southwestern Bell Telephone.

For questions about your bill, call the appropriate company

Your bill is separated into sections that describe the charges for each company. Each section includes the telephone number to call if you have a question about that company's portion of your bill. To help you get answers most efficiently, be sure to call the appropriate telephone number listed on the page you have a question about.

Here are some brief descriptions

- Southwestern Bell Telephone will continue to send your bill each month at the regularly scheduled time for your account.
- Your payments also will be due at the regularly scheduled intervals.

- Payment return page — This is the first page of your bill and should be returned with your payment.

It also shows the total amount due, and includes the mailing address of the location to send your payment.

Bill Summary

This page shows the current status of your account — the amount of your last bill and the amount now due. Total charges are listed here by company for both Southwestern Bell Telephone and other companies we bill for.

Detail of Charges

This section of your bill will show the charges from Southwestern Bell Telephone for the basic monthly charge, a total of "Other Charges" and "Itemized Calls" that are detailed later in the bill.

Other Charges — will show any one-time charges to your account such as ser-

Features About Your Bill (cont.)

vice connection charges or Directory Assistance charges.

Southwestern Bell Itemized Calls — will show the charges for long distance calls made within your Southwestern Bell Telephone service area, including the date the call was

made, the length of each call, etc.

There will be a separate Detail of Charges section itemizing charges for each company that has arranged with Southwestern Bell Telephone for us to prepare their billing.

Questions About Your Bill

How am I billed?

Charges for your local monthly service are billed one month in advance.

Charges for measured local usage (if applicable), long distance calls and telegrams are based on actual use up to the date your bill is prepared.

Charges for installing or changing your monthly service usually appear on the first bill after your order is completed.

What happens if I can't pay my bill on time?

If you can't pay by the due-by date, please call your service representative. We may be able to make payment arrangements. See "Alternative payment plans" on page 14 for additional information.

Southwestern Bell Telephone does not apply an extra charge for residence bills paid after the due date, but repeated late payments may damage your credit record with us. You may be requested to pay a deposit or an additional deposit as a result of late payments. Late payments also may result in your phone service being disconnected.

What happens if I pay my bill with a check that my bank will not honor?

Southwestern Bell Telephone will charge an administrative fee of \$10.60 each time a check or draft presented for payment for service is not accepted by the institution on which it is written. The fee(s) will be billed to you automatically the following month.

How can I get service restored if it has been disconnected for nonpayment?

All delinquent charges billed for service must be paid before your service can be reconnected. You also must pay a charge to have the service restored.

If service is completely disconnected, all charges billed for service must be paid before the service can be reconnected.

You also will have to re-establish your credit. As a result, an advance payment and/or deposit may be required.

How To Pay Your Bill

Paying by mail We appreciate your payment by mail

You may be able to save time and money by using the return envelope and pre-addressed return page to mail in your payment. Please mail payments to:

**Southwestern Bell
Telephone

Paying in person

When payment is made in person, please present the complete bill. You may pay your bill and deposit at the following authorized pay-

ment agency during their normal business hours.

**Taylor
HEB
516 N. Main**

Every effort has been made to list current information concerning payment agency locations. These locations are subject to change, and the company makes no warranty, implied or otherwise, to maintain payment agencies as listed herein.

Directory Assistance

How to Call Southwestern Bell Telephone Directory Assistance

For local numbers

Dial 1 + 411

For long distance numbers within your Area Code

Dial 1 + 555-1212

For long distance numbers within your service area* but outside your Area Code

Dial 1 + Area Code + 555-1212

For other Directory Assistance services, follow the instructions provided by the company supplying you with long distance service.

Charges for Southwestern Bell Telephone Directory Assistance**

Under a plan designed to require the frequent users of Directory Assistance to pay for the costs of providing that service, single line residential and business customers pay 30 cents for each direct-dial call to Directory Assistance after the first 3 direct-dial calls each month. For all other types of service, different rules apply as set forth in the company's tariffs.

Exceptions

Calls from hospital patients' bedside services and coin telephones are exempt from local Southwestern Bell Telephone Directory Assistance charges.

Exemption for Directory Assistance charges

Also, if an impairment makes it impossible for you to look up numbers in the phone book, call your service representative to see if you qualify for exemption from charges for calls to the local Directory Assistance Operator.

* See page 24 for a map showing the boundaries of your service area.

** The rates and/or charges on this page are regulated by the Public Utility Commission of Texas and were correct as of the date this directory was compiled. These rates and/or charges are subject to change by order of the Public Utility Commission of Texas. Current rates and/or charges are always available from your business office.

How to Call Southwestern Bell Telephone Directory Assistance (cont.)

