The information in this directory was correct on the date this directory was compiled, but is subject to change by order of the Public Utility Commission of Texas.

This directory contains Important Information about your rights as a telephone customer starting on Page 37 on this "Help" Guide.

If you are not a Southwestern Bell customer, please consult your local telephone directory for emergency numbers.

Notice: Automatic Number Identification... When you dial a 700, 800, 888 or 900 number from your telephone, your number may be transmitted to the company you have called and may be available to that company before your call is answered.

Cellular 9-1-1 Calls... When calling 9-1-1 on a cellular phone, be prepared to provide the following information: your name, cellular phone number, nature of the emergency, and the location of the incident. Please note: Your call may be answered by a telephone company operator or a 9-1-1 dispatcher outside of your area.

Privacy Considerations... The 9-1-1 emergency telephone number quickly summons emergency service in a crisis. When you report an emergency by dialing 9-1-1, your telephone number (including non-published numbers) and address may be automatically displayed on a viewing screen located at the 9-1-1 answering centers and your call may also be recorded. This display of the calling number and address enables the emergency agency to quickly locate the caller if the call is disrupted by the crisis.

Callers who do not wish to have their telephone number or address displayed on the viewing screen should report an emergency by dialing the seven-digit telephone number of the appropriate emergency agency. For blocking options, see the Caller ID section of this Directory's "Help" Guide pages.

About Your Southwestern Bell EasyOptions Services:

If you use Auto Redial, Call Forwarding, Selective Call Forwarding, Call Return, or Remote Access to Call Forwarding to call a long-distance number, you will be charged a long-distance rate and the telephone number will appear on your bill.

To use many optional services, you must subscribe to Touch-tone service, or place your telephone in the tone mode after dialing the access code. If you are using a rotary dial telephone, simply press 11 in place of *, ignore the # instruction, and wait four seconds before proceeding. Several optional services involve special use of the # key, the switchhook or the phone's ringing pattern. However, some telephones limit the use of these features. Please call the manufacturer or distributor of your phone if you have questions.

Not all services are available in all areas on all calls. Some calls may be blocked or unavailable—other restrictions may apply.

Sobre los servicios EasyOptions de Southwestern Bell:

Si usted usa Auto Redial (Remarcado Automático), Call Forwarding (Traslado de Llamadas), Selective Call Forwarding (Traslado Selectivo de Llamadas), Call Return (Regreso de Llamadas) o Remote Access to Call Forwarding (Acceso Remoto a Traslado de Llamadas) para llamar a un número de larga distancia, se le cobrará un cargo de larga distancia y el número telefónico aparecerá en su factura.

Para usar muchos de los servicios opcionales, usted tendrá que suscribirse al servicio Touch-tone (de teclado) o ajustar su teléfono al modo de tono después de marcar el código de acceso. Si usted está usando un teléfono de disco, simplemente oprima 11 en vez de *, ignore la indicación acerca de # y espere cuatro segundos antes de continuar. Varios servicios opcionales requieren del uso especial del signo de #, del gancho de colgar, o de los diferentes timbres del teléfono. Sin embargo, algunos teléfonos limitan el uso de estas funciones. Si tiene alguna pregunta, comuníquese con el fabricante o el distribuidor de su teléfono.

No todos los servicios están disponibles en todas las áreas ni en todas las llamadas. Algunas llamadas se pueden bloquear o no estar disponibles. Se podrían aplicar otras restricciones.

Caller ID

"Find out who's calling — before you answer the phone."

The hero of your favorite TV show is just about to solve the murder when your phone rings. Luckily, you've got Caller ID. You check the display unit. It's your pesky neighbor again — you can choose not to answer.

Caller ID displays the number and/or name of an incoming caller on special equipment and stores the information for you. You can find out who called while you were away, even if they didn't leave a message.

For more information, call toll-free **1-888-29-GUIDE** and select code **6031**.

CallNotes® Voice Mail

"A better way to get your messages"

Tied up with your hectic life? CallNotes voice mail gets the message when you're busy and does things an answering machine can't. Like answering when your line is busy, when you're surfing the Internet or when you choose not to answer your Call Waiting. Callers won't get a busy signal and you can pick up your messages virtually anytime, anywhere, at your convenience. All you need is a touch-tone phone. CallNotes Plus gives you extension mailboxes, Pager notification and reminders.

For more information, call toll-free **1-888-29-GUIDE** and select code **6043**.

CallNotes Customer Service is available seven days a week. Just call 1-800-824-4424.

Call Waiting

"Important calls get through."

The phone rings. It's your pesky neighbor asking if he can borrow the hedge trimmer again. At the same time, your teenager calls you on her car phone from across town, where she's stranded with a flat tire. If you have Call Waiting, you won't miss her call.

Call Waiting alerts you so you know there's another call coming in when you're already on a call. You can put your neighbor on hold and tell your daughter you'll be right there.

For more information, call toll-free **1-888-29-GUIDE** and select code **6032**.

*69 Call Return * 6 9

"Catch the calls you just missed."

You're struggling up the porch steps with five bags of groceries when you hear the phone ringing. You fumble for the keys. You drop the keys. You drop the groceries. You manage to get the door open and rush to the phone—just in time to hear the caller hang up.

With *69 Call Return, there's no need to rush. *69 Call Return calls back the last number that called you (for up to 30 minutes) — even if you don't know who it was.

For more information, call toll-free 1-888-29-GUIDE and select code 6012.

*66 Auto Redial * 6 6

"*66 Auto Redial does the dialing for you."

You have to reach your company's supplier immediately. Or maybe it's a friend or family member that you're trying to reach. But you keep getting a busy signal. You've got better things to do than dialing the number over and over. Let *66 Auto Redial do the dialing for you. By dialing *66, your phone will try to reach the busy party for up to 30 minutes. When the call goes through, your phone rings you back with a special ring.

For more information, call toll-free 1-888-29-GUIDE and select code 6011.

Three-Way Calling

click, dial, click

"Talk with two people at once."

An emergency's come up, and you have to reschedule your lunch date. You need to reach the two friends you were supposed to meet. Good thing you don't have to make time-consuming, separate calls to check with them one at a time.

With Three-Way Calling from Southwestern Bell, you can talk with both of them at once to change the date, pick a time, and agree on a restaurant — all with a single call. Three-Way Calling also lets you put one person on hold while talking to another.

For more information, call toll-free 1-888-29-GUIDE and select code 6022.

Call Forwarding 7 2

"Take your calls with you wherever you go."

Great news — you're going away on vacation. Not-so-great news — burglars may call to see if your house is empty while you're away. Don't worry. With Call Forwarding from Southwestern Bell, you can have your calls forwarded to just about anywhere, including your cabin by the lake. So have a carefree vacation. And you won't miss a call.

For more information, call toll-free 1-888-29-GUIDE and select code 6021.

SelectiveCall Forwarding * 6 3

"Only your important calls will follow you."

Don't let an important call chain you to your phone. With Selective Call Forwarding from Southwestern Bell, you can have only your important calls forwarded to your car phone, your sister's house — wherever.

Remote Access to Call Forwarding

"Change the number your calls are forwarded to — even if you're away."

