Notice:

The information in this directory was correct on the date this directory was compiled, but is subject to change by order of the Public Utility Commission of Texas.

This directory contains Important Information about your rights as a telephone customer starting on Page 29 of this "Help" Guide.

If you are not a Southwestern Bell customer, please consult your local telephone directory for emergency numbers.

Automatic Number Identification... Per-line or per-call blocking does not prevent transmission of your telephone number when you call a company using an 800, 888 or 900 number. Therefore, your number may be available to that company's service representative before your call is answered.

Cellular 9-1-1 Calls... When calling 9-1-1 on a cellular phone, be prepared to provide the following information: your name, cellular phone number, nature of the emergency, and the location of the incident. Please note: Your call may be answered by a telephone company operator or a 9-1-1 dispatcher outside of your area.

Privacy Considerations... The 9-1-1 emergency telephone number quickly summons emergency service in a crisis. When you report an emergency by dialing 9-1-1, your telephone number (including non-published numbers) and address may be automatically displayed on a viewing screen located at the 9-1-1 answering centers and your call may also be recorded. This display of the calling number and address enables the emergency agency to quickly locate the caller if the call is disrupted by the crisis.

Callers who do not wish to have their telephone number or address displayed on the viewing screen should report an emergency by dialing the seven-digit telephone number of the appropriate emergency agency. For blocking options, see the Caller ID section of this Directory's "Help" Guide pages.

Caller ID Services From Southwestern Bell

Caller ID Services from Southwestern Bell are designed to protect your privacy and give you more control over how you use your phone. These services include Calling Number Delivery, Calling Name Delivery, and Anonymous Call Rejection.

Calling Number Delivery and Calling Name Delivery

Caller ID is an optional service that lets the subscriber know who is calling even before picking up the phone. Caller ID allows you to see the date, time, and phone number (Calling Number Delivery) and/or name (Calling Name Delivery) of most direct-dialed local calls and some long-distance calls on a special display unit. A display unit is required, which stores the number and name, as well as the date and time of the call. That way if you're not home, or just don't want to

answer the phone, the stored numbers will permit you to return calls. This also works with answering machines or voice messaging systems ... even if the caller doesn't leave a message. These units are available from various retail vendors, including Southwestern Bell. Each time you make a phone call, your name and number will be automatically sent to the Caller ID subscribers in your area unless you choose to block that information.

Blocking Delivery Of Your Number

If you should ever want to "block," or prevent sending your number and name to Caller ID subscribers, you need only dial *67 (on a Touch-tone phone) or 1167 (on a rotary phone) before dialing the telephone number. Then you will hear a "stutter" tone which tells you "per-call" blocking is working. Calls blocked on a per-call basis will be displayed on the Caller ID display unit as "anonymous" or "private." Per-call blocking is free of charge and automatically available on everyone's line wherever Caller ID is available. There is no need to subscribe to Caller ID to have per-call blocking.

It is important to keep in mind that even if you have a non-published or non-listed number, your number will be passed along unless you choose to block on a per-call or per-line basis. We believe per-call blocking will provide you with flexibility in those situations when you do not want to have your telephone number or name delivered to Caller ID subscribers.

However, if you have a compelling need for per-line blocking, meaning you want to always have your number and name blocked, you can have per-line blocking at no charge by mailing a written request for per-line blocking. The request must include (1) your name, address and telephone number (as shown on your bill), (2) your signature, and (3) the following statement: "I have a compelling need for per-line blocking." Then mail the request to: Southwestern Bell, PO Box 80349, Austin, Texas 78708. You need not explain your compelling need because all requests are AUTOMATICALLY granted. Or, you may obtain per-line blocking by simply completing the reply card which will be sent to you before the service is offered and dropping it in the mail. If at any time you want to cancel per-line blocking, and reinstate per-call blocking, just call the Southwestern Bell Service Center. Per-line blocking automatically blocks a customer's number on every call without the need to dial *67 or 1167. Calls placed from a line that subscribes to per-line blocking will be displayed on the Caller ID display unit as

"anonymous" or "private."

Customers who subscribe to per-line blocking can un-block their name and/or number on a call-by-call basis. You can turn off per-line blocking on a specific call by dialing *82 (on a touch-tone phone) or 1182 (on a rotary phone) before dialing the phone number. This feature turns off per-line blocking for only the call placed after *82 or 1182 is dialed, and will result in your name and/or number being received by subscribers of Caller ID. Once the call is ended, per-line blocking will be restored. If you select per-line blocking, then calls to ACR customers (see the following page) will not be completed. If you must reach that customer, you may do so by dialing *82 or 1182, calling from a pay phone or cellular phone, making a credit card or operator-assisted call, or asking someone who does not have per-line blocking to place the call for you.

*Caller ID is available in most areas.

Caller ID Services From Southwestern Bell

Examples of Caller ID Messages

Currently there are some calls that Caller ID won't identify. These include cellular calls, some long-distance calls, operator-assisted calls, and calls originating in areas where Caller ID is not available. For these calls, the Caller ID display unit

will display the message "out of area." Even though you won't have the number, you will still have information about the call, such as the date and time. Below are examples of what will likely be displayed, depending on the type of calls received.