Five ways to save on Directory Assistance charges

1. Write down the numbers that you call frequently. You may wish to circle or underline a number in your directory to quickly find the number a second time.
2. To get the number of someone who has recently moved, call the old number. A new number reference is generally provided.
3. Once a call to Directory Assistance has been placed, a second listing is available at no charge. Please notify the operator in advance that you would like to receive two phone numbers. If you need more information after a recorded voice gives you the phone number you requested, stay on the line and a Directory Assistance Operator will come back to help you.
4. You can save the cost of a second call to Directory Assistance if you can supply complete information the first time: exact location, accurate spelling and full names. Operators cannot search for a listing by address or telephone number, only by name.
5. If you are not sure of the name or spelling of a restaurant, theater, store or business, check the Yellow Pages under the appropriate heading.

Long Distance Calling

Special Notice

In the future, changes will be made to make it possible for customers to choose which long distance network they will use between long distance service areas by dialing a minimum number of digits. Southwestern Bell Telephone will inform customers when these services become available.

Southwestern Bell Telephone long distance service areas

Southwestern Bell Telephone offers long distance service within specific geographic areas. In Texas, there are 16 Southwestern Bell Telephone long distance service areas. However, we do not provide long distance service from one service area to another, even when both areas are served individually by Southwestern Bell Telephone.

To call between long distance service areas, customers must use another

long distance company. Southwestern Bell Telephone offers access to other long distance networks, as well as access to our local and long distance networks.

The network equipment recognizes which long distance company you are using, based on the digits you dial at the beginning of each call. Area Codes and local numbers will not vary among the companies providing long distance calling services.

Dialing Instructions

Dialing Direct

Direct-dial calls are those completed from a residence or business phone without operator assistance.

On direct-dial calls you pay only for the minutes you talk. The initial rate period is one minute any time of day or night.

Charges are based upon rates in effect at the time

the call is placed and will change if the call continues into the next time period.

	M	T	W	T	F	S	S
8 A.M. to 5 P.M.							
5 P.M. to 11 P.M.							
11 P.M. to 8 A.M.							

Additional savings apply evenings, nights and weekends. (These rates do not apply to international calling or to calls placed through other long distance carriers.)

Direct-dial Sample rates* from City of Taylor to:	 Full (weekday) rates		 Lower (evening) rates 25% discount		 Lowest (night & weekend) rates 40% discount	
	First minute	Each additional minute	First minute	Each additional minute	First minute	Each additional minute
Adamsville	.45	.44	.33	.33	.27	.27
Austin	.27	.26	.20	.20	.16	.16
Bastrop	.27	.26	.20	.20	.16	.16
Lampasas	.42	.41	.31	.31	.25	.25
Liberty Hill	.27	.26	.20	.20	.16	.16
Smithville	.38	.37	.28	.28	.22	.23

Sample rates shown are from the central zone of Taylor to the central zone of each city listed.

Examples shown do not include taxes. Additional minute rates illustrated are approximations due to rounding. Charges are based on rates in effect at the point where the call originates. When a call is established in one rate period and ends in another, the rate in effect in each rate period applies to the portion of the call occurring within that rate period.

Holiday rates

New Year's Day/July 4th/Labor Day/Thanksgiving/Christmas Day. On these legal holidays, the evening rate applies all day on direct-dial calls unless a lower rate would normally apply (nights & weekends).

*The rates and/or charges on this page are regulated by the Public Utility Commission of Texas and were correct as of the date this directory was compiled. These rates and/or charges are subject to change by order of the Public Utility Commission of Texas. Current rates and/or charges are always available from your business office.

Dialing Direct (cont.)

To place a direct-dial call:

- Within your Southwestern Bell Telephone long distance service area, dial:

1 + * + phone number

- Within your Southwestern Bell Telephone long distance service area but outside your Area Code, dial:

**1 + Area Code
+ phone number**

Special rates for long distance calls within your Southwestern Bell Telephone long distance service area

If you or someone in your household is hearing or

speech impaired and uses a TDD, your home phone service may be eligible for special rates on long distance calls that you dial yourself to telephone numbers within your Southwestern Bell Telephone long distance service area. Calls placed during the day are billed at the evening rate, and calls placed in the evening are billed at the night rate.

Calling Card

If you have a Southwestern Bell Telephone Calling Card/SelectCardSM, you can place long distance calls economically and have them charged to your regular monthly bill.

The initial period for a Calling Card call is one minute. The initial period is billed at the direct-dial rate plus a service charge (see chart on next page). Additional minutes are billed at direct-dial rates, and include the same discount applicable to the time period when you call. Discounts do not apply to service charges. There are two ways to place Calling Card calls:

1. To place a Calling Card call:

- Within your Southwestern Bell Telephone long dis-

tance service area, dial:

0 + * + phone number

When the operator comes on the line, say you're placing a Calling Card call and give your card number.

