**NOTICE Privacy Considerations...** The 911 (nine-one-one) emergency telephone number has been developed to quickly summon emergency service in a crisis situation. Callers should realize that when reporting an emergency by dialing 911, their telephone number (including non-published numbers) may be automatically displayed on a viewing screen located at the public safety answering point. ## Determine the Source of the Problem

Southwestern Bell Telephone is responsible for the maintenance and repair of the telephone lines to your home or business. It is important to try to make sure the problem is not in your telephone set. If we make a customer requested service call and determine the problem is caused by your telephone set or sets and not by our facilities, you will be billed \$30.00\* to cover the cost of the service call. If the problem is not in your telephone set, please call:

### Public Coin Telephone

1 + 800 + 286-8343

Look for symptoms like cracked plastic housing,

broken or frayed cords or lights that don't work.

- If you have more than one phone, make sure each phone's receiver is on the hook. If none of them are off the hook, unplug every phone. Then start plugging them back into the wall jacks one at a time, checking each phone for a dial tone as you go. The telephone set that causes the line to go dead is the broken one.
- If you have just one phone, unplug it and borrow someone else's. If the borrowed phone works, then the problem is in your telephone set.
- If the phones appear to be in good working order call our Repair Bureau. Many times we can run a test to help isolate the problem while you are on the line.

## If It's Your Phone...

Leave the broken telephone unplugged and contact the company you purchased or lease it from for the repair.

## Home Wiring Options

Where we once did all installation and repair of wiring inside our Customers' homes, you now have three options:

1. hire Southwestern Bell Telephone to do it,
2. hire another contractor, or
3. save money by doing the work yourself.  
(Materials are available from numerous retail stores.)

If you choose Southwestern Bell Telephone to do the work, you will be billed Premise Work Charges which includes an initial period of 30 minutes, plus additional increments of 15 minutes, depending on the time required to do the job.

The charges include the necessary materials and differ for installation and repair. These charges are in addition to the service order charge and any other applicable charges.

When we complete the work, you get a 30-day warranty against defects and malfunctions.

You may also purchase an inside wiring maintenance service, **InLine<sup>®</sup> or InLine Plus<sup>®</sup>**. Call your service representative (see page 4 for the telephone number) for details.

Inside wiring is all the wiring inside your home and includes your telephone outlets or jacks.

# Establishing or Changing Service

11

## Establishing Service

Your service representative (see page 4 for the telephone number to call) will help you with orders for monthly calling services, optional services (including Touch-tone and Customer Calling Services if they are available in your area), home wiring services, Southwestern Bell Telephone Calling Cards, directories and directory listings. They will also answer other questions you have about the services we provide.

### Information needed for your order

- Complete address street and number plus city or town and ZIP code (apartment number if applicable)
  - The registration numbers of the telephone equipment you will be using. (This does not apply to single line customers.)
  - The type of basic or optional monthly service you want (see page 14)
  - How you would like your directory listing to appear. Two people with the same last name can have their first names listed as a single listing at no charge.
  - Your primary long distance company where Easy Access Dialing is available (see page 36).
- Information about your previous telephone service such as the telephone number and location.
  - Other credit information, including employment. (No telephone credit information is given out to other businesses.)

### Telephone sets for customers with multi-party service

Special conditions apply to equipment used for multi-party service. Please call your service representative for details.

### Calling Card

When you are away from your home or business phone, a Calling Card/Select Card<sup>®</sup> from Southwestern Bell Telephone can be the least expensive and most convenient way to call. The charges are itemized on your regular monthly bill. There is no charge to order a Calling Card (even additional copies) and no monthly service charges. Please call to ask for one.

### Disconnecting your service

There is no charge to disconnect service. Call your service representative to make the necessary arrangements

## Credit History

It is our policy to apply a customer's credit history equally for a reasonable period of time to a spouse or former spouse who shared the service. Credit history maintained by a customer will be applied equally to the spouse or former spouse without modification and without additional qualifications (not required of the customer).

A person applying for residential service with Southwestern Bell Telephone must satisfactorily establish credit. Credit may be established in several ways:

- Demonstrate that you have been a residential customer of a telephone company within the last two

years, that you are not delinquent in payment of your account with them and that during the last 12 consecutive months of service you did not have more than one occasion in which your telephone bill was paid after becoming delinquent and never had service disconnected for nonpayment (you are encouraged to obtain a letter of credit history from your previous telephone company before moving).

- Demonstrate a satisfactory credit rating by appropriate means, including, but not limited to, the production of generally acceptable credit cards, letters of credit reference, the names of credit references which may be quickly and inexpensively contacted

by us or ownership of substantial equity.

- Pay a deposit. See Deposit information below.
- Furnish in writing a satisfactory guarantee to secure payment of bills for your telephone service.
- Demonstrate that you are 65 years of age or older and that you do not have an outstanding account balance with any telephone company for residential service which accrued within the last two years

Your service representative (see page 4 for the telephone number to call) can give you more information on any of these methods of establishing credit. To maintain satisfactory credit, a customer must make prompt payment on all telephone bills.

## Deposits

### Deposit when applying for service

One of the ways a residential or business customer may establish credit is by paying a deposit (see "Credit History" above). We may not require a deposit in excess of one-sixth of your estimated annual billing.

### Additional deposits

During the first 12 months of service, if your actual

usage is three times your estimated usage (or three times the average usage of your most recent three bills) and your current usage exceeds \$150 and 150 percent of the security we hold, a new deposit requirement may be calculated and we may require you to pay an additional deposit within 10 days after issuance of written notice of termination and requested additional deposit. In lieu of paying this additional

deposit, you may elect to pay for your current usage within 10 days after issuance of written notice of termination and requested additional deposit.

After two billing periods (residence accounts only), if your actual billings are at least twice the amount of your estimated billings and a suspension notice has been issued on a bill within the previous 12 month period, you

## Deposits (cont.)

may be required to pay a new deposit within 15 days after issuance of written notice of termination and requested additional deposit. In lieu of paying this additional deposit, you may elect to pay your current bill by the due date of the bill, provided you have not exercised this option in the previous 12 months.

If your service is not connected or after your service is disconnected, we shall promptly and automatically refund your deposit plus accrued interest or the balance, if any, of your deposit is excess of the unpaid bills for service furnished.

When you have paid bills for service for 12 consecutive billings (24 consecutive billings for business service) without having service disconnected for nonpayment of a bill and without having more than two occasions on which a bill was delinquent, and when you are not delinquent in the payment of your current bill, we shall promptly and automatically refund your deposit plus accrued interest in the form of cash or credit to your bill, or void the guarantee.

### Where to pay your deposit

Deposits may be paid at authorized payment agencies (see page 32) during their normal business hours.

### Deposits earn interest

If we retain your deposit more than 30 days, we will pay simple interest retroactive to the date of deposit. The interest will be at a rate set annually by the Public Utility Commission of Texas, to be effective on January 1 each year. We will pay the interest to you annually if requested by you, or otherwise at the time the deposit is returned or credited to your account. The deposit shall cease to draw interest on the date it is returned or credited to your account.

## Instructions

### Call Waiting

There are some things you just know. Like when you're waiting for an important call, it won't come until you're on the phone with someone else. With Call Waiting, you don't worry about missing a call because Call Waiting tells you when you're getting another call. You can put the first caller on hold and answer the second call.

If you want to make a call without being interrupted, you can turn off Call Waiting temporarily. Plus, if you subscribe to Three-Way Calling, you can cancel Call Waiting while you're on a call. Ask your representative for details.

