Emergency Calls on Party Lines

WARNING

State law requires you to hang up the receiver of a party line immediately when told the line is needed for an emergency call to a fire department or police department or for medical aid or ambulance service. It is also unlawful to take over a party line by stating falsely that the line is needed for an emergency. The law defines an "emergency" as a situation in which property or human life is in jeopardy and the prompt summoning of aid is essential. The penalty which may be imposed by the state for either offense shall be a fine of not more than \$500 or imprisonment for a term not exceeding one month, or both.

Llamadas de Emergencia en líneas compartidas

ADVERTENCIA

La ley del Estado de Texas establece que cuelgue el auricular inmediatamente, de una línea compartida, cuando se le avise que dicha línea se necesita para hacer una llamada de emergencia al Departamento de Bomberos, al Departamento de Policía, o para solicitar ayuda médica o el servicio de ambulancias. También se considera ilegal el conseguir una línea compartida diciendo falsamente que es necesaria para hacer una llamada de emergencia. La ley define como "emergencia", una situación en la cual un ser humano o alguna propiedad corren peligro y el auxilio rápido es esencial. El castigo al que el infractor se hará acreedor, por parte del estado, al cometer cualquiera de estas dos violaciones será: una multa no mayor de \$500 (US.cy) o ir a prisión por un periodo no mayor a un mes; o ambos.

On the Cover

You can see it from coastline to county line. And from ear to ear. It's the "Texas friendly" smile and down-home hospitality that tourists most remember when they visit or vacation in Texas. Tourism has a dramatic impact on our state's economy, to the tune of \$17 billion in sales. That is one reason the State of Texas has launched an aggressive out-of-state advertising program enticing visitors to the Lone Star State instead of some other foreign vacation land. "Visit a country where the natives are friendly and the language barrier is easily overcome," says one campaign ad that features the friendly face of Joe Dobkins of Red Oak, Texas. The advertising campaign's slogan: **"Texas: It's like a whole other country."** (Photo by Skeeter Hagler; courtesy of the Tourism Division, Texas Department of Commerce.)

Home Wiring Options

Where we once did all installation and repair of wiring inside our customers' homes, you now have three options:

1. hire Southwestern Bell Telephone to do it,
2. hire another contractor, or
3. save money by doing the work yourself. (Materials are available from numerous retail stores.)

If you choose Southwestern Bell Telephone to do the work, you will be billed for Premises Work Charges in 15-minute increments, according to the time required to do the job. The charges

include the necessary materials and differ for installation and repair. These charges are in addition to the service order charge and any other applicable charges.

When we complete the work, you get a 30-day warranty against defects and malfunctions.

You may also purchase an inside wiring maintenance service, **InLine®** or **InLine Plus®**. Call your service representative for details.

Inside wiring is all the wiring inside your home and includes your telephone outlets or jacks.

Hutto Customers

Hutto customers should refer to their listing section for emergency numbers, service calls and dialing instructions.

Tel-Assistance 5 Service

Special assistance program for disabled senior citizens

Tel-Assistance Service, a telephone assistance program for disabled senior citizens, was established by the Texas Legislature to provide a 65 percent reduction on monthly telephone bills. Tel-Assistance service also provides a reduction of the FCC customer line charge. To qualify for Tel-Assistance Service, you must meet all the following requirements:

- 65 years of age or older
- Disabled
- Head of Household
- Income at or below federal poverty level

In addition, there may be only one telephone line in the residence. Certain other service restrictions also apply. The 65 percent discount only applies to basic monthly telephone service. Eligible customers may have Touch-tone service or Custom Calling

Services; however, the discount will not apply to these services or other telephone service charges such as long distance, telephone equipment or installation.

Applications or more information about Tel-Assistance Service may be obtained by writing the Texas Department of Human Services at:

Tel-Assistance Service

Human Services
Mail Code 952 X
P. O. Box 2901
Austin, Texas 78769

or call:

(toll-free)

Applications for this program are processed by the Department of Human Services. They will advise the telephone company if a person is eligible for this service.

Determine the Source of the Problem

Southwestern Bell Telephone still is responsible for the maintenance and repair of the telephone lines to your home or business. It is important to try to make sure the problem is not in your telephone set. Southwestern Bell Telephone is not allowed to repair telephone sets. If we make a customer requested service call and determine the problem is caused by your telephone set or sets and not by our facilities, you will be billed \$30.00* to cover the cost of the service call. If the problem is **not** in your telephone set, please call toll-free **1 + 954-4102**.

- Look for symptoms like cracked plastic housing, broken or frayed cords or lights that don't work.

- If you have more than one phone, make sure each phone's receiver is on the hook. If none of them are off the hook, unplug every phone. Then start plugging them back into the wall jacks one at a time, checking each phone for a dial tone as you go. The telephone set that causes the line to go dead is the broken one.
- If you have just one phone, unplug it and borrow someone else's. If the borrowed phone works, then the problem is in your telephone set.
- If the phones appear to be in good working order call our Repair Bureau. Many times we can run a test to help isolate the problem while you are on the line.

These rates and/or charges are subject to change by order of the Public Utility Commission of Texas. Current rates and/or charges are always available from your business office.

If It's Your Phone...