2. To place a Calling Card call from push-button phones only:

- Within your Southwestern Bell Telephone long distance service area, dial:

**0 + * + phone number
(wait for tone)
+ Calling Card
number**

After you have dialed the number, you will hear a special tone. Immediately key in your Calling Card number.

***Dial the Area Code if outside your home Area Code**

Calling Card (cont.)

Sequence calling saves time

If you are making more than one Calling Card call from a push-button phone with Touch-tone Service, you don't have to hang up between calls. Just depress the "*" sign and dial another telephone number (including the Area Code, if needed). After the first

call, each call in the sequence will be billed to your Calling Card number. If calling the number to which your card is billed, you need only enter the last four digits of your Calling Card number. You may obtain a Southwestern Bell Telephone Calling Card/SelectCard from your telephone business office.

Operator-Assisted

The initial period for an operator-assisted call is one minute. The initial period is billed at the direct-dial rate plus a service charge (see chart below).

Additional minutes are billed at direct-dial rates, and include the same discount applicable to the

time period when you call. Discounts do not apply to service charges.

To place an operator-assisted call:

- Within your Southwestern Bell Telephone long distance service area, dial:

0 + * + phone number

Operator service charges

Direct-dial rate plus:		Calling Card	Operator-assisted			
			Station-to-station	Person-to-person	Line interruption	Line verification
	Within your SWBT long distance service area †	.35	1.10	2.65	2.20†	1.35†
	Local ‡	.40	1.30	3.15	2.20†	1.35†

(†If you ask an operator to verify a line and interrupt a call, only the interruption is applicable.)

For example: An operator-assisted station-to-station call at the weekday rate from **Taylor** to **Adamsville** (see chart on page 25) would cost .45 + 1.10 service charge, or 1.55 for the first minute. Additional minutes are .44 each.

The rates and/or charges on this page are regulated by the Public Utility Commission of Texas and were correct as of the date this directory was compiled. These rates and/or charges are subject

to change by order of the Public Utility Commission of Texas. Current rates and/or charges are always available from your business office.

Operator Assistance

28

Examples of Operator-Assisted Calls

Collect calls

You may call collect if the person or firm you are calling agrees to pay the charges. Dial the call and when the operator comes on the line, say you're placing a collect call and give your name. The operator will leave the line when the person you've called accepts the charges.

Third-number calls

You can make a long distance call from another telephone and bill it to your own telephone number or another number if that party agrees to pay for the call. Dial the call. When the operator comes on the line, say you'd like to charge your call to a third number and give that number, including the Area Code. The operator may verify the third-number charge before advancing your call.

When making a third-number call from a public (coin or coinless) telephone, the operator must verify the third-number charge by calling the third number and confirming that the charges will be accepted. If there is no confirmation, the operator cannot complete the call unless you make other billing arrangements.

Time and charges

When placing a long distance call you may ask the

operator to tell you the length of time you talked and how much it cost. Dial the call. When the operator comes on the line, say that you will want time and charges when the call is completed.

Person-to-person calls

This is the most expensive type of long distance call. Call person-to-person when you wish to reach a particular person or extension number. Dial the call. When the operator comes on the line, say you are making a person-to-person call and give the name of the person you want to talk to. The operator will leave the line when the person you're calling has answered the telephone.