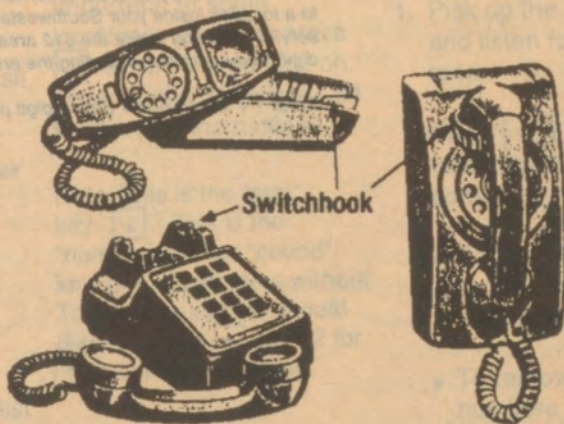

### Here's how Call Waiting works:

1. When you're on a call, you'll hear a special tone signaling that someone else is trying to reach you.
2. To take the incoming call, press the telephone switchhook for one second. This also puts the first call on hold.
3. Press the switchhook again to switch between calls.

### To cancel Call Waiting:

1. Before you make your call, pick up the phone, press **\* 7 0**. (Don't hang up.)
2. Wait for the dial tone, and make your call. Call Waiting is off for that call only.
3. Call Waiting is on again after you hang up.

*Note: Customers without Touch-tone service should dial 1170 to cancel Call Waiting.*

## Call Forwarding

Ever worry that going out may mean you'll miss an important call? Or that callers will know there's no one home when you're away?

**Call Forwarding** lets you forward all your calls to another location - or to someone who's agreed to take your calls.

### To use Call Forwarding:

1. Pick up the phone and press **7 2 #**.
2. Enter the number to which you want your calls forwarded\*. If the call is answered, Call Forwarding is in effect.

If the call is *not* answered, or if it is busy, calls are *not* forwarded. *Repeating* steps 1 and 2 will automatically forward your calls.

### To turn off Call Forwarding:

1. Pick up the phone and press **7 3 #**. Listen for two short tones, followed by the dial tone. Call Forwarding is now off.

Note: You will be charged the appropriate toll or long-distance rates for any calls forwarded to a long-distance number.

Note: For customers without Touch-tone service, dial 1172 and wait 4 seconds to use Call Forwarding and dial 1173 and wait 4 seconds to turn off Call Forwarding.

*\*Effective January 3, 1995, to forward a direct-dialed long-distance call to a location inside your Southwestern Bell Telephone long-distance service area and inside the 512 area code, enter 1 followed by the ten-digit phone number, including the area code:*

*Enter 1 + Area Code + Seven-digit phone number.*

## Remote Access To Call Forwarding

With **Remote Access to Call Forwarding\***, you can turn on or turn off Call Forwarding or change the number your calls are forwarded to even when you're away from home.

### To Use Remote Access To Call Forwarding:

1. Call the access number you were provided when you ordered the service. (If you don't remember the number, call the business office or repair center.) And listen for the following instructions.
2. Enter the phone number associated with your Remote Access to Call Forwarding subscription. This is the number *from* which you will be forwarding calls.
3. Enter your Personal Identification Number (PIN)
4. Enter the feature code.
  - Press **7 2 #** to turn Call Forwarding on. Enter the number you want your calls forwarded to.
  - Press **7 3 #** to turn Call Forwarding off.

Note: To change the "forward to" number, Call Forwarding must be turned off and then back on.

Note: If you press a wrong button during the instructions, press **\*** and the previous announcement will be repeated. You can dial over the announcements for faster service.

*\*Remote Access to Call Forwarding does not work with Selective Call Forwarding and can only be used from a touch-tone phone with Touch-tone service.*

## Selective Call Forwarding

Choose the calls you want forwarded with Selective Call Forwarding. Forward only the numbers of the callers you want to talk to. All other calls will ring at your home.

### To Use Selective Call Forwarding:

To turn on Selective Call Forwarding, establish a Selective Call Forwarding list of the numbers you want forwarded, or add or remove numbers from your list:

1. Pick up the phone and listen for dial tone.
  2. Press **\* 6 3** and follow the instructions.
- Important: In some locations, you must press **3** to turn the service on. Listen to the Selective Call Forwarding instructions.
- Note: This is the "star" key **\***. This is the "number sign" or "pound" key **#**. Customers without Touch-tone service should dial 11 for the **\*** and 12 for **#** except where noted.
- Note: You must have at least one number on your list in order for calls to be forwarded. You may add and remove numbers as often as you like by following the recorded instructions.

### To turn off Selective Call Forwarding:

1. Pick up the phone and listen for dial tone.
2. Press **\* 8 3** and follow the instructions.
  - To turn off the service but save the list, hang up.
  - To remove all the numbers on the list press **0 8** then hang up.

## Speed Calling

When you're pressed for time, looking up and dialing a phone number can be an annoyance. Especially if it's an emergency or you accidentally dial a wrong number. Speed Calling lets you reach up to eight important or frequently called numbers quickly and accurately, just by pressing one digit. And it works from every phone.

### To use Speed Calling:

Simply pick up the phone and enter the Speed Calling code for the number you want to call and press the **#** key.

### To set up Speed Calling :

1. Write down the name and the phone number of each person to whom you want to assign a Speed Calling Code. Choose a separate Speed Calling code (from 2 to 9) for each phone number.
2. Pick up the phone and press **7 4 #**.
3. Wait for dial tone and enter one of the Speed Calling codes assigned in step 1.
4. Now, enter the phone number for that Speed Calling code (include a "1" if it's a long-distance number\*). Several short tones will

confirm your entry.

5. Hang up, then repeat steps 2-4 for each new number.

Note: The numbers 1 and 0 are not Speed Calling codes because 1 is used to place long-distance calls and 0 is used for reaching the Operator.

Note: Customers without Touch-tone service should dial 1174 instead of **7 4 #**.

*\*Effective January 3, 1995, to program a speed-dialed long-distance call to a location inside your Southwestern Bell Telephone long-distance service area and inside the 512 area code, enter 1 followed by the ten-digit phone number, including the area code:*

*Enter 1 + Area Code + Seven-digit phone number*

## Three-Way Calling

Trying to make plans with more than one person doesn't have to mean double the effort. Thanks to Three-Way Calling, you can talk to two different people - in two different places - at one time.

Or if someone calls you and you want to add another person to the conversation, Three-Way Calling makes it easy.

And it doesn't matter whether the calls are

local, regional or long-distance. You can even put one person on hold while you have a private conversation with the other.

### To use Three-Way Calling:

1. Call the first person and put him or her on hold by pressing the switchhook for one second.
2. Wait for the dial tone and then enter the telephone number of the person you want to add to the conversation. When that person answers, you can talk

privately before adding the first person back into the conversation.

3. Press the switchhook for one second to add the first person. Now all three people will be on the line at one time.
4. To disconnect either call, ask one person to hang up. You can then continue the conversation with the remaining person.
5. When you hang up, all callers will be disconnected.

## New EasyOptions<sup>SM</sup> Services\* Coming Soon To Your Area

### Calling Number Delivery And Calling Name Delivery

Southwestern Bell Telephone Company is pleased to announce new EasyOptions<sup>SM</sup> services that will soon be available in your area... Caller ID Services. These services include Calling Number Delivery and Calling Name Delivery.

Caller ID lets the Caller ID subscriber know who is calling even before picking up the phone. Caller ID is an optional service which allows you to see the date, time, and phone number (Calling Number Delivery) and/or name (Calling Name Delivery) of most direct-dialed local calls and some long-distance calls before you answer the telephone. When you get a call, Caller ID shows the phone number and/or name of the caller on a special display unit. A display unit is required for Calling Number Delivery and Calling Name Delivery. The Caller ID display unit stores the number and name, as well as the date and time of the call. That way if you're not home, or just don't want to answer the phone, the stored numbers will permit you to return calls. This also

works with answering machines or voice messaging systems... even if the caller doesn't leave a message. These units will be available from various retail vendors, including Southwestern Bell Telephone.

Once Caller ID has been introduced in your area, each time you make a phone call your name and number will automatically be sent to all Caller ID subscribers in your area unless you choose to block that information.

