# Dedication

We, the members of The Mallard staff, wish to dedicate this 1950 edition of The Mallard to our principal, Mr. O. C. Cook. Because of his long illness, he hasn't been with us as much as we would have liked, but his presence has enhanced our feeling of good-fellowship, and we feel indeed fortunate to have such a fine and capable man for our new principal.

## SPONSOR

We, of the Mallard Staff, especially wanted this picture to be included; it is of the person who has done the hardest job in connection with editing the annual. We wish to express our sincere thanks to Mrs. Frances Lee, our sponsor, for her wonderful sense of humor and unfailing patience with our shortcomings.

# SUPERINTENDENT'S MESSAGE

To The Students of Taylor High School:

Greetings, congratulations and good wishes are extended to the students of Taylor High School for the worthy achievements, cooperation and understanding which have been exhibited during the school year.

It is desirable for us to be frequently reminded that the basic functions and goals of Taylor High are to provide developmental experiences, skills, habits and attitudes which largely equip each student to meet the demands and requirements of everyday living. These are precious years, and the happiest and most vital period in your life, and as such they should be filled to the brim with purposeful activities which will enrich the present and future.

I wish for each of you happiness and prosperity during all the years which lie ahead.

Sincerely,

T. H. Johnson

JOANNE ARLEDGE

A cute female equestrian with a talent for wielding a paint brush.

BOBBY RAY BALUSEK

This tall, dark, and handsome fellow has put the pep into many a pep rally for the Taylor Ducks.

BARBARA BARRON

Cute and sweet with eyes of beautiful blue and the pride of the shorthand class.

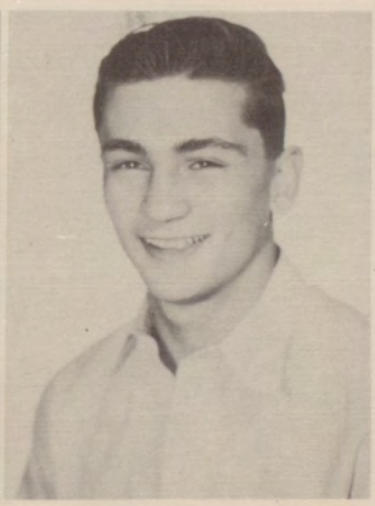

BETTY BERGER

A luscious brunette who well deserves the honor of being Band Sweetheart. She has done a grand job and we hate to lose her.

ISABEL BUZAN

A hot clarinetist who provides all the spice in sixth period band. Taylor High will miss her.

MOSES BUZAN

Nobody needs to be told how this rugged senior dominates the gridiron with the greatest of ease.

WILLIAM CHARLES CARLOW

If you don't believe in miracles just take a look at what this clever senior can do with a piece of wood.

JAYNE CHAMBERS

Jayne has really worked hard during her four years at Taylor High. Her attractive personality and loyalty have made her one of our best-liked students.

### Vesta Cherry

Vesta reigns supreme as Taylor High School's Carnival Queen; she's really tops in everything.

### Ernestine Crowder

You can always depend on Ernestine for a ride in her big gray Buick. You'll enjoy it, too; she's one of the liveliest personalities in Taylor.

### Doris Jean Czimskey

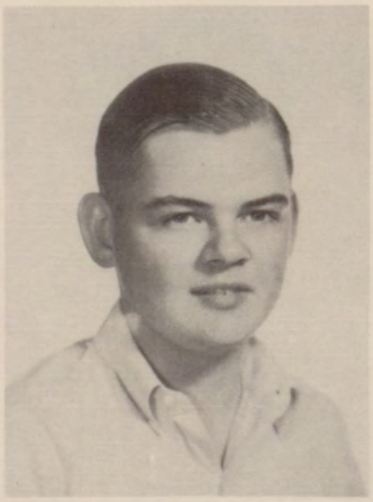

We've always kidded Doris Jean about using those long black lashes for brooms, but she's so sweet and good natured, she never minds.

### Monica Davis

Few people possess the charm and grace of this senior who is one of the best actresses ever to appear on our high school stage.

### Don Ford

Trombone player deluxe, Don has also been the work horse of the Taylor Band. He's one of the kindest and most helpful boys in the senior class.

### Warren Frederick

We have great hopes for Warren in the field of commercial art. His snappy dressing puts him in the running for best groomed student this year.

### Fred Holman

Big and blond and loads of fun—that's Fred. He's done everything from football and tennis to yell leading and dramatics to glorify old Taylor High.

### Benny Holub

A genius with a tennis racket and no mean singer is Bennie. When he has nothing else to do, he thrills radio fans with his announcing.