Mobile and marine calls

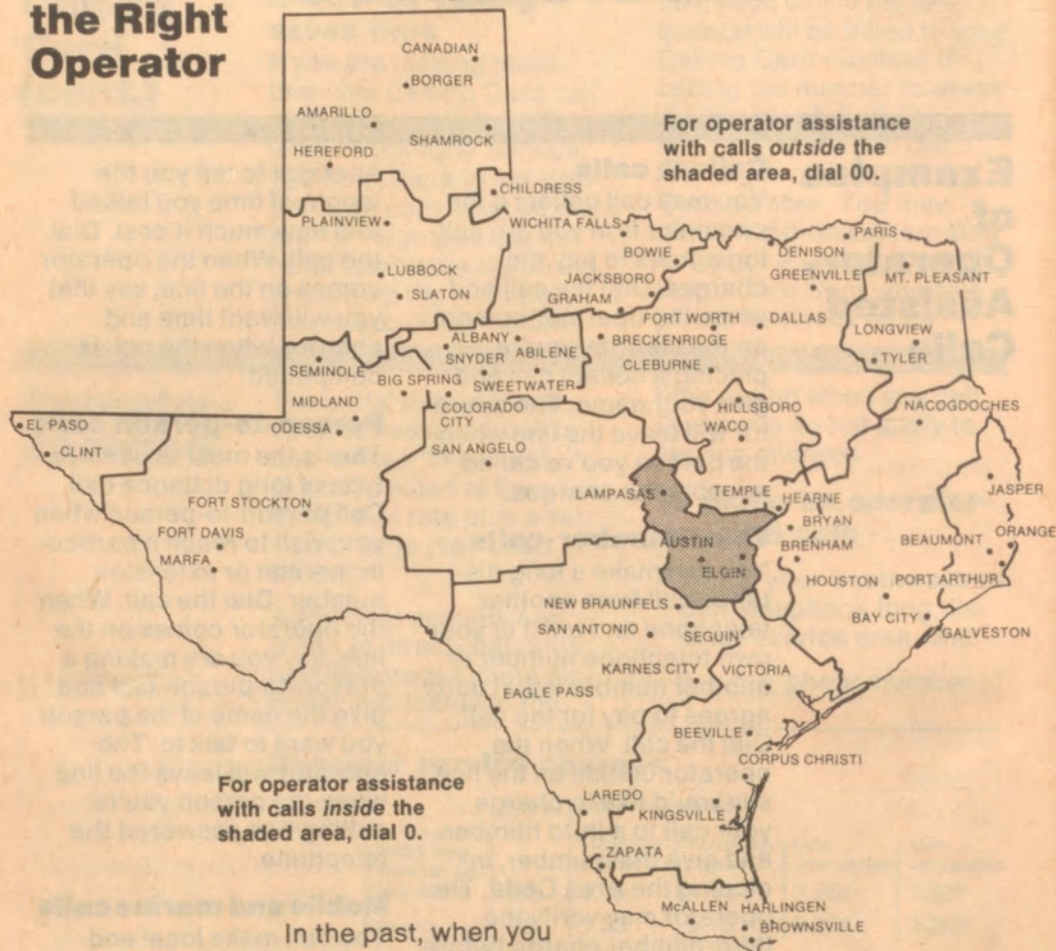

You can make local and long distance calls to automobiles, trucks, aircraft, boats and ships which have phones. Calls can be completed by dialing direct or calling the operator.

Conference calls

You can talk with several people in different places at the same time by dialing the operator and saying you wish to make a conference call. Give the operator the names and telephone numbers of the people you want on the call. You may want to arrange a calling time in advance.

Reaching the Right Operator

Long Distance Service Areas

In the past, when you needed to talk to an operator, you dialed 0 (zero) for assistance. In the future, you may have to dial 00 (zero, zero) to reach the appropriate operator.

By the end of 1987, Southwestern Bell Telephone will provide operator assistance for all local and long distance calls placed within a Southwestern Bell Telephone long distance service area. (See Southwestern Bell Telephone long distance service area map above.)

Dialing 0 plus the telephone number is still the most convenient way for obtaining assistance with collect calls, calls made with a Calling Card, third-party calls and person-to-person calls. 0 plus dialing for these types of services automatically connects you with the appropriate operator.

Following are examples of when to dial 0 and when to

Reaching the Right Operator (cont.)

dial 00 for the appropriate operators.

When to Dial 0:

Dial 0 to reach a Southwestern Bell Telephone operator when you are trying to:

- obtain assistance with collect, third-party, person-to-person and Calling Card calls placed **inside** your Southwestern Bell Telephone long distance service area (service charge may apply)
- interrupt a call within your Southwestern Bell Telephone long distance service area (service charge may apply)
- verify that a number you are trying to reach within your Southwestern Bell Telephone long distance service area is busy (service charge may apply)
- reach an operator for assistance in obtaining emergency services (service charge may apply)

- obtain credit for a long distance call placed inside your Southwestern Bell Telephone long distance service area
- obtain assistance with a call from a Southwestern Bell Telephone coin telephone (service charge may apply).

When to Dial 00:

If your long distance company provides operator services, dial 00 to reach an operator when you are trying to:

- place a long distance call to another long distance service area
- obtain credit for an incorrectly placed call to another long distance service area.

If you are unsure whether you need to dial 0 or 00, dial 0 and a Southwestern Bell Telephone operator will be glad to assist you.

Inter-national Calls

If you have contracted with a company to provide you with international calling services, follow the dialing instructions they have provided you. The instructions listed below are commonly used to complete international calls.

To place a direct-dial international call from an Easy Access Dialing location (where available), dial:

011 + Country Code + City Code + local number

To place an operator-assisted call, dial:

01 + Country Code + City Code + local number

To call Mexico

Most locations in Mexico can be reached by using the international dialing (011+) instructions.

If you cannot use international dialing from your telephone, some Mexican cities can be dialed using special access codes with city codes.