If you should ever want to "block," or prevent sending your number and name to Caller ID subscribers, you need only dial \*67 or 1167 on your phone *before* dialing the telephone number. Then you will hear a "stutter" tone which tells you "per-call" blocking is working. Calls blocked on a per-call basis will be displayed on the Caller ID display unit as "anonymous" or "private." Per-call blocking is free of charge and will automatically be available on

\* Available during  
first quarter 1995.

to change.

## Caller ID Services (cont.)

everyone's line when Caller ID is available in your area. There is no need to subscribe to Caller ID to have per-call blocking. It is important to keep in mind that even if you have a non-published or non-listed number your number will be passed unless you choose to block on a per-call or per-line basis. We believe per-call blocking will provide you with flexibility in those situations when you do not want to have your telephone number or name delivered to Caller ID subscribers.

However, if you have a compelling need for per-line blocking, meaning you want to always have your number and name blocked, you can have per-line blocking at no charge by mailing a written request for per-line blocking which includes (1) your name, address and telephone number (as shown on your bill), (2) your signature, and (3) the following statement, "I have a compelling need for per-line blocking" to: Public Utility Commission of Texas, P.O. Box 10600, Austin, Texas 78766-9978. You

need not explain your compelling need because all requests are **AUTOMATICALLY granted. Or, you may obtain per-line blocking by simply completing the reply card which will be sent to you before the service is offered and drop it in the mail.** If at any time you want to cancel per-line blocking and reinstate per-call blocking, you need only call the Southwestern Bell Telephone Company Business Office.

Per-line blocking automatically blocks a customer's name and number on every call without the need to press \*67 or dial 1167. Every call placed from a line that subscribes to "per-line" blocking will be displayed on the Caller ID display unit as "anonymous" or "private." If you select per-line blocking, then calls to ACR\* (see page 22) customers will not be completed. If you must reach that customer, you may do so by calling from a pay phone or cellular phone, making a credit card or operator-assisted call or asking

\*ACR Not Available at this time in the Taylor area.

(Continued on next page)

someone who does not have per-line blocking to place the call for you.

Currently there are some calls that Caller ID won't identify. These include cellular calls, some long-distance calls, operator-assisted calls, and calls originating in areas where Caller ID is not available.

For these calls, the Caller ID display unit will display the message "out of area." Even though you won't have the number, you will still have information about the call, such as the date and time. Below are examples of what will likely be displayed, depending on the type of calls received.

## Anonymous Call Rejection\* (ACR)

Anonymous Call Rejection (ACR) is a Caller ID Service that allows a subscriber to automatically reject all calls that have been marked anonymous, or blocked. It is not necessary to subscribe to Calling Number Delivery or Calling Name Delivery to subscribe to ACR nor is a display unit necessary.

With ACR, the telephone will not ring if the person calling you has "blocked" his/her name and number through per-call or per-line blocking. The person calling will receive a

message that the party he/she is trying to reach is not accepting calls from a blocked number. The caller will be instructed to redial without blocking the number or be asked to call the operator for assistance in completing the call. (An operator-handling charge will apply). ACR service also allows you the flexibility to turn on or off your ACR service by dialing a code, which will be provided upon subscription to ACR.

\* Anonymous Call Rejection (ACR) not available at this time in the Taylor area.

It is important to remember that both per-call and per-line blocking will not block your billing telephone number to Emergency 9-1-1, nor will it currently prevent your number from being transmitted on 700, 800, or 900 calls. Also, calls made from a pay phone cannot be blocked.

**To order Caller ID Services, please call 1 - 800 - 234-BELL.**

# Information Delivery **23**

## Services

---

### **Calls to 976 Numbers will Result In A Charge Per Call**

A number of entertainment and informational programs offered by information providers ("sponsors") are available to the Dallas-Metro customers on telephone numbers that begin with 976.

#### **There is a charge for such calls.**

The amount of the charge for each call to a Dial 976 service is determined by the sponsor and can vary among individual 976 programs. The charge for a 976 program must be clearly stated as part of the 976 message and in any advertisement promoting that 976 service.

Programs offered by Dial 976 sponsors are recorded only (no "live" two-way conversations). The content of 976 programs is developed and produced by the sponsor and not by the telephone company. **But Southwestern Bell Telephone can refuse to allow unsuitable programs or language on its 976 network.**

### **Important Billing Information About 976 Service Charges**

Charges for calls placed to 976 numbers will appear on the customer's monthly Southwestern Bell Telephone bill, and the

customer is obligated to pay such charges. **A customer's local telephone service cannot, however, be disconnected for non-payment of 976 charges.** Unpaid 976 charges will cease to appear on the customer's telephone bill if unpaid for more than 60 days. At the sponsor's request, Southwestern Bell Telephone will provide

the nonpaying customer's name, address and telephone number and other pertinent information to the sponsor for use in collection efforts. Sponsors may refer such nonpaying accounts to collection agencies. However, a customer's local telephone service cannot be disconnected for nonpayment of 976 charges.

### **Calls to 976 Numbers Can Be Blocked; No Charge**

If calls to Dial 976 programs are a problem due to unwanted charges, or if a customer wishes to avoid the potential of uncontrolled

usage, customers may request 976 Call Restriction, which is free, and the telephone company will block access to all 976 numbers. To request the free blocking service, call your local Southwestern Bell Telephone business office. Some restrictions do apply.

In addition to the free blocking service, Southwestern Bell Telephone can require mandatory blocking of 976 programs for nonpayment of charges incurred by a customer. **There is a one-time charge to the customer when mandatory blocking is required.**

## A New Information Service Also Is Available Through Subscription Only

For programs that do not qualify for the 976 network, such programming is available through a Special Information Delivery Services network with the prefix 703. There usually will be a charge for calling programs offered through the 703 prefix. These programs, for which Southwestern Bell Telephone will not bill or collect, may include "adult" programs and "live" (non-recorded) programs. Such

programs are available only to customers who have specifically requested access (i.e. subscribed) to these programs. To request access to 703 services, please call your local business office. All other customers are automatically "blocked" from accessing such numbers.

**Southwestern Bell Telephone operators are unable to dial 976 or 703 numbers.**

## Billing Questions? Call Your Business Office

For billing questions regarding 976 service, please call your local Southwestern Bell Telephone business office. Residence and Business customers should refer to page 4 of the Customer Guide

Pages at the front of the directory for information on how to contact Southwestern Bell Telephone business offices.

## Toll-Free Number for Questions or Complaints About 976

Southwestern Bell Telephone has established a toll-free number, **1 + 800 + 446-0143**, for customer comments, questions and complaints about 976 or 703 information

programs. Additional information about customer rights regarding 976 or 703 service is also available by calling the toll-free number.

## Consumer Responsibilities

**Fraudulent billing can lead to prosecution**

It is illegal for a person to charge any calls to

another's number or Calling Card without their permission. Persons placing such calls to avoid payment for service are subject to prosecution, and, if convicted, are subject to

imprisonment and/or fine.

**Unlawful wiretapping is subject to prosecution**

It is a crime under federal and state law for

any person, including a telephone subscriber, to unlawfully wiretap or otherwise intercept a telephone call. Properly authorized law enforcement officers can engage in interceptions when proceeding under court orders issued pursuant to applicable provisions of federal law. Under federal law, the penalty for illegal wiretapping can be imprisonment for 2-20 years, a \$10,000 fine or both.

### Customer provided equipment

You are responsible for the connection, operation, maintenance and repair of this equipment, and should arrange for these services through the manufacturer, if needed. This equipment cannot be connected to a coin telephone. If you have a party line, contact your service representative.

