Notice:

The information in this directory was correct on the date this directory was compiled, but is subject to change by order of the Public Utility Commission of Texas.

This directory contains Important Information about your rights as a telephone customer starting on Page 30 on this "Help" Guide.

If you are not a Southwestern Bell customer, please consult your local telephone directory for emergency numbers.

Automatic Number Identification... When you dial a 700, 800, 888 or 900 number from your telephone, your number may be transmitted to the company you have called and may be available to that company before your call is answered.

Cellular 9-1-1 Calls... When calling 9-1-1 on a cellular phone, be prepared to provide the following information: your name, cellular phone number, nature of the emergency, and the location of the incident. Please note: Your call may be answered by a telephone company operator or a 9-1-1 dispatcher outside of your area.

Privacy Considerations... The 9-1-1 emergency telephone number quickly summons emergency service in a crisis. When you report an emergency by dialing 9-1-1, your telephone number (including non-published numbers) and address may be automatically displayed on a viewing screen located at the 9-1-1 answering centers and your call may also be recorded. This display of the calling number and address enables the emergency agency to quickly locate the caller if the call is disrupted by the crisis.

Callers who do not wish to have their telephone number or address displayed on the viewing screen should report an emergency by dialing the seven-digit telephone number of the appropriate emergency agency. For blocking options, see the Caller ID section of this Directory's "Help" Guide pages.

About Your Southwestern Bell EasyOptions Services:

If you use Auto Redial, Call Forwarding, Selective Call Forwarding, Call Return, or Remote Access to Call Forwarding to call a long-distance number, you will be charged a long-distance rate and the telephone number will appear on your bill.

To use many optional services, you must subscribe to Touch-tone service, or place your telephone in the tone mode after dialing the access code. If you are using a rotary dial telephone, simply press 11 in place of *, ignore the # instruction, and wait four seconds before proceeding. Several optional services involve special use of the # key, the switchhook or the phone's ringing pattern. However, some telephones limit the use of these features. Please call the manufacturer or distributor of your phone if you have questions.

Not all services are available in all areas on all calls. Some calls may be blocked or unavailable—other restrictions may apply.

Sobre los servicios EasyOptions de Southwestern Bell:

Si usted usa Auto Redial (Remarcado Automático), Call Forwarding (Traslado de Llamadas), Selective Call Forwarding (Traslado Selectivo de Llamadas), Call Return (Regreso de Llamadas) o Remote Access to Call Forwarding (Acceso Remoto a Traslado de Llamadas) para llamar a un número de larga distancia, se le cobrará un cargo de larga distancia y el número telefónico aparecerá en su factura.

Para usar muchos de los servicios opcionales, usted tendrá que suscribirse al servicio Touch-tone (de teclado) o ajustar su teléfono al modo de tono después de marcar el código de acceso. Si usted está usando un teléfono de disco, simplemente oprima 11 en vez de *, ignore la indicación acerca de # y espere cuatro segundos antes de continuar. Varios servicios opcionales requieren del uso especial del signo de #, del gancho de colgar, o de los diferentes timbres del teléfono. Sin embargo, algunos teléfonos limitan el uso de estas funciones. Si tiene alguna pregunta, comuníquese con el fabricante o el distribuidor de su teléfono.

No todos los servicios están disponibles en todas las áreas ni en todas las llamadas. Algunas llamadas se pueden bloquear o no estar disponibles. Se podrían aplicar otras restricciones.

Caller ID Services From Southwestern Bell

Caller ID Services from Southwestern Bell are designed to protect your privacy and give you more control over how you use your phone. These services include Calling Number Delivery, Calling Name Delivery, and Anonymous Call Rejection.

Calling Number Delivery and Calling Name Delivery

Caller ID is an optional service that lets the subscriber know who is calling even before picking up the phone. Caller ID allows you to see the date, time, and phone number (Calling Number Delivery) and/or name (Calling Name Delivery) of most direct-dialed local calls and some long-distance calls on a special display unit. A display unit is required, which stores the number and name, as well as the date and time of the call. That way if you're not home, or just don't want to

answer the phone, the stored numbers will permit you to return calls. This also works with answering machines or voice messaging systems ... even if the caller doesn't leave a message. These units are available from various retail vendors, including Southwestern Bell. Each time you make a phone call, your name and number will be automatically sent to the Caller ID subscribers in your area unless you choose to block that information.