Mexico City: Dial **1 + 90 + 5** (the city code) + seven-digit local number

Northwest Mexico: Dial **1 + 70 +** city code (two or three digits beginning with "6") + local number

To call other locations in Mexico, dial the operator. (Mexico directory assistance operators include the city code when giving a local number. The city code should not be dialed twice.)

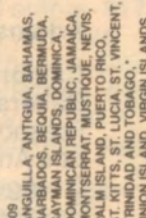

Need Further Assistance?

If you have trouble dialing direct using Southwestern Bell Telephone long distance service, call the operator and explain the difficulty. The call will be placed for you, and you will be charged at the direct-dial rate.

Credit for poor connections or wrong numbers

When you use Southwestern Bell Telephone long distance service and reach a wrong number, have a poor connection or are cut

off, hang up and dial "0" (operator) right away. Explain what happened so the operator can arrange for the proper credit. The faster the problem is reported, the easier it will be to give you credit. If you are using another company's long distance service, follow the instructions they have provided you.

International Symbol of Access for the Handicapped

This universal symbol tells handicapped persons — especially those using wheelchairs — that a building or facility is accessible and can be entered without fear of architectural barriers.

Wherever the symbol is displayed, the handicapped can be assured that they will not be barred by thoughtless obstacles or prohibited from participating in the mainstream of society.

Kick the number-fumbler habit!

If misplaced telephone numbers give you problems, here are suggestions that can help you.

1. ☐ Underline those special numbers in your directory.
2. ☐ Keep the directory near the phone.
3. ☐ Have a pencil and paper handy when you talk so you can jot down numbers you may need again.
4. ☐ Maintain your own personal directory of frequently called numbers.

These suggestions can save time and make calling easier.

WARNING EMERGENCY CALLS ON PARTY LINES

It is unlawful to refuse the use of a party line to another person for the purpose of permitting such person to report a fire or summon police, medical aid or ambulance service in an emergency situation where property or human life is in danger. It is also unlawful for anyone to falsely claim an emergency to gain access to a party line. The maximum penalty, upon conviction, is imprisonment for 30 days or a fine of \$500 or both.

DIALING INSTRUCTIONS

FOR PARTY LINE USERS

Always listen to make sure the line is not in use before you attempt to dial.

HOW TO CALL ANOTHER PARTY ON YOUR LINE

Dial the directory number and then you will hear a recording that the number you have dialed is on your line. Please hang up your receiver and allow time for your called party's telephone to ring. Then pick up your receiver to converse.

HOW TO PLACE LONG DISTANCE CALLS

Please refer to Customer Guide pages on How to Place Your Long Distance Calls.

PARTY LINE COURTESY PAYS

When several persons are sharing the use of a telephone line, consideration and courtesy are important to all. Everyone will receive better service if each subscriber on the line will observe these simple rules of courtesy. Be as brief as possible...space your calls so that the other party can place his calls...and give up the line to the neighbor who needs it for an emergency use.

**DIALING INSTRUCTIONS FOR EXTENDED AREA SERVICE
HUTTO CUSTOMERS MAY CALL CUSTOMERS IN THE TAYLOR EXCHANGE
BY DIALING THE 7 DIGIT TAYLOR NUMBER.**

Understanding the Metric System:

BUILDING

METRIC WORDS

Learning the metric system is really not that difficult. To use the metric system to make everyday measurements, you need to learn less than ten new words.

The metric system reduces the basic methods of measuring to three basic units:

- Meter—measures distance
- Liter—measures volume
- Gram—measures weight

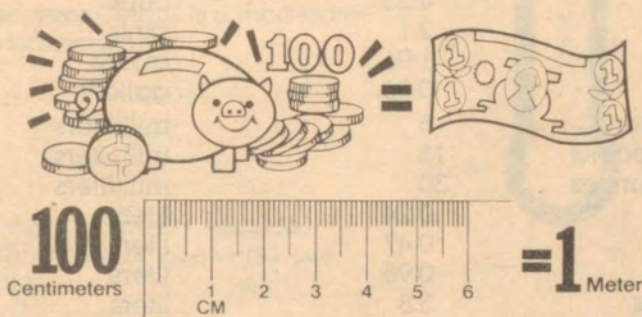

With the metric system you don't need to learn a whole dictionary of new words to convert these three basic units into smaller or larger units. Unlike our customary system of measurement, which uses different names for each larger or smaller unit (yards, feet and inches; or gallons, quarts and pints) the metric system uses a standard set of prefixes. The

same prefixes are used to convert meters, liters and grams to larger or smaller units.

Here are the three most commonly used prefixes:

- **milli**—means divided by 1000, or $1/1000$. There are 1000 **milli**liters in one liter.
- **centi**—means divided by 100, or $1/100$. There are 100 **centi**meters in one meter.
- **kilo**—means multiplied by 1000. A **kilo**gram equals 1000 grams.