Leave the broken telephone unplugged and contact the company you purchased or lease it from for the repair. We're sorry, but Southwestern Bell Telephone is no longer allowed to sell or repair telephone sets.

Southwestern Bell Telephone still is responsible for the maintenance and repair of the telephone lines to your

home or business (see page 4 for wiring options). It is important to try to make sure the problem is not in your telephone set, **because if we come out and find the problem is in your set, we will have to charge you \$30.00* for each repair visit.** If the problem is not in your telephone set, call toll-free **1 + 954-4102.**

If It's Southwestern Bell Telephone's Line...

Again, if you've determined that the trouble is not in your telephone set but in the telephone line, please call Southwestern Bell Telephone for repair service.

If you have reported that you are unable to make or receive calls and your line is out of

order for 8 normal working hours or longer from the time of the report, you are entitled to a credit on your next bill for part of the local service charges. If the adjustment doesn't appear on your next bill, call your business office.

Establishing or Changing Service

Establishing Service

Your service representative will help you with orders for monthly calling services, optional services (including Touch-tone and Custom Calling Services if they are available in your area), home wiring services, Southwestern Bell Telephone Calling Cards, directories and directory listings. They will also answer other questions you have about the services we provide.

Information needed for your order

- Complete address—street and number—plus city or town and zip code (apartment number if applicable).
- The registration numbers of the telephone equipment you will be using. (This does not apply to single line customers.)
- The type of basic or optional monthly service you want (see page 11).
- How you would like your directory listing to appear. Two people with the same last name can have their first names listed as a single listing at no charge.
- Information about your previous telephone service

such as the telephone number and location.

- Other credit information, including employment. (No telephone credit information is given out to other businesses.)

Telephone sets for customers with multi-party service

Special conditions apply to equipment used for multi-party service. Please call your service representative for details.

Calling Card

When you are away from your home or business phone, a Calling Card/SelectCard® from Southwestern Bell Telephone can be the least expensive and most convenient way to call. The charges are itemized on your regular monthly bill. There is no charge to order a Calling Card (even additional copies) and no monthly service charges. Please call to ask for one.

Disconnecting your service

There is no charge to disconnect service. Call your service representative to make the necessary arrangements.

Credit History

It is our policy to apply a customer's credit history equally for a reasonable period of time to a spouse or former spouse who shared the service. Credit history maintained by a customer will be applied equally to the spouse or former spouse without modification and without additional qualifications (not required of the customer).

A person applying for residential service with Southwestern Bell Telephone must satisfactorily establish credit. Credit may be established in several ways:

- Demonstrate that you have been a residential customer of a telephone company within the last two years, that you are not delinquent in payment of your account and that during the last 12 consecutive months of service you did not have more than one occasion in which your telephone bill was paid after becoming delinquent and never had service disconnected for nonpayment (you are encouraged to obtain a letter of credit history from your previous telephone company before moving).

■ Demonstrate a satisfactory credit rating by appropriate means, including, but not limited to, the production of generally acceptable credit cards, letters of credit reference, the names of credit references which may be quickly and inexpensively contacted by us or ownership of substantial equity.

- Pay a deposit. See Deposit information below.
- Furnish in writing a satisfactory guarantee to secure payment of bills for your telephone service.
- Demonstrate that you are 65 years of age or older and that you do not have an outstanding account balance with any telephone company for residential service which accrued within the last two years.

Your service representative can give you more information on any of these methods of establishing credit. To maintain satisfactory credit, a customer must make prompt payment on all telephone bills.

Deposits

Deposit when applying for service

One of the ways a residential or business customer may establish credit is by paying a deposit (see "Credit History" above). We may not require a deposit in excess of one-

sixth of your estimated annual billing.

Additional deposits

During the first 12 months of service, if your actual usage is three times your estimated usage (or three times the

Deposits (cont.)

average usage of your most recent three bills) and your current usage exceeds \$150 and 150 percent of the security we hold, a new deposit requirement may be calculated and we may require you to pay an additional deposit within 10 days after issuance of written notice of termination and requested additional deposit. In lieu of paying this additional deposit, you may elect to pay for your current usage within 10 days after issuance of written notice of termination and requested additional deposit.

After two billing periods (residence accounts only), if your actual billings are at least twice the amount of your estimated billings and a suspension notice has been issued on a bill within the previous 12-month period, you may be required to pay a new deposit within 15 days after issuance of written notice of termination and requested additional deposit. In lieu of paying this additional deposit, you may elect to pay your current bill by the due date of the bill, provided you have not exercised this option in the previous 12 months.

If your service is not connected or after your service is disconnected, we shall promptly and automatically refund your deposit plus accrued interest or the bal-

ance, if any, of your deposit in excess of the unpaid bills for service furnished. When you have paid bills for service for 12 consecutive billings (24 consecutive billings for business service) without having service disconnected for nonpayment of a bill and without having more than two occasions on which a bill was delinquent, and when you are not delinquent in the payment of your current bill, we shall promptly and automatically refund your deposit plus accrued interest in the form of cash or credit to your bill, or void the guarantee.

Where to pay your deposit

Deposits may be paid at authorized payment agencies (see page 21) during their normal business hours.