TYPE OF CALL	CALLER ID MESSAGE EXAMPLES			
	Name	Number	Date	Time
Local Calls (1)	Doe Jane	512-555-6666	10/17	9:31am
Long Distance By SWB (1)	Smith John	512-555-7777	10/22	9:14pm
Pay Phone	Pay Phone	512-555-9999	11/20	8:31am
Long Distance by Others	"Out of Area"/"Unavailable" (2)		10/22	9:53pm
Operator Assisted				
Credit Card, Cellular	"Out of Area"/"Unavailable"		11/25	3:00pm
Per Call Blocked (*67)	"Private" or "Anonymous"		11/25	3:06pm
Per-Line Blocking	"Private" or "Anonymous"		11/25	3:18pm

(1) Only where technically available.

(2) Unless the long-distance company provides the calling telephone number to SWB.

Anonymous Call Rejection (ACR)

Anonymous Call Rejection (ACR) is a Caller ID Service that allows a subscriber to automatically reject all calls that have been marked anonymous, or blocked. It is not necessary to subscribe to Calling Number Delivery or Calling Name Delivery to subscribe to ACR, nor is a display unit necessary. With ACR, the telephone will not ring if the person calling you has blocked his or her number through per-call or per-line blocking. The caller will receive a message that the party he or she is trying to reach is not accepting calls from a blocked number. The caller will be instructed to redial without blocking the number or be asked to call the operator for

assistance in completing the call. (An operator-handling charge will apply). ACR service also allows you the flexibility to turn on or off your ACR service by dialing a code, which will be provided upon subscription to ACR.

It is important to remember that both per-call and per-line blocking will not block your billing telephone number to Emergency 9-1-1, nor will it currently prevent your number from being transmitted on 700, 800, 888 or 900 calls. Also, calls made from a pay phone cannot be blocked.

Not all services are available in all areas.

Information on 900/976 Calls

Calls to 900/976 Numbers Will Result in a Charge Per Call

A number of entertainment and informational programs offered by information providers ("sponsors") are available on telephone numbers that begin with 900 or 976. There is a charge for such calls. The amount of the charge for each call to a 900/976 service is determined by the sponsor and can vary among individual 900/976 programs. The charge for a 900/976 program must be clearly stated as part of the

900/976 message. Any advertisement promoting 900/976 service must clearly state the charge for the call.

Programs offered by 900/976 sponsors are recorded only (no "live" two-way conversations). The content of 900/976 programs is developed and produced by the sponsor and not by the telephone company. **But Southwestern Bell can refuse to allow unsuitable programs or language on its 900/976 network.**

Billing Information

Charges for calls placed to 976 numbers will appear on the customer's monthly Southwestern Bell bill. Charges for calls placed to 900 numbers may appear on the customer's monthly Southwestern Bell bill. The customer

is obligated to pay such charges. A customer's local telephone service cannot, however, be suspended or disconnected for non-payment of 900/976 charges.

No Charge for Blocking 900/976 Calls

If calls to 900/976 programs are a problem due to unwanted charges, or if a customer wishes to avoid the potential of uncontrolled usage, customers may request 900/976 Call Restriction, which is free, and the telephone company will block access to all 900/976 numbers. Calls to 900/976 services cannot be blocked separately. When access is blocked to one service, the other is automatically blocked also. Some customers' telephone numbers do not have access to 900/976 calls at all.

To request the free blocking service, call your local Southwestern Bell Service Center. Some restrictions do apply.

In addition to the free blocking service, Southwestern Bell can require mandatory blocking of 900/976 programs for nonpayment of charges incurred by a customer. There is a one-time charge to the customer when mandatory blocking is required.

Billing Questions? Call Your Service Center

For billing questions about 900/976 service, please call your local Southwestern Bell Service Center at

1-800-585-7928 for your home and 1-800-559-7928 for your business.

Before Dialing 900/800 Numbers, Please Note

When an 800 or 900 number is dialed from your telephone, your telephone number may be transmitted to the company you have called and

may be available to that company's service representative before your call is answered.

Your Rights As A Customer And Other Important Information From Southwestern Bell.

All of us at Southwestern Bell are here to provide you with the most reliable telephone service available at a fair price. Our commitment extends beyond our phone service.

Southwestern Bell is committed to these consumer rights:

Dependable, High Quality Services at Reasonable Prices

Southwestern Bell strives to provide quality telecommunications services for all consumers at fair prices.

Full Information About Our Services

Consumers have a right to the information necessary to make sound decisions. It is our policy to provide consumers with information about their telephone service, service options, including the lowest price service available and payment options.

Choice Of Services

We believe consumers should have free and open choices of telecommunications services. When dealing with us, the consumer should have the opportunity to select from all available service options. These services are provided to consumers without discrimination as to race, nationality, color, sex, religion, marital status, income level, source of income, or from unreasonable discrimination on the basis of geographical location.

Telecommunications Privacy

We fully safeguard every individual's right to privacy as an essential aspect of our service. We carefully protect communications services from unlawful wiretapping or other illegal interception. Customer service records, credit information and related confidential personal account information are fully protected.

An Accurate, Easily Understood Bill and Reasonable Billing Procedures

We believe consumers should receive an accurate, easily understood bill that makes it clear when payment is due. Consumers are entitled to reasonable billing procedures and clear explanations about deposits, late payment of bills, collections, suspensions and disconnection of service for non-payment. In case of true emergencies, we try to avoid disconnection of service for nonpayment.