The metric system is a decimal system (based on units of ten), just like our money system. Converting from larger or smaller units is simply a matter of dividing or multiplying by 10, 100, 1000, and so on.

The metric system is a decimal system (based on units of ten) much like our system of money. Just as 100 pennies equal one dollar, 100 centimeters equal one meter.

Understanding the Metric System:

Understanding the Metric System:

DEGREES CELSIUS

You may have noticed that many weather reports give the outdoor temperature in both degrees Fahrenheit and Celsius. Degrees Celsius (pronounced SELL-see-us) is the metric way of measuring temperature.

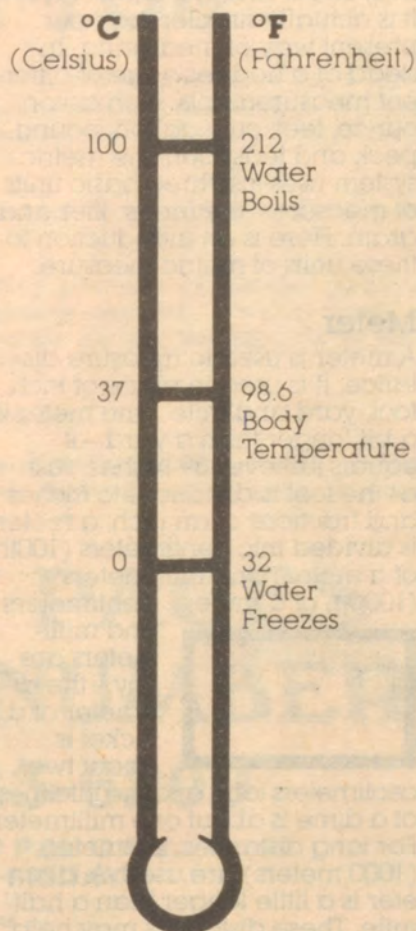

On the Celsius thermometer water freezes at 0 (zero) degrees, and boils at 100 degrees. This system of measuring temperature, invented by scientist Anders Celsius, is also called the Centigrade system.

To think in Celsius degrees, imagine a scale from zero to 100

- 10 degrees Celsius is a warm winter day.
- 20 degrees Celsius is a mild spring day or room temperature.
- 37 degrees Celsius is normal body temperature.
- 40 degrees Celsius is a heat wave.
- 180 degrees Celsius is a moderate oven temperature.

To convert degrees Celsius to degrees Fahrenheit, or vice versa, use these formulas

When You Know:	Multiply by:	To Find:
degrees Celsius	$9/5$, and add 32	degrees Fahrenheit
degrees Fahrenheit	$5/9$ (after subtracting 32)	degrees Celsius

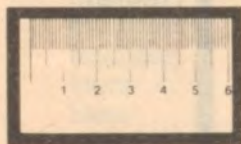

Understanding the Metric System:

METER, LITER AND GRAM

Although the metric system may seem strange and complex, it is actually simpler than our present way of measuring. Instead of a hodgepodge of different measurements, such as ton, ounce, feet, cup, gallon, pound, peck and teaspoon, the metric system uses just three basic units of measure—the meter, liter and gram. Here is an introduction to these units of metric measure.

Meter

A meter is used to measure distance. It is used in place of inch, foot, yard and mile. One meter is a bit longer than a yard—it equals just over 39 inches. Just as the foot is divided into inches and fractions of an inch, a meter is divided into centimeters (100th of a meter) and millimeters (1000th of a meter). Centimeters and millimeters are tiny—the diameter of a nickel is about two

centimeters long and the thickness of a dime is about one millimeter. For long distances, kilometers (1000 meters) are used. A kilometer is a little longer than a half mile. These distances may help you think in meters:

- A 50 mile car trip is 80 kilometers long.
- The height of most ceilings (8 feet) is about 2½ meters.
- A man's 16 inch shirt collar measures 40 centimeters.

Liter

Liters are used to measure volume such as liquids. They replace the

customary measurements of ounce, cup, pint, quart and gallon.

A liter is slightly more than a quart—it equals 1.06 quarts. Liters are divided into smaller units called milliliters (1000th of a liter). Milliliters are used in cooking. Five milliliters make one teaspoon. Here are some other ways liters are used:

- A full measuring cup holds about 250 milliliters of liquid.
- Four liters of liquid is just over a gallon.
- A 12 ounce can of soft drink is 355 milliliters.