Deposits earn interest

If we retain your deposit more than 30 days, we will pay simple interest retroactive to the date of deposit. The interest will be at a rate set annually by the Public Utility Commission of Texas, to be effective on January 1 each year. We will pay the interest to you annually if requested by you, or otherwise at the time the deposit is returned or credited to your account. The deposit shall cease to draw interest on the date it is returned or credited to your account.

See page 4.

Consumer Responsibilities

Fraudulent billing can lead to prosecution

It is illegal for a person to charge any calls to another's number or Calling Card without their permission. Persons placing such calls to avoid payment for service are subject to prosecution, and, if convicted, are subject to imprisonment and/or fine.

Unlawful wiretapping is subject to prosecution

It is a crime under federal and state law for any person, including a telephone subscriber, to unlawfully wiretap or otherwise intercept a telephone call. Prop-

erly authorized law enforcement officers can engage in interceptions when proceeding under court orders issued pursuant to applicable provisions of federal law. Under federal law, the penalty for illegal wiretapping can be imprisonment for 2-20 years, a \$10,000 fine or both.

Customer provided equipment

Under the Federal Communications Commission's (FCC) Registration Program you supply your own telephone equipment and connect it directly to the local network. Before connecting your telephone equipment you are responsible for:

Consumer Responsibilities (cont.)

- Informing Southwestern Bell Telephone of your intention to use this equipment.
- Providing to the telephone company the FCC Registration Number and Ringer Equivalence of the registered device. This information is stamped on the registered device.

You are responsible for the connection, operation, maintenance and repair of this equipment, and should arrange for these services through the manufacturer, if needed. This equipment cannot be connected to a coin telephone. If you have a party line, contact your service representative.

Recording of two-way telephone conversations

If your telephone conversation is being recorded, one of the following conditions must exist: (1) all parties being recorded must hear a beep or distinctive recorder tone approximately every fifteen seconds, or (2) all parties to the telephone conversation must give their prior consent to the recording of the conversation. The prior consent must be obtained in writing or be part of, and obtained at the start of the recording, or (3) in lieu of #2 above, the recording party can give verbal notification in a clear, unambiguous manner, which is recorded at the beginning and as a part of the call. Under certain restrictions, exemptions to these provisions exist for commercial

broadcast licensees, emergency reporting systems and law enforcement authorities.

Leave phones on the hook

At times you may not want to be disturbed by a ringing phone. However, leaving a phone off the hook prevents emergency calls from getting through and ties up equipment needed to complete other customers' calls.

Alternative payment plans—business and residence customers

You are responsible for making your payments in full and on time each month. If you can't pay by the due-by date, please call your service representative. We may be able to make payment arrangements in case of circumstances beyond your control.

Residence customers

If you are unable to pay all of your bill, you may enter into a deferred payment plan if we have not issued more than two termination notices on your account in the preceding 12 months.

Under the terms of a deferred payment plan, your service will not be terminated if you pay current bills and a reasonable amount of the outstanding bill and the balance in reasonable installments until the bill is paid. You will not be required to pay more than 1/3 of the total deferred amount when entering into a deferred payment plan. If you do not meet the terms of a deferred payment plan, your service

Consumer Responsibilities (cont.)

may be terminated after proper written notice.

Southwestern Bell Telephone is not required to enter into a deferred payment plan with any customer who has had telephone service for 3 months or less if that customer is lacking sufficient credit or a satisfactory history of payment for previous service.

Please call your service representative for more information on this plan. If the representative does not offer such a plan to you, you have the right to request these alternative payment plans.

Automatic Dial Announcing Devices

The Public Utility Commission of Texas has specific rules governing the use of Automatic Dial Announcing Devices (ADAD). Those rules require the following:

(1) the user has obtained a permit from the commission and has given a copy of such permit, as written notice specifying the type of device to be connected, to each telecommunications utility over whose system the device is to be used;

(2) the device is not used for random number dialing or to dial numbers by successively increasing or decreasing numbers;

(3) the message conveyed by the device, or a message delivered by a human, states the nature of the call and the name, address and callback telephone number of the

person, company or organization making the call;

(4) the device disconnects from the called person's line not later than 10 seconds after the called person hangs up;

(5) no calls shall be made to emergency telephone numbers of hospitals, fire departments, law enforcement offices or other entities providing emergency service;

(6) for calls terminating in the State of Texas, the device is not to be used to make a call:

(A) on a Sunday before 1:30 p.m. or after 9 p.m., or before 9 a.m. or after 9 p.m. on a weekday or a Saturday, when the device is used for solicitation; or

(B) at any hour that collection calls would be prohibited under the Federal Fair Debt Collection Practices Act, 15 United States Code, Section 801 et seq., when the device is used for collection purposes; and

(7) a violation of any portion of these rules shall subject the user to prosecution for a Class C misdemeanor as set forth in section 87B(f) of the Public Utility Regulatory Act.

Southwestern Bell Telephone may disconnect the service of the ADAD user after determination by the commission or court that the user is violating these rules and after proper notice has been served.

Consumer Responsibilities (cont.)

Southwestern Bell Telephone may disconnect or refuse to connect service to a person using or intending to use an automatic dial announcing device if we determine that the device is not capable of disconnecting from a called party's line or that the device would cause or is causing network harm.

These rules do not apply to the use of an automatic dial announcing device to call a person who has given to the person making the call written permission to be called by an automatic dial announcing device, except that Southwestern Bell Telephone may disconnect service to a person using the device if the device is causing network harm.