With Remote Access to Call Forwarding, you can turn Call Forwarding on or off, or change the number your calls are forwarded to — from any touch-tone phone.

For more information, call toll-free 1-888-29-GUIDE and select code 6021.

Call Blocker * 6 0

"Stop unwanted calls."

It happens again: You answer the phone and the caller hangs up on you. This has been going on ever since your teenage son broke up with his girlfriend. Well, enough is enough. Time to use Call Blocker from Southwestern Bell.

Call Blocker rejects calls from up to 10 specific numbers. The last number called (even if you don't know what it is) can be put on the list, too. So the caller who's annoying you will hear a recorded message saying you're not accepting calls. And your phone won't even ring.

Caller ID Services From Southwestern Bell

Caller ID Services from Southwestern Bell are designed to protect your privacy and give you more control over how you use your phone. These services include Calling Number Delivery, Calling Name Delivery, and Anonymous Call Rejection.

Calling Number Delivery and Calling Name Delivery

Caller ID is an optional service that lets the subscriber know who is calling even before picking up the phone. Caller ID allows you to see the date, time, and phone number (Calling Number Delivery) and/or name (Calling Name Delivery) of most direct-dialed local calls and some long-distance calls on a special display unit. A display unit is required, which stores the number and name, as well as the date and time of the call. That way if you're not home, or just don't want to

answer the phone, the stored numbers will permit you to return calls. This also works with answering machines or voice messaging systems ... even if the caller doesn't leave a message. These units are available from various retail vendors, including Southwestern Bell. Each time you make a phone call, your name and number will be automatically sent to the Caller ID subscribers in your area unless you choose to block that information.

Blocking Delivery Of Your Number

If you should ever want to "block," or prevent sending your number and name to Caller ID subscribers, you need only dial *67 (on a Touch-tone phone) or 1167 (on a rotary phone) before dialing the telephone number. Then you will hear a "stutter" tone which tells you "per-call" blocking is working. Calls blocked on a per-call basis will be displayed on the Caller ID display unit as "anonymous" or "private." Per-call blocking is free of charge and automatically available on everyone's line wherever Caller ID is available. There is no need to subscribe to Caller ID to have per-call blocking.

It is important to keep in mind that even if you have a non-published or non-listed number, your number will be passed along unless you choose to block on a per-call or per-line basis. We believe per-call blocking will provide you with flexibility in those situations when you do not want to have your

telephone number or name delivered to Caller ID subscribers.

However, if you have a compelling need for per-line blocking, meaning you want to always have your number and name blocked, you can have per-line blocking at no charge by mailing a written request for per-line blocking. The request must include (1) your name, address and telephone number (as shown on your bill), (2) your signature, and (3) the following statement: "I have a compelling need for per-line blocking." Then mail the request to: Southwestern Bell, PO Box 80349, Austin, Texas 78708. You need not explain your compelling need because all requests are AUTOMATICALLY granted. Or, you may obtain per-line blocking by simply completing the reply card which will be sent to you before the service is offered and dropping it in the mail. If at any time you want to cancel per-line blocking, and reinstate per-call blocking, just call the Southwestern Bell Service Center. Per-line blocking automatically blocks a customer's number on every call without the need to dial *67 or

1167. Calls placed from a line that subscribes to per-line blocking will be displayed on the Caller ID display unit as "anonymous" or "private."

Customers who subscribe to per-line blocking can un-block their name and/or number on a call-by-call basis. You can turn off per-line blocking on a specific call by dialing *82 (on a touch-tone phone) or 1182 (on a rotary phone) before dialing the phone number. This feature turns off per-line blocking for only the call placed after *82 or 1182 is dialed, and will result in your name and/or number being received by subscribers of Caller ID. Once the call is ended, per-line blocking will be restored. If you select per-line blocking, then calls to ACR customers (see the following page) will not be completed. If you must reach that customer, you may do so by dialing *82 or 1182, calling from a pay phone or cellular phone, making a credit card or operator-assisted call, or asking someone who does not have per-line blocking to place the call for you.

*Caller ID is available in most areas.

Caller ID Services From Southwestern Bell

Examples of Caller ID Messages

Currently there are some calls that Caller ID won't identify. These include cellular calls, some long-distance calls, operator-assisted calls, and calls originating in areas where Caller ID is not available. For these calls, the Caller ID display unit

will display the message "out of area." Even though you won't have the number, you will still have information about the call, such as the date and time. Below are examples of what will likely be displayed, depending on the type of calls received.

Anonymous Call Rejection (ACR)

Anonymous Call Rejection (ACR) is a Caller ID Service that allows a subscriber to automatically reject all calls that have been marked anonymous, or blocked. It is not necessary to subscribe to Calling Number Delivery or Calling Name Delivery to subscribe to ACR, nor is a display unit necessary. With ACR, the telephone will not ring if the person calling you has blocked his or her number through per-call or per-line blocking. The caller will receive a message that the party he or she is trying to reach is not accepting calls from a blocked number. The caller will be instructed to redial without blocking the number or be asked to call the operator for

assistance in completing the call. (An operator-handling charge will apply). ACR service also allows you the flexibility to turn on or off your ACR service by dialing a code, which will be provided upon subscription to ACR.

It is important to remember that both per-call and per-line blocking will not block your billing telephone number to Emergency 9-1-1, nor will it currently prevent your number from being transmitted on 700, 800, 888 or 900 calls. Also, calls made from a pay phone cannot be blocked.

Not all services are available in all areas.

Information on 900/976 Calls

Calls to 900/976 Numbers Will Result in a Charge Per Call

A number of entertainment and informational programs offered by information providers ("sponsors") are available on telephone numbers that begin with 900 or 976. There is a charge for such calls. The amount of the charge for each call to a 900/976 service is determined by the sponsor and can vary among individual 900/976 programs. The charge for a 900/976 program must be clearly stated as part of the

900/976 message. Any advertisement promoting 900/976 service must clearly state the charge for the call.

Programs offered by 900/976 sponsors are recorded only (no "live" two-way conversations). The content of 900/976 programs is developed and produced by the sponsor and not by the telephone company. **But Southwestern Bell can refuse to allow unsuitable programs or language on its 900/976 network.**

Billing Information

Charges for calls placed to 976 numbers will appear on the customer's monthly Southwestern Bell bill. Charges for calls placed to 900 numbers may appear on the customer's monthly Southwestern Bell bill. The customer

is obligated to pay such charges. A customer's local telephone service cannot, however, be suspended or disconnected for non-payment of 900/976 charges.

No Charge for Blocking 900/976 Calls

If calls to 900/976 programs are a problem due to unwanted charges, or if a customer wishes to avoid the potential of uncontrolled usage, customers may request 900/976 Call Restriction, which is free, and the telephone company will block access to all 900/976 numbers. Calls to 900/976 services cannot be blocked separately. When access is blocked to one service, the other is automatically blocked also. Some customers' telephone numbers do not have access to 900/976 calls at all.

To request the free blocking service, call your local Southwestern Bell Service Center. Some restrictions do apply.

In addition to the free blocking service, Southwestern Bell can require mandatory blocking of 900/976 programs for nonpayment of charges incurred by a customer. There is a one-time charge to the customer when mandatory blocking is required.