Blocking Delivery Of Your Number

If you should ever want to "block," or prevent sending your number and name to Caller ID subscribers, you need only dial *67 (on a Touch-tone phone) or 1167 (on a rotary phone) before dialing the telephone number. Then you will hear a "stutter" tone which tells you "per-call" blocking is working. Calls blocked on a per-call basis will be displayed on the Caller ID display unit as "anonymous" or "private." Per-call blocking is free of charge and automatically available on everyone's line wherever Caller ID is available. There is no need to subscribe to Caller ID to have per-call blocking.

It is important to keep in mind that even if you have a non-published or non-listed number, your number will be passed along unless you choose to block on a per-call or per-line basis. We believe per-call blocking will provide you with flexibility in those situations when you do not want to have your

telephone number or name delivered to Caller ID subscribers.

However, if you have a compelling need for per-line blocking, meaning you want to always have your number and name blocked, you can have per-line blocking at no charge by mailing a written request for per-line blocking. The request must include (1) your name, address and telephone number (as shown on your bill), (2) your signature, and (3) the following statement: "I have a compelling need for per-line blocking." Then mail the request to: Southwestern Bell, PO Box 80349, Austin, Texas 78708. You need not explain your compelling need because all requests are AUTOMATICALLY granted. Or, you may obtain per-line blocking by simply completing the reply card which will be sent to you before the service is offered and dropping it in the mail. If at any time you want to cancel per-line blocking, and reinstate per-call blocking, just call the Southwestern Bell Service Center. Per-line blocking automatically blocks a customer's number on every call without the need to dial *67 or

1167. Calls placed from a line that subscribes to per-line blocking will be displayed on the Caller ID display unit as "anonymous" or "private."

Customers who subscribe to per-line blocking can un-block their name and/or number on a call-by-call basis. You can turn off per-line blocking on a specific call by dialing *82 (on a touch-tone phone) or 1182 (on a rotary phone) before dialing the phone number. This feature turns off per-line blocking for only the call placed after *82 or 1182 is dialed, and will result in your name and/or number being received by subscribers of Caller ID. Once the call is ended, per-line blocking will be restored. If you select per-line blocking, then calls to ACR customers (see the following page) will not be completed. If you must reach that customer, you may do so by dialing *82 or 1182, calling from a pay phone or cellular phone, making a credit card or operator-assisted call, or asking someone who does not have per-line blocking to place the call for you.

*Caller ID is available in most areas.

Examples of Caller ID Messages

Currently there are some calls that Caller ID won't identify. These include cellular calls, some long-distance calls, operator-assisted calls, and calls originating in areas where Caller ID is not available. For these calls, the Caller ID display unit

will display the message "out of area." Even though you won't have the number, you will still have information about the call, such as the date and time. Below are examples of what will likely be displayed, depending on the type of calls received.

Anonymous Call Rejection (ACR)

Anonymous Call Rejection (ACR) is a Caller ID Service that allows a subscriber to automatically reject all calls that have been marked anonymous, or blocked. It is not necessary to subscribe to Calling Number Delivery or Calling Name Delivery to subscribe to ACR, nor is a display unit necessary. With ACR, the telephone will not ring if the person calling you has blocked his or her number through per-call or per-line blocking. The caller will receive a message that the party he or she is trying to reach is not accepting calls from a blocked number. The caller will be instructed to redial without blocking the number or be asked to call the operator for

assistance in completing the call. (An operator-handling charge will apply). ACR service also allows you the flexibility to turn on or off your ACR service by dialing a code, which will be provided upon subscription to ACR.

It is important to remember that both per-call and per-line blocking will not block your billing telephone number to Emergency 9-1-1, nor will it currently prevent your number from being transmitted on 700, 800, 888 or 900 calls. Also, calls made from a pay phone cannot be blocked.

Not all services are available in all areas.

Information on 900/976 Calls

Calls to 900/976 Numbers Will Result in a Charge Per Call

A number of entertainment and informational programs offered by information providers ("sponsors") are available on telephone numbers that begin with 900 or 976. There is a charge for such calls. The amount of the charge for each call to a 900/976 service is determined by the sponsor and can vary among individual 900/976 programs. The charge for a 900/976 program must be clearly stated as part of the

900/976 message. Any advertisement promoting 900/976 service must clearly state the charge for the call.

Programs offered by 900/976 sponsors are recorded only (no "live" two-way conversations). The content of 900/976 programs is developed and produced by the sponsor and not by the telephone company. **But Southwestern Bell can refuse to allow unsuitable programs or language on its 900/976 network.**

Billing Information

Charges for calls placed to 976 numbers will appear on the customer's monthly Southwestern Bell bill. Charges for calls placed to 900 numbers may appear on the customer's monthly Southwestern Bell bill. The customer

is obligated to pay such charges. A customer's local telephone service cannot, however, be suspended or disconnected for non-payment of 900/976 charges.