### Recording of two-way telephone conversations

If your telephone conversation is being recorded, one of the following conditions must exist:

1. all parties being recorded must hear a beep or distinctive recorder tone approximately every fifteen seconds, or

2. all parties to the telephone conversation must give their prior consent to the recording of the conversation. The prior consent must be obtained in writing or be part of, and obtained at the start of the recording, or
3. in lieu of #2 above, the recording part can give verbal notification in a clear, unambiguous manner, which is recorded at the beginning and as a part of the call. Under certain restrictions, exemptions to these provisions exist for commercial broadcast licensees, emergency reporting systems and law enforcement authorities.

### Leave phones on the hook

At times you may not want to be disturbed by a ringing phone. However, leaving a phone off the hook prevents emergency calls from getting through and ties up equipment needed to complete other customers' calls.

### Alternative payment plans — business and residence customers

You are responsible for making your payments in full and on time each month. If you can't pay by the due-by date, please call your service representative. We may

be able to make payment arrangements in case of circumstances beyond your control.

### Residence customers

If you are unable to pay all of your bill, you may enter into a deferred payment plan if we have not issued more than two termination notices on your account in the preceding 12 months.

Under the terms of a deferred payment plan, your service will not be terminated if you pay current bills and a reasonable amount of the outstanding bill and the balance in reasonable installments until the bill is paid. You will not be required to pay more than 1/3 of the total deferred payment plan. If you do not meet the terms of a deferred payment plan, your service may be terminated after proper written notice.

Southwestern Bell Telephone is not required to enter into a deferred payment plan with any customer who has had telephone service for 3 months or less if that customer is lacking sufficient credit or a satisfactory history of payment for previous service.

Please call your service representative for more information on this plan. If the representative does not offer such a

## Consumer Responsibilities (cont.)

plan to you, you have the right to request these alternative payment plans.

### Telephone Solicitation

Texas law provides certain protections for a person who receives a telephone solicitation at a residence. A telephone solicitor must:

- identify himself or herself by name;
- identify the business on whose behalf he or she is calling;
- identify the purpose of the call;
- identify the telephone number at which the person, company, or organization making the call may be reached.

A telephone solicitor may not call a residence before 9 a.m. or after 9 p.m. on a weekday or Saturday or before noon or after 9 p.m. on Sunday. If a telephone solicitor uses an automatic dialing/announcing device, the machine must disconnect from your line within 30 seconds after termination of the call.

### Exceptions

The requirements above do not apply to telephone solicitations made at your request, or solicitations made in connection with an

existing debt or contract or calls from a telephone solicitor with whom you have a prior or existing business relationship. If you use a credit card to purchase a good or service from a telephone solicitor other than a public charity (an organization exempt from federal income tax under the Internal Revenue Code § 501(c) (3), the seller must:

- offer a full refund for the return of undamaged and unused goods within seven days after you receive the goods or service (the seller must process the refund within 30 days after you return the merchandise or cancel your order for undelivered goods or services); or
- provide you with a written contract fully describing the goods or services being offered, the total price charged, the name, address, and business phone of the seller, and any terms and conditions affecting the sale.

### Complaints

The Texas Attorney General investigates complaints relating to a violation of this law, which is found at the Business and Commerce Code Chapter 37. If you have a complaint about a telephone solicitor whom you believe has violated this law, contact:

Another law, found at Texas Civil Statutes Article 1446c, §119 and §120, requires a telephone solicitor to make every effort not to call a consumer who asks not to be called again. Complaints relating to a violation of this law are investigated by the Public Utility Commission of Texas. If you have a complaint about repeated solicitation from a telephone solicitor you have asked not to call you again, contact:

Service may be discontinued for failure to pay local basic rates, or long distance charges from Southwestern Bell Telephone or any long distance provider for which Southwestern Bell Telephone bills.

Your telephone bill is due upon receipt and is considered past due if

## Consumer Responsibilities (cont.)

the bill has not been paid or a deferred payment agreement entered into within 16 days after the bill issuance (postmark) date of the bill. If your bill becomes delinquent, the telephone company must provide a 10-day written notice before discontinuing your service.

If you are asked to make an additional deposit based on your actual usage and you do not pay the deposit or usage within 10 days, service may be disconnected. If you are asked to make an additional deposit

based on your actual billings and you do not pay the deposit or bill within 15 days, service may be disconnected. Refer to pages 12 and 13 "Deposits" for complete information on request for additional deposits.

After proper notice and a reasonable opportunity to remedy the situation, telephone service may also be disconnected if you violate our rules pertaining to the use of service in a manner which interferes with the service of others or to the operation of nonstandard equipment. Telephone service may be disconnected **without notice** where a known dangerous condition

exists for as long as the condition exists or where service is connected without authority by a person who has not made application for service or without authority following termination of service for nonpayment. Where reasonable, given the nature of the hazardous condition, a written statement providing notice of disconnection and the reason therefore shall be posted at the place of common entry or upon the front door of each affected residential unit as soon as possible after service has been disconnected.

See page 32.

## Consumer Information

### Our employees carry company identification cards

Every Southwestern Bell Telephone employee is required to carry an identification card with that employee's name and photograph. If you have any doubt that the person contacting you is an employee of our company, ask to see that person's identification card.

### Telephone Safety

The telephone is one of the safest appliances in your home or office, but there are a few situations where a telephone user should be cautious

• **DO NOT** use the telephone while you are

• in the bathtub, shower or swimming pool. Putting the telephone in water could cause a shock.

• Avoid using the telephone during electrical storms in your immediate area. Urgent calls should be brief. Southwestern Bell Telephone uses protective measures to limit electrical surges from entering your home, but absolute protection from lightning is impossible.

• If you suspect a gas leak, report it immediately, but use a telephone away from the area in question. The telephone's

electrical contacts could create a time spark when you dial. While unlikely, it is possible that this spark could ignite heavy concentrations of gas.

### Annoying or Harrassing Calls

It is a crime under state and federal laws for anyone to make obscene or harassing telephone calls. These laws have penalties of imprisonment and/or fine. If you ever receive obscene, abusive, harassing or threatening calls, follow these suggestions:

1. Hang up at the first obscene word. Hang up if the caller remains silent the second time you say hello.

Remember, YOU CONTROL YOUR TELEPHONE, not the person calling.

2. Do not give any information, such as your name or address, until the caller has been properly identified.
3. Advise your children and guests not to give out any information. If you are not at home, those answering your telephone should be instructed to say, "They're busy right now, may I take a message?"
4. If calls persist, call your local service representative at 1 + 800 + 464-7928 to discuss your options.

Your telephone bill is the most important document you should read carefully. It tells you how much you are charged for and how to pay it.

## Features About Your Bill

**Your bill from Southwestern Bell Telephone may include charges from other companies.**

Other companies that provide long distance calling services may arrange with Southwestern Bell Telephone to do their billing for them. If you subscribe to one or more of these companies, their charges may appear in your monthly telephone bill.

For your convenience, continue to make your payments to Southwestern Bell Telephone in the same way you always have. Even though your bill may include charges from one or more other companies, you make one payment for the total amount to Southwestern Bell Telephone.

**For questions about your bill, call the appropriate company**

Your bill is separated into sections that describe the charges for each company. Each section includes the telephone number to call

if you have a question about that company's portion of your bill. To help you get answers most efficiently, be sure to call the appropriate telephone number listed on the page you have a question about.

**Here are some brief descriptions**

- **Southwestern Bell Telephone** will continue to send your bill each month at the regularly scheduled time for your account.
- **Your payments** also will be due at the regularly scheduled intervals.
- **Payment return page** — This is the first page of your bill and should be returned with your payment.

If also shows the total amount due, and includes the mailing address of the location to send your payment.

### **Bill Summary**

This page shows the current status of your account—the amount of your last bill and the amount now due. Total charges are listed here by company for both Southwestern Bell Telephone and other companies we bill for.

### **Detail of Charges**

This section of your bill will show the charges from Southwestern Bell Telephone for the basic monthly charge, a total of "Other Charges" and "Itemized Calls" that are detailed later in the bill.