Before Dialing 900/800 Numbers, Please Note

When an 800 or 900 number is dialed from your telephone, your telephone number may be transmitted to the company you have called and

may be available to that company's service representative before your call is answered.

Southwestern Bell Repair Service

If you need to report a problem with your telephone service, Southwestern Bell is here to help, 24 hours a day, every day. Southwestern Bell's Repair Service Center is staffed with highly trained experts who can conduct sophisticated tests on your line instantly ... just seconds after you report the problem. And the tests are always free.

Repair Charge Policy

We repair the phone lines on Southwestern Bell's side of the network interface at your home or business at no charge to you.

There will be a charge if you ask us to make a repair visit, and the trouble turns out to be on your side of the network interface such as:

- In your telephone or other phone equipment;
- In the inside wiring in your home or business.

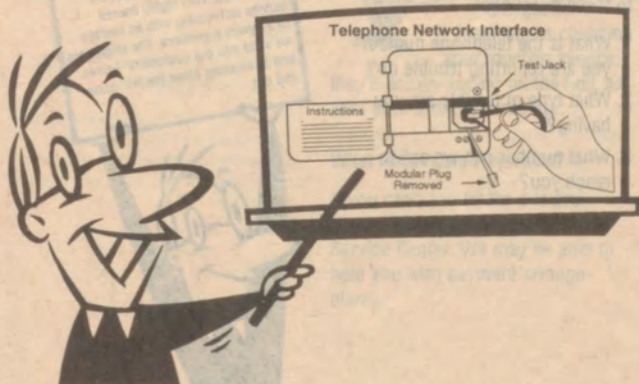

Repairs you ask us to make to your inside wiring require an additional charge, unless you subscribe to our InLine® Plus or InLine® wire maintenance services.

Check Before You Call

To save yourself unnecessary charges, here are a few simple things to do before calling our Repair Service Center:

- Look for problems on your telephone, like cracked plastic housing, a broken or frayed cord, or lights that don't work.
- If you have just one phone, unplug it and plug in a borrowed phone. If the borrowed one works, the problem is in your telephone.

- If you have more than one phone, make sure each phone's receiver is on the hook. Then unplug every phone. Plug each phone back into any wall jack one at a time, and check each phone for dial tone as you go. The phone that makes the line go dead is the one needing repair.
- If all your phones are not working, take a single-line phone to your Telephone Network Interface box. This small box is usually located on the outside wall of your home or business, near the electric meter. Open the box and locate the "test jack" inside. Remove the modular plug from the test jack; wait three minutes, and insert the modular plug from your phone. If the problem disappears when you use the test jack, the problem is in your inside wiring or phones. If the problem occurs again when you plug your phone into the test jack, the problem is in our telephone lines. Call us and we'll fix it for free.

Operator Assistance From Southwestern Bell

Our experienced Southwestern Bell Operators are at your service, 24 hours a day, 365 days a year to help you with your long-distance and local calling needs. The Southwestern Bell operator who answers your call lives and works here in Texas and knows the state and its people.

Reaching The Right Operator

Dial **0**... if you will be placing an Operator Assisted call.

Dial **0** + (Area Code) + seven digit number... and your call can then be handled by our easy-to-use, automated call system or a Southwestern Bell Operator.

Types of Operator-Assisted Calls

Collect Call:

A long-distance call in which the person or firm answering the call agrees to pay the charges.

Conference Call:

A call that lets you talk with several people in different places, either local or long-distance, at the same time.

Third-Number Billed Call:

A long-distance call you place while you're away from your home or office, but is still billed to that phone number — or any other phone number if the party at that number agrees to pay for the call. Our Operator may verify the third number charge before placing your call.

Person-To-Person Call:

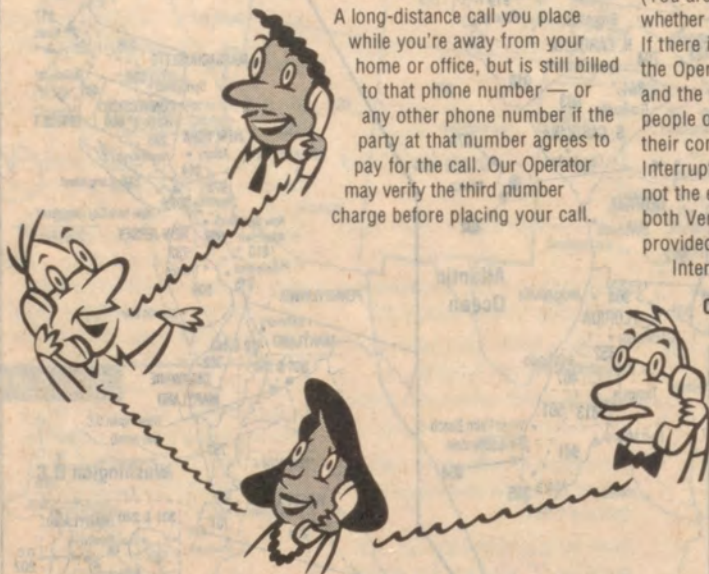

Choose this type of long-distance call when you want to speak to only one specific person or extension number. Charges apply only if you reach that person.

Verify Busy and Interrupt Service:

When you get a busy signal, you can have the Operator verify the line to find out if there is conversation. (You are charged for the service whether or not there is conversation.) If there is conversation, you can ask the Operator to interrupt the line, and the Operator will find out if the people on the line are willing to end their conversation. (The charge for Interrupt Service applies whether or not the existing call is ended.) When both Verify Busy and Interrupt are provided on the same call, only the Interrupt charge applies.

Calling Card Call:

By providing your Southwestern Bell or other calling card number to the Operator, you can charge a local or long-distance call to your home or office number.

Placing Operator-Assisted Calls

To place a calling card, collect call, third-number billed call or person-to-person call:

Dial **0** plus the 10 digit telephone number. When an Operator comes on the line, say which type of call you would like to make. The Operator will ask you the necessary information and place the call for you.

In some locations, the convenient, automated call system places calls for you without Operator assistance — all you do is follow the instructions. Before it places your call, the system will confirm that the number used for billing allows collect or third-number billed charges.

To place a conference call inside your Southwestern Bell regional calling area:

Dial **0**. When your Southwestern Bell Operator comes on the line, say you wish to make a conference call. We'll then connect you to one of our special Conference Operators, who will make the arrangements for the call within your service area.

To place a conference call outside your Southwestern Bell Regional Calling area:

You will need to contact a conference call provider.

Service Charges

When you require the assistance of one of our Southwestern Bell Operators to complete a call, service charges will apply in addition to any long-distance calling rates or other charges.

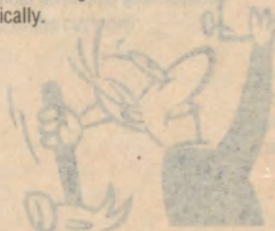

Service charges for operator assisted local and long-distance calls are available by calling your Southwestern Bell Service Center at 1-800-585-7928 for your home service, and 1-800-559-7928 for your business.

Want to know the exact cost? Just ask.