No Charge for Blocking 900/976 Calls

If calls to 900/976 programs are a problem due to unwanted charges, or if a customer wishes to avoid the potential of uncontrolled usage, customers may request 900/976 Call Restriction, which is free, and the telephone company will block access to all 900/976 numbers. Calls to 900/976 services cannot be blocked separately. When access is blocked to one service, the other is automatically blocked also. Some customers' telephone numbers do not have access to 900/976 calls at all.

To request the free blocking service, call your local Southwestern Bell Service Center. Some restrictions do apply.

In addition to the free blocking service, Southwestern Bell can require mandatory blocking of 900/976 programs for nonpayment of charges incurred by a customer. There is a one-time charge to the customer when mandatory blocking is required.

Choice Of Services

We believe consumers should have free and open choices of telecommunications services. When dealing with us, the consumer should have the opportunity to select from all available service options. These services are provided to consumers without discrimination as to race, nationality, color, sex, religion, or marital status.

It is our policy to apply a customer's credit history equally for a reasonable period of time to a spouse or former spouse who shared the service. Credit history maintained by a customer will be applied equally to the spouse or former spouse without modification and without additional qualifications required of the customer.

Telecommunications Privacy

We fully safeguard every individual's right to privacy as an essential aspect of our service. We carefully protect communications services from unlawful wiretapping or other illegal interception. Customer service records, credit information and related confidential personal account information are fully protected.

An Accurate, Easily Understood Bill and Reasonable Billing Procedures

We believe consumers should receive an accurate, easily understood bill that makes it clear when payment is due. Consumers are entitled to reasonable billing procedures and clear explanations about deposits, late payment of bills, collections, suspensions or disconnection of service for nonpayment. In case of true emergencies, we try to avoid disconnection of service for nonpayment.

Alternative Payment Plans For Business And Residence Customers

You are responsible for making your payment in full and on time each month. If you can't pay by the due date, please call your service representative. We may be able to make payment arrangements in case of circumstances beyond your control.

Residence Customers

If you are unable to pay all of your bill, you may enter into a deferred payment plan if we have not issued more than two termination notices on your account in the preceding 12 months.

Under the terms of a deferred payment plan, your service will not be terminated if you pay current bills and a reasonable amount of the outstanding bill and the balance in reasonable installments until the bill is paid. You will not be required to pay more than 1/3 of the total deferred amount when entering into a deferred payment plan. If you do not meet the terms of a deferred payment plan, your service may be terminated after proper written notice.

Southwestern Bell is not required to enter into a deferred payment plan with any customer who has telephone service for three months or

less if that customer lacks sufficient credit or a satisfactory history of payment for previous service. Call your service representative for more information. You have the right to request these alternative payment plans.

Credit And Deposit Information

A deposit may be required if you have not established credit for telephone service within the last two years or if you have paid your bill late more than once during the last 12-month period. Deposits are equal to a two-month bill for a particular customer (average over a 12 month period). Interest will be paid on any deposit held over 30 days at a rate set annually by the Public Utility Commission of Texas. This rate is effective January 1 of each year. Accrued interest will be credited to your account if you are and have been paying your bill in a timely manner (12 months for your residence service or 24 months for your business service). The deposit will stop drawing interest on the day it is returned or credited to your account.

Resolution Of Complaints

It is our policy that consumers, wherever located, have access to a readily available process to provide them with fair resolution of their complaints and grievances concerning services, billing and other practices. Accordingly, we provide consumers with helpful information about where and how to express their concerns and complaints to the company and to regulatory authorities.

The Opportunity To Be Heard

We believe in listening to consumers and taking their advice and criticism into consideration in our policy and decision making. We also believe consumers should have the opportunity to be heard on issues affecting our business.

Your telephone bill is due upon receipt and is past due if the bill has not been paid or a deferred payment agreement entered into within 16 days after the bill was issued (postmarked). If your bill becomes delinquent, the telephone company must provide a 10-day written notice before discontinuing your service.

If you are asked to make an additional deposit based on your actual billings and you do not pay the deposit or bill within 15 days, service may be disconnected. After proper notice and a reasonable opportunity to remedy the situation, telephone service may also be disconnected if you violate our rules regarding the use of service in a way that interferes with the service of others or regarding the operation of non-standard equipment.