Alternative Payment Plans For Business And Residence Customers

You are responsible for making your payment in full and on time each month. If you can't pay by the due date, but can pay before the due date of the next bill, please call your service representative to make a payment arrangement. If Southwestern Bell issued a suspension or disconnection notice prior to the payment arrangement being made, that suspension or disconnection will be delayed in accordance with the payment arrangement. If the payment arrangement is not kept, Southwestern Bell may suspend or disconnect service without further notice.

Residence Customers-Deferred Payment Plans

If you are unable to pay all of your bill, you may enter into a deferred payment plan if we have not issued more than two termination notices on your account in the preceding 12 months.

Under the terms of a deferred payment plan, your service will not be terminated if you pay current bills and a reasonable amount of the outstanding bill and the balance in reasonable installments until the bill is paid. You will not be required to pay in one month more than 1/3 of the total deferred amount when entering into a deferred payment plan. However, in addition to the deferred amount, you will be required to pay monthly charges as they accrue. If you do not meet the terms of a deferred payment plan, your service may be terminated after proper written notice.

Southwestern Bell is not required to enter into a deferred payment plan with any customer who has telephone service for three months or less if that customer lacks sufficient credit or a satisfactory history of payment for previous service. Call your service representative for more information. You have the right to request these alternative payment plans.

Credit And Deposit Information

Residential applicants can demonstrate satisfactory credit using either a payment record with another local

telephone service provider or other means, including generally accepted credit history, letters or verifiable names of credit references, or proof of ownership of substantial equity that is easily liquidated. It is our policy to apply a customer's credit history equally for 12 months to a spouse or former spouse who shared the service. Credit history maintained by a customer will be applied equally to the spouse or former spouse without modification and without additional qualifications required of the customer.

A deposit may be required if you have not established credit for telephone service within the last two years (exceptions apply if you are a qualified senior or domestic violence victim), if you have paid your bill late more than once during the last 12-month period, or if your service was disconnected for non-payment. Deposits for residential and business customers cannot exceed the actual or estimated amount billed for 2 months of tariffed charges (averaged over a 12 month period). For residential customers, the deposit shall not include the amount billed for long distance service other than those provided by Southwestern Bell Companies. For business customers, the deposit may include the actual or estimated amount billed for long distance charges of other carriers where Southwestern Bell Telephone bills those charges. The deposit amount related to local telephone service shall be separately identified from the amount related to long distance service. Upon disconnect, the deposit amount shall be applied to local service charges first.

Southwestern Bell reserves the right to request an additional deposit in certain instances. Interest will be paid on any deposit held over 30 days at a rate set annually by the Public Utility Commission of Texas. This rate is effective January 1 of each year. Accrued interest will be credited to your account if you are and have been paying your bill in a timely manner (12 months for your residence service or 24 months for your business service). The deposit will stop drawing interest on the day it is returned or credited to your account.

If your telephone conversation is being recorded, one of these conditions must exist:

1a. All parties being recorded must hear a beep or distinctive recorder tone approximately every 15 seconds, or all parties to the telephone conversation must give their prior consent to the recording of the conversation.

1b. The prior consent must be obtained in writing or be part of and obtained at the start of the recording, or

2. In lieu of 1b, the recording party can give verbal notification in a clear, unambiguous manner, which is recorded at the beginning as a part of the call.

Under certain restrictions, exemptions to these provisions exist for commercial broadcast licensees, emergency reporting systems and law enforcement authorities.

Unlawful Wiretapping

It is a crime under federal and state laws to wiretap or otherwise intercept a telephone call unless the consent of one or both of the parties actually

Your rights to Privacy as a Southwestern Bell customer:

With your approval, we will be able to use your service information and share it within Southwestern Bell, its family of SBC companies, and others authorized to represent us to offer the products and services you may find useful. In addition, information about consumers who may qualify for Lifeline or Tel-Assistance is shared between Southwestern Bell and state agencies such as the Texas Department of Human Services. For a list of our family of companies, please visit our web page at www.sbc.com.

If you decide not to grant Southwestern Bell permission to use your customer service information, but contact us to ask about products and services, we may use your information to talk to you about those services. In addition, Southwestern Bell may send you product information without using your customer service confidential information.

Your denial or approval will always be handled free of charge and will not impact the service you receive from Southwestern Bell. Your selection will remain in effect unless you decide to change it. Telephone Solicitation

Texas law requires that a telephone solicitor who calls your home must:

- identify himself or herself by name;
- identify the business on whose behalf he or she is calling;
- identify the purpose of the call;
- identify the telephone number at which the person, company, or organization making the call may be reached.

A telephone solicitor may not call a residence before 9 am or after 9 pm on a weekday or Saturday or before noon or after 9 pm on Sunday.

If a telephone solicitor uses an automatic dialing/announcing device, the machine must disconnect from your line within 30 seconds after termination of the call.