LESTER JACOBSON

This boy will long be remembered as the practical joker of T. H. S. When he gets that mischievous gleam in his eye, you can be sure he's planning to electrocute drown, or poison you.

DORIS JASEK

Doris always has a smile and a kind word for everyone from a stray dog to the superintendent. Her lovely voice and sweet manner will make us all remember her.

BARBARA JONES

Barbara has had a finger in every pie from the Junior-Senior to the Spanish Banquet. Her pretty hazel eyes and the cute attractive way she dresses have combined to make a cute senior.

GERALD JORDAN

Gerald's friendly smile, his democratic attitude, and his careful performances on the high school stage have made a warm spot for him in all of our hearts.

CATHERINE KASPAREK

Catherine's work on the French horn has really added to the Taylor Band. We'll really miss your musical talents next year, Catherine.

MARY KASPER

When Mary isn't thrilling us with her sweet soprano voice, she's out having a good time with Edmound. We predict a bright future for you, Mary.

ALMEDA KELLDORF

"Nick" is one of the sweetest gals in the senior class and we're really going to miss her next year. She's going to follow in her mother's footsteps and be a nurse. We know she will be a good one.

WILLIAM KELLDORF

"Buster" has been a pillar of the Taylor Band for the last few years. We've always been able to count on him to help with any task—no matter how difficult.

### Joyce Ann Krenek

One of the cutest gals in high school is our senior yell leader. She keeps the boys guessing but she lets us all know that she's rooting for the Ducks.

### Janell Kunz

Hear that giggle? That's Janell! But it's cute and it belongs to a cute, sweet girl with an outstanding personality.

### Norma Jean Ladewig

Norma Jean's solo cornet playing is hard to beat, and so is her kindness and sympathy toward her classmates. We feel safe in predicting lots of happiness for her.

### Swanee Latham

What will we do without Swanee who can do everything from editing the Mallard and Cotton Boll to keeping Wilbert company. We can say she's really tops!

### Julia Lightner

Julia, besides being our master artist is a friend to the down trodden. Whether you've skipped class, murdered a teacher, or given Mr. Johnson a hotfoot you can depend upon Julia to defend you.

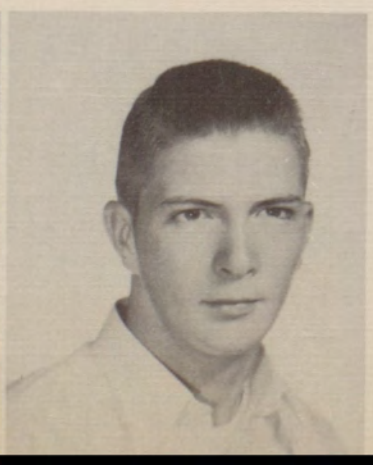

### Lillian Martinka

Blond, blue-eyed Lillian is one of the sweetest seniors ever to pass these portals through. Her willingness to help with anything and everything has built her up in the eyes of her classmates.

### Geraldine Mathiews

Warm hearted Gerry, president of the Taylor Band, has turned her hand at everything from flag bearing to selling soda water. She's sure to make a big place for herself in the world.

### Donald McLaughlin

Don's work at right end this year was really an asset to the Ducks. His presence has meant a lot to a certain soph. too.

### Wilbert Meister

Wilbert's the kind of a guy who knows everyone, and usually likes them, too. He has shone at football and basketball and given several brilliant dramatic performances. He's really an all-round fellow.

### Evelyn Meyer

Evelyn's quiet but friendly grin and cornet work with the band have given us all a chance to know and like her. Best of luck to you, Evelyn.

### Bobby Jim Moegle

You'd never know Bob was a tennis and basketball star to hear him tell it. According to him, he does everything wrong. That didn't keep the student body from voting him its outstanding boy—we can't add anything to that, Bobby.

### Johnnie Mogonye

That bass drum is going to look so lonesome without Johnnie, but I guess the Pep Squad can do without his drilling instructions. No kidding, we'll really miss you Johnnie.

### Daniel Joe Mohel

When Daniel isn't scooting around town on his motor bike, he's working at the Times. We'll expect you to be a big newspaper man, Daniel.

### Marvin Mucha

"Muchie" has probably had more jokes played on him than any boy in school. That is, when he's not camping out on the San Gabriel.

### Conrad Mundkowsky

We won't say that Conrad is a ladies' man, but he really makes with the compliments. It's a wonder this black haired fellow hasn't snagged him a steady by now.

### Earline Poldrack

Neat and sweet — that describes Earline. With those cute blue eyes and a smile that's shy but sly, she's everybody's friend.