Telephone service may be disconnected without notice where a known dangerous condition exists for as long as the condition exists, or where service is connected without authority by a person who has not applied for service or who has reconnected service without authority following termination of service for nonpayment. Where reasonable, given the nature of the hazardous condition, a written statement providing notice of a disconnection and the reason will be posted at the place of common entry or upon the front door of each affected residential unit as soon as possible after service has been disconnected.

In the event of a conflict between such tariffs and the information contained in this Help Guide, the tariffs shall prevail. The company's tariffs are subject to change.

Services For Customers With A Disability

Customers with physical disabilities and those who care for such customers are encouraged to identify themselves to Southwestern Bell. In this way, special action can be taken to inform you of your rights, where necessary and appropriate to the particular situation.

Your Rights As A Customer

Customer-Provided Equipment

Under the Federal Communications Commission's (FCC) Registration Program, you supply your own telephone equipment and connect it directly to the local network. You are responsible for the connection, operation, maintenance and repair of this equipment and should arrange for these services through the manufacturer if needed. This equipment cannot be connected to a coin telephone.

Recording Two-Way Telephone Conversations

If your telephone conversation is being recorded, one of these conditions must exist:

- 1a. All parties being recorded must hear a beep or distinctive recorder tone approximately every 15 seconds, or all parties to the telephone conversation must give their prior consent to the recording of the conversation.
- 1b. The prior consent must be obtained in writing or be part of and obtained at the start of the recording, or
2. In lieu of 1b, the recording party can give verbal notification in a clear, unambiguous manner, which is recorded at the beginning as a part of the call.

Under certain restrictions, exemptions to these provisions exist for commercial broadcast licensees, emergency reporting systems and law enforcement authorities.

Unlawful Wiretapping

It is a crime under federal and state laws to wiretap or otherwise intercept a telephone call unless the consent of one or both of the parties actually participating in the call has been obtained. (The exceptions are properly authorized law enforcement offices acting under court order, according to state and federal law.) The penalty for illegal wire-tapping can be a fine or imprisonment, or both.

Your Customer Proprietary Network Information Rights

In the normal course of providing your telephone service, Southwestern Bell maintains certain information about your account. This information, when matched to your name, address and calling or originating billing telephone number, is known as your customer-specific "Customer Proprietary Network Information," or CPNI for short.

Examples include the type of line you have, technical characteristics (like Touch-tone or rotary service), class of service, current telephone charges, long-distance and local service billing records, directory assistance charges, usage date, and calling patterns.

Southwestern Bell may use your CPNI to market our services to you. However, the Public Utility Commission of Texas has adopted new rules stating that Southwestern Bell may not use your CPNI to market certain telephone services or features to you if you have requested that the CPNI be considered "restricted" for this purpose. These services or features are those that may be available to you from a source other than Southwestern Bell. If you wish to have your CPNI considered "restricted," call your Southwestern Bell Residence Service Center at 1-800-464-7928 during weekday business hours. Tell us that you wish to restrict our use of your customer information, and the restriction will remain in effect until you notify us otherwise. Please note that restricting your CPNI will not eliminate all of our marketing contacts with you. You could still receive marketing contacts from us that are not based on your CPNI. Also, we are permitted to use your CPNI to contact you about telephone services we offer that are not available to you from another source. Finally, even if your CPNI is restricted, we may still use it to market those telephone services or features that may be available to you from a source other than us if you contact us and ask about them.

Telephone Solicitation

Texas law requires that a telephone solicitor who calls your home must:

- identify himself or herself by name;

- identify the business on whose behalf he or she is calling;
- identify the purpose of the call;
- identify the telephone number at which the person, company, or organization making the call may be reached.

A telephone solicitor may not call a residence before 9 am or after 9 pm on a weekday or Saturday or before noon or after 9 pm on Sunday.

If a telephone solicitor uses an automatic dialing/announcing device, the machine must disconnect from your line within 30 seconds after termination of the call.

Telephone Solicitation Complaints

The Texas Attorney General investigates complaints relating to a violation of this law, which is found at the Business and Commerce Code Chapter 37. If you have a complaint about a telephone solicitor whom you believe has violated this law, contact:

Consumer Protection Division of Texas
Office of the Attorney General
PO Box 12548
Austin, Texas 78711
(512) 463-2070

Another law, found at 3.659 and 3.660 of the Public Utility Regulatory Act of 1995, requires a telephone solicitor to make every effort not to call a consumer who asks not to be called again. Complaints relating to a violation of this law are investigated by the Public Utility Commission of Texas. If you have a complaint about repeated solicitation from a telephone solicitor you have asked not to call you again, contact:

Office of Consumer Affairs,
Public Utility Commission of Texas
PO Box 13326
Austin, Texas 78711-3326
(512) 936-7120 or
(512) 936-7136 (TTY only)

You may have additional rights under federal law. Please contact the Federal Trade Commission or the Federal Communications Commission for further information on these additional rights.

