In Memoriam

Jeanne Talley

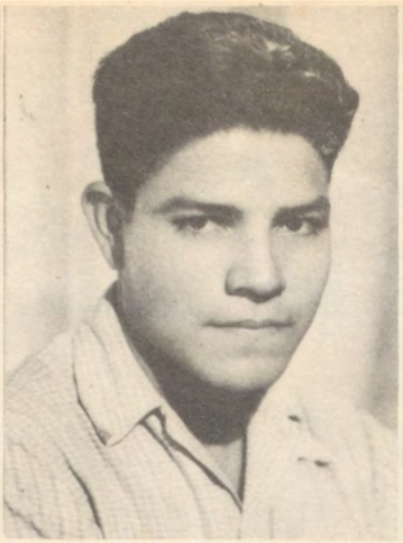

In the midst of our school recollections, we pause in thoughtful memory — thinking tenderly of the one who left us this year — of Jeanne Talley, Junior girl, born and reared in Taylor. Jeanne's entire school life was spent in Taylor schools, and her passing is felt by the entire student body.

For Jeanne, we say with Tennyson:

"For though from out our borne
of Time and Place
The flood may beaer me far,
I hope to see my Pilot face to face
When I have crossed the bar."

Treasured Memories

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in the production of this book. It indicates the wealth of ideas and ability which have made possible the long record of our school annual achievement.