At the beginning of an operator-assisted long-distance call, you may ask the Operator to provide you with the length of time talked and the cost of the call. When the call is over, don't hang up. You'll receive the time and charges for that call automatically.

No charge for help if you're disabled.

If you are unable to place a call without Operator assistance because of a physical disability, you may be eligible for an exemption. Please call your Southwestern Bell Service Center at 1-800-464-7928 for more information. (Charges will still apply for conference calls, line verification and line interruption.)

Directory Assistance from Southwestern Bell

Our Southwestern Bell Directory Assistance Operators are available around the clock, seven days a week, to give you accurate, up-to-date directory listings. They can be reached by dialing 1+411 when you need local numbers or Area Codes, or 1-(Area Code)-555-1212 when you need numbers inside or outside your Area Code.

Three Free Monthly Calls.

You will not be charged for the first three directory assistance calls you place to Southwestern Bell from the same phone number during the same monthly billing cycle. After the three free calls, you'll be billed 30 cents for each directory assistance call. If you request phone numbers that are unlisted or cannot be located, those requests are still counted as directory assistance calls.

Other Charges:

If you dial 1-(Area Code)-555-1212 for long-distance numbers outside your Area Code, a service charge from your long-distance company may apply.

If you dial "0" for directory assistance information billed to a third number or your calling card, you will be charged 60 cents per call, beginning with the first call.

No charges when you need special help.

Here's when our directory assistance charges do not apply.

Callers With A Disability: If you are unable to use the Southwestern Bell White Pages directory due to a disability, you won't be charged for directory assistance calls made from your home or when using your Southwestern Bell Calling Card. Call your Southwestern Bell Service Center at 1-800-585-7928 for information.

Hospital: You won't be charged for calls placed to Southwestern Bell Directory Assistance Operators from hospitals. (A service charge from a long-distance company may apply when you make a call from a pay phone to directory assistance in another Area Code.)

Southwestern Bell Long-Distance Calls

You don't have to pay for directory assistance calls to 1-(Area Code)-555-1212 if you make a corresponding number of calls* within your Southwestern Bell Regional Calling Area during the same billing cycle.

* No credit will be given for third-number billed or long-distance Southwestern Bell Calling Card calls.

NOTE: A pay telephone service provider may set the charges listed on this page, following restrictions of the Public Utility Commission of Texas. They were correct when this directory was compiled. Current service charges are always available from your Southwestern Bell Service Center.

Directory Assistance Call Completion From Southwestern Bell

Now you can get a number from directory assistance and complete your call, all in one easy step. You can use Directory Assistance Call Completion* from your home, business, and cellular phones as well as from specifically marked Southwestern Bell Pay Phones.

In the past, you had to hang up after getting the phone number from directory assistance and redial to place your call. Now, just press "1" after you get the number from directory assistance, and the call will be completed for you — no fumbling for a pad and pencil, no worry about misdialing.

* There is a charge for each call connected. You are not charged if the line is busy or no one answers.

Your Rights As A Customer

All of us at Southwestern Bell are here to provide you with the most reliable telephone service available at a fair price. Our commitment extends beyond our phone service.

Consumer Rights

Southwestern Bell is committed to these consumer rights:

Dependable, High Quality Services at Reasonable Prices

Southwestern Bell strives to provide quality telecommunications services for all consumers at fair prices.

Full Information About Our Services

Consumers have a right to the information necessary to make sound decisions. It is our policy to provide consumers with information about their telephone service, service options, including the lowest price service available, and pricing and payment options.

Choice Of Services

We believe consumers should have free and open choices of telecommunications services. When dealing with us, the consumer should have the opportunity to select from all available service options. These services are provided to consumers without discrimination as to race, nationality, color, sex, religion, or marital status.

It is our policy to apply a customer's credit history equally for a reasonable period of time to a spouse or former spouse who shared the service. Credit history maintained by a customer will be applied equally to the spouse or former spouse without modification and without additional qualifications required of the customer.

Telecommunications Privacy

We fully safeguard every individual's right to privacy as an essential aspect of our service. We carefully protect communications services from unlawful wiretapping or other illegal interception. Customer service records, credit information and related confidential personal account information are fully protected.

An Accurate, Easily Understood Bill and Reasonable Billing Procedures

We believe consumers should receive an accurate, easily understood bill that makes it clear when payment is due. Consumers are entitled to reasonable billing procedures and clear explanations about deposits, late payment of bills, collections, suspensions or disconnection of service for nonpayment. In case of true emergencies, we try to avoid disconnection of service for nonpayment.

Alternative Payment Plans For Business And Residence Customers

You are responsible for making your payment in full and on time each month. If you can't pay by the due date, please call your service representative. We may be able to make payment arrangements in case of circumstances beyond your control.

Residence Customers

If you are unable to pay all of your bill, you may enter into a deferred payment plan if we have not issued more than two termination notices on your account in the preceding 12 months.

Your Rights As A Customer

Consumer Rights, continued

Under the terms of a deferred payment plan, your service will not be terminated if you pay current bills and a reasonable amount of the outstanding bill and the balance in reasonable installments until the bill is paid.

You will not be required to pay more than 1/3 of the total deferred amount when entering into a deferred payment plan. If you do not meet the terms of a deferred payment plan, your service may be terminated after proper written notice.

Southwestern Bell is not required to enter into a deferred payment plan with any customer who has telephone service for three months or less if that customer lacks sufficient credit or a satisfactory history of payment for previous service. Call your service representative for more information. You have the right to request these alternative payment plans.

Credit And Deposit Information

A deposit may be required if you have not established credit for telephone service within the last two years or if you have paid your bill late more than once during the last 12-month period. Deposits are equal to a two-month bill for a particular customer (average over a 12 month period). Interest will be paid on any deposit held over 30 days at a rate set annually by the Public Utility Commission of Texas. This rate is effective January 1 of each year. Accrued interest will be credited to your account if you are and have been paying your bill in a timely manner (12 months for your residence service or 24 months for your business service). The deposit will stop drawing interest on the day it is returned or credited to your account.

Resolution Of Complaints

It is our policy that consumers, wherever located, have access to a readily available process to provide them with fair resolution of their complaints and grievances concerning services, billing and other practices. Accordingly, we provide consumers with helpful information about where and how to express their concerns and complaints to the company and to regulatory authorities.

The Opportunity To Be Heard

We believe in listening to consumers and taking their advice and criticism into consideration in our policy- and decision-making. We also believe consumers should have the opportunity to be heard on issues affecting our business.

How To Get Credit For Loss Of Service

If you have reported that you have no dial tone and are unable to make or receive calls for 24 normal working hours or longer, and your service interruption is a result of network problems, you are entitled to credit on your next bill for part of the local service charges. If the adjustment doesn't appear on your next bill, call your Southwestern Bell Service Center at 1-800-585-7928 for residence or 1-800-559-7928 for business service.

Disputed Bills

A customer's service shall not be subject to discontinuance for non-payment of the portion of a bill under dispute pending the completion of the determination of the dispute, but in no event to exceed 60 days. The customer is obligated to pay any billings not disputed.