Your Rights As A Customer

Exceptions

The above requirements do not apply to telephone solicitations made at your request, or solicitations made in connection with an existing debt or contract, or calls from a telephone solicitor with whom you have a prior or existing business relationship.

If you use a credit card to purchase goods or services from a telephone solicitor other than a public charity (an organization exempt from federal income tax under the Internal Revenue Code 501(c)(3)), the seller must:

-offer a full refund for the return of undamaged and unused goods within seven days after you receive the goods or service (the seller must process the refund within 30 days after you return the merchandise, or cancel your order for undelivered goods or services); or
- provide you with a written contract fully describing the goods or services being offered, the total price charged, the name, address, and business phone of the seller, and any terms and conditions affecting the sale.

Slamming

Selecting A Telecommunications Carrier-Your Rights As A Customer.

The Public Utility Commission of Texas has directed each telecommunications utility to provide this notice to customers regarding your rights when selecting a telecommunications utility.

Telecommunications utilities (telephone companies) are prohibited by law from switching you from one telephone service provider to another without your authorization, a practice commonly known as "slamming."

If you are slammed, you should contact your new provider--the telephone company that switched you without authorization--and request that it return you to your original telephone service provider.

Texas law requires a local or long distance telephone service provider (telephone company) that has slammed you to do the following:

1. Return you to your original telephone company within three

business days of your request.

2. Pay all the usual and customary charges associated with returning you to your original telephone company within five business days of your request to be returned to your original telephone company.
3. Provide all billing records to your original telephone company within 10 business days or your request to be returned to your original telephone company.
4. Pay the original telephone company the amount paid you would have paid to your original telephone company if you had not been slammed.
5. Refund to you, within 30 business days, any amount you paid over the amount that you would have paid for identical services by your original telephone company if you had not been slammed.

Please note that once your original telephone company has been paid by the slamming company, your original telephone company is required by law to provide you with all the benefits (e.g., frequent flyer miles) you would have normally received for your telephone use during the period in which you were slammed.

Complaints relating to slamming, the unauthorized change in a customer's telephone company, are investigated by the Public Utility Commission of Texas. If a telephone company slams you and fails to resolve your request to be returned to your original local or long distance telecommunications service provider as required by law, or if you would like a complaint history for a particular telephone company, please write or call the Public Utility Commission of Texas, P.O. Box 13326, Austin, Texas 78711-3326, (512) 936-7120 or in Texas (toll-free) 1-888-782-8477. Hearing and speech-impaired individuals with text telephone (TTY) may contact the commission at (512) 936-7136.

Be advised that you may have additional rights under state and federal law. Please contact the Public Utility Commission if you would like further information about these additional rights.

Pre-Paid Local Telephone Service (PLTS)

Southwestern Bell offers Pre-paid Local Telephone Service

(PLTS) for those qualified customers who need to maintain local phone service and want greater control over their local phone usage.

PLTS customers receive the following services: flat rated Basic Local Telephone Service including Touch-tone; access to 911; access to Southwestern Bell Repair and Business Offices; a white page directory listing; and toll blocking. The above services are priced at tariffed rates (not including taxes and municipal fees). Additional charges may apply depending upon your service location. Normal service connection and restoral fees may apply.

PLTS does NOT include long-distance calling, collect calling, access to directory assistance (411) or access usage sensitive products such as Call Return, Auto Redial and Call Trace.

It is the customer's responsibility to make payments for service. The initial payment consists of the monthly rate for up to two month of service plus all connection charges. No deposit is required. All subsequent payments are billed one month in advance.

It is the customer's responsibility to make sure that the PLTS account is paid on time before the due by date and that no additional charges such as long-distance are incurred. Violation of the terms and conditions of the PLTS plan may result in disconnection without notification. If disconnected from PLTS for violation of the terms and conditions of the service, the customer is not eligible again for PLTS service with Southwestern Bell.

To return to Basic Local Telephone Service from PLTS, the customer must have a zero balance on the PLTS account, and have paid all outstanding debt owed to Southwestern Bell including toll charges.

Please call Southwestern Bell at 1-800-529-7499 to subscribe to PLTS or obtain additional information.

Estos servicios se ofrecen sin discriminación de raza, nacionalidad, color, sexo, credo, o estado civil.