Gram

The gram is the metric unit of weight. It's used to weigh what we usually measure in ounces,

pounds and tons. It is a fairly small measure. Two regular paper clips weigh about

one gram. Since a gram weighs so little, people find it easier to use kilograms (1000 grams). A kilogram weighs a bit more than two pounds—2.2 pounds to be exact. Here are some examples to help you think in grams:

- A nickel weighs about 5 grams.
- A handful of candy (about 9 ounces) weighs about 250 grams.
- An average sized man (176 pounds) weighs about 80 kilograms.
- A sack of potatoes (5 pounds) weighs just over 2 kilograms.

An Open Letter to Customers Who Buy Advertising by Telephone:

In our continuing effort of providing the best possible service to our customers, we have dedicated a great deal of time and effort in producing directories which are the most complete and accurate information sources available for products and services. Most advertising in this directory has been sold by Publisher representatives who have provided the Advertisers with a written agreement. Some of the listings and advertisements appearing in this directory, however, have been sold by telephone sales representatives. We have, therefore, devoted these pages to the Terms and Conditions which define the rights and obligations of the Publisher, Southwestern Bell Media, Inc., and the Advertisers with regard to the placement of directory advertising without written agreement.

1. Complete Contract.

This Agreement constitutes the entire contract between the parties for directory advertising ("the advertising"), and supercedes all prior discussions, representations or oral understandings made between the parties except as to price, which has been agreed to orally between the parties. Neither party shall be bound by any amendment, modification or additional term or condition, unless it is reduced to writing and signed by the duly authorized representatives of each party. Publisher's sales representative is not authorized to modify or waive the printed terms of this Agreement.

2. Terms.

Advertiser hereby applies for the advertising to be inserted in Publisher's next directory issue and in each subsequent issue, until this Agreement has been cancelled in full or in part or until this Agreement is superceded by a subsequent written contract. This Agreement is between named firm (Advertiser) and Publisher, and change in ownership, name, management or operation of Advertiser shall not dissolve contract obligations under this Agreement.

3. Disclaimer of Warranties and Limitations of Publisher's Liability.

(a) While Publisher at the time of entering into this contract, proposes and intends to use its best efforts to ensure that all advertising is carried out in accordance with this Agreement, it is possible for all kinds of reasons that mistakes, errors, omissions or delays or other mishaps will occur. The Publisher sets rates and accepts business only upon the basis that the Publisher is under no liability in such a case, except as provided in this Paragraph 3.

(b) Accordingly, it is a fundamental term of this contract that the Publisher will not be liable for any loss or damage claimed or suffered by any person in relation to the advertising the subject of this Agreement whether by reason or delay,

error or omission or for any other cause (and whether inadvertent, negligent, deliberate or otherwise).

(c) The Publisher of the directory shall not be liable to the Advertiser for delays in the publication, damages resulting from failure to include all or any said items of advertising in the directory or from errors in the advertising printed in the directory, in excess of monies paid for the relevant part of such advertising for the issue in which the error or omission occurs. Publisher shall not be required to correct any error or omission in the advertising, nor to give any notice to users of any error or omission.

(d) Furthermore, the Publisher reserves the right at any time, without prior notice to the customer, to cancel or reject all or any of the advertising the subject of the Agreement for late payment or non-payment by Advertiser under any Agreement with Publisher or for non-compliance with Publisher's Specifications and Standards.

(e) It is Advertiser's responsibility to notify Publisher in writing of any changes in address, telephone number or otherwise not less than five (5) business days before the close date for the next directory issue and for each subsequent issue.

4. Cancellation By Advertiser.

Advertiser may cancel this order for the advertising in the next directory issue by written notice received by the Publisher on or before the scheduled customer close date ("close date") and on or before the anniversary of such close date for subsequent issues.

5. Payment of Charges.

(a) Advertiser shall pay to Publisher the total charges agreed, as shown in Publisher's invoices, plus any additional charges for account set-up when shown on the advertising copy sheet.

(b) Except for any payments in advance of all

or part of the total charges as required by the Publisher by the close date, Advertiser shall pay the balance of total charges in twelve (12) equal monthly payments.

(c) If any payment due under this contract is not made on or before the date specified in the Publisher's invoices, the Advertiser agrees to pay a late charge at the rate of 1½% per month (or the highest lawful rate) on the entire delinquent amount.

(d) Should any payments due remain delinquent for more than thirty (30) days the Publisher may, at its option, declare Advertiser in default and declare the total contract charges to be immediately due and payable.

(e) In the event that payment is not made by Advertiser in accordance with conditions of this contract, Advertiser agrees to pay for costs incurred by the Publisher, including but not limited to attorney's fees, collection agency costs, court costs, etc.

(f) Publisher is not obligated to make a proof copy of the directory advertising available to Advertiser. Advertiser's obligation to pay is not contingent upon Advertiser's receipt and/or approval of a proof copy.

(g) No acceptance by the Publisher of any payment or instrument marked with any restrictive or other limited or conditional endorsement shall be deemed a waiver of any rights the Publisher may have.

