

### **Fire Hydrant Flow Test Application**

Flow Test results will be delivered within 7 business days of submitted request. Incomplete forms will not be accepted. Each request form must be accompanied by an exhibit illustrating which hydrants are to be tested (static & residual). Payment for the test shall be paid in advance at City of Taylor City Hall 400 Porter Taylor, Tx. 76574 or by calling Taylor's utility billing department (512) 352-2066. Hydrants located only within Public Right of Way or dedicated Public Easement will be tested. All requests must be submitted to the City of Taylor Fire Department care of: robert.copeland@taylortx.gov