Es nuestra política aplicar el mismo antecedente de crédito, y durante un periodo razonable de tiempo, a aquel cónyuge o excónyuge con quien el cliente haya compartido el servicio telefónico.

Los antecedentes de crédito que un cliente mantenga se aplicarán equitativamente al cónyuge o excónyuge sin modificación y sin exigirle al cliente requisito adicional alguno.

Privacía en telecomunicaciones

Es parte fundamental de nuestro servicio proteger los derechos individuales de privacía. Protegemos cuidadosamente los

servicios de comunicaciones de la interceptación ilegal de líneas telefónicas u otros métodos de interceptación de escucha ilegal. Facturas exactas, fáciles de entender y procedimientos de facturación razonables

Creemos que el consumidor debe recibir una factura exacta y fácil de entender y que además establezca claramente la fecha de pago. El consumidor tiene derecho a procedimientos de facturación razonables con explicaciones claras acerca de sus depósitos, pagos atrasados de sus facturas, cobros, suspensiones o desconexión del servicio por falta de pago. En los casos de emergencias auténticas, procuraremos evitar la desconexión del servicio por falta de pago.

Planes alternativos de pago para clientes comerciales y residenciales

Es su responsabilidad hacer oportuna y mensualmente el pago total de su factua telefónica.

Si usted no puede hacer el pago en la fecha de vencimiento, por favor llame a su representante de servicio. Tal vez podamos hacer arreglos de pago en caso de circunstancias fuera de su control.

Clientes residenciales

Si usted no puede pagar su cuenta en su totalidad, podemos hacer arreglos para diferir el pago, siempre y cuando usted no haya recibido más de dos avisos de interrupción del servicio en los últimos doce meses.

Bajo los términos del plan de pagos diferidos, su servicio no se suspenderá si usted paga sus facturas actuales, una cantidad razonable del saldo pagadero y el resto en pagos razonables hasta

que la cuenta quede pagada en su totalidad. No se le exigirá pagar más de la tercera parte de la cantidad total a diferir cuando se acuerda un plan de pagos en abonos. Si usted no cumple con las condiciones del plan de pagos diferidos, su servicio se suspenderá luego de que usted reciba el aviso correspondiente por escrito.

Southwestern Bell no tiene las obligación de acordar un plan de pagos diferidos con aquellos clientes que hayan tenido servicio telefónico menos de tres meses si carecen de antecedentes de crédito suficientes o una historia de pagos satisfactoria en su servicio anterior. Para mayor información, llame a su representante de servicio. Usted tiene el derecho de exigir éstos planes alternativos de pago.

Crédito e información sobre depósitos

Es posible que se requiera un depósito si usted no ha establecido su crédito para servicio telefónico durante los dos últimos años o si usted se atrasó en su cuenta más de una vez en los últimos 12 meses del plazo. Los depósitos son iguales a una factura de dos meses de la cuenta del cliente de un cliente en particular (promediado sobre un periodo de 12 meses). El interés se pagará en base a cualquier depósito retenido por más de 30 días a la tasa de interés establecida por la Comisión de Servicios Públicos de Texas, la cual entra en efecto el 10 de enero de cada año.

Los intereses devengados se acreditarán a su cuenta si usted paga o está pagando su cuenta oportunamente (12 meses para el servicio residencial o 24 meses para el servicio comercial). Los depósitos dejarán de ganar intereses el día en que se devuelvan 8.5

Cuentas en disputa

El servicio al cliente no se suspenderá por falta de pago cuando éste adeude la porción de una factura que se encuentre en disputa y sujeto al cumplimiento de la determinación de tal, pero bajo ninguna circunstancia debe exceder de 60 días. El cliente está obligado a pagar toda facturación que no esté en controversia.

Si su cuenta se convierte en cuenta morosa, la compañía telefónica deberá enviarle un aviso por escrito antes de que se suspenda el servicio.

Cuando exista la posibilidad de alguna condición peligrosa, el aviso por escrito de interrupción del servicio y la razón para ésta se colocarán en el lugar habitual de entrada o en la puerta de cada unidad residencial afectada, lo más pronto posible después de que el servicio se haya desconectado.

Cláusulas de la tarifa

Los servicios de comunicación que ofrece Southwestern Bell son servicios públicos los cuales están sujetos a reglamentaciones, regulaciones, y a cargos establecidos en sus tarifas. Estas tarifas en todo momento controlarán la cláusula de tales servicios de comunicación. Realizamos todo esfuerzo para hacer que esta Guía de Ayuda represente en forma precisa la información mostrada acerca de ciertos artículos, condiciones y cargos por medio de los cuales los servicios de comunicación se proporcionan. Si existiera algún conflicto entre dichas tarifas y la información contenida en esta Guía de Ayuda, las tarifas prevalecerán. Las tarifas de la compañía están sujetas a cambios.