**Other Charges** — will show any one-time charges to your account such as service connection charges or Directory Assistance charges.

**Southwestern Bell Itemized Calls** — will show the charges for long distance calls made within your Southwestern Bell Telephone service area, including the date the call was made, the length of each call, etc.

There will be a separate Detail of Charges section itemizing charges for each company that has arranged with Southwestern Bell Telephone to prepare their billing.

## Questions About Your Bill

### How am I billed?

Charges for your local monthly service are billed one month in advance.

Charges for measured local usage (if applicable), long distance calls and telegrams are based on actual use up to the date your bill is prepared.

Charges for installing or changing your monthly service usually appear on the first bill after your order is completed.

### What happens if I can't pay my bill on time?

If you can't pay by the due-by-date, please call your service representative. We may be able to make

payment arrangements. See "Alternative payment plans" on page 27 for additional information. Southwestern Bell Telephone does not apply an extra charge for residence bills paid after the due date, but repeated late payments may damage your credit record with us. You may be requested to pay a deposit or an additional deposit as a result of late payments. Late payments also may result in your phone service being disconnected.

### What happens if I pay my bill with a check that my bank will not honor?

Southwestern Bell Telephone will charge an administrative fee of \$10.60 each time a check or draft presented

for payment for service is not accepted by the institution on which it is written. The fee(s) will be billed to you automatically the following month.

### How can I get service restored if it has been disconnected for nonpayment?

All delinquent charges billed for service must be paid before your service can be reconnected.

You also must pay a charge to have the service restored.

If service is completely disconnected, all charges billed for service must be paid before the service can be reconnected.

You also will have to re-establish your credit.

As a result, an advance payment and/or deposit may be required.

## How to Call Southwestern Bell Telephone Directory Assistance

For other Directory Assistance (DA) services, follow the instructions provided by the company supplying you with long distance service.

### Charges for Southwestern Bell Telephone Directory Assistance\*

Under a plan designed to require the frequent users of Directory Assistance to pay for the costs of providing that service, single line residential and business customers pay 30 cents for each direct-dial call to Directory Assistance after the first three direct-dial calls each month. For all other types of service, different rules apply as set forth in the company's tariffs.

### Exceptions

Calls from hospital patients' bedside services and coin telephones are exempt from local Southwestern Bell Telephone Directory Assistance charges.

### Exemption for Directory Assistance charges

Also, if an impairment makes it impossible for you to look up numbers in the phone book, call your service representative to see if you qualify for exemption from charges for calls to the local Directory Assistance Operator.

### Directory Assistance Call Completion (DACC)

In most areas, Directory Assistance Call Completion is a service that provides customers the option of having their local or intraLATA eligible calls automatically completed when they request a

telephone listing from the Directory Assistance Operator.\*\* The call may be completed automatically or by the Directory Assistance Operator. The DACC portion of the call may either be billed in the same manner as the DA portion or alternately billed by using a telecommunications company calling card, billing to a third number, or collect.

Where facilities permit, DACC will be offered to all classes of service except from: Public Coin, Semi-Public, Private Pay Stations or Hotel Guests.

Three types of DACC service are offered:

**Fully automatic** – the customer receives the requested directory number from an automated voice system. The customer accepts DACC by depressing "1" from a touch-tone telephone when prompted by the DACC announcement.

These rates and/or charges are subject to change by order of the Public Utility Commission of Texas. Current rates and/or charges are always available from your business office. Only those calls within the Southwestern Bell Telephone serving area are eligible for Call Completion.

\*\*See page 37 for your Southwestern Bell Telephone serving area.

**Semi-automated** – the customer receives the requested directory number and then request the Operator to provide call completion to the requested number.

**Person-to-Person** the customer receives the requested directory number and then requests the Operator to complete the call to a specified person.

**Multiple Listing Directory Assistance** Multiple Listing Directory Assistance allows a customer to receive up to 10 telephone listings from the Directory Assistance Operator upon request. The cost for this service is 30 cents per listing for all calls exceeding the call allowance.

Customers needing more than 10 listings can make an appointment with an Operator to obtain them. The cost is \$1 per minute with a minimum of 15 minutes.

#### Ways to save on Directory Assistance charges

- Write down or highlight the telephone numbers that you frequently call.
- To get the number of someone who has recently moved, call the old number. A new number reference is generally provided.
- A second listing is available at no charge. Notify the Operator at the beginning of the call that you would like to receive two phone numbers.

- If you are not sure of the name or spelling of a restaurant, theater, store or business, check the yellow pages under the appropriate heading.

#### Exemption for Directory Assistance Call Completion Charges

Those customers who are eligible for the Directory Assistance exemption are eligible for DACC exemption.

# Long Distance Calling 35

## Southwestern Bell Telephone Long Distance Service Areas

Southwestern Bell Telephone offers long distance service within specific geographic areas. In Texas, there are 16 Southwestern Bell Telephone long distance service areas (see map on page 37.) However, we do not provide long

distance service from one service area to another, even when both areas are served individually by Southwestern Bell Telephone.

To call between the long distance service areas, customers must use another long distance company. Southwestern Bell Telephone offers access to other long distance networks, as well as access to our local and long distance

networks.

The long distance company you use will be determined by the digits you dial at the beginning of each long distance call. Nationwide Area Codes and local telephone numbers will remain the same no matter which company provides your long distance calling services.

## Easy Access Dialing Outside Your Service Area

Easy Access Dialing may not be immediately available to everyone. In addition, not all long distance companies will choose to provide this service.

If Easy Access Dialing is not available in your area, in order to use other long distance companies, you may be required to dial an access code plus an authorization code in addition to the number you are calling.

If you have contracted with a company to

provide you with long distance calling services, follow the dialing instructions they have provided you.

Easy Access Dialing may be available in your area. With Easy Access Dialing, you choose one long distance company through which you can make **1 + (or 0 +)\*** calls. To use Easy Access Dialing, you simply dial:  
**1 (or 0)\* + Area Code, + phone number**

Contact the participating long distance company of your choice to subscribe to Easy Access Dialing.

There's no charge for your initial Easy Access Dialing selection if you make your choice within

six months after the service becomes available to you.

You can also use other long distance companies by dialing:

**5-digit access code + 1 (or 0)\* + Area Code, + phone number**

You will need to establish an account with each long distance company you wish to use. Each company will provide you with their five-digit access code.

\*Not all long distance companies will choose to offer operator services. Contact your carrier to discuss your operator service options.

## Selecting a long distance company

You now have many choices when it comes to selecting a long distance company (see yellow pages.) Basically, Southwestern Bell Telephone handles the long distance calls within your service area.

When your calls cross service area boundaries, other long distance companies handle the calls. Here's what to look for when you're selecting your long distance company:

- What are the company's rates? When are special rate periods, if any?
- Does the company offer 24-hour-a-day service?
- Where can you call to and from? Anywhere

or just selected cities in the country?

- Can you make international calls?
- How does the company charge for the calls? By blocks of time? By the minute or portion of a minute?
- When does the company begin charging for the call? When it's answered or when it starts ringing?
- Does the company offer access to long distance Directory Assistance?
- Can you make collect or credit card calls?
- Can you make long distance calls outside your business and still use your carrier's line? How?
- If you're in an area that's converted to Easy Access Dialing, does the long distance company offer 1 +

dialing or do you need to dial a code?

- Do you need any special telephone equipment?
- How are you billed? Are charges itemized? Can you be billed through credit card accounts?
- Are there any monthly fees? Any initial charges? Is there a minimum charge?
- How is the quality of transmission? Do you get credit for bad connections? How?

You may or may not be interested in all the services the long distance company has to offer, like international calling. What's important is to find the service that best suits your needs. A charge usually applies for changing long distance companies.