Telephone Solicitation Complaints

The Texas Attorney General investigates complaints relating to a violation of this law, which is found at the Business and Commerce Code Chapter 37. If you have a complaint about a telephone solicitor whom you believe has violated this law, contact:

Consumer Protection Division of Texas
Office of the Attorney General
PO Box 12548
Austin, Texas 78711
(512) 463-2070

Another law, found at 3.659 and 3.660 of the Public Utility Regulatory Act of 1995, requires a telephone solicitor to make every effort not to call a consumer who asks not to be called again. Complaints relating to a violation of this law are investigated by the Public Utility Commission of Texas. If you have a complaint about repeated solicitation from a telephone solicitor you have asked not to call you again, contact:

Office of Consumer Affairs,
Public Utility Commission of Texas
PO Box 13326
Austin, Texas 78711-3326
(512) 936-7120 or
(512) 936-7136 (TTY only)

You may have additional rights under federal law. Please contact the Federal Trade Commission or the Federal Communications Commission for further information on these additional rights.

Exceptions

The above requirements do not apply to telephone solicitations made at your request, or solicitations made in connection with an existing debt or contract, or calls from a telephone solicitor with whom you have a prior or existing business relationship.

If you use a credit card to purchase goods or services from a telephone solicitor other than a public charity (an organization exempt from federal income tax under the Internal Revenue Code 501(c)(3)), the seller must:
-offer a full refund for the return of

undamaged and unused goods within seven days after you receive the goods or service (the seller must process the refund within 30 days after you return the merchandise, or cancel your order for undelivered goods or services); or - provide you with a written contract fully describing the goods or services being offered, the total price charged, the name, address, and business phone of the seller, and any terms and conditions affecting the sale.

Slamming

Selecting A Telecommunications Carrier-Your Rights As A Customer.

The Public Utility Commission of Texas has directed each telecommunications utility to provide this notice to customers regarding your rights when selecting a telecommunications utility. Telecommunications utilities (telephone companies) are prohibited by law from switching you from one telephone service provider to another without your authorization, a practice commonly known as "slamming."

If you are slammed, you should contact your new provider--the telephone company that switched you without authorization--and request that it return you to your original telephone service provider.

Texas law requires a local or long distance telephone service provider (telephone company) that has slammed you to do the following:

1. Return you to your original telephone company within three business days of your request.
2. Pay all the usual and customary charges associated with returning you to your original telephone company within five business days of your request to be returned to your original telephone company.
3. Provide all billing records to your original telephone company within 10 business days or your request to be returned to your original telephone company.
4. Pay the original telephone company the amount paid you would have paid to your original telephone company if you had not been slammed.
5. Refund to you, within 30 business days, any amount you paid over the amount that you would have paid for identical services by your original telephone

Your Rights As A Customer And Other Important Information From Southwestern Bell

company if you had not been slammed.

Please note that once your original telephone company has been paid by the slamming company, your original telephone company is required by law to provide you with all the benefits (e.g., frequent flyer miles) you would have normally received for your telephone use during the period in which you were slammed.

If you have been slammed, you can change your service immediately back to your original provider by calling your local telephone company. You should also report the slam by writing or calling the Public Utility Commission of Texas, P.O. Box 13326, Austin, Texas, 78711-3326, (512) 936-7120 or in Texas (toll-free) 1-888-782-8477, fax (512) 936-7003, email address: customer@puc.state.tx.us. Hearing and speech-impaired individuals with text telephone (TTY) may contact the commission at (512) 936-7136.

You can prevent slamming by requesting a preferred telephone company freeze from your local telephone company. With a freeze in place, you must give formal consent to "lift" the freeze before your phone service can be changed. A freeze may apply to local toll service, long distance service, or both. The Public Utility Commission of Texas can give you more information about freezes and your rights as a customer.

Be advised you may have additional rights under state and federal law. Please contact the Public Utility Commission, if you would like further information about these additional rights.

Cramming - Charges on Your Telephone Bill

Placing charges on your telephone bill for products or services without your authorization is known as "cramming" and is prohibited by law. Your telephone company may be providing billing services for other companies, so other companies' charges may appear on your telephone bill.

If you believe you were "crammed," you should contact Southwestern Bell and request that it take corrective action. The Public Utility Commission of Texas requires Southwestern Bell to do the following within 45 days when it learns of the unauthorized charge:

- Notify the service provider to cease charging you for the unauthorized

product or service;

- remove any unauthorized charge from your bill;
- refund or credit all money to you that you have paid for an unauthorized charge; and
- on your request, provide you with all billing records related to any unauthorized charge within 15 business days after the charge is removed from your telephone bill.

If Southwestern Bell fails to resolve your request, or if you would like to file a complaint, please write or call the Texas Public Utility Commission, PO Box 13326, Austin, Texas 78711-3326, (512) 936-7120 or toll-free in Texas at (888) 782-8477. Hearing and speech-impaired individuals with text telephones (TTY) may contact the commission at (512) 936-7136.

Your phone service cannot be disconnected for disputing or refusing to pay unauthorized charges.

You may have additional rights under state and federal law. Please contact the Federal Communications Commission, the Attorney General of Texas, or the Texas Public Utility Commission, if you would like further information about possible additional rights.

Pre-Paid Local Telephone Service (PLTS)

Southwestern Bell offers Pre-paid Local Telephone Service

(PLTS) for those qualified customers who need to maintain local phone service and want greater control over their local phone usage.

PLTS customers receive the following services: flat rated Basic Local Telephone Service including Touch-tone; access to 911; access to

Southwestern Bell Repair and Business Offices; a white page directory listing; and toll blocking. The above services are priced at tariffed rates (not including taxes and municipal fees). Additional charges may apply depending upon your service location. Normal service connection and restoral fees may apply.

