The

THE TAYLOR HIGH SCHOOL SONG

How we honor our own Taylor High!

We will send forth her praise to the sky.

All our friendships forever will last;

The memories of Taylor High will never be surpassed.

Soon we'll take the walks of life

And begin our daily strife,

But forever we'll remember Taylor High.

For we know that in each of our hearts

The Green and White shall ever fly.

Dedication

Because of her hard work, her patience, and her wonderful personality, we, the members of the staff, wish to dedicate this 1952 edition of the MALLARD to Mrs. Frances Lee.

The successful sponsor of the annual for the past two years, Mrs. Lee has worked with the members of this year's staff with tolerance and understanding. When we registered confusion (which was very often) or made mistakes, Mrs. Lee smiled and showed us what to do and how to do it. For this reason we thought it very proper to dedicate this MALLARD to our friend and helper, Mrs. Lee.

Annual Staff

The staff wishes to express appreciation to the following students who volunteered their services and worked diligently on this edition of THE MALLARD

To: Students of Taylor Junior-Senior High School

I am grateful for the opportunity to convey good wishes and to extend congratulations to the students of Taylor High School for a profitable and pleasant school year. It has been a keen source of pleasure to be associated with the students and faculty of our school and to have felt the influence of your loyalty, citizenship, and cooperation.

You are now developing habits, personal qualities, and characteristics, as well as knowledge, that will tend to persist in later life. It is hoped that the work habits, lessons learned, and achievements accomplished will bring you added happiness and success.

Sincerely,