### Marie Polzin

Between heckling the boys in geometry class and keeping order in home room, Marie is pretty busy. We'll miss her friendly joking manner and we wish her the best of everything.

### George Prewitt

Our hard working Student Council President is equally happy on the tennis court, the dance floor, or giving out hot music on the saxophone. We look for big things from you, George.

### Vera Raesz

Vera, the pride of baseball team, is going to make some lucky man a wonderful secretary.

### Yvonne Raven

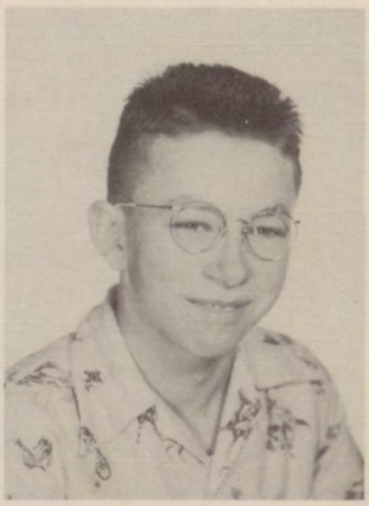

Yvonne is always flitting back and forth with Charlie. In between times, though, she attends high school and her classmates have come to look for her smiling face in the hallways.

### William Rinderknecht

"Shorty" is a character at Taylor High. The taxi he runs has added even more to his natural popularity.

### Margie Ripper

Her smiles and her cute figure combine to make a really cute gal. She's had plenty of practice as secretary of just about every organization in school.

### Frederick Roose

He's got a grin from ear to ear and a big hello for everyone. If our friend Fred wants to loaf, he can always be the "after" in toothpaste adds.

### Billy Joe Roznovak

We'll miss Billy's big booming voice and his jokes in chemistry class that have made him liked by all the kids.

### Wanda Lou Schade

Wanda has arranged her courses with an eye to making someone a fine secretary. This sweet senior has many friends among the students and teachers because of the helpful ways.

### Dorothy Schiller

Dorothy has made a careful study of homemaking. Perhaps you have Glen Roy's home in mind, Dorothy?

### Peggy Schroeder

This witty gal will make some poor fellow a nervous wreck with her light flirtatious ways.

### Leon Slagle

No matter how busy he is or how much he has to do, Leon always has time to say a friendly word and lend a helping hand.

### Agnes Srnensky

Lend an ear fellows. Here's a good looking gal with a talent for cooking the best cakes you ever tasted.

### Irene Svoboda

Though she works hard at Johns Drug Store and has a good time with Raymond, Irene still finds time to be a fine student.

### Patsy Swensk

Cute, sweet, and hard to beat is Patsy. One of the hardest working and deserving girls in high school, she is bound to be a big success at whatever she attempts in life.

### Thomas Swenson

Brains! brains, brains. Thomas is one of the smartest boys at T. H. S. He fairly flies through the most difficult math problems.

### Florine Teichelman

Florine's jolly laugh and cute smile keep her grades high.

### Jean Tyler

Petite and sweet, Jean has successfully portrayed giggling girls on the T. H. S. stage. She's really a grand gal, though, and we'll miss her lots.

### Lorene Valenta

Brainy and athletic, Lorene is one of our most outstanding seniors. She has really added to Taylor High's social life.

### Margie Welch

Margie is the wit of the senior class. It has been all we could do to edit the annual for laughing at her jokes. She's really a wonderful girl, though, and a friend to be proud of.

### La Verne Wentrcek

Have you ever seen a dream walking? Sure you have—its that gorgeous brunette, La Verne.

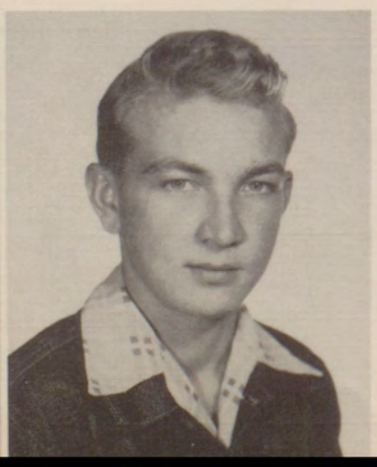

### June Wilke

Our drum major has really done a lot for the Taylor Band. She's led them down the field in that cute uniform, directed them, and performed other responsible tasks. Besides that, she has been active in the T. H. S. affairs.