PLTS does NOT include long-distance calling, collect calling, access to directory assistance (411) or access usage sensitive products such as Call Return, Auto Redial and Call Trace.

It is the customer's responsibility to make payments for service. The initial payment consists of the monthly rate for up to two month of service plus all connection charges. No

deposit is required. All subsequent payments are billed one month in advance.

It is the customer's responsibility to make sure that the PLTS account is paid on time before the due by date and that no additional charges such as long-distance are incurred. Violation of the terms and conditions of the PLTS plan may result in disconnection without notification. If disconnected from PLTS for violation of the terms and conditions of the service, the customer is not eligible again for PLTS service with Southwestern Bell.

To return to Basic Local Telephone Service from PLTS, the customer must have a zero balance on the PLTS account, and have paid all outstanding debt owed to Southwestern Bell including toll charges.

Please call Southwestern Bell at 1-800-529-7499 to subscribe to PLTS or obtain additional information.

Right to Modify

Southwestern Bell reserves its right at any time to modify these rights as a customer due to any change in the law, any regulatory order, any court order, or any change in Southwestern Bell's procedures or policies. Your rights as a customer are governed by applicable laws, regulations, court and regulatory orders, and tariffs. In the event of a conflict between the applicable law, regulation, court or regulatory order, or tariff, and the information contained in this Help Guide, such applicable law, regulation, court or regulatory order or tariff shall control.

Collect Calls

When you receive a collect call, prior to accepting the call you have the option to ask the operator how much you will be billed and who is calling you. If you do not recognize the person who is calling you collect, use caution in accepting the call. Some collect callers in the past have been known to keep the called party on the line as long as possible to increase the collect call charges. If you do not recognize the "collect call" charges on your phone bill, or believe that you were billed more for a collect call than the rate quoted by the operator, please call your SBC Southwestern Bell Service Center at 1-800-585-7928. You have the right to dispute unauthorized charges on your phone bill. To see those rights, see the section labeled "Disputed Bills".

vence el pago. En caso de verdadera urgencia, tratamos de evitar la desconexión del servicio por falta de pago.

Planes de pago alternativos de negocios y residenciales

Usted tiene la responsabilidad de realizar el pago total y a tiempo cada mes. Si no puede pagar a más tardar en la fecha de vencimiento, pero puede hacerlo antes de la fecha de vencimiento del siguiente recibo, por favor llame a su representante de servicio para realizar un convenio de pago. Si Southwestern Bell ha enviado un aviso de suspensión o desconexión antes de hacer el convenio, dicha suspensión o desconexión se aplazará, según lo acordado en el convenio. Si no se cumple con el convenio, Southwestern Bell podrá suspender o desconectar el servicio sin previa notificación.

Planes de pagos diferidos para clientes residenciales

Si no puede pagar todo su recibo podrá inscribirse en un plan de pagos diferidos, siempre y cuando no hayamos enviado más de dos avisos de terminación de su cuenta durante los 12 meses anteriores.

Si se inscribe en algún plan de pagos diferidos, no se le exigirá pagar en un mes más de 1/3 del total de la cantidad diferida. Sin embargo, además de la cantidad diferida, se le pedirá pagar los cargos mensuales que se acumulen. Si no cumple con los términos del plan de pagos diferidos, podrá darse por terminado el servicio, previa notificación por escrito.

Southwestern Bell no está obligada a suscribir ningún plan de pagos

diferidos con ningún cliente que haya contado con el servicio telefónico durante tres meses o menos, si dicho cliente no cuenta con el crédito suficiente, o no tiene un historial de pagos satisfactorio en servicios previos. Llame a su representante de servicios para obtener mayor información. Usted tiene el derecho de solicitar estos planes de pago alternativos.

Información de crédito y depósito

Los solicitantes de servicio residencial pueden demostrar su historial de crédito satisfactorio mostrando su historial de pagos con otra empresa de servicio telefónico local, o mediante cualquier otro medio, por ejemplo, el historial de crédito generalmente aceptado, cartas o referencias de crédito verificables, o comprobantes de propiedad de bienes de fácil liquidación. Nuestra política es aplicar el historial de crédito de manera igualitaria durante 12 meses al cónyuge o ex-cónyuge que haya compartido los servicios. El historial de crédito de un cliente se aplicará igualmente al cónyuge o ex-cónyuge sin ninguna modificación, y sin pedir requisitos adicionales al consumidor.

Podrá exigirse un depósito, si usted no cuenta con crédito establecido por servicios telefónicos durante los últimos dos años (excepto cuando se trata de personas elegibles de la tercera edad o víctimas de violencia doméstica), si usted ha pagado sus recibos con retrasos más de una vez durante los últimos 12 meses, o si le han desconectado el servicio por falta de pago. depósitos para clientes residenciales o negocios no podrán exceder de la cantidad real o estimada de 2 meses de cargos por tarifas (el promedio en un período de 12 meses). Para clientes residenciales, el depósito no incluirá la cantidad facturada por servicio de larga distancia que no sea suministrado por empresas de Southwestern Bell. Para negocios, el depósito podrá incluir la cantidad real o estimada facturada por cargos de larga distancia de otras empresas, si Southwestern Bell factura esos cargos. El monto del depósito por servicios de

Sus Derechos Como Consumidor e Información Importante de Southwestern Bell

telefonía local deberá desglosarse por separado del monto de servicios de larga distancia. En caso de desconexión, el monto del depósito deberá aplicarse primero a los cargos por servicio local.