An application for a permit to use one or more automatic dial announcing devices shall be on a form as prescribed by the commission, and shall be accompanied by the payment of a fee of \$500 for each permit issued.

More detailed information on these rules is available through the business office or the Public Utility Commission of Texas at 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757.

Discontinuance of service

Your telephone bill is due upon receipt and is considered past due if the bill has not been paid or a deferred payment agreement entered into within 16 days

after the bill issuance (post-mark) date of the bill. If your bill becomes delinquent, the telephone company must provide a 10-day written notice before discontinuing your service.

If you are asked to make an additional deposit based on your actual usage and you do not pay the deposit or usage within 10 days, service may be disconnected. If you are asked to make an additional deposit based on your actual billings and you do not pay the deposit or bill within 15 days, service may be disconnected. Refer to pages 9 and 10 "Deposits" for complete information on request for additional deposits.

After proper notice and a reasonable opportunity to remedy the situation, telephone service may also be disconnected if you violate our rules pertaining to the use of service in a manner which interferes with the service of others or to the operation of nonstandard equipment.

Telephone service may be disconnected *without notice* where a known dangerous condition exists for as long as the condition exists or where service is connected without authority by a person who has not made application for service or who has reconnected service without authority following termination of service for nonpayment. Where reasonable, given the nature of the hazardous condition, a

Consumer Responsibilities (cont.)

written statement providing notice of disconnection and the reason therefore shall be posted at the place of common entry or upon the front door of each affected

residential unit as soon as possible after service has been disconnected.

Consumer Information

Our employees carry company identification cards

Every Southwestern Bell Telephone employee is required to carry an identification card with that employee's name and photograph. If you have any doubt that the person contacting you is an employee of our company, ask to see that person's identification card.

Telephone safety

The telephone is one of the safest appliances in your home or office, but there are a few situations where a telephone user should be cautious.

- Do not use the telephone while you are in the bathtub, shower or swimming pool. Putting the telephone in water could cause a shock.
- Avoid using the telephone during electrical storms in your immediate area. Urgent calls should be brief. Southwestern Bell Telephone uses protective measures to limit electrical surges from entering your home, but absolute protection from lightning is impossible.
- If you suspect a gas leak, report it immediately, but use a telephone away from the area in question. The telephone's electrical con-

tacts could create a tiny spark when you dial. While unlikely, it is possible that this spark could ignite heavy concentrations of gas.

Annoying or Harassing Calls

It is a crime under state and federal laws for anyone to make obscene or harassing telephone calls. These laws have penalties of imprisonment and/or fine.

If you ever receive obscene, abusive, harassing or threatening calls, follow these suggestions:

1. Hang up at the first obscene word. Hang up if the caller remains silent the second time you say hello. Remember, **YOU CONTROL YOUR TELEPHONE**, not the person calling.
2. Do not give any information, such as your name or address, until the caller has been properly identified.
3. Advise your children and guests not to give out any information. If you are not at home, those answering your telephone should be instructed to say, "They're busy right now, may I take a message?"
4. **If calls persist, call your local service representative (see page 3) to discuss your options.**

Billing and Payment

19

Features About Your Bill

Your bill from Southwestern Bell Telephone may include charges from other companies

Other companies that provide long distance calling services may arrange with Southwestern Bell Telephone to do their billing for them. If you subscribe to one or more of these companies, their charges may appear in your monthly telephone bill.

For your convenience, continue to make your payments to Southwestern Bell Telephone in the same way you always have. Even though your bill may include charges from one or more other companies, you make one payment for the total amount to Southwestern Bell Telephone.

For questions about your bill, call the appropriate company

Your bill is separated into sections that describe the charges for each company. Each section includes the telephone number to call if you have a question about that company's portion of your bill. To help you get answers most efficiently, be sure to call the appropriate telephone number listed on the page you have a question about.

Here are some brief descriptions

- Southwestern Bell Telephone will continue to send your bill each month at the regularly scheduled time for your account.
- Your payments also will be due at the regularly scheduled intervals.
- Payment return page — This is the first page of your bill and should be returned with your payment.

It also shows the total amount due, and includes the mailing address of the location to send your payment.

Bill Summary

This page shows the current status of your account — the amount of your last bill and the amount now due. Total charges are listed here by company for both Southwestern Bell Telephone and other companies we bill for.

Detail of Charges

This section of your bill will show the charges from Southwestern Bell Telephone for the basic monthly charge, a total of "Other Charges" and "Itemized Calls" that are detailed later in the bill.

Other Charges — will show any one-time charges to your account such as service

Features About Your Bill (cont.)

connection charges or Directory Assistance charges.

Southwestern Bell Itemized Calls — will show the charges for long distance calls made within your Southwestern Bell Telephone service area, including the date the call

was made, the length of each call, etc.

There will be a separate Detail of Charges section itemizing charges for each company that has arranged with Southwestern Bell Telephone for us to prepare their billing.

Questions About Your Bill

How am I billed?

Charges for your local monthly service are billed one month in advance.

Charges for measured local usage (if applicable), long distance calls and telegrams are based on actual use up to the date your bill is prepared.

Charges for installing or changing your monthly service usually appear on the first bill after your order is completed.