Discontinuing Service

Your telephone bill is due upon receipt and is past due if the bill has not been paid or a deferred payment agreement entered into within 16 days after the bill was issued (post-marked). If your bill becomes delinquent, the telephone company must provide a 10-day written notice before discontinuing your service.

If you are asked to make an additional deposit based on your actual usage and you do not pay the deposit or usage within 10 days, service may

be disconnected. If you are asked to make an additional deposit based on your actual billings and you do not pay the deposit or bill within 15 days, service may be disconnected.

After proper notice and a reasonable opportunity to remedy the situation, telephone service may also be disconnected if you violate our rules regarding the use of service in a way that interferes with the service of others or regarding the operation of non-standard equipment.

Telephone service may be disconnected without notice where a known dangerous condition exists for as long as the condition exists, or where service is connected without authority by a person who has not applied for service or who has reconnected service without authority following termination of service for nonpayment. Where reasonable, given the nature of the hazardous condition, a written statement providing notice of a disconnection and the reason will be posted at the place of common entry or upon the front door of each affected residential unit as soon as possible after service has been disconnected.

Services For Customers With A Disability

Customers with physical disabilities and those who care for such customers are encouraged to identify themselves to Southwestern Bell. In this way, special action can be taken to inform you of your rights, where necessary and appropriate to the particular situation.

Pre-Paid Local Telephone Service (PLTS)

Southwestern Bell offers Pre-paid Local Telephone Service

(PLTS) for those qualified customers who need to maintain local phone service and want greater control over their local phone usage.

PLTS customers receive the following services: flat rated Basic Local Telephone Service including Touch-tone; access to 911; access to Southwestern Bell Repair and Business Offices; a white page directory listing; and toll blocking. The above services are priced at tariffed rates (not including taxes and municipal fees). Additional charges may apply depending upon your service location. Normal service connection and restoral fees may apply.

PLTS does NOT include long-distance calling, collect calling, access to directory assistance (411) or access usage sensitive products such as Call Return, Auto Redial and Call Trace.

It is the customer's responsibility to make payments for service. The initial payment consists of the monthly rate for up to two month of service plus all connection charges. No deposit is required. All subsequent payments are billed one month in advance.

It is the customer's responsibility to make sure that the PLTS account is paid on time before the due by date and that no additional charges such as long-distance are incurred.

Violation of the terms and conditions of the PLTS plan may result in disconnection without notification. If disconnected from PLTS for violation of the terms and conditions of the service, the customer is not eligible again for PLTS service with Southwestern Bell.

To return to Basic Local Telephone Service from PLTS, the customer must have a zero balance on the PLTS account, and have paid all outstanding debt owed to Southwestern Bell including toll charges.

Please call Southwestern Bell at 1-800-529-7499 to subscribe to PLTS or obtain additional information.

Slamming

Hang Up On Slamming

Slamming is when your long-distance company or local service provider is illegally switched by a competing long-distance company or local service provider — without your knowledge or permission. Southwestern Bell is here to help.

Selecting A Telecommunications Carrier—Your Rights As A Customer.

The Public Utility Commission of Texas has directed each telecommunications utility to provide this notice to customers regarding your rights when selecting a telecommunications utility.

Telecommunications utilities (telephone companies) are prohibited by law from switching you from one telephone service provider to another without your authorization, a practice commonly known as "slamming."

If you are slammed, you should contact your new provider—the telephone company that switched you without authorization—and request that it return you to your original telephone service provider.

Texas law requires a local or long distance telephone service provider (telephone company) that has slammed you to do the following:

1. Return you to your original telephone company within three business days of your request.
2. Pay all the usual and customary charges associated with returning you to your original telephone company within five business days of your request to be returned to your original telephone company.
3. Provide all billing records to your original telephone company within 10 business days or your request to be returned to your original telephone company.
4. Pay the original telephone company the amount paid you would have paid to your original

telephone company if you had not been slammed.

5. Refund to you, within 30 business days, any amount you paid over the amount that you would have paid for identical services by your original telephone company if you had not been slammed.

Please note that once your original telephone company has been paid by the slamming company, your original telephone company is required by law to provide you with all the benefits (e.g., frequent flyer miles) you would have normally received for your telephone use during the period in which you were slammed.

Complaints relating to slamming, the unauthorized change in a customer's telephone company, are investigated by the Public Utility Commission of Texas. If a telephone company slams you and fails to resolve your request to be returned to your original local or long distance telecommunications service provider as required by law, or if you would like a complaint history for a particular telephone company, please write or call the Public Utility Commission of Texas, P.O. Box 13326, Austin, Texas 78711-3326, (512) 936-7120 or in Texas (toll-free) 1-888-782-8477. Hearing and speech-impaired individuals with text telephone (TTY) may contact the commission at (512) 936-7136.

Be advised that you may have additional rights under state and federal law. Please contact the Public Utility Commission if you would like further information about these additional rights.

Important Information From Southwestern Bell

Customer-Provided Equipment

Under the Federal Communications Commission's (FCC) Registration Program, you supply your own telephone equipment and connect it directly to the local network. You are responsible for the connection, operation,

maintenance and repair of this equipment and should arrange for these services through the manufacturer if needed. This equipment cannot be connected to a coin telephone.

Recording Two-Way Telephone Conversations

If your telephone conversation is being recorded, one of these conditions must exist:

1a. All parties being recorded must hear a beep or distinctive recorder tone approximately every 15 seconds, or all parties to the telephone conversation must give their prior consent to the recording of the conversation.

1b. The prior consent must be obtained in writing or be part of and obtained at

the start of the recording, or

2. In lieu of 1b, the recording party can give verbal notification in a clear, unambiguous manner, which is recorded at the beginning as a part of the call.

Under certain restrictions, exemptions to these provisions exist for commercial broadcast licensees, emergency reporting systems and law enforcement authorities.

Unlawful Wiretapping

It is a crime under federal and state laws to wiretap or otherwise intercept a telephone call unless the consent of one or both of the parties actually participating in the call has been obtained. (The exceptions are properly

authorized law enforcement offices acting under court order, according to state and federal law.) The penalty for illegal wire-tapping can be a fine or imprisonment, or both.

Your Customer Proprietary Network Information Rights

In the normal course of providing your telephone service, Southwestern Bell maintains certain information about your account. This information, when matched to your name, address and calling or originating billing telephone number, is known as your customer-specific "Customer Proprietary Network Information," or CPNI for short.

Examples include the type of line you have, technical characteristics (like Touch-tone or rotary service), class of service, current telephone charges, long-distance and local service billing records, directory assistance charges, usage date, and calling patterns.

Southwestern Bell may use your CPNI to market our services to you. However, the Public Utility Commission of Texas has adopted new rules stating that Southwestern Bell may not use your CPNI to market certain telephone services or features to you if you have requested that the CPNI be considered "restricted" for this purpose. These services or

features are those that may be available to you from a source other than Southwestern Bell. If you wish to have your CPNI considered "restricted," call your Southwestern Bell Residence Service Center at 1-800-464-7928 during weekday business hours. Tell us that you wish to restrict our use of your customer information, and the restriction will remain in effect until you notify us otherwise. Please note that restricting your CPNI will not eliminate all of our marketing contacts with you. You could still receive marketing contacts from us that are not based on your CPNI. Also, we are permitted to use your CPNI to contact you about telephone services we offer that are not available to you from another source. Finally, even if your CPNI is restricted, we may still use it to market those telephone services or features that may be available to you from a source other than us if you contact us and ask about them.