Southwestern Bell se reserva el derecho de solicitar un depósito adicional en ciertos casos. Se pagarán intereses sobre los depósitos retenidos durante más de 30 días, a una tasa establecida anualmente por la Comisión de empresas de servicios públicos de Texas (Public Utility Commission of Texas). Esta tasa entra en vigor a partir de Enero 1 de cada año. Los intereses acumulados se acreditarán a su cuenta si usted paga y ha estado pagando sus recibos puntualmente (12 meses para el servicio residencial, ó 24 meses para el servicio de negocios). El depósito dejará de generar intereses el día en que se le reembolse o sea acreditado en a su cuenta.

La oportunidad de ser escuchado
Creemos en las ventajas que da el escuchar a los consumidores y en tomar en cuenta sus consejos y críticas para formular nuestras políticas y tomar decisiones. También creemos que los consumidores deben tener la oportunidad de ser escuchados con respecto a los asuntos que afectan a nuestra empresa.

Cómo obtener crédito por falta de servicio

Si usted reporta que no tiene tono de marcado, y no puede hacer ni recibir llamadas durante un período igual o mayor a 24 horas hábiles normales, y si la interrupción en el servicio es el resultado de problemas en la red, tendrá derecho a que se le dé crédito en el siguiente recibo por una fracción de los cargos por servicio local. Si sus conversaciones telefónicas están siendo grabadas, deberá cumplirse una de las siguientes condiciones:

1a. Todas las partes que están siendo grabadas deberán escuchar un tono 'bip', o tono distintivo de grabación cada 15 segundos, o todas las partes involucradas en la conversación telefónica, deberán dar su consentimiento antes de grabar la conversación.

1b. El consentimiento previo deberá obtenerse por escrito, o deberá obtenerse y ser parte de la conversación al iniciar la grabación, o.

2. En lugar de 1b, la parte grabada podrá dar su consentimiento verbal de manera clara, no ambigua, que deberá grabarse al principio, como parte de la llamada.

Con ciertas restricciones, existen excepciones a estas cláusulas para los concesionarios de transmisiones de radio y televisión comerciales, sistemas de reporte de emergencias y autoridades encargadas de aplicar la ley.

Intervención ilegal

Según la legislación federal y estatal, es un delito intervenir o interceptar llamadas telefónicas, a menos que se cuente con el consentimiento de una o las dos partes que realizan la llamada. (Las excepciones son las oficinas encargadas de la aplicación de la ley debidamente autorizadas, que actúan bajo órdenes de los tribunales, de acuerdo a la legislación estatal o federal). Las sanciones por la intervención ilegal pueden ser una multa, la privación de la libertad, o ambas.

con la persona que le llama.

Si usted utiliza tarjeta de crédito para comprar bienes o servicios ofrecidos por un vendedor telefónico, siempre que no se trate de organizaciones de caridad (organizaciones exentas de impuestos federales sobre la renta, según el Código 501(c) (3) de Ingresos Internos) (Internal Revenue Code 501 (c) (3)), el vendedor tiene la obligación de:

- Ofrecer el reembolso completo por el valor de los bienes devueltos dentro de los siete días posteriores a la fecha en que usted recibió dichos bienes o servicios, siempre y cuando no estén dañados ni usados (el vendedor deberá procesar el reembolso dentro de los siguientes 30 días posteriores a la fecha en que usted regresó la mercancía o canceló el pedido de todo bien o producto no entregado).
- Entregarle un contrato escrito, el cual deberá describir completamente los bienes o servicios ofrecidos, el precio total cargado, el nombre, domicilio y teléfono del vendedor, y todas las términos y condiciones relacionados con la venta.

Slamming (cambio no autorizado de empresa telefónica)

Selección de una empresa telefónica - sus derechos como consumidor

La Comisión de empresas de servicios públicos de Texas ha instruido a todas las empresas de servicios de telecomunicación para que entreguen este aviso a sus clientes, relacionado con los derechos que tienen al seleccionar una empresa de telecomunicaciones. Las empresas de telecomunicación (compañías telefónicas) tienen prohibido por ley cambiar a los consumidores de una empresa telefónica a otra sin la autorización del cliente, esta práctica se conoce comúnmente como "slamming".

Si usted es víctima de este delito, deberá comunicarse con su nuevo proveedor - la empresa telefónica que lo cambió sin su autorización - y pedirle que lo regrese a su proveedor de servicios telefónicos original.

Las leyes de Texas obligan a las empresas proveedoras de telefonía local o de larga distancia (empresas telefónicas) que han caído en esas prácticas, a hacer lo siguiente:

1. Regresarle a su empresa telefónica original en un término de tres días hábiles, contados a partir de la fecha en que usted lo solicite.
2. Pagar todos los cargos normales y acostumbrados relacionados con el cambio a su empresa telefónica original en un plazo de cinco días hábiles, contados a partir de la fecha en que usted haya vuelto a su empresa telefónica local.
3. Suministrar todos los registros de facturación a su empresa telefónica original en un término de 10 días hábiles, contados a partir de la fecha en que usted solicite volver a su empresa telefónica local.
4. Pagar a la empresa telefónica original el monto que usted le hubiera pagado si no lo hubieran cambiado de empresa ilegalmente.
5. Reembolsarle a usted, en un término de 30 días hábiles, cualquier cantidad que hubiera pagado en exceso, con respecto al monto que hubiera pagado a su empresa telefónica original si no lo hubieran cambiado de empresa ilegalmente.

