THE 1962 MALLARD

In Dedication

On behalf of the student body, the MALLARD STAFF wishes to dedicate the 1962 MALLARD to Velma Loeve, our faithful office secretary. Her hard work is taken for granted, and she receives little credit for the many extra tasks she does for the students of Taylor High School. Through this dedication of our yearbook, we wish to thank her for a job well done.

Board of Education

MR. JOHN VERNON STILES - - - - - - - - - Chairman
DR. S. W. LEHMBERG - - - - - - - - - Vice Chairman
MR. LOUIS J. KINCL - - - - - - - - - - - - - Secretary
MR. LEON BOHLS - - - - - - - - - - Assistant Secretary
Supt. T. H. Johnson
Mr. Neil McAlpine
Mr. Henry Pumphery
Mr. Horace Twitty

The Board of Education performs many endless and sometimes unnoticed tasks which contribute to the smooth operation of our school system. Mindful that they can never adequately express their appreciation, the students of Taylor High School wish to take this opportunity to convey their sincerest thanks to each member of the Board.

Principal's Message

Taylor High School
Taylor, Texas

It is within the school that we learn the importance of the inspiration of personality - building through the social contacts one has with his fellowmen. There is nothing in the world like friendship. As we associate with our fellowmen, we get to know them better - and as a rule, the better we get to know them and understand their ideals, aspirations, troubles and problems, and how they rise to meet them, we are all made finer students and firmer friends.

The school should appeal to, and help to develop, many sides of our lives and personalities. It helps us to build the fundamentals, to grasp the essentials, to smile when smiling is hard, to take courage when courage is needed, to build our stores of information and knowledge, to work and play, to join with others and play with more skill the full game of life.

Remember that the service you render in school, even though carried to an extreme, hurts no one and writes a biography that the world will respect and God will honor.

Life insurance offers many ways to a better life. Protection is just ONE of them. Far-sighted men and women use life insurance to reach important financial goals... to accumulate funds for education, retirement...to lay aside cash reserves for emergencies AND for opportunities.

No other single instrument serves so many needs so well, with such certainty.

A Southwestern Life man can help you get the MOST out of life insurance--MORE out of life.