## Holiday Rates

## Examples of Operator-Assisted Calls

### Collect Calls

You may call collect if the person or firm you are calling agrees to pay the charges. Dial 0 + the area code + the desired number. Your call will be processed through our automated call system. Or, if you prefer an operator, simply press "zero" any time during the call or ignore the recording and a courteous operator will give you personalized service.

### Calling Card Calls

For convenience in placing calls while away from your home or office, you may bill the charges to a SelectCard® or Calling Card.

Simply dial 0 + the area code + the desired number. If you are calling from a touch-tone telephone, key your card number when you hear the prompt tone. Or, when the Operator answers, give your credit card number.

If you do not already have a SelectCard, call your local Business Office (see page 4 for the telephone number to call) or dial "0" and order one today.

### Third-number Calls

You can make a long distance call from another telephone and bill it to your own telephone number or another number if that party agrees to pay for the call.

Dial 0 + the area code + the desired number. Your call will be processed through our automated call system. Or, if you prefer an operator, simply press "zero" any time during the call or ignore the recording and a courteous operator will give you personalized service. The equipment will automatically check the billing to verify that no restrictions apply. If the number is restricted the equipment will not permit the call to be processed.

When making a third number call from a public (coin or coinless) telephone, verification of the third number charge must be made by calling the third number and confirming that the charges will be accepted. If there is no confirmation, the call cannot be completed unless you make other billing arrangements.

### Time and Charges

When placing a long distance call, you may ask the Operator to tell you the length of time you talked and how much it cost. Dial 0 + the area code + the desired number. When the Operator comes on the line, say that you want time and charges when the call is completed. You must remain on the line at the end of the call to receive the time and charge quotation.

## Operator Assistance (cont.)

### Person-To-Person Calls

This is the most expensive type of long distance call. Call person-to-person when you wish to speak to a particular person or extension number. Dial 0 + the area code + the desired number. When the Operator comes on the line, say you are placing a person-to-person call and give the name of the person you wish to talk to. The Operator will leave the line when the person you're calling has answered the telephone.

### Mobile Calls (IMTS)

You can make local and long distance calls to motor vehicles equipped with phones.

Vehicles traveling within their city of registration may be dialed direct by dialing 1 + the number. Vehicles traveling outside their city of registration (roamers) can only be reached through the Mobile Operator for the desired area. Dial the Operator and ask for the Mobile Operator in the desired city.

### Cellular Calls

You can make local and long distance calls to motor

vehicles equipped with cellular phones. However, since cellular companies operate differently, dialing instructions should be provided by the company providing service to the party you're trying to reach.

### Marine Calls

You may make local and long distance calls to vessels with phones. Southwestern Bell provides service to vessels in or near the channels located in Houston, Port Arthur, and Galveston. However, these calls cannot be dialed direct. Dial the Operator and ask for the Marine Operator in the desired city.

### Conference Calls

You can talk with several people in different places at the same time by making a conference call. For a conference call within your Southwestern Bell Telephone service area, dial "0" and an Operator will assist you in reaching a Conference Operator. For a conference call outside your Southwestern Bell Telephone long-distance service area, you will need to contact a conference call provider.

## Reaching the Right Operator

Southwestern Bell Telephone provides Operator assistance for all local and long distance calls placed within a Southwestern Bell Telephone service area. (See Southwestern Bell Telephone service area map on page 37.)

**Dialing 0 + the telephone number is still the most convenient way for obtaining assistance with collect calls, calling card calls, third number billed calls and person-to-person calls. 0 + dialing for these types of services automatically connects you with the appropriate Operator.**

### When to Dial 0:

- To interrupt a call within your Southwestern Bell Telephone service area (A service charge applies)
- To verify that a number you are trying to reach within your Southwestern Bell Telephone service area is busy (A service charge applies)
- To reach an Operator for assistance in reaching an emergency agency
- To obtain credit for a long distance call placed inside your Southwestern Bell Telephone long distance service area when you have experienced trouble.

- To obtain assistance with a call from a Southwestern Bell coin telephone (a service charge may apply.)

- To place an order for a Southwestern Bell Telephone SelectCard.

### When to Dial 00:

If your long distance company provides Operator services, dial 00:

- To obtain credit for a call placed to another long distance service area when you have experienced trouble.
- If you are having trouble dialing a call outside the shaded area on the map
- If you need dialing instructions for calling overseas or Mexico.

If you are unsure whether you need to dial 0 or 00, **dial 0 and a Southwestern Bell Operator will be glad to assist you in placing your call.**

### When Calling From Southwestern Bell Telephone Pay Phones:

A number of long distance companies now offer service for long-distance calls made from Southwestern Bell Telephone pay telephones to numbers outside the Southwestern Bell Telephone service area.

## Reaching the Right Operator (cont.)

The way you dial calls from Southwestern Bell Telephone pay phones remains the same. This change simply allows other long distance companies to provide service through Southwestern Bell Telephone pay phones. However, you should be aware that the rates charged by long distance companies for service may vary.

This change involves only those pay phones owned by Southwestern Bell Telephone.

Calls dialed within Southwestern Bell Telephone's service area will still be processed by Southwestern Bell Telephone.

Calls dialed to cities outside Southwestern Bell Telephone's service area will be routed automatically to the long distance company serving the pay phone that you are using. The name of the long distance company will be posted on the pay phone.

If you dial 0+, the Operator who answers your call should identify the long distance company you have reached so you will know which company will handle your call. If you have any questions about rates and billing, you should ask the long distance Operator before placing the call.

Of course, if you need assistance, you may still reach a Southwestern Bell Operator by dialing 0.

## Automated Alternative Billing Service (AABS)

Would you like to make collect or third-number billed Southwestern Bell\* long-distance calls without an operator's assistance?

You can! Texas customers can use the Automated Alternative Billing Service (AABS) from any home, business, mobile or Southwestern Bell Coin telephone for calls within your Southwestern Bell\* long-distance calling area.

Simply dial "zero" followed by the area code and phone number. A recording will walk you through the steps required to place and bill the call.

Just Dial "0" + Area Code + 7-Digit Phone Number

Want to speak with an operator? Dial "zero" any time during the call, or ignore the recording. A helpful, courteous operator will give you personalized service.

\* A map showing the Southwestern Bell long-distance calling areas can be found on page 37.

## International Calls

If you have contracted with a company that provides you with international calling services, follow the dialing instructions they have provided you. The instructions listed on this page are commonly used to complete international calls.

To place a direct-dial international call from Easy Access Dialing location (where available), dial:

**011 + Country Code + City Code + Local Number**

To place an operator-assisted call, dial:

**01 + Country Code + City Code + Local Number**

### To call Mexico

Most locations in Mexico can be reached by using the international dialing (011) instructions:

For example:

**011 + Mexico Country Code (52) + City Code + Local Number**

## Need Further Assistance?

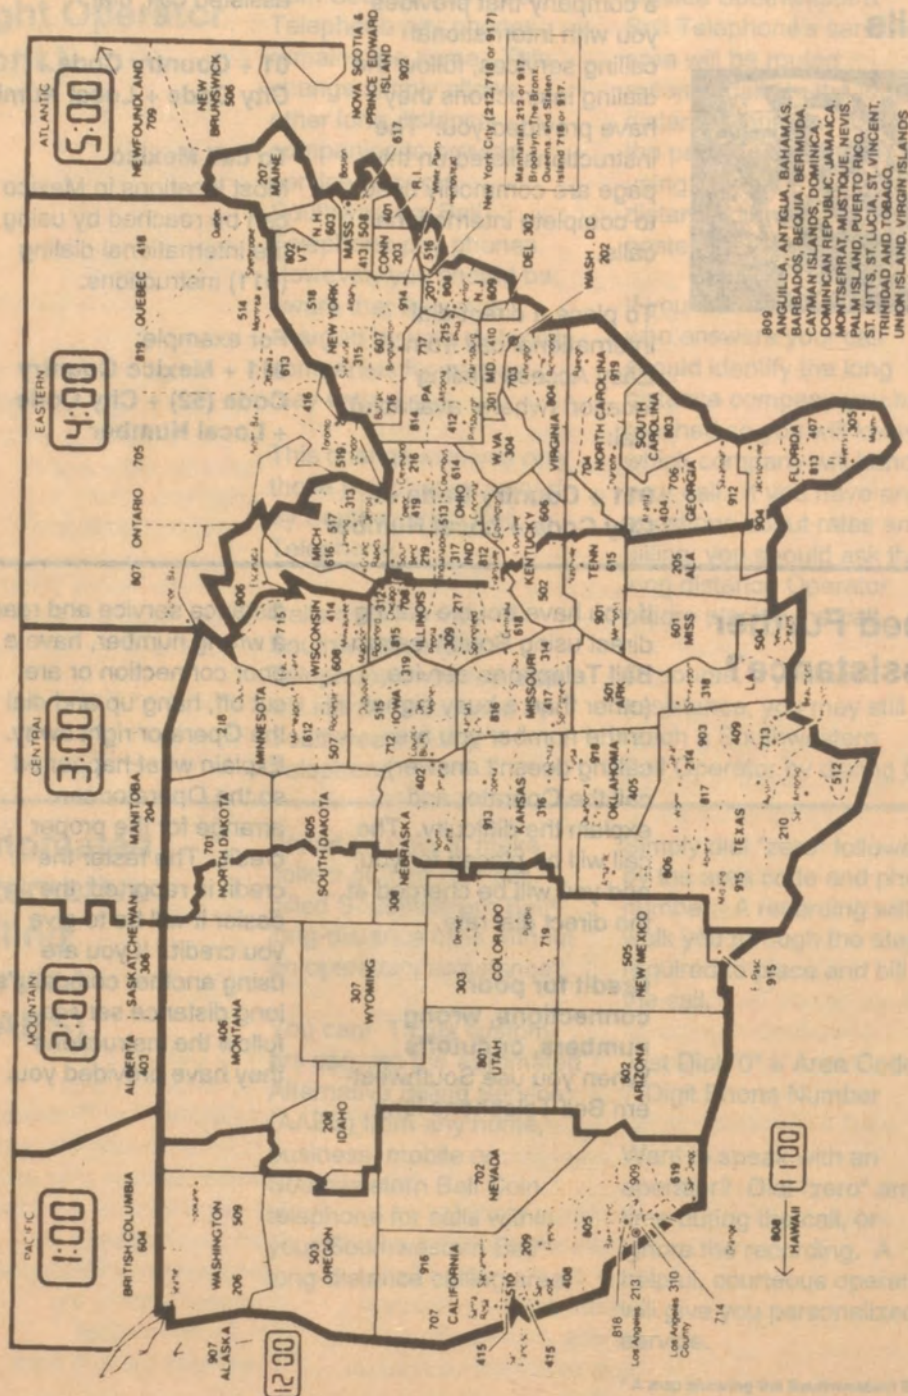

If you have trouble dialing direct using Southwestern Bell Telephone service, (other than a busy signal or the number you are calling doesn't answer) call the Operator and explain the difficulty. The call will be placed for you, and you will be charged at the direct dial rate.

### Credit for poor connections, wrong numbers, or cutoffs

When you use Southwestern Bell Telephone long

distance service and reach a wrong number, have a poor connection or are cut off, hang up and dial the Operator right away. Explain what happened so the Operator can arrange for the proper credit. The faster the credit is reported, the easier it will be to give you credit. If you are using another company's long distance service, follow the instructions they have provided you.

# There's A Message In All Of This.

## Get Your Teenagers Their Own Phone Line.

Someone's got your number. It's Bob, Peggy, Gary, Kelly, Tim, Cindy, Shawn and all the kids who leave urgent phone messages for your teenagers. Day in and day out. Messages which take you away from what you're doing when your kids aren't around to take their own calls. Sound familiar?

Then give your teenagers their own phone line, with their own private number, from Southwestern Bell Telephone. That way they'll take

more responsibility for their calls. You won't have to take any more of their messages. And everyone takes care of their own business.

Stop running an answering service for your teenagers. Call to order a second phone line or receive a free brochure. You'll find our message very easy to take.

## WARNING - EMERGENCY CALLS ON PARTY LINES

It is unlawful to refuse the use of a party line to another person for the purpose of permitting such person to report a fire or summon police, medical aid or ambulance service in an emergency situation where property or human life is in danger. It is also unlawful for anyone to falsely claim an emergency to gain access to a party line. The maximum penalty, upon conviction, is imprisonment for 30 days or a fine of \$500 or both.

## DIALING INSTRUCTIONS

**FOR PARTY LINE USERS** - Always listen to make sure the line is not in use before you attempt to dial.

**HOW TO CALL ANOTHER PARTY ON YOUR LINE** - Dial the directory number then you will hear a recording that the number you have dialed is on your line. Please hang up your receiver and allow time for your called party's telephone to ring. Then pick up your receiver to converse.

**HOW TO PLACE LONG DISTANCE CALLS** - Please refer to the Customer Guide pages on How to Place Your Long Distance Calls.

**PARTY LINE COURTESY PAYS** - When several persons are sharing the use of a telephone line, consideration and courtesy are important to all. Everyone will receive better service if each subscriber on the line will observe these simple rules of courtesy. Be as brief as possible...space your calls so that the other party can place his calls...and give up the line to the neighbor who needs it for an emergency use.

**HUTTO CUSTOMERS MAY CALL THE TAYLOR EXCHANGE BY DIALING THE 7 DIGIT TAYLOR NUMBER.**

# We Got The Idea For Our Calling Services By Accident.

You never know when something is going to happen, but isn't it nice to know you're prepared for any emergency?

With Call Waiting and Call Forwarding, emergency calls can reach you easier, whether you're on your phone or even away from home. Speed Calling helps you dial important numbers, including your doctor, quickly and efficiently. And you can even speak with your doctor

and a sick loved one at the same time with the help of Three-Way Calling.

Call today to get all of these services, just one or two, or to ask for additional information. Because when there is an emergency or accident, no news isn't necessarily good news.

**Call 1-800-234-BELL.**

 **Southwestern Bell Telephone**

**"The One to Call On".**

# A SelectCard® Calling Card Keeps You Connected.

There's one card you can't afford to be without. Your Southwestern Bell Telephone SelectCard® calling card. Whether it's business or pleasure, use it often to stay in touch.

It's fast and easy. Forget fumbling for change, calling collect or making third-number-billed calls. Just use your SelectCard. No more access codes. Your SelectCard number is your area code, home phone number and a four-digit PIN that you can choose yourself. Just dial "0" and the number you want to call.

Whether you're calling across town or around the world, from whatever phone, over whichever major long-distance carrier you choose, it's easy with SelectCard.

And the best part is the SelectCard is FREE. Charges apply only when you use it. With a SelectCard calling card from Southwestern Bell Telephone, you can place local and long-

distance calls, use Directory Assistance or make operator-assisted calls, and have them charged automatically to your monthly phone bill.

## Make It Easy To Keep In Touch.

If you have children, parents or others you'd like to have call you more often, give them a Keep In Touch® SelectCard. Across town or across the country they'll always be able to call you (and only you) even if they don't have any change. These calls will appear on your telephone bill.

Is your business unique from others?  
Do you offer something special? Then tell  
your customers about it in the place they  
go when they're ready to buy. Swbyp's,  
the Southwestern Bell Yellow Pages.  
A sales representative can help you  
design an effective ad that tells  
people everything they should  
know about your business.

A Swbyp's® Green Tip

## Save Gas, Reduce Pollution!

Don't let your car idle  
unnecessarily. It takes less  
gas to start a car than it  
takes to let it idle. Idling for  
more than 1 minute is less  
fuel-efficient than restarting  
the car.