Servicios para clientes con incapacidades físicas

Los clientes con incapacidades físicas y aquellos que cuiden de dichos clientes se les anima a que ellos mismos se identifiquen con Southwestern Bell. De esta manera, podremos tomar acción especial para informarles sobre sus derechos, siempre que sea necesario y apropiado a cada situación en particular.

Equipo proporcionado por el cliente

Bajo el Programa de Registro de la Comisión Federal de Comunicaciones (FCC), usted proporciona su propio equipo de teléfono y lo conecta directamente a la red telefónica local. Usted es responsable de la instalación, operación, mantenimiento y reparación de este equipo y debe hacer arreglos para estos servicios a través del fabricante, si fuese necesario. Este equipo no puede conectarse a un teléfono público.

Grabación de conversaciones entre dos personas

Si su conversación telefónica es grabada, debe existir una de las siguientes condiciones:

1a. Todos los participantes que estén siendo grabados deben escuchar un sonido bip o tono de grabadora aproximadamente cada quince segundos, o todos los participantes de la conversación telefónica deben dar su consentimiento previo para la grabación de la conversación.

1b. El consentimiento previo debe obtenerse por escrito o ser parte o haberse obtenido al principio de la grabación, o

2. En vez del punto 1b, el participante a ser grabado puede dar una notificación verbal, clara, sin ambigüedades la cual debe anunciarse al principio de la conversación y como parte de la llamada.

Bajo ciertas restricciones, las excepciones a estas disposiciones existen para los concesionarios comerciales de la radiodifusión, para los sistemas de información de emergencia y para las autoridades ejecutoras de la ley.

Intercepción ilegal de llamadas

Es un delito federal y estatal interceptar las líneas telefónicas o de otra manera interceptar una llamada telefónica a menos que se obtenga el consentimiento de uno o todos los participantes en la llamada. (Las excepciones debidamente autorizadas por las agencias que aplican la ley, que actúen bajo orden de la corte y de acuerdo a la ley federal y estatal). El castigo por la intercepción ilegal de líneas telefónicas puede ser una multa y o encarcelamiento.

Sus derechos como cliente y propietario de información del sistema de la red telefónica

En el curso normal de operaciones para proporcionarle servicio telefónico, Southwestern Bell mantiene cierta información acerca de su cuenta. Esta información, cuando se compara con su nombre, domicilio y número telefónico donde se origina la llamada, conocido como información específica del cliente "Cliente y

Propietario de Información del Sistema de la Red Telefónica" o sus siglas en inglés CPNI (Customer Proprietary Network Information). Por ejemplo, esta información incluye: el tipo de línea que usted tiene, las características técnicas (como servicio de teclas "Touch-tone" o de disco), tipo de servicio, cargos telefónicos, registros de facturación del servicio de larga distancia o local, cargos por servicio de información (Directory Assistance), datos de uso y tipo de llamada.

Southwestern Bell puede estar usando actualmente su "CPNI" para venderle ciertos servicios telefónicos. Sin embargo, la Comisión de Empresas de Servicio Público de Texas ha adoptado nuevos reglamentos que señalan que Southwestern Bell no puede usar su CPNI para venderle a usted ciertos servicios telefónicos u opciones si usted ha solicitado que su CPNI se "restringa" para este propósito. Estas funciones o servicios telefónicos son aquellos que le pueden ofrecer a usted por otra fuente distinta a la de Southwestern Bell. Si usted desea restringir el uso de su CPNI, comuníquese al centro de servicio residencial de Southwestern Bell al 1-800-559-0050, de lunes a viernes, durante horas hábiles de oficina. Simplemente dígame a su representante de servicio que usted desea restringir el uso de su CPNI. No se cobra por restringir su información de cliente. La restricción quedará en efecto hasta que usted nos notifique lo contrario. Por favor, considere que la restricción a su información de cliente no evitará que usted reciba todos nuestros comunicados de ventas. Usted puede continuar recibiendo nuestros comunicados de mercadotecnia que no se hayan originado en su CPNI. Además, tenemos autorización para usar su CPNI para informarle a usted de los servicios telefónicos de que disponemos y que no los está ofreciendo otra fuente. Finalmente, cuando usted lo solicite, inclusive si su CPNI está restringido, nosotros podemos seguir usándolo para ofrecerle esas funciones o servicios telefónicos que le puede estar ofreciendo otra fuente que no sea Southwestern Bell.