Por favor tome en cuenta que una vez que su empresa telefónica original haya recibido el pago por parte de la empresa que lo cambió ilegalmente, su empresa telefónica original tiene la obligación legal de otorgarle todos los beneficios (por ejemplo millas de viajero frecuente) que normalmente hubiera recibido por el uso telefónico, durante el período que fue cambiado ilegalmente de empresa.

Si lo han cambiado ilegalmente de empresa, usted puede cambiar el servicio y regresar inmediatamente a su empresa de telefonía original, simplemente llame a su empresa por teléfono. También puede reportar dicha ilegalidad por teléfono o por escrito a: Public Utility Commission of Texas, P.O. Box 13326, Austin, Texas 78711-3326. (512) 936-7120 o en Texas (sin costo para usted) 1-888-782-8477, fax (512) 936-7003, dirección de correo electrónico customer@puc.state.tx.us. Las personas con discapacidad auditiva o de lenguaje que cuenten con teléfono de texto (TTY), pueden comunicarse a la comisión llamando al (512) 936-7136.

Sus Derechos Como Consumidor e Información Importante de Southwestern Bell

Puede evitar el cambio ilegal a otras empresas solicitando a su empresa de telefonía local, la 'congelación' en su empresa telefónica preferida. Si la 'congelación' se encuentra en operación, usted tendrá que dar su consentimiento formal para retirar dicha 'congelación' antes de que su servicio telefónico pueda ser cambiado a otra empresa. La congelación puede aplicarse a los servicios pagados de telefonía local, servicio de larga distancia, o ambos. La Comisión de empresas de servicios públicos de Texas puede darle mayor información sobre la 'congelación' de líneas y sobre sus derechos como consumidor.

Usted puede tener derechos adicionales de acuerdo a las leyes federales. Por favor comuníquese a la Comisión de Servicios Públicos (Public Utility Commission) si desea mayor información sobre dichos derechos adicionales.

Fraude - Cargos en su recibo telefónico

Hacer cargos en su recibo telefónico por productos o servicios no autorizados por usted, es una práctica de fraude, y está prohibido por la ley. Su empresa telefónica podría estar prestando los servicios de facturación a otras empresas así las otras empresas hacen cargos que podrían aparecer en su recibo telefónico.

Si usted cree que fue víctima de fraude, deberá comunicarse a Southwestern Bell y solicitar que realice las acciones correctivas pertinentes. La Comisión de empresas de servicios públicos de Texas exige que Southwestern Bell haga lo siguiente en un término de 45 días cuando tiene conocimiento de cargos no autorizados:

- * notificar al prestador de servicios para que suspenda los cargos a su cuenta por productos o servicios no autorizados por usted.
- * reembolsar o dar crédito por el monto total que usted haya pagado por los cargos no autorizados.
- * si usted lo solicita, suministrarle todo el historial de facturación relacionado con los cargos no autorizados en un término de 15 días hábiles, contados a partir de la fecha en que se hayan retirado los cargos de su recibo telefónico.

Si Southwestern Bell no soluciona su petición, o si usted prefiere llame para interponer una queja, por favor escriba o llame a Texas Public Utility Commission, PO Box 13326, Austin, Texas 78711-3326. (512) 936-7120, o en Texas llame sin costo al (888) 782-8477. Las personas con dis-

capacidad auditiva o de lenguaje que cuenten con teléfono de texto (TTY) pueden llamar a la comisión al (512) 936-7136.

Su servicio telefónico no puede ser desconectado debido a disputas o por rehusarse a pagar cargos no autorizados por usted.

Puede tener derechos adicionales según las leyes federales. Por favor comuníquese a la Comisión Federal de Comunicaciones, o con el Procurador General de Texas (Federal Communications Commission, the Attorney General of Texas), o la Comisión de empresas de servicios públicos de Texas (Texas Public Utility Commission), si desea mayor información sobre los derechos adicionales que pudiera tener.

Servicio Telefónico Pre-pagado (PLTS)

Southwestern Bell le ofrece el Servicio telefónico prepagado.

(PLTS) para clientes que necesiten el servicio de telefonía local y que deseen tener un mayor control sobre el uso de la telefonía local, siempre y cuando reúnan los requisitos correspondientes.

Los clientes de PLTS reciben los siguientes servicios: tarifas fijas en Servicio Telefónico Básico Local (Basic Local Telephone Service), incluyendo el servicio Touch-tone, acceso a 911; acceso al servicio de reparaciones de Southwestern Bell y a sus oficinas; listado en el directorio de páginas blancas y bloqueo de cuotas. Los servicios mencionados tienen un precio a tasas tarifadas (sin incluir impuestos ni cuotas municipales). Podrían aplicarse cargos adicionales, dependiendo del lugar donde se preste el servicio. Podrían aplicarse cuotas normales de conexión y restauración del servicio.

PLTS NO incluye servicio de llamadas de larga distancia, llamadas por cobrar, acceso a Servicio de información (411), ni acceso al uso de productos tales como Regreso de llamadas (Call Return), Remarcado automático (Auto Redial) y Rastreo de llamadas (Call Trace).