What happens if I can't pay my bill on time?

If you can't pay by the due-by date, please call your service representative. We may be able to make payment arrangements. See "Alternative payment plans" on page 15 for additional information.

Southwestern Bell Telephone does not apply an extra charge for residence bills paid after the due date, but repeated late payments may damage your credit record with us. You may be requested to pay a deposit or an additional deposit as a result of late payments. Late payments also may result in

your phone service being disconnected.

What happens if I pay my bill with a check that my bank will not honor?

Southwestern Bell Telephone will charge an administrative fee of \$10.60 each time a check or draft presented for payment for service is not accepted by the institution on which it is written. The fee(s) will be billed to you automatically the following month.

How can I get service restored if it has been disconnected for nonpayment?

All delinquent charges billed for service must be paid before your service can be reconnected. You also must pay a charge to have the service restored.

If service is completely disconnected, all charges billed for service must be paid before the service can be reconnected.

You also will have to re-establish your credit. As a result, an advance payment and/or deposit may be required.

How to Call Southwestern Bell Telephone Directory Assistance (cont.)

Five ways to save on Directory Assistance charges

1. Write down the numbers that you call frequently. You may wish to circle or underline a number in your directory to quickly find the number a second time.
2. To get the number of someone who has recently moved, call the old number. A new number reference is generally provided.
3. Once a call to Directory Assistance has been placed, a second listing is available at no charge. Please notify the Operator in advance that you would like to receive two phone numbers. If you need more information after a recorded voice gives you the phone number you requested, stay on the line and a Directory Assistance Operator will come back to help you.

4. You can save the cost of a second call to Directory Assistance if you can supply complete information the first time: exact location, accurate spelling and full names. Operators cannot search for a listing by address or telephone number, only by name.
5. If you are not sure of the name or spelling of a restaurant, theater, store or business, check the yellow pages under the appropriate heading.

Long Distance Calling

Special Notice

In the future, changes will be made to make it possible for customers to choose which long distance network they will use between long distance service areas by dialing a minimum number of digits. Southwestern Bell Telephone will inform customers when these services become available.

Southwestern Bell Telephone long distance service areas

Southwestern Bell Telephone offers long distance service within specific geographic areas. In Texas, there are 16 Southwestern Bell Telephone long distance service areas. (See map on page 25.) However, we do not provide long distance service from one service area to another, even when both areas are served individually by Southwestern Bell Telephone.

To call between the long distance service areas,

customers must use another long distance company. Southwestern Bell Telephone offers access to other long distance networks, as well as access to our local and long distance networks.

The network equipment recognizes which long distance company you are using, based on the digits you dial at the beginning of each call. Area Codes and local numbers will not vary among the companies providing long distance calling services.

Dialing Instructions

Dialing Direct

Direct-dial calls are those completed from a residence or business phone without operator assistance.

The initial rate period is one minute any time of day or night. Charges are based upon rates in effect at the

time the call is placed and will change if the call continues into the next time period.

When a call is established in one rate period and ends in another, the rate in effect in each rate period applies to the portion of the call occurring within that rate period.

Holiday rates

Calls placed during the day are billed at the evening rate, and calls placed in the evening are billed at the night rate.

If you have a Southwestern Bell Telephone Calling Card/SelectCard®, you can place long distance calls economically and have them charged to your regular monthly bill.

The initial period for a Calling Card call is one minute. The initial period is billed at the direct-dial rate plus a service charge (see chart on next page). Additional minutes are billed at the direct-dial rates and include the same discount applicable to the time period when you call. Discounts do not apply to service charges. There are three ways to place Calling Card calls:

1. To place a Calling Card call:

- Within your Southwestern Bell Telephone long distance service area, dial:

0 + Area Code, if different from your own + desired phone number

When the Operator comes on the line, say you're placing a Calling Card call and give your card number.

Calling Card (cont.)

3. Sequence calling saves time

■ If you are making more than one Calling Card call terminating within your Southwestern Bell service area, and you are using a Touch-tone phone, you don't have to hang up between calls. Just depress the "#" sign and dial another telephone number (including the

Area Code, if needed). After the first call, each call in the sequence will be billed to your Calling Card number. If calling the number to which your card is billed, you need only enter the last four digits of your Calling Card number. You may obtain a Southwestern Bell Telephone Calling Card/SelectCard® from your telephone business office.

Operator-Assisted

The initial period for an operator-assisted call is one minute. The initial period is billed at the direct-dial rate plus a service charge (see chart below).

Additional minutes are billed at direct-dial rates and include the same discount applicable to the time period when you call. Discounts do not apply to service charges.

Local operator-assisted calls are billed on an occurrence basis. For example, if you place a local collect call, you are only charged the service

charge applicable for operator assistance.

To place a long distance operator-assisted call:

■ Within your Southwestern Bell Telephone long distance service area, dial:

0 + Area Code, if different from your own + desired phone number

To place a local operator-assisted call, dial "0" and tell the operator what you need. (A service charge may apply.)

Operator Assistance

29

Examples of Operator-Assisted Calls

Collect Calls

You may call collect if the person or firm you are calling agrees to pay the charges. Dial 0 + the area code (if required) + the desired number. When the Operator comes on the line, say you're placing a collect call and give your name. The Operator will leave the line when the person you've called accepts the charges.