Telephone Solicitation

Texas law requires that a telephone solicitor who calls your home must:

- identify himself or herself by name;
- identify the business on whose behalf he or she is calling;
- identify the purpose of the call;
- identify the telephone number at which the person, company, or organization making the call may be reached.

A telephone solicitor may not call a residence before 9 am or after 9 pm on a weekday or Saturday or before noon or after 9 pm on Sunday.

If a telephone solicitor uses an automatic dialing/announcing device, the machine must disconnect from your line within 30 seconds after termination of the call.

Exceptions

The above requirements do not apply to telephone solicitations made at your request, or solicitations made in connection with an existing debt or contract, or calls from a telephone solicitor with whom you have a prior or existing business relationship.

If you use a credit card to purchase goods or services from a telephone solicitor other than a public charity (an organization exempt from federal income tax under the Internal Revenue Code 501(c)(3)), the seller must do the following:

- offer a full refund for the return of undamaged and unused goods within seven days after you receive the goods or service (the seller must process the refund within 30 days after you return the merchandise, or cancel your order for undelivered goods or services); or . . .
- provide you with a written contract fully describing the goods or services being offered, the total price charged, the name, address, and business phone of the seller, and any terms and conditions affecting the sale.

Telephone Solicitation Complaints

The Texas Attorney General investigates complaints relating to a violation of this law, which is found at the Business and Commerce Code Chapter 37. If you have a complaint about a telephone solicitor whom you believe has violated this law, contact:

Consumer Protection Division
Office of the Attorney General of Texas
PO Box 12548
Austin, Texas 78711
(512) 463-2070

Another law, found at 3.659 and 3.660 of the Public Utility Regulatory Act of 1995, requires a telephone solicitor to make every effort not to call a consumer who asks not to be called again. Complaints relating to a violation of this law are investigated

by the Public Utility Commission of Texas. If you have a complaint about repeated solicitation from a telephone solicitor you have asked not to call you again, contact:

Office of Consumer Affairs,
Public Utility Commission of Texas
PO Box 13326
Austin, Texas 78711-3326
(512) 936-7120 or
(512) 936-7136 (TTY only)

You may have additional rights under federal law. Please contact the Federal Trade Commission or the Federal Communications Commission for further information on these additional rights.

Leave Phones On The Hook

At times you may not want to be disturbed by a ringing phone. However, leaving a phone off the hook prevents emergency calls from getting

through and ties up equipment needed to complete other customers' calls.

Helpful Facts from Southwestern Bell

Because your safety and well-being are important to us, we want you to keep the following information in mind.

Our Employees Are Identified

Every one of our Southwestern Bell employees is required to carry an identification card with his or her name and photograph. If you

have any doubt that a person is one of our employees, just ask to see his or her identification card.

Phone Safety Tips

Your telephone is one of the safest appliances in your home or office. All the same, there are a few precautions you can take.

- Don't use the phone while in the bathtub, shower or swimming pool. A phone dropped in water could cause electrical shock.
- We use protective measures to limit electrical surges from entering your home, but absolute lightning

protection is impossible. So, avoid using the telephone during electrical storms. Keep urgent calls brief.

- If you suspect a gas leak, report it at once, using a telephone away from the area in question. It's unlikely, but a phone's electrical contacts can create tiny sparks when you dial that could ignite concentrations of gas.

Fraudulent Charges

It is illegal for anyone to charge calls to your phone number or calling card without your permission. To protect yourself against telephone fraud, never

give out your calling card number over the phone unless you are placing the call.

Obscene or Annoying Calls

It is a crime to place obscene or harassing calls. We hope it doesn't happen to you. But if you receive obscene, abusive or threatening calls, here are some guidelines to follow:

- Just remember, you control your phone, not the caller. Hang up at the first obscene word. Also hang up if the caller remains silent after the second time you say hello.
- Don't give your name or address unless you know who's calling. Advise your children and guests not to give out any information about who is at home when you're away. Simply ask the caller to leave a message or to call back.
- If unwanted calls persist, call your

Southwestern Bell Service Center at 1-800-464-7928.

- Consider services from Southwestern Bell that can protect your security and privacy.

Caller ID lets you know who's calling before you pick up the phone.

Call Blocker rejects calls from specified numbers and can even block calls from numbers you don't know.

Call Trace initiates a trace of harassing calls.

For more information about these services, call your Southwestern Bell Service Center at 1-800-464-7928 for your home, or 1-800-499-7928 for your business.

Es su responsabilidad hacer oportuna y mensualmente el pago total de su factura telefónica. Si usted no puede hacer el pago en la fecha de vencimiento, por favor llame a su representante de servicio. Tal vez podamos hacer arreglos de pago en caso de circunstancias fuera de su control.

Sus Derechos Como Cliente

Derechos del Cliente (Continuación)

Clientes residenciales

Si usted no puede pagar su cuenta en su totalidad, podemos hacer arreglos para diferir el pago, siempre y cuando usted no haya recibido más de dos avisos de interrupción del servicio en los últimos doce meses.

Bajo los términos del plan de pagos diferidos, su servicio no se suspenderá si usted paga sus facturas actuales, una cantidad razonable del saldo pagadero y el resto en pagos razonables hasta que la cuenta quede pagada en su totalidad. No se le exigirá pagar más de la tercera parte de la cantidad total a diferir cuando se acuerda un plan de pagos en abonos. Si usted no cumple con las condiciones del plan de pagos diferidos, su servicio se suspenderá luego de que usted reciba el aviso correspondiente por escrito.

Southwestern Bell no tiene las obligaciones de acordar un plan de pagos diferidos con aquellos clientes que hayan tenido servicio telefónico menos de tres meses si carecen de antecedentes de crédito suficientes o una historia de pagos satisfactoria en su servicio anterior. Para mayor información, llame a su representante de servicio. Usted tiene el derecho de exigir estos planes alternativos de pago.

Crédito e información sobre depósitos

Es posible que se requiera un depósito si usted no ha establecido su crédito para servicio telefónico durante los dos últimos años o si usted se atrasó en su cuenta más de una vez en los últimos 12 meses del plazo. Los depósitos son iguales a una factura de dos meses de la cuenta del cliente de un cliente en particular (promediado sobre un período de 12 meses). El interés se pagará en base a cualquier depósito retenido por más de 30 días a la tasa de interés establecida por la Comisión de Servicios Públicos de Texas, la cual entra en efecto el 1o. de enero de cada año.

Los intereses devengados se acreditarán a su cuenta si usted paga o está pagando su cuenta oportunamente (12 meses para el servicio residencial o 24 meses para el servicio comercial). Los depósitos dejarán de ganar intereses el día en que se devuelvan 8.5

Soluciones a quejas

Es nuestra política que el consumidor, dondequiera que se localice, tenga acceso a un proceso rápido que proporcione soluciones justas para sus demandas o quejas relacionadas con los servicios, facturación y otras prácticas. De acuerdo a lo anterior, ofrecemos al consumidor información útil acerca de cómo y dónde presentar sus quejas a la compañía y a las autoridades reguladoras.

