Sams	No	NA	None	
Sams	No	NA	None	
Sams	Yes	Street sunk. Holds Water even in light rains. Carport issue with permitting and drainage.	Call Vernon to understand his issue fully and report back to Shelli Cobb on resolution. Inform resident that his street is not planned for improvements based on current condition and comparison to other streets. Due to the lack of drainage infrastructure when the neighborhood was developed and the lack of flooding threat to properties, there will likely be nothing we can do about water standing in the street.	Planning

Sams	Yes	Concerned with the loitering ordinance. What is the plan for the homeless, especially veterans? Choosing cruelty over people. Not Christian. Need to provide shelter and basic needs to homeless. Pride Proclamation. Music on Main. Drainage. City customer service is Shitty. need climate control at shelter. Need a stop sign on Jones. Has to use a pump to control water in back yard.	Call for clarification about drainage issues and to discuss improvements to city customer service. Pass contact on to Police to discuss loitering ordinance. Pass contact to Animal Services to discuss plans for the shelter.	Communications, Police, Animal Services
Sams	Yes	Provided a printed list of concerns. Water, electric, and gas supply with growth. Do we have enough police, fire, and EMS? Condition of City Streets, and drainage in our neighborhood. Stop signs at Sams and --- water pools. Cant see when pulling out at Sams and Jones due to house/truck on left.	Call for clarification about drainage issues and street conditions.	Communications

Holly Springs	No	NA	None	
Holly Springs	No	NA	None	
Holly Springs	Yes	All Good. Taxes are high. Wish they were lower.	None	
Holly Springs	Yes	Lives with daughter. Moved here in 2020. Water comes down and floods behind houses. Not cleaned out. 3 Foundation repairs due to rain and flooding. Too many cars parked on street. Street needs repairs badly. Dirt washes into culdesac and has not been cleaned out. Other streets nearby are better. Praise for fire and police. Likes community and people.	Call to discuss flooding concerns and pass along to drainage engineer. Inform about level up program and status of street. Pass dirt/street sweeping needs to Public Works.	Communications, Public Works