Es responsabilidad del cliente el realizar los pagos por el servicio. El pago inicial consiste de la tarifa mensual por hasta dos meses del servicio, además de todos los cargos por conexión. No se requiere ningún depósito. Todos los pagos subsiguientes serán facturados con un mes de anticipación.

Es responsabilidad del cliente asegu-

rarse de que la cuenta PLTS sea pagada a tiempo, antes de la fecha de vencimiento, y que no se incurra en cargos adicionales, tales como larga distancia. La violación a los términos y condiciones del plan PLTS pueden dar como resultado la desconexión sin previo aviso. Si se realiza la desconexión del PLTS por violaciones a los términos y condiciones del servicio, el cliente no podrá ser elegible nuevamente par obtener el servicio PLTS con Southwestern Bell.

Para cambiar de PLTS y volver a contar con el Servicio Telefónico Básico Local, el saldo del cliente en la cuenta del servicio PLTS deberá estar en ceros, y no deberá tener cuentas por pagar a Southwestern Bell, incluyendo también los cargos por tarifas.

Por Favor comuníquese a Southwestern Bell llamando al 1-800-529-7499 para suscribirse a PLTS, o para obtener información adicional.

Derecho a modificaciones

Southwestern Bell se reserva el derecho a modificar en cualquier momento los derechos del consumidor por cambios en la legislación, por cualquier orden reglamentaria o de los tribunales, o por cambios en los procedimientos o políticas de Southwestern Bell. Sus derechos como consumidor están regidos por las leyes en vigor, los reglamentos, órdenes judiciales y reglamentarias y tarifas. En caso de discrepancia entre las leyes en vigor, los reglamentos, las órdenes judiciales o reglamentarias, o las tarifas, y la información contenida en esta Guía, prevalecerá la ley, reglamento, orden judicial o reglamentaria, o tarifa.

Llamadas por cobrar

Cuando recibe una llamada por cobrar, usted tiene la opción de preguntarle a la operadora cuánto se le cobrará y quien llama antes de aceptar la llamada. Si no reconoce la persona que está llamando por cobrar, sea precavido al aceptar la llamada. Se sabe que antes algunas personas que llamaban por cobrar mantenían a la persona en la línea todo el tiempo posible para que se le cobrara más por la llamada. Si no reconoce los cargos de una 'llamada por cobrar' en su factura telefónica, o cree que le cobraron más por una llamada de este tipo de lo que le había dicho la operadora, por favor comuníquese con la oficina de servicio al cliente de SBC Southwestern Bell al 1-800-585-7928. Usted tiene derecho a disputar cargos no autorizados que aparecen en su factura. Para ver esos derechos, consulte la sección titulada "Cuentas en disputa".

Get the recognition you deserve.

Make it easy (and fun!) for anyone to find your number. With Personalized Listings, you can choose from three features, combine or use separately, to help you stand out from the crowd. Each feature is available for a small monthly fee. Additional savings if you select more than one.

Personality Logosm

makes your listing distinctive.
Select a symbol that depicts your hobby, interest or school.

Choose from these symbols, or call us to see if another logo you prefer is available.

Actual sizes are larger than shown.

Line of Distinctionsm

is like a "vanity plate." Create a phrase* (up to 34 spaces) that says something about you, your family or affiliations.

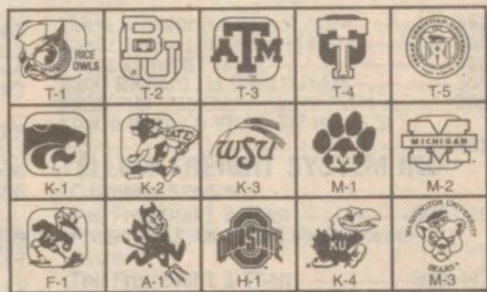

Need more space? Up to eight lines available. Additional per-line charges apply. Call for details.

*Guidelines and content restrictions apply.

Signature Listing[®]

sets you apart from the others in a style that best reflects you. Select a contemporary bold or sophisticated script type style for your listing.

And remember, **Additional Listings** provide a separate and alphabetically distinct listing for the names of anyone else living at your home - your spouse, children, roommates or live-in parents.

Call your local business office to order.

**Let's get something straight.
You're supposed to have a number.
Not be one.**

It seems other phone companies have forgotten one important thing. You are a person. And you should be treated accordingly—with dignity and respect. Which is why we think you'll appreciate the 12 promises we're making to our customers. Things like never trying to trick you into signing up for anything. Or never disturbing your dinner with a sales call. It's called our pledge, and it's something we think you'll like. Considering that, you know, you're a person.

It's amazing what happens when you discover the perfect combination.

Kinda like CallNotes® and Call Waiting. You see, CallNotes voice mail is the perfect complement to Call Waiting. If you choose not to interrupt an important call, CallNotes records the message. Because unlike an answering machine, it picks up even if you're on the line. So now there's a better way to get your messages. Granted, it's no SPORK™. But we think you'll find it every bit as useful. Call 1-800-234-BELL.

**Your friendly neighborhood
global communications company.™**

Southwestern Bell

CallNotes service provided by Southwestern Bell Messaging Services. Call Waiting service provided by Southwestern Bell Telephone. Services available in most areas. Restrictions may apply. SPORK™ is the trademark of WOW Plastics, Inc.
