

CITY OF TAYLOR Memorial Tree Program

A memorial tree can be a living remembrance of a loved one or a celebration of a happy event. It provides a sense of belonging and community. The new trees resulting from this program provide a place of quiet reflection and a sense of comfort to those in need as well as serving to beautify the public lands of the City of Taylor. There are few other gifts that will be as long lasting as a tree.

The City of Taylor Parks and Grounds Division sponsors a program of planting trees on all publicly owned land and parks. The City provides the trees at a cost of \$150.00 each and will install water and maintain them. The City has a one year warranty on all Memorial Trees. If the tree dies within one year of the time it is planted, the City will replace the tree at the City's expense. The Parks and Grounds Superintendent will select the tree from the list of trees approved in the City's landscaping ordinance. Plantings will occur only during the months of October to March. The donor will be contacted after the tree has been planted. Donors will receive a commemorative certificate suitable for framing. A Memorial plaque may be purchased through the City of Taylor only if purchasing a grove of five (5) or more trees at one time to be placed in one location. The City of Taylor will determine size, placement and wording on any plaque to be installed. The donor will be responsible for all costs associated with the placement of a memorial plaque. The City is not responsible for replacement of damaged or stolen plaques.

In addition to the commemorative certificate, the honoree will be listed in a City of Taylor Memorial Registry located in the office of the Superintendent of Parks and Grounds.

For Additional information, please contact Tyler Bybee at (512) 365-7669 or by email at tyler.bybee@taylortx.gov
