ACTIVITIES

Football Season

Juniors along with the sponsors get ready for the football concessions by making hot dogs.

Band and Green Jacket members practice the outline of Texas before they perform at the game.

Cheerleaders make with the big yell to put everyone in the right spirit.

When they weren't yelling inside, they were yelling outside.

Cheerleaders and the willing Mallard photographers gather material for the big bonfire.

The band plays as everyone marches downtown after the bonfire.

Homecoming

I made this poster! Jandelle

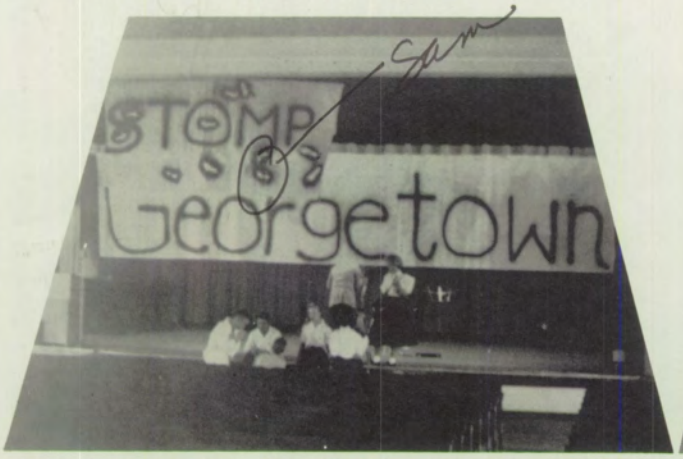

Ex Student-Board Member Delmer Nichols speaks to Taylor High Exes at Homecoming Assembly.

Queen Kaye Matteck

This is me! How did I manage it? Jandelle

This sign and many others played a great part in building up the enthusiasm before the "big game."

Kaye is crowned by Student Council President Gilbert Moehnke.

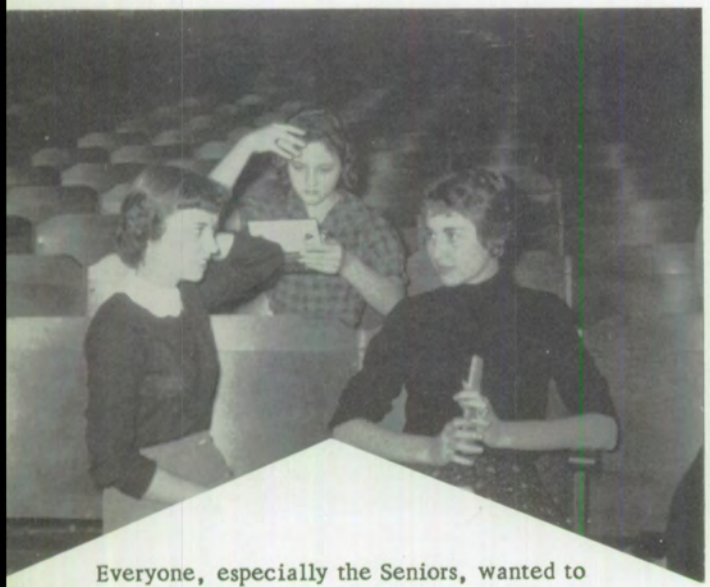

Spirit soars as the band plays at the pre-game bonfire.

Exes live it up at the Homecoming Dance.

Fall

Everyone, especially the Seniors, wanted to look his best for school pictures.

Mr. Moree, our MALLARD photographer, snaps a picture of Lois Poldrack.

Fifth period chemistry students made an interesting display of their work.

Taylor High's Stage Band started its concerts early in the year.

Senior Green Jackets beam proudly about their sweaters which represent years of hard work and fun.

Proud band seniors show off their jackets, symbols of four years' marching, playing, trips, and fun.

Christmas and Snow

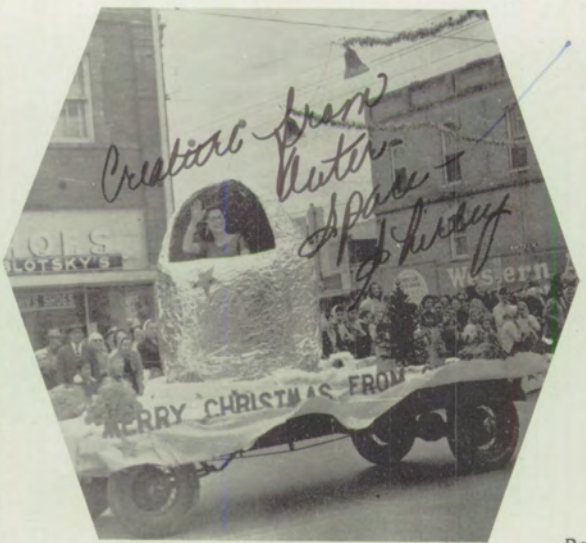

As a small token of their appreciation for all she had done for them, the members of the Mallard Staff presented Mrs. Lee with a Christmas gift.

Ribbons and banners to be awarded in the annual F.F.A. Stock Show are displayed in the showcase.

Green Jackets decorated the tree in the hall, outside the office.

Shirley Minzenmayer rode on the Industrial Arts float in the Christmas parade.

Red and green streamers on the lights helped to put us in the Christmas mood.

Although the snow only lasted one day, everyone had fun while it lasted.

Banquets

Pretty girls in appropriate costumes pose for pictures at the annual Spanish Club Banquet.