Calling Card Calls

For convenience in placing calls while away from your home or office, you may bill the charges to a SelectCardSM or calling card.

Simply dial 0 + the area code (if required) + the desired number. If you are calling from a push button telephone, key your card number when you hear the prompt tone. Or, when the Operator answers, give your credit card number.

If you do not already have a SelectCard, call your local Business Office and order one today.

Third-number Calls

You can make a long distance call from another telephone and bill it to your own telephone number or another number if that party agrees to pay for the call. Dial 0 + the area code (if required) + the desired

number. When the Operator comes on the line, say you'd like to charge your call to a third number and give that number, including the area code. The Operator may verify the third number charge before advancing your call.

When making a third number call from a public (coin or coinless) telephone, the Operator must verify the third number charge by calling the third number and confirming that the charges will be accepted. If there is no confirmation, the Operator cannot complete the call unless you make other billing arrangements.

Time and Charges

When placing a long distance call you, may ask the Operator to tell you the length of time you talked and how much it cost. Dial 0 + the area code (if required) + the desired number. When the Operator comes on the line, say that you want time and charges when the call is completed. You must remain on the line at the end of the call to receive the time and charge quotation.

Person-To-Person Calls

This is the most expensive type of long distance call. Call person-to-person when you wish to speak to a particular person or extension number. Dial 0 + the area code (if required) + the

Examples of Operator-Assisted Calls (cont.)

desired number. When the Operator comes on the line, say you are placing a person-to-person call and give the name of the person you wish to talk to. The Operator will leave the line when the person you're calling has answered the telephone.

Mobile Calls

You can make local and long distance calls to motor vehicles equipped with phones.

Vehicles traveling within their city of registration may be dialed direct by dialing 1 + the number. Vehicles traveling outside their city of registration (roamers) can only be reached through the Mobile Operator for the desired area. Dial the Operator and ask for the Mobile Operator in the desired city.

Marine Calls

You may make local and long distance calls to vessels with phones. Southwestern Bell provides service to vessels in or near the channels located in Houston, Port Arthur, and Galveston. However, these calls cannot be dialed direct. Dial the Operator and ask for the Marine Operator in the desired city.

Conference Calls

You may talk with several people in different places at the same time by dialing the Operator and asking to be connected to the Conference Operator. When the Conference Operator answers, give the Operator the names and telephone numbers of the people you want on the call. You may wish to arrange a calling time in advance.

Reaching the Right Operator (cont.)

you have experienced trouble

- To obtain assistance with a call from a Southwestern Bell coin telephone (A service charge may apply).

When to Dial 00:

If your long distance company provides operator services, dial 00:

- To obtain credit for a call placed to another long distance service area when you have experienced trouble.
- If you are having trouble dialing a call outside the shaded area on the map
- If you need dialing instructions for calling overseas or Mexico

If you are unsure whether you need to dial 0 or 00, dial 0 and a Southwestern Bell Operator will be glad to assist you.

When Calling From Southwestern Bell Telephone Pay Phones:

In April 1989, a number of long distance companies began offering 0+ dialing for long-distance calls placed from Southwestern Bell Telephone pay telephones to numbers outside of the Southwestern Bell Telephone service area.

The way you dial calls from Southwestern Bell

Telephone pay phones remains the same. This change simply allows other long distance companies to provide 0+ service through Southwestern Bell Telephone pay phones. However, you should be aware that the rates charged by long distance companies for 0+ service may vary.

This change involves those pay phones owned by Southwestern Bell Telephone.

Calls dialed 0+ within Southwestern Bell Telephone's service area will continue to be processed by Southwestern Bell Telephone.

Calls dialed 0+ to cities outside Southwestern Bell Telephone's service area will be routed automatically to the long distance company serving the pay phone that you are using. The name of that long distance company is required to be posted on the pay phone.

If you dial 0+, the long distance company serving that pay phone should identify itself and answer any questions you may have about rates and billing. Be sure you understand the rates charged before placing any long distance calls.

Inter-national Calls

If you have contracted with a company to provide you with international calling services, follow the dialing instructions they have provided you. The instructions listed below are commonly used to complete international calls.

To place a direct-dial international call from an Easy Access Dialing location (where available), dial:

011 + Country Code + City Code + local number

To place an operator-assisted call, dial:

01 + Country Code + City Code + local number

To call Mexico

Most locations in Mexico can be reached by using the international dialing (011+) instructions.

Example:

011 + Mexico Country Code (52) + City Code + Local Number

Need Further Assistance?

If you have trouble dialing direct using Southwestern Bell Telephone service, (other than a busy signal or the number you are calling doesn't answer) call the Operator and explain the difficulty. The call will be placed for you, and you will be charged at the direct dialed rate.

Credit for poor connections, wrong numbers, or cutoffs

When you use Southwestern Bell Telephone service

and reach a wrong number, have a poor connection or are cut off, hang up and dial the Operator right away. Explain what happened so the Operator can arrange for the proper credit. The faster the credit is reported, the easier it will be to give you credit. If you are using another company's long distance service, follow the instructions they have provided you.

It carries ambition.
It carries imagination.
It carries determination.
It carries the ideas
of millions of business
people every day.
It's the Southwestern Bell
Telephone Network.
And by carrying your ideas
and ideals to others,
it can help carry you
as far as you want to go.