La oportunidad de ser escuchado

Creemos que debemos escuchar al consumidor y tomar en cuenta sus sugerencias y críticas durante la elaboración de nuestras políticas y en la toma de decisiones. Asimismo, consideramos que el consumidor tiene derecho a ser escuchado en los asuntos que afectan nuestro servicio.

Cómo obtener crédito por pérdida del servicio

Si nos reporta que su teléfono no da tono de marcación y que no puede hacer o recibir llamadas durante 24 horas normales de trabajo o más, y si a esto le agrega que la interrupción del servicio se debe a problemas en la red telefónica, usted tiene derecho a que se le acredite en su próxima factura una porción de los cargos por el servicio local. Si el ajuste no aparece en su próxima factura, llame a la oficina de servicio residencial al 1-800-585-7928, o al 1-800-559-7928 para servicio comercial.

En caso de error u omisión, la responsabilidad de la compañía, si tuviere alguna, no excederá el doble de la cantidad pagada por el servicio durante el período listado en el directorio en el cual el error u omisión haya ocurrido. Si su(s) listado(s) en las Páginas Blancas está incorrecto o fue omitido en este directorio, por favor comuníquese con su Oficina de Servicio de Southwestern Bell. Información Importante

Equipo proporcionado por el cliente

Bajo el Programa de Registro de la Comisión Federal de Comunicaciones (FCC), usted proporciona su propio equipo de teléfono y lo conecta directamente a la red telefónica local. Usted es responsable de la instalación, operación, mantenimiento y reparación de este equipo y debe hacer arreglos para estos servicios a través del fabricante, si fuese necesario. Este equipo no puede conectarse a un teléfono público.

Grabación de conversaciones entre dos personas

Si su conversación telefónica es grabada, debe existir una de las siguientes condiciones:

1a. Todos los participantes que estén siendo grabados deben escuchar un sonido bip o tono de grabadora aproximadamente cada quince segundos, o todos los participantes de la conversación telefónica deben dar su consentimiento previo para la grabación de la conversación.

1b. El consentimiento previo debe obtenerse por escrito o ser parte o haberse obtenido al principio de la grabación, o

2. En vez del punto 1b, el participante a ser grabado puede dar una notificación verbal, clara, sin ambigüedades la cual debe anunciarse al principio de la conversación y como parte de la llamada.

Bajo ciertas restricciones, las excepciones a estas disposiciones existen para los concesionarios comerciales de la radiodifusión, para los sistemas de información de emergencia y para las autoridades ejecutoras de la ley.

Intercepción ilegal de llamadas

Es un delito federal y estatal interceptar las líneas telefónicas o de otra manera interceptar una llamada telefónica a menos que se obtenga el consentimiento de uno o todos los partici-

pantes en la llamada. (Las excepciones debidamente autorizadas por las agencias que aplican la ley, que actúen bajo orden de la corte y de acuerdo a la ley federal y estatal). El castigo por la intercepción ilegal de líneas telefónicas puede ser una multa y o encarcelamiento.

Sus derechos como cliente y propietario de información del sistema de la red telefónica

En el curso normal de operaciones para proporcionarle servicio telefónico, Southwestern Bell mantiene cierta información acerca de su cuenta. Esta información, cuando se compara con su nombre, domicilio y número telefónico donde se origina la llamada, conocido como información específica del cliente "Cliente y Propietario de Información del Sistema de la Red Telefónica" o sus siglas en inglés CPNI (Customer Proprietary Network Information). Por ejemplo, esta información incluye: el tipo de línea que usted tiene, las características técnicas (como servicio de teclas "Touch-tone" o de disco), tipo de servicio, cargos telefónicos, registros de facturación del servicio de larga distancia o local, cargos por servicio de información (Directory Assistance), datos de uso y tipo de llamada.

Southwestern Bell puede estar usando actualmente su "CPNI" para venderle ciertos servicios telefónicos. Sin embargo, la Comisión de Empresas de Servicio Público de Texas ha adoptado nuevos reglamentos que señalan que Southwestern Bell no puede usar su CPNI para venderle a usted ciertos servicios telefónicos u opciones si usted ha solicitado que su CPNI se "restrinja" para este

Información Importante de Southwestern Bell (Continuación)

Estas funciones o servicios telefónicos son aquellos que le pueden ofrecer a usted por otra fuente distinta a la de Southwestern Bell. Si usted desea restringir el uso de su CPNI, comuníquese al centro de servicio residencial de Southwestern Bell al 1-800-559-0050, de lunes a viernes, durante horas hábiles de oficina. Simplemente dígame a su representante de servicio que usted desea restringir el uso de su CPNI. No se cobra por restringir su información de cliente. La restricción quedará en efecto hasta que usted nos notifique lo contrario. Por favor, considere que la restricción a su información de cliente no evitará que usted reciba todos nuestros comunicados de ventas. Usted puede continuar recibiendo nuestros comunicados de mercadotecnia que no se hayan originado en su CPNI. Además, tenemos autorización para usar su CPNI para informarle a usted de los servicios telefónicos de que disponemos y que no los está ofreciendo otra fuente. Finalmente, cuando usted lo solicite, inclusive si su CPNI está restringido, nosotros podemos seguir usándolo para ofrecerle esas funciones o servicios telefónicos que le puede estar ofreciendo otra fuente que no sea Southwestern Bell.

Solicitaciones por teléfono

La ley de Texas, requiere que un solicitador telefónico deba:

- Identificarse él/ella por su nombre;
- Identificar qué negocio representa;
- Identificar el propósito de la llamada;
- Identificar el número de teléfono en el cual la persona, compañía, u organización que hace la llamada puede ser localizada.

Excepciones

Los requisitos mencionados anteriormente no se aplican a solicitudes telefónicas hechas a solicitud suya o en relación a alguna deuda existente o contrato, o llamadas de un representante de ventas con quien usted sostenga trato de negocios.

Si usted usa una tarjeta de crédito para comprar alguna mercancía o servicio ofrecido por un solicitador telefónico que no represente alguna beneficencia pública (*una organización exenta del pago de impuestos federales sobre ingresos bajo el Código del Departamento de Tesorería, 501(c) (3)*), el vendedor deberá:

- Ofrecer la devolución completa de los artículos no dañados o no usados dentro de los siete días posteriores de que usted haya recibido la mercancía o servicios (*el vendedor debe procesar la devolución dentro de los 30 días siguientes después de que la mercancía se haya devuelto o cancelado la orden debido a que la mercancía no se entregó o no se prestaron los servicios*); o
- Proporcionarle un contrato por escrito que describa completamente la mercancía o servicios ofrecidos, el precio total cargado, el nombre, dirección y teléfono comercial del vendedor, y algunos de los términos y condiciones que afectan la venta.