Co-captains Kenneth Krueger and Don Novosad pose with next year's captains, Gene Raesz and Donnie Smith at the banquet.

Pat Garner and Linda Matteck rule as Aeneas and Dido at the annual Latin Club Banquet.

The slaves, the Latin I students, provided the entertainment for the Banquet.

A lot of time and work

were spent to turn out this.

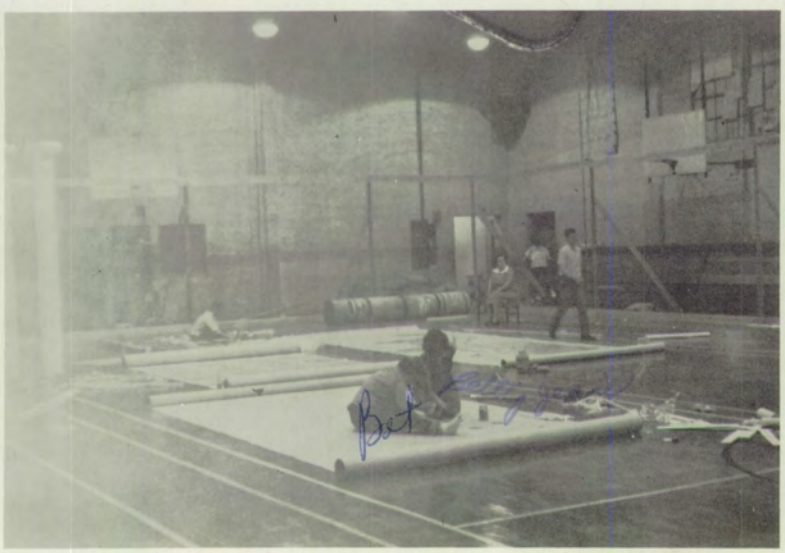

Couldn't have been done without the help of our sponsors.

Center of attraction.

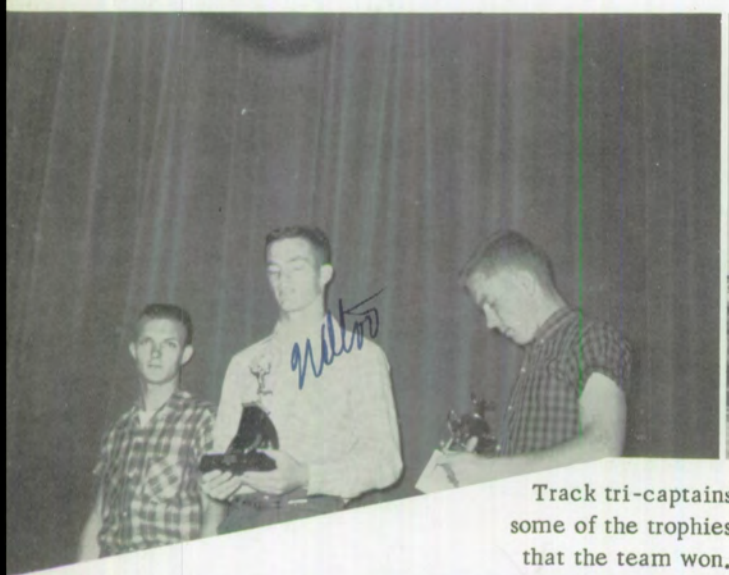

Sports

Taylor High's sports awards are displayed in an over-loaded trophy case.

Basketball captains, Gilbert Moehnke and David Hertz present a trophy to Carlyn Grau.

Track tri-captains some of the trophies that the team won.

District Sports

Taylor's softball, tennis, and volleyball teams gained many points for us this spring in District Meet. All four softball teams entered won first places. In the tennis senior girls' division, our singles player and doubles team won blue ribbons. The girls' and boys' volleyball teams each tied for third places. This is the best showing these team sports have made in many years.

Members of the Junior girls' softball team proudly display their first place pennant.

Vernette Wuthrich won first place at district and played in regional in San Marcos.

Cara Wernli and Judy Ford won first places at district and regional and they went to state.

Judy Schier spikes another one over for Taylor as we defeated Round Rock in District volleyball.

Marilyn Psencik sets a ball up in the game that won for Taylor a tie for third place.

Dear Ginny,

Well, at times I wondered this year if I'd ever be signing a '58 Mallard at all. I know for sure that I was glad that way. Oh well, I guess we fooled her.

Finally, we're through (yea) after 12 years of scrapping. Boy am I glad. We did, however, have load of fun through all the mess in between.

Really had some balls at drills, running around, making senseless threats, etc.

With everyone reading over my shoulder, I can't even think to write. I had lots of fun with you and will always remember our good times together.

Good luck at Sam Houston, Big Sis.

Dear "Big Gin",

Well - we've had much fun these past years! Seems like we always end up laughing about something or another. (Sorry, I goofed, but you drives like crazy) Ole had quite a time out at Galvez nite! Remember? Wow! Those double dates with you & Frank were fun too. "Gin" it's just too bad that you & I are so terrible. Why, Jakie & Jeray & me & you & ??? are the worst ever. Now lets see. What else have we done. Band trips on those crazy ole buses were fun. We always came home with all sorts of little souvenirs. Remember the day we went to Austin to the Round-up parade? Oh yes, Physics was such a blast. We did learn a few jokes in there didn't we? Well, Gin, hope you have fun at San Houston. Lots of luck to a real great friend. Say you always have the best of everything. It's been fun! I'll miss you this coming year. Don't forget me too soon.