Southwestern Bell Telephone

The one to call on.

Kick the number-fumbler habit!

If misplaced telephone numbers give you problems, here are suggestions that can help you.

1. ☐ Underline those special numbers in your directory.
2. ☐ Keep the directory near the phone.
3. ☐ Have a pencil and paper handy when you talk so you can jot down numbers you may need again.
4. ☐ Maintain your own personal directory of frequently called numbers.

These suggestions can save time and make calling easier.

WARNING

EMERGENCY CALLS ON PARTY LINES

It is unlawful to refuse the use of a party line to another person for the purpose of permitting such person to report a fire or summon police, medical aid or ambulance service in an emergency situation where property or human life is in danger. It is also unlawful for anyone to falsely claim an emergency to gain access to a party line. The maximum penalty, upon conviction, is imprisonment for 30 days or a fine of \$500 or both.

DIALING INSTRUCTIONS

FOR PARTY LINE USERS

Always listen to make sure the line is not in use before you attempt to dial.

HOW TO CALL ANOTHER PARTY ON YOUR LINE

Dial the directory number and then you will hear a recording that the number you have dialed is on your line. Please hang up your receiver and allow time for your called party's telephone to ring. Then pick up your receiver to converse.

HOW TO PLACE LONG DISTANCE CALLS

Please refer to Customer Guide pages on How to Place Your Long Distance Calls.

PARTY LINE COURTESY PAYS

When several persons are sharing the use of a telephone line, consideration and courtesy are important to all. Everyone will receive better service if each subscriber on the line will observe these simple rules of courtesy. Be as brief as possible ... space your calls so that the other party can place his calls ... and give up the line to the neighbor who needs it for an emergency use.

DIALING INSTRUCTIONS FOR EXTENDED AREA SERVICE
HUTTO CUSTOMERS MAY CALL CUSTOMERS IN THE TAYLOR EXCHANGE
BY DIALING THE 7 DIGIT TAYLOR NUMBER.

A CONSUMER TIP

Before you buy any product or service covered by a warranty consider these points:

- What is covered by the warranty? The entire product? Only certain parts? Is labor included?
- How long does the warranty last?
- Who do you call when repairs are needed? Is the repair service conveniently located?

RETAIL SALES STATISTICS SHOW THAT....

IN 10 YEARS, 81% OF A FIRM'S CUSTOMERS ARE LOST!*

Some buyers just move away...and some buyers are lost through indifferent treatment or unresolved grievances.

BUYERS ALSO FORGET.**

Thousands of Advertising impressions are made—but 1 day later 25% can't remember them, 1 week later 97% can't remember them.

BUYERS CHANGE THEIR MINDS.***

49% of the references to the Yellow Pages are made with a specific company in mind, but buyers do change their minds... If they can't find the company they want or if another company's sales message contains the information they are looking for.

An ad in the Yellow Pages keeps a company's message at the buyer's fingertips 24 hours a day...365 days a year.

It pays to keep your Yellow Pages ad up to date with your company's services and products.

It also pays to compare your ads to your competitor's ads. What is he offering your customers?

An Open Letter to Customers Who Buy Advertising by Telephone:

We at Southwestern Bell Media strive to produce directories which are the most complete and accurate sources of information on products and services available.

Most advertising in this directory has been sold by Publisher's representatives who have provided the Advertisers with a written agreement. Some of the listings and advertisements appearing in this directory, however, have been sold by telephone sales representatives. This page, therefore, outlines the terms and conditions which define the rights and obligations of the Publisher, Southwestern Bell Media, Inc., and the Advertisers regarding the placement of directory advertising without written agreement.

1. Complete Agreement.

This Agreement, and all other agreements for directory advertising, if any, between Advertiser and Publisher constitute the entire obligation between the parties for the directory advertising described on the reverse side hereof and all other directory advertising placed by Advertiser in Publisher's directories (separately and collectively, the "Advertising.") Any amendment or modification must be reduced to writing and be signed by the duly authorized representatives of each party.

2. Term.

Advertiser hereby applies for the Advertising to be inserted in Publisher's next directory issue and in each subsequent issue, until this Agreement has been cancelled or superseded by a subsequent written agreement.

3. Disclaimer of Warranties and Limitation of Publisher's Liability.

(a) Publisher intends to use its best efforts to ensure that all advertising is published in accordance with this Agreement, but Publisher acknowledges and Advertiser agrees that errors, omissions, delays or other mishaps may sometimes occur. Publisher sets rates, and accepts business only upon the basis that Publisher is under no liability in such a case, except as provided herein.

(b) ACCORDINGLY, IT IS A FUNDAMENTAL TERM OF THIS AGREEMENT AND ADVERTISER AGREES THAT PUBLISHER'S LIABILITY IN MONEY DAMAGES SHALL RELATE TO THE DEGREE OF ERROR MADE IN CONTEXT TO THE TOTAL ADVERTISING, BUT IN NO EVENT SHALL SUCH LIABILITY EXCEED AN AMOUNT EQUAL TO THAT PAID FOR THE ITEMS OF ADVERTISING OMITTED, OR IN WHICH THE ERROR OCCURS, FOR THE ISSUE LIFE OF THE DIRECTORY. PUBLISHER SHALL NOT BE REQUIRED TO CORRECT ANY ERROR OR OMISSION IN THE ADVERTISING, NOR TO GIVE ANY NOTICE TO USERS OF ANY ERROR OR OMISSION.