Get Your Teenagers' First Own Phone Line

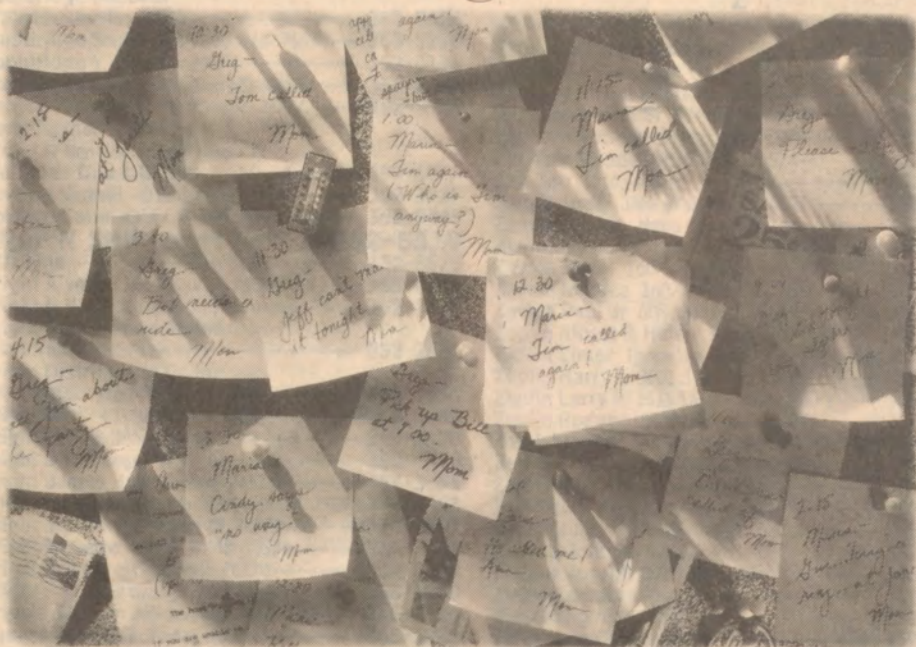

How responsible for their child's future will you be to take any more of their messengers. And even taking them to their own business. Call 1-800-324-BELL for more information. Call to order a second phone line or receive a free phone line.

Someone's responsible for their child's future. How about you? Can you give your child the responsibility of their own phone line? Call 1-800-324-BELL for more information. Call to order a second phone line or receive a free phone line.

Then give your teenagers their own phone line, with their own number. Call 1-800-324-BELL for more information. Call to order a second phone line or receive a free phone line.

Then give your teenagers their own phone line, with their own number. Call 1-800-324-BELL for more information. Call to order a second phone line or receive a free phone line.

There's A Message In All Of This.

Get Your Teenagers Their Own Phone Line.

Someone's got your number. It's Bob, Peggy, Gary, Kelly, Tim, Cindy, Shawn and all the kids who leave urgent phone messages for your teenagers. Day in and day out. Messages which take you away from what you're doing when your kids aren't around to take their own calls. Sound familiar?

Then give your teenagers their own phone line, with their own private number, from Southwestern Bell Telephone. That way they'll take

more responsibility for their calls. You won't have to take any more of their messages. And everyone takes care of their own business.

Stop running an answering service for your teenagers. Call to order a second phone line or receive a free brochure. You'll find our message very easy to take.

Call 1-800-234-BELL.

 **Southwestern Bell Telephone**

"The One to Call On".

We Got The Idea For Our Calling Services By Accident.

You never know when something is going to happen, but isn't it nice to know you're prepared for any emergency?

With Call Waiting and Call Forwarding, emergency calls can reach you easier, whether you're on your phone or even away from home. Speed Calling helps you dial important numbers, including your doctor, quickly and efficiently. And you can even speak with your doctor

and a sick loved one at the same time with the help of Three-Way Calling.

Call today to get all of these services, just one or two, or to ask for additional information. Because when there is an emergency or accident, no news isn't necessarily good news.

Call 1-800-234-BELL.

LINDA CRAIG

A SelectCard® Calling Card Keeps You Connected.

There's one card you can't afford to be without. Your Southwestern Bell Telephone SelectCard® calling card. Whether it's business or pleasure, use it often to stay in touch.

It's fast and easy. Forget fumbling for change, calling collect or making third-number-billed calls. Just use your SelectCard. No more access codes. Your SelectCard number is your area code, home phone number and a four-digit PIN that you can choose yourself. Just dial "0" and the number you want to call.

Whether you're calling across town or around the world, from whatever phone, over whichever major long-distance carrier you choose, it's easy with SelectCard.

And the best part is the SelectCard is FREE. Charges apply only when you use it. With a SelectCard calling card from Southwestern Bell Telephone, you can place local and long-

distance calls, use Directory Assistance or make operator-assisted calls, and have them charged automatically to your monthly phone bill.

Make It Easy To Keep In Touch.

If you have children, parents or others you'd like to have call you more often, give them a Keep In Touch™ SelectCard. Across town or across the country they'll always be able to call you (and only you) even if they don't have any change. These calls will appear on your telephone bill.

Save time. Avoid the hassles. And always stay in touch. Call 1-800-234-BELL or your Southwestern Bell business office and ask for your own SelectCard calling card today.

WARNING-EMERGENCY CALLS ON PARTY LINES

It is unlawful to refuse the use of a party line to another person for the purpose of permitting such person to report a fire or summon police, medical aid or ambulance service in an emergency situation where property or human life is in danger. It is also unlawful for anyone to falsely claim an emergency to gain access to a party line. The maximum penalty, upon conviction, is imprisonment for 30 days or a fine of \$500 or both.

DIALING INSTRUCTIONS

FOR PARTY LINE USERS—Always listen to make sure the line is not in use before you attempt to dial.

HOW TO CALL ANOTHER PARTY ON YOUR LINE—Dial the directory number then you will hear a recording that the number you have dialed is on your line. Please hang up your receiver and allow time for your called party's telephone to ring. Then pick up your receiver to converse.

PARTY LINE COURTESY PAYS—When several persons are sharing the use of a telephone line, consideration and courtesy are important to all. Everyone will receive better service if each subscriber on the line will observe these simple rules of courtesy. Be as brief as possible...space your calls so that the other party can place calls...and give up the line to the neighbor who needs it for an emergency use.

HUTTO CUSTOMERS MAY CALL THE TAYLOR EXCHANGE BY DIALING THE 7 DIGIT TAYLOR NUMBER.

HUTTO CUSTOMERS WHO SUBSCRIBE TO OPTIONAL EXTENDED METROPOLITAN SERVICE (EMS) CAN PLACE TOLL FREE CALLS TO THE AUSTIN METROPOLITAN AREA.

“Kick the number-fumbler habit!”

If misplaced telephone numbers give you problems, here are suggestions that can help you.

1. Underline those special numbers in your directory.
2. Keep the directory near the phone.
3. Have a pencil and paper handy when you talk so you can jot down numbers you may need again.
4. Maintain your own personal directory of frequently called numbers.

These suggestions can save time and make calling easier.

It pays to advertise in more than one place in Swbyp's, the Southwestern Bell Yellow Pages, because you never know where your next customer is coming from. Be ready for them when they're ready to buy. Multiple classifications are the way to go!

Business people: Perhaps new potential customers to the area aren't familiar with your reputation. Don't neglect information about "years-in-service" in your ad.
