PROUDLY WE DEDICATE . . .

We, the students of Taylor High School, believe that we have a first-class English Department. For the past twenty-seven years, an outstanding member of this department has been Miss Ruth Mantor, who has patiently helped many promising students graduate with honor from Taylor High School into all walks of life.

She has wide-ranging interests. When she is not teaching, giving extra help to students or correcting papers, she enjoys reading, being National Honor Society and Journalism sponsor and enthusiastically supporting all athletic activities of THS.

Miss Mantor, we are grateful for all the many, many ways in which you have helped each one of us. We, the Mallard staff of 1967, therefore wish to dedicate this yearbook to you as a small token of our appreciation.

MISS RUTH MANTOR

"Of high ideals and virtue was her speech;
and gladly would she learn, and gladly teach."

Chaucer

MR. T. W. HOLMSTROM, JR.

Mr. Townley was teacher, principal and superintendent at Everman, Texas for ten years. He came here in the summer of 1966 from Pharr-San Juan-Alamo, where he served as Superintendent for four years. He has brought many new ideas and changes to our school to accomodate our rapidly expanding enrollment reflected by our new AAA District status.

We have passed another milestone. Our efforts are fruitful, our costs are justified, only if our principles form our characters, and thus are carried and exemplified outside the school.

You have proved, with the help of your teachers, to be excellent citizens while in school. Seniors, we think you will continue. To you other students, we know you will surpass expectations.

Let us propose together to strive for improvement in our school thereby serving our community, nation and world.

Sincerely,

Howard L. Oliphant

FUTURE HOMEMAKERS WORK

The Future Homemakers of America have been truly successful this year in carrying out their many and varied projects. Climaxing the year was the annual installation of officers. This ceremony was one of the most impressive and beautiful ceremonies of the FHA year.

As the year comes to a close we find the club very grateful to their sponsors for making their year one of the most memorable ones the club has ever had.

SENIORS "SPLASHDOWN" AT LANDA

MAY 19, 1967

The Seniors spent an enjoyable day at Landa Park, although it rained half the afternoon. There was always something to do with swimming, horseback and paddle boat riding, miniature golf, sun-bathing, eating, and dancing. The day ended with a great meal at El Mat. Who will ever forget that day?

Those energetic Senior boys!

We love you, Jerry Potato!