4. Cancellation or Modification By Advertiser.

(a) Advertiser may cancel this Advertising in the next directory issue by written notice received by the Publisher on or before the scheduled customer close date ("close date") shown on the face of this Agreement, and on or before the close date for subsequent issues.

(b) Advertiser must notify Publisher in writing of any changes in address, telephone number or otherwise not less than five (5) business days before the close date for the next directory issue and for each subsequent issue.

(c) Any change in ownership, name, management or operation of Advertiser shall not modify or cancel this Agreement, except as provided in (b) above.

5. Cancellation By Publisher.

Publisher reserves the right at any time, without prior notice to Advertiser, to cancel or reject all or any of the Advertising for late or nonpayment by Advertiser under any agreement with Publisher or for noncompliance with Publisher's Specifications and Standards.

6. Payment of Charges; Refusal of Future Advertising.

(a) Advertiser shall pay the total charges shown on the face of this Agreement, plus any additional charges for account set-up when shown on the advertising copy sheet. Publisher may require payments in advance of all or part of the total charges by the close date. Advertiser shall pay the balance of total charges in one payment upon publication or, at Publisher's discretion, in twelve (12) equal monthly payments.

(b) If any payment due under this Agreement is not made on or before the due date specified in Publisher's invoices, Advertiser agrees to pay a late charge at the rate of 1½% per month (or the highest lawful rate) on the entire delinquent amount.

(c) Advertiser agrees that if it has agreements with Publisher for advertising in more than one directory, or multiple agreements for any directory, the Advertising may be billed on one statement. FURTHER, UPON ADVERTISER'S FAILURE TO MAKE PAYMENT WHEN DUE UNDER ANY ONE AGREEMENT, ALL PAYMENTS IN ALL AGREEMENTS BILLED ON ONE STATEMENT SHALL BECOME IMMEDIATELY DUE AND

PAYABLE. SHOULD ADVERTISER REMAIN DELINQUENT IN THE PAYMENT FOR THE ADVERTISING, PUBLISHER RESERVES ITS RIGHT TO REFUSE ANY AND ALL ADVERTISING IN ANY DIRECTORY WHETHER OR NOT AN AGREEMENT REGARDING THE SAME HAS BEEN SIGNED BY ADVERTISER AND PUBLISHER.

(d) In the event that Advertiser fails to pay in accordance with this Agreement, Advertiser agrees to pay Publisher's collection costs, including but not limited to attorney's fees, collection agency costs, and court costs.

(e) No acceptance of any payment or instrument marked with any restrictive or other limited or conditional endorsement shall be deemed a waiver of any rights of the Publisher.

7. Charges for Subsequent Issues; Extended or Reduced Issue Life.

(a) The total charges for the Advertising covered by this Agreement may be increased by Publisher for each subsequent directory issue. Publisher may not increase the total charges by more than 20% in any year without written approval by Advertiser.

(b) Publisher may extend or reduce the issue life of any directory by not more than six (6) months. Advertiser's total charges hereunder shall be proportionately decreased (if the directory issue life is reduced) or increased (if the directory issue life is extended).

8. Copyrights and Trademarks; Business or Professional Advertising.

(a) Advertiser assumes full responsibility for and warrants that it is the owner of or is entitled to use any copyrights, trademarks and tradenames in its Advertising. Advertiser agrees to defend and indemnify Publisher from all claims, losses, and judgments arising from or claimed to have arisen from the use of such marks and names, together with expenses, attorney fees and court costs incurred by Publisher.

(b) Advertiser warrants that it is authorized to engage in the business or profession described in the Advertising and by the classified headings designated on the face of this Agreement. Advertiser agrees to defend, indemnify and save Publisher harmless for all damages arising from any advertising that does not meet the requirements of state or federal laws prohibiting false, fraudulent, deceptive or misleading advertising, or that otherwise fails to comply with any other standard applicable to Advertiser.

9. Publisher's Reservation of Rights.

(a) Publisher shall have sole ownership of any copyright obtained in the directory or portions thereof in which the Advertising appears. Publisher may permit others to copy or reproduce pages of its directories, including those in which the Advertising appears.

(b) The copy, cuts, illustrations and other art work, excluding registered trademarks and servicemarks, used in preparation of the Advertising are the property of Publisher. Advertiser agrees the Advertising may not be reproduced or assigned for reproduction, in whole or in part without the express prior written consent of Publisher.

(c) Publisher is not obligated to make a proof copy of the Advertising. Advertiser's obligation to pay is not contingent upon Advertiser's receipt and/or approval of a proof copy.

(d) The Publisher may, without notice, change the classified headings. No specific position or paging for the Advertising is guaranteed. A delay in implementation of any of Publisher's rights shall not be deemed a waiver of such right.

10. Advertiser to Honor Any Discounts.

Advertiser agrees to honor all discounts or special offers made in the Advertising in accordance with their terms.

11. Severability.

If any portion of this Agreement is invalid under applicable law, it is only to that extent to be omitted, and all other Terms and Conditions of this Agreement shall retain their force and effect.