The location of kitchen appliances affects their energy efficiency. If possible, avoid placing a dishwasher next to the refrigerator. The heat and moisture will make the fridge work harder to stay cool, using more energy. If you can't separate them, insulation can minimize the effect.

Creative advertising such as that done in newspapers, television and radio makes people want to buy. Directional advertising in Swbyp's, the Southwestern Bell Yellow Pages, provides the who and where when customers are ready to buy. It's the place where people go to get what they want.

# An Open Letter to Customers Who Buy Advertising by Telephone:

*We at Southwestern Bell Yellow Pages strive to produce directories which are the most complete and accurate sources of information on products and services available.*

*Most advertising in this directory has been sold by Publisher's representatives who have provided the Advertisers with a written agreement. Some of the listings and advertisements appearing in this directory, however, have been sold by telephone sales representatives. This page, therefore, outlines the terms and conditions which define the rights and obligations of the Publisher, Southwestern Bell Yellow Pages, Inc., and the Advertisers regarding the placement of directory advertising without written agreement.*

## 1. Complete Agreement.

This Agreement, and all other agreements for directory advertising, if any, between Advertiser and Publisher constitute the entire obligation between the parties for the directory advertising described on the reverse side hereof and all other directory advertising placed by Advertiser in Publisher's directories (separately and collectively, the "Advertising.") Any amendment or modification must be reduced to writing and be signed by the duly authorized representatives of each party.

## 2. Term.

Advertiser hereby applies for the Advertising to be inserted in Publisher's next directory issue and in each subsequent issue, until this Agreement has been cancelled or superseded by a subsequent written agreement.

## 3. Disclaimer of Warranties and Limitation of Publisher's Liability.

(a) Publisher intends to use its best efforts to ensure that all advertising is published in accordance with this Agreement, but Publisher acknowledges and Advertiser agrees that errors, omissions, delays or other mishaps may sometimes occur. Publisher sets rates and accepts business only upon the basis that Publisher is under no liability in such a case, except as provided herein.

(b) ACCORDINGLY, IT IS A FUNDAMENTAL TERM OF THIS AGREEMENT AND ADVERTISER AGREES THAT PUBLISHER'S LIABILITY IN MONEY DAMAGES SHALL RELATE TO THE DEGREE OF ERROR MADE IN CONTEXT TO THE TOTAL ADVERTISING, BUT IN NO EVENT SHALL SUCH LIABILITY EXCEED AN AMOUNT EQUAL TO THAT PAID FOR THE ITEMS OF ADVERTISING OMITTED, OR IN WHICH THE ERROR OCCURS, FOR THE ISSUE LIFE OF THE DIRECTORY. PUBLISHER SHALL NOT BE REQUIRED TO CORRECT ANY ERROR OR OMISSION IN THE ADVERTISING, NOR TO GIVE ANY NOTICE TO USERS OF ANY ERROR OR OMISSION.

## 4. Cancellation or Modification By Advertiser.

(a) Advertiser may cancel this Advertising in the next directory issue by written notice received by the Publisher on or before the scheduled customer close date ("close date") shown on the face of this Agreement, and on or before the close date for subsequent issues.

(b) Advertiser must notify Publisher in writing of any changes in address, telephone number or otherwise not less than five (5) business days before the close date for the next directory issue and for each subsequent issue.

(c) Any change in ownership, name, management or operation of Advertiser shall not modify or cancel this Agreement, except as provided in (b) above.

## 5. Cancellation By Publisher.

Publisher reserves the right at any time, without prior notice to Advertiser, to cancel or reject all or any of the Advertising for late or nonpayment by Advertiser under any agreement with Publisher or for noncompliance with Publisher's Specifications and Standards.

## 6. Payment of Charges; Refusal of Future Advertising.

(a) Advertiser shall pay the total charges shown on the face of this Agreement, plus any additional charges for account set-up when shown on the advertising copy sheet. Publisher may require payments in advance of all or part of the total charges by the close date. Advertiser shall pay the balance of total charges in one payment upon publication or, at Publisher's discretion, in twelve (12) equal monthly payments.

(b) If any payment due under this Agreement is not made on or before the due date specified in Publisher's invoices, Advertiser agrees to pay a late charge at the rate of 1 1/2% per month (or the highest lawful rate) on the entire delinquent amount.

(c) Advertiser agrees that if it has agreements with Publisher for advertising in more than one directory, or multiple agreements for any directory, the Advertising may be billed on one statement. FURTHER, UPON ADVERTISER'S FAILURE TO MAKE PAYMENT WHEN DUE UNDER ANY ONE AGREEMENT, ALL PAYMENTS IN ALL AGREEMENTS BILLED ON ONE STATEMENT SHALL BECOME IMMEDIATELY DUE AND

PAYABLE. SHOULD ADVERTISER REMAIN DELINQUENT IN THE PAYMENT FOR THE ADVERTISING, PUBLISHER RESERVES ITS RIGHT TO REFUSE ANY AND ALL ADVERTISING IN ANY DIRECTORY WHETHER OR NOT AN AGREEMENT REGARDING THE SAME HAS BEEN SIGNED BY ADVERTISER AND PUBLISHER.

(d) In the event that Advertiser fails to pay in accordance with this Agreement, Advertiser agrees to pay Publisher's collections costs, including but not limited to attorney's fees, collection agency costs, and court costs.

(e) No acceptance of any payment or instrument marked with any restrictive or other limited or conditional endorsement shall be deemed a waiver of any rights of the Publisher.

## 7. Charges for Subsequent Issues; Extended or Reduced Issue Life.

(a) The total charges for the Advertising covered by this Agreement may be increased by Publisher for each subsequent directory issue. Publisher may not increase the total charges by more than 20% in any year without written approval by Advertiser.

(b) Publisher may extend or reduce the issue life of any directory by not more than six (6) months. Advertiser's total charges hereunder shall be proportionately decreased (if the directory issue life is reduced) or increased (if the directory issue life is extended).

## 8. Copyrights and Trademarks; Business or Professional Advertising.

(a) Advertiser assumes full responsibility for and warrants that it is the owner of or is entitled to use any copyrights, trademarks and tradenames in its Advertising. Advertiser agrees to defend and indemnify Publisher from all claims, losses, and judgments arising from or claimed to have arisen from the use of such marks and names, together with expenses, attorney fees and court costs incurred by Publisher.

(b) Advertiser warrants that it is authorized to engage in the business or profession described in the Advertising and by the classified headings designated on the face of this Agreement. Advertiser agrees to defend, indemnify and save Publisher harmless for all damages arising from any advertising that does not meet the requirements of state or federal laws prohibiting false, fraudulent, deceptive or misleading advertising, or that otherwise fails to comply with any other standard applicable to Advertiser.

## 9. Publisher's Reservation of Rights.

(a) Publisher shall have sole ownership of any copyright obtained in the directory or portions thereof in which the Advertising appears. Publisher may permit others to copy or reproduce pages of its directories, including those in which the Advertising appears.

(b) The copy, cuts, illustrations and other art work, excluding registered trademarks and servicemarks, used in preparation of the Advertising are the property of Publisher. Advertiser agrees the Advertising may not be reproduced or assigned for reproduction, in whole or in part without the express prior written consent of Publisher.

(c) Publisher is not obligated to make a proof copy of the Advertising. Advertiser's obligation to pay is not contingent upon Advertiser's receipt and/or approval of a proof copy.

(d) The Publisher may, without notice, change the classified headings. No specific position or paging for the Advertising is guaranteed. A delay in implementation of any of Publisher's rights shall not be deemed a waiver of such right.

## 10. Advertiser to Honor Any Discounts.

Advertiser agrees to honor all discounts or special offers made in the Advertising in accordance with their terms.

## 11. Severability.

If any portion of this Agreement is invalid under applicable law, it is only to that extent to be omitted, and all other Terms and Conditions of this Agreement shall retain their force and effect.