**You may notice that this phone
company solicitation does not require
you to put the spoon down, get
up from the table, and go answer it.**

Here's something that sounds quite shocking coming from a phone company:
we promise we will never, ever bug you with sales calls during dinner. Bon appétit.

Make it easy (and fun!) for anyone to find your number. With Personalized Listings, you can choose from three features, combine or use separately, to help you stand out from the crowd. Each feature is available for a small monthly fee. Additional savings if you select more than one.

Personality Logosm

makes your listing distinctive. Select a symbol that depicts your hobby, interest or school.

Choose from these symbols, or call us to see if another logo you prefer is available.

Actual sizes are larger than shown.

Line of Distinctionsm

is like a "vanity plate." Create a phrase* (up to 34 spaces) that says something about you, your family or affiliations.

Need more space? Up to eight lines available. Additional per-line charges apply. Call for details.

*Guidelines and content restrictions apply.

Signature Listing[®]

sets you apart from the others in a style that best reflects you. Select a contemporary bold or sophisticated script type style for your listing.

And remember, Additional Listings provide a separate and alphabetically distinct listing for the names of anyone else living at your home - your spouse, children, roommates or live-in parents.

Call your local business office to order.

**Sure, we'd consider a Hollywood celebrity
spokesperson. As long as they have
experience in digital fiber optics, satellite
up-links, and OC-3 optical carriers.**

Correct us if we're wrong, but shouldn't a company spokesperson be able to, you know, speak for the company? We think so. That's why we won't spend gazillions of dollars on highfalutin Hollywood celebrities. Call us crazy, but we'd rather put the money towards better service than a Beverly Hills bank account.

Let's get something straight.

You're supposed to have a number.

Not be one.

It seems other phone companies have forgotten one important thing. You are a person. And you should be treated accordingly-with dignity and respect. Which is why we think you'll appreciate the 12 promises we're making to our customers. Things like never trying to trick you into signing up for anything. Or never disturbing your dinner with a sales call. It's called our pledge, and it's something we think you'll like. Considering that, you know, you're a person.

**You may notice that this phone
company solicitation does not require
you to put the spoon down, get
up from the table, and go answer it.**

Here's something that sounds quite shocking coming from a phone company:
we promise we will never, ever bug you with sales calls during dinner. Bon appétit.

HOW TO HELP WITH YOUR CHILD'S HOMEWORK *if you can't read.*

YOU TELL YOUR CHILD THE ONLY WAY TO LEARN IS TO DO IT YOURSELF.

Part of you wants to follow the natural instincts of every parent and help your child learn and thrive. The other part of you wants to bide the fact that you can't.

YOU TELL YOUR CHILD YOU DON'T UNDERSTAND "THE NEW MATH."

How long can you make excuses? Should you confess to your child that his or her reading level has already passed yours?

YOU TELL YOUR CHILD YOU HAVE A HEADACHE.

Should you continue to bluff and find ways around the problem, the way you've done since you were a kid yourself?

YOU TELL YOUR CHILD LIES.

Your fear is that your child will lose respect for you because you can't read. But is that any worse than the respect you'll lose when your child figures out you couldn't tell the truth?

Real-life

situations like

this are faced

every day by people who

can't read. They're embarrassed. They're regretful. And sooner or later, many of them become fed up enough to finally seek help. That's where you come in.

By becoming a literacy volunteer, you can change the lives of people who, for one reason or another, never learned basic reading skills. All that's asked of you is a small commitment of time. We'll do the rest by providing training, materials and introductions. To find out more, call Literacy Volunteers of America at 1-877-HELP-LVA. And help open the world for someone who can't read.

Does your business do business by giving estimates or bids? Your ad in Swbyp's, the Southwestern Bell Yellow Pages, tells people you're big enough and ready to do the job. Tell them you give estimates - you'll get more calls and that will mean more sales.

The Southwestern Bell Yellow Pages provide the final link between seller and buyer. Your ad provides the who, what, where and why when customers are ready to buy. It's good business insurance to advertise in Swbyp's, the Southwestern Bell Yellow Pages.

HOW TO CHOOSE
A BIRTHDAY CARD
if you can't read.

Have a clerk point you to the right section.

Look for a picture of a cake.

Say you forgot your glasses
and have someone read you the verse.

Hope you haven't chosen an anniversary card.

The simplest tasks can be major hurdles for
people who can't read. Please help by becoming a
literacy volunteer. Call Literacy Volunteers
of America at 1-877-HELP-LVA for information.