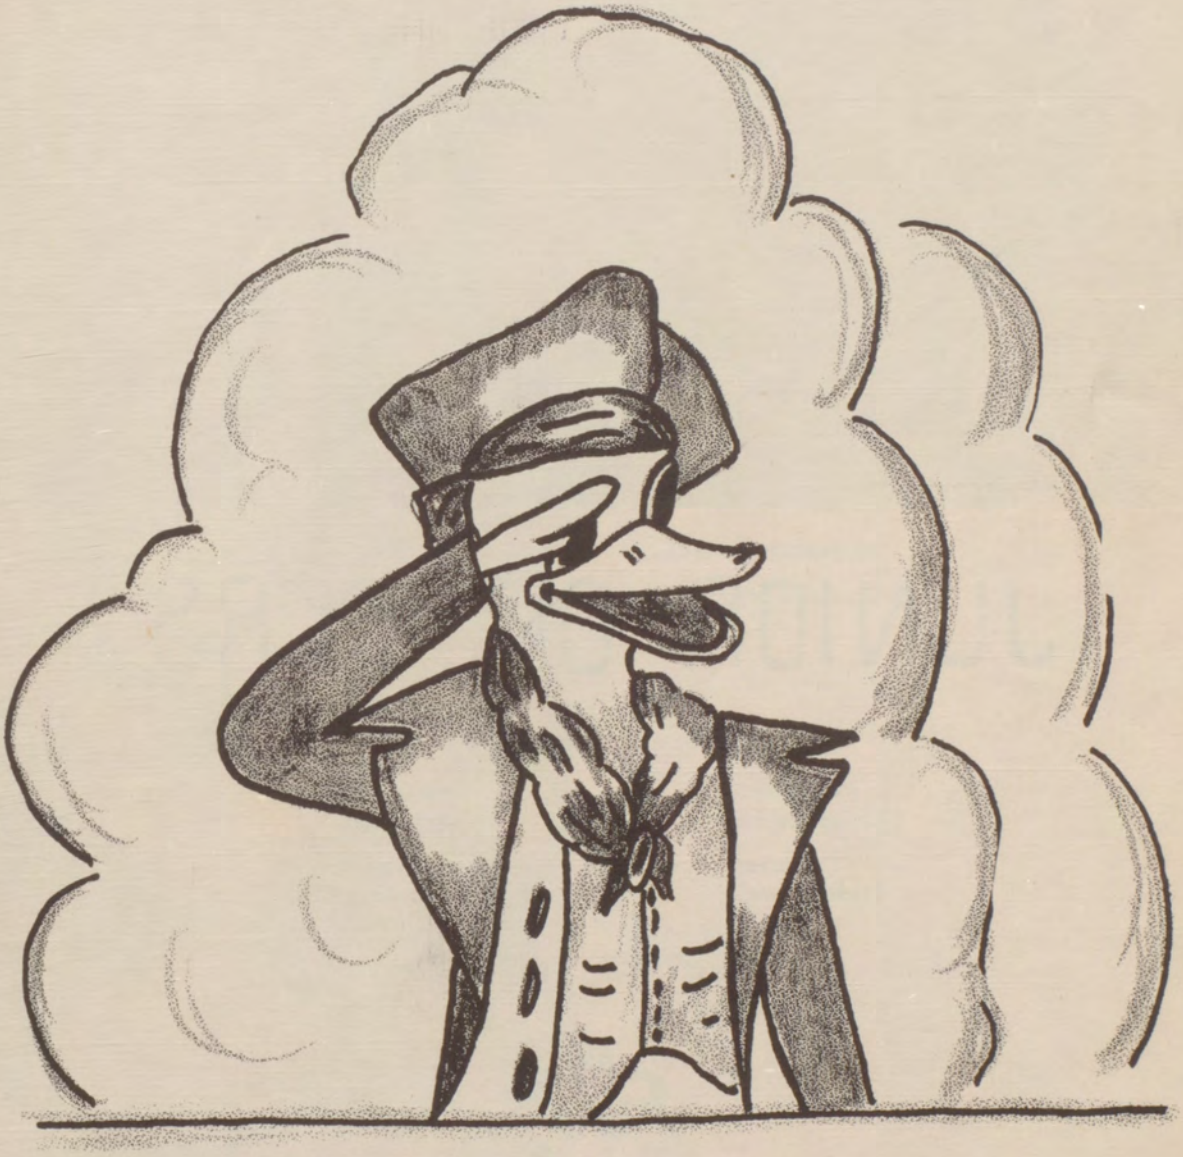

### Bernie Wuthrich

Our bass horn player is shy, but lots of fun. Underneath that bashfulness there beats a heart of gold. Good luck to you, Bernie.

### Curtis Zellmer

This blond basketball player has come pretty near to blowing up the chemistry lab, but he's never quite made it. Never mind, Curtis, we really trust you.