6. Charges for Subsequent Issues and for Extended or Reduced Issue Life.

(a) The total charges for the directory advertising covered by this Agreement may be increased by the Publisher for each subsequent directory issue. The Publisher may not increase the total charges by more than 20% (twenty percent) in any year without written approval by the Advertiser.

(b) The Publisher may extend or reduce the issue life of any directory by not more than six (6) months. Advertiser's total charges hereunder shall be proportionately decreased (if the directory issue life is reduced) or increased (if the directory issue life is extended).

7. Advertiser to Honor Any Discounts.

Advertiser agrees to honor all discounts or special offers made in the advertising in accordance with their terms.

8. Coupon Redemption Count.

If any Southwestern Bell Gold Page Coupon(s)TM are ordered, Advertiser agrees to disclose to the Publisher upon its request at reasonable times during the issue life of the directory involved, the number of coupons received in redemption by Advertiser. Advertiser shall use all reasonable means to assure accuracy in such redeemed coupon count.

9. Copyrights and Trademarks; Business or Professional Advertising.

(a) The Advertiser assumes full responsibility for the protection of copyrights, trademarks

and tradenames in his advertising, warrants that he is the owner of or entitled to use any copyrights, trademarks, service marks and tradenames used in the Advertising. Advertiser agrees to defend and indemnify the Publisher from all claims, losses and judgments arising from or claimed to have arisen from the use of such marks and names, together with expenses, attorney fees and court costs incurred by the Publisher.

(b) The Advertiser warrants that he is authorized to engage in the business or profession described in the advertising and by the classified headings designated on the face of this Agreement. The Advertiser agrees to defend, indemnify and save the publisher harmless for all damages arising from any advertising that does not meet the requirements of state or federal laws prohibiting false, fraudulent, deceptive or misleading advertising, or that otherwise fails to comply with any other standard applicable to Advertiser.

10. Publisher to Own Copyrights and Advertising Materials.

(a) The Publisher shall have sole ownership of any copyright obtained in the directory or portions of the directory in which the advertising appears. The Publisher may permit others to copy or reproduce pages of its directories, including those in which the advertising appears.

(b) The copy, cuts, illustrations and other art work, excluding registered trademarks and servicemarks, used in preparation of the advertising are the property of the Publisher. Advertiser agrees the advertising may not be reproduced or assigned for reproduction, in whole or in part without the express prior written consent of the Publisher.

11. Publisher's Rights.

The Publisher may, from time to time, make changes in the classified headings that in its judgment will best serve the purpose of the directory, and further reserves the right to place directory advertising on any page and in any position on a page within the directory, and no specific position for the advertising is guaranteed. Further, a delay in enforcement of any of the Publisher's rights shall not be deemed a waiver of such right.

12. Severability.

If any paragraph or portion thereof of this Agreement is invalid under applicable law, it is only to that extent to be omitted, and all other Terms and Conditions of this Agreement shall retain their full force and effect.

75 Years of Caring...

One of many Pioneer projects is helping to test infants for hearing problems.

75
TELEPHONE PIONEERS
OF AMERICA
YEARS OF CARING
...JUST THE BEGINNING

The Telephone Pioneers of America, the world's largest voluntary association of industrial employees, is celebrating its 75th anniversary from September 1986 to September 1987.

The Telephone Pioneers are veterans of the telephone industry throughout the United States and Canada. The Pioneer Association was founded in November 1911 with 439 members. Its first honorary member was Alexander Graham Bell, inventor of the telephone and a man who devoted his life to teaching the hearing impaired. Today, more than 626,000 strong, the Pioneers participate in thousands of projects and contribute millions of hours of service to American and Canadian communities each year. Their activities include volunteering in homes for the elderly, schools, therapy centers, hospitals, child care agencies, centers for troubled teens and homes for battered spouses.

Pioneers collect food for the hungry, build aids for the handicapped, equip "vision vans" for eye tests, donate wheelchairs for the immobile and help test infants for hearing problems.

Pioneers designed and build "beep balls" so blind children can play baseball. They repair Braillewriters and talking book machines for the blind. They design "talking" stuffed animals for emotionally and mentally handicapped children. Pioneers also care about the environment. They build nature trails, clear dumps, build and restore parks, spearhead neighborhood beautification, build urban forests and clean up rivers.

For the past three years, Pioneers have worked relentlessly toward their goal of contributing more than \$3 million to help restore the Statue of Liberty.

During their 75th anniversary year, in addition to many other projects, Pioneers are following in the footsteps of Alexander Graham Bell in seeking ways to aid individuals with hearing impairments. Southwestern Bell is proud to be one of the sponsoring companies of the Telephone Pioneers of America.
